

Ex's Brother 1101

Chapter 1101: take her for a checkup

fang zicheng heard lu yinxi's inner thoughts and felt a little amused.

why was it that every time she saw him, her inner world was so wonderful?

lu yinxi did as she had expected. she deliberately lowered her head and slowly walked past fang zicheng. fang zicheng watched as she walked past him. he suddenly remembered a song that fang zikai had listened to a while ago. there was a line in the song that said, " i'll pretend i don't see what you're supposed to do. "

lu yinxi walked with her head lowered. she saw fang zicheng's feet and realized that she was getting further and further away from him, but he never called out to her.

he really wasn't here to find her ...

!!

lu yinxi was quite disappointed. she felt that she was a little funny at this moment.

"lu yinxi,"

the young man, who was in the middle of his voice-changing period, called out her name in a slightly cold voice.

lu yinxi stopped in her tracks.

she adjusted her expression and pretended to be surprised. she looked at fang zicheng and said, " student fang, what a coincidence. are you here to see your friend? "

"i'm looking for you," fang zicheng was direct and straight to the point.

lu yinxi was a little happy.

fang zicheng lowered his head to look at lu yinxi's heart again. it's here, it's here. her heart was beating faster. what kind of illness was this? why did it act up at any time? fang zicheng's expression did not change, but he suddenly grabbed lu yinxi's hand.

lu yinxi was speechless.

her face turned red, all the way to her ears and neck.

her heart beat faster, and she felt that her heart was about to jump out of her body.

"student fang, why are you pulling me?" lu yinxi was particularly embarrassed. there were so many people coming and going at the school gate. wasn't she afraid of being seen and causing rumors?

fang zicheng still did not let go of lu yinxi's hand when he noticed that she was not moving.

fang zicheng turned around and stared at lu yinxi's chest.

lu yinxi was a little embarrassed. she realized that fang zicheng seemed to like staring at her chest. if it weren't for fang zicheng's good looks, lu yinxi would have called him a lecher.

good looks were justice, and fang zicheng was always right.

" have you had a physical examination recently? " asked fang zicheng.

this question confused lu yinxi.

“no, no,” she had gone to the free physical examination organized by the school, but the physical examination could not find any major problems in her body. lu yinxi saw that fang zicheng’s eyes were a little deep and thought that there was something wrong with her body.

but that shouldn’t be the case. if there was something wrong with her body, shouldn’t she be the first one to notice it?

“let’s go for an examination.” fang zicheng pulled her to the side of the street without any further explanation.

lu yinxi quickly pulled her hand back. fang zicheng looked at her in confusion. ” why are you throwing a tantrum? ” he asked.

lu yinxi didn’t know whether to laugh or cry.

“student fang, you have to give me an explanation. you suddenly ran over and dragged me to the hospital for a checkup. can you explain what’s wrong with my body?”

fang zicheng explained, ” you have a heart problem. ”

“ah?” this time, it was lu yinxi’s turn to be dumbfounded.

was there really something wrong with his body?

“what’s the problem?”

” i’m not sure, ” fang zicheng replied. ” we’ll only know after an examination. ”

“how did you know?”

fang zicheng looked left and right, then put his face next to lu yinxi. " my eyes are different from yours. i can see things in the human body. your heart beats very fast sometimes, like it's experiencing arrhythmia, " he said.

fang zicheng paused. he stared at lu yinxi's chest and said, " for example, you're jumping very fast now. "

lu yinxi wanted to say that it wasn't an illness. her heart had suddenly sped up because fang zicheng was too close to her. when he spoke, lu yinxi could clearly feel his breath.

lu yinxi roughly understood what fang zicheng meant by heart disease.

she was embarrassed and embarrassed to explain to fang zicheng. " i'm not sick, really, " she said in a panic. " trust me. " i still have things to do, so i'll be leaving first!"

she turned around and fled.

fang zicheng stood where he was, squinting at her back as she ran away. he was a little annoyed.

he should have tricked lu yinxi into going to the hospital for a checkup.

lu yinxi was someone that fang zicheng cared a lot about. all these years, fang zicheng had been secretly paying attention to lu yinxi. he knew how difficult it was for lu yinxi and how strong this girl was.

she had saved his life before, and now that she had lost her parents, fang zicheng felt that he had the responsibility to take care of her.

she was sick, and she was sick in one of the most important organs in the human body. how could fang zicheng not be worried?

lu yinxi didn't dare to appear in front of fang zicheng again.

she was afraid that her heart would race again and fang zicheng would drag her to the hospital for a 'checkup'. she was too concerned about her feelings for someone and was discovered by the person involved. the person involved didn't seem to understand her reaction and thought that she was sick.

this made lu yinxi feel both excited and disappointed, so much so that she didn't even care about the difference in fang zicheng's eyes.

the next day was saturday.

in the morning, fang zicheng had his breakfast and planned to visit an old physics professor. fang zicheng was very talented in physics, and the old professor liked him a lot.

the old professor was a man of virtue and prestige, and even lisa admitted that he was outstanding.

fang zicheng changed his clothes and was about to go out when he saw fang yusheng leaning against the cayenne, also dressed in an outfit for going out. fang zicheng nodded at fang yusheng and said, " dad. "

he saw fang yusheng shaking the key ring in his hand and asked him, " are you going out? "

fang yusheng said, " did you forget? i said i'd take you out on saturday. "

fang zicheng had forgotten about this.

fang zicheng thought about it and remembered that there was indeed such a thing. he had forgotten his verbal agreement with fang yusheng. he said, " okay, i'll give professor jiang a call first. i won't be going to his place today. "

"yes."

fang zikai was wearing a sports jersey. it was a little cold, so he put on a sports hoodie over his jersey. he ran out with a basketball in his arms and found that his father was planning to take his brother out to play alone. he was instantly unhappy.

he knocked on the car window.

fang zicheng rolled down the window of the passenger seat and looked at his brother silently.

fang zikai's upper body got into the car. he walked past fang zicheng and asked fang yusheng, who was in the driver's seat, " where are you going, dad? "

fang yusheng glanced at him. " go and play. "

" i'm not the one saying this, but you have to bring brother along. if you don't bring me, you can't be too biased. " fang zikai threw the basketball away, opened the back door and sat in the car. he sat down and smiled, showing his eight teeth. he said to fang yusheng, " you don't mind me joining, right? "

fang yusheng sneered, " you brat, you're afraid that i'll take your brother out to play and not take you. " look at you."

Chapter 1102: she likes me

fang zikai snorted and put on the headphones around his neck to listen to the song.

the car didn't drive into the city center, but towards the suburbs. after more than an hour, fang yusheng and the others arrived at their destination. the three of them got out of the car. fang zikai and fang zicheng looked up and realized that they were in a zoo.

the two brothers were speechless.

“dad, you’re bringing us to see animals? without ranran?” fang zikai instantly felt that fang taoran was more pitiful than him.

fang yusheng said, “ i’m not here to bring you to see animals. i’m here to bring you to see people. ”

!!

“ah?”

look at what?

fang yusheng did not explain, but fang zikai asked for a long time.

the two children didn’t bring their student ids, so fang yusheng bought three tickets that cost three hundred yuan. he distributed the tickets to his two sons. when he was distributing the tickets, he said, “ remember, when you were young, daddy invited you to play at the zoo. when mom and dad are old, you have to invite them to go abroad to play.”

fang zicheng made a sound of acknowledgment and kept his words in mind.

fang zikai said, “ then aren’t we at a disadvantage? ”

fang yusheng hit fang zikai’s head with a hammer.

fang zikai covered his head and ran away.

fang yusheng took them to the panda house. fang zikai was quite interested in pandas and took a few photos. fang zicheng stared at the pandas expressionlessly. he couldn’t understand what everyone was thinking. why did they think that the round pandas were cute?

it was obviously very stupid.

" look at the couple on your left, " fang yusheng suddenly said to fang zicheng.

fang zicheng looked over.

it was a very young couple. the girl was holding eleven roses in her hand. she didn't know what her boyfriend had said to her, but her face was a little red. " look at that girl's heart, " fang yusheng said to fang zicheng.

fang zicheng did as he was told.

he saw a heart that was beating in an exaggerated manner.

fang zicheng raised his eyebrows. " lu yinxi is just like her, " he said to fang yusheng.

after leaving the panda house, they went to the amusement park. there were many young people and couples at the amusement park. fang yusheng said to fang zicheng, " take a closer look at the couples. see if many of them are like lu yinxi, having their hearts beat faster. "

fang zicheng took fang yusheng's words as a task and did it seriously.

he had observed more than 30 couples in total.

a few of the couples had been together for many years. fang zicheng observed them for a few minutes and found nothing strange about them. he gave up and continued to observe others.

when fang zicheng noticed a young couple who looked similar to them, he noticed something strange.

the two of them could blush and their hearts would race for a long time even if they held hands.

fang zicheng opened his eyes and looked at the couple's hearts. no matter if it was a boy or a girl, their hearts were beating especially fast. fang zicheng gradually understood that lu yinxi's rapid heartbeat might not be an illness, but a strange characteristic.

what was it?

fang zicheng stared at the other couple.

in the couple, the girl only wore a beige knitted dress. her fair legs were bare, and she had a pair of short boots. the boy beside her was wearing a longer coat. when he saw the girl rubbing her arms with her arms crossed, he suddenly took off his coat and covered the girl's shoulders with it from behind.

the girl turned around, looked at the clothes on her shoulders, and suddenly lowered her head.

fang zicheng noticed that the moment the girl lowered her head, her heart rate suddenly accelerated.

fang zicheng fell into silence.

he turned on his phone and typed a line of words in the search bar of the browser. " a girl's heart always beats faster when she's with a boy. why is that? "

he clicked on the search engine.

surprisingly, many people were still asking the same question.

fang zicheng clicked on the question that had the most answers.

[question: there's a very handsome senior in our school. i've bumped into him several times in the corridor of the teaching building.] sometimes, he would notice me and even nod at me. at this time, my heart would beat especially fast.

reply

[i love to accommodate: you like him. appraisal complete. next.]

[one sun for ten thousand years: is the subject pretending to be innocent or really stupid?] you like him! why did he have to ask such an obvious question? change the topic!

susu2003, [stupid question host, you'll know why when he's with another girl.]

heise's four-leaf clover replied, " it's simple. you like him. you can't help but feel moved when you like someone. "

...

after fang zicheng had finished reading their answers, his expression became especially serious.

he liked it.

the 'like' he was referring to wasn't the kind of like he had for his sister, but the kind of like between his parents. the love between lovers. it turned out that when you like someone, your heart would be moved when you see him. it turned out that when your heart was moved, your heart would beat so fast.

fang zicheng put away his phone and looked up. he didn't know when fang yusheng had come to him. fang zicheng's mouth moved, but he didn't say anything. his eyes moved from fang yusheng to the young couples in front of him.

"she likes me." fang zicheng said.

fang yusheng asked him, " do you understand? "

"i understand."

fang zicheng was confused.

this was the first time he had met a girl who liked him.

her younger brother had said that it would be difficult for someone with a personality like hers to find someone who liked her. the younger brother is wrong. look, isn't there one here? fang zicheng gave fang yusheng a pleading look. "dad, what should i do?"

"follow your heart," fang yusheng said.

fang zicheng was confused.

his heart?

he had never liked anyone before, and he didn't know how to like someone.

fang zicheng wanted to be good to lu yinxi. in this world, other than his family, he only wanted to be good to lu yinxi. if he really wanted to find a girl to spend the rest of his life with, lu yinxi hoped that person would be lu yinxi.

but did he love lu yinxi?

fang zicheng did not understand.

he could never understand the feeling of liking someone.

it seemed that other than learning more advanced knowledge, he also had to learn how to like someone.

“what are you guys talking about?”

fang zikai walked around the amusement park and returned. he was a little jealous when he saw his brother and his father standing side by side and chatting. it's boring, i won't bring him along. he strode over and deliberately stood between his father and brother.

fang zikai opened his arms, one hand on his father's shoulder and the other on his brother's shoulder. “if you're talking about something interesting, share it with me.”

“ i'm thinking about how to like someone, ” fang zicheng replied.

fang yusheng said, “ you're thinking about how to improve your iq. ”

fang zikai was speechless.

Chapter 1103: chapter 1103: blunder

on the way home, fang zikai could not help but ask his brother, “ brother, who do you like? ”

“ it's not you, ” fang zicheng said with a look of disdain.

“if it was me, i would be afraid.” fang zikai hugged his chest and shivered as he said, “ i'm not gay. ”

fang zicheng was too lazy to respond.

that night, when qiao jiusheng and fang yusheng were showing off their love, she noticed that her eldest son was staring at them. qiao jiusheng was puzzled and a little embarrassed. she quietly asked fang yusheng, " why do you think tiedan keeps staring at us? "

!!

fang yusheng thought for a moment and said in an uncertain tone, " could it be that you found me very handsome? "

"get lost, you're shameless!"

qiao jiusheng felt embarrassed for fang yusheng.

qiao jiusheng could not guess fang zicheng's true thoughts.

while he was sleeping, fang zicheng was thinking about a question. " his parents kissed and hugged him every day. did he have to kiss and hug lu yinxi too?

he still felt that this was not right.

before he went to bed, fang zicheng searched online: we're all studying. how should we get along with our girlfriends when we just started dating?

that night, fang zicheng had unilaterally announced that he and lu yinxi were a couple.

on monday morning, before they left the house, fang zicheng said to fang yusheng, " dad, from today onwards, i'll come home by myself in the afternoon. you don't have to send a driver to pick me up. "

fang yusheng was surprised. " what are you doing? " he asked fang zicheng.

" i have my own things to do, " fang zicheng said.

fang yusheng knew that fang zicheng loved to study, so he thought that he would discuss his studies with the teachers after school, so he didn't ask further. fang yusheng didn't have to worry about his eldest son.

however, he was wrong this time.

the good son he was so proud of was about to fall in love!

...

on monday afternoon, lu yinxi and the students on duty swept the floor. they mopped the floor, washed their hands, and left the school building with their bags. when she walked out of the school gate, she didn't know how long fang zicheng had been waiting for her.

when lu yinxi saw fang zicheng, she subconsciously wanted to turn around and run.

she was embarrassed to let fang zicheng see her useless side.

however, just as she turned around and took a few steps in the other direction, a black shadow suddenly flashed past her. then, a person appeared in front of lu yinxi. lu yinxi looked up at the tall young man in front of her with surprise.

"student fang?" her surprised look made it seem like she had just noticed him.

fang zicheng nodded.

then, he reached out and took lu yinxi's bag off her back. he turned and put the bag on his shoulder.

lu yinxi was speechless.

what did he mean by that?

“student fang, why are you carrying my bag?”

“ i’ll send you home, ” fang zicheng said.

lu yinxi’s mouth fell open.

the boy she had a crush on said he would send her home and even took the initiative to help her carry her bag. lu yinxi should have been happy, but she only felt strange. “there’s no need. my house isn’t very far away. i don’t even need to transfer to another bus.”

“ we’re going the same way, ” fang zicheng replied.

lu yinxi had nothing to say.

the two of them got on the same bus. just as lu yinxi was about to swipe her bus card, fang zicheng swiped it twice in one go. lu yinxi was stunned again. “ you swiped my card for me too? ” she asked.

fang zicheng nodded.

when they were outside, even a stingy person like his father would take the initiative to help his mother swipe her card, let alone him.

lu yinxi felt that something was wrong.

the last time, in order to stay with fang zicheng for a while longer, lu yinxi had deliberately lied about her home address. this time, in order to not be exposed, she could only watch as the bus passed by the entrance of the community.

fang zicheng noticed that the car had passed by, but when he saw that lu yinxi did not get out of the car, he thought that she had something to do and would have to wait for a few more stops before getting out, so he did not ask.

when the car drove past the longgang district, lu yinxi realized that fang zicheng was still in the car. lu yinxi stood up at the next stop. i can't sit here any longer. if i sit here any longer, i'll reach the terminal station later.

when lu yinxi got up, fang zicheng followed suit.

the two of them got out of the car at the same time.

lu yinxi noticed that fang zicheng had been following her. she turned around and asked him, " why are you following me? "

" i'll send you back, " said fang zicheng.

lu yinxi opened her mouth, feeling annoyed.

what should she do? it was still quite far from her house, and it would take more than 40 minutes to walk. also, why did her brother want to send her home?

lu yinxi decided to be honest with herself.

she suddenly said, " i'm sorry. i lied. "

fang zicheng looked at her in silence.

lu yinxi said, " actually, i've moved out a long time ago. i don't live here. i lied last time. "

" i know, " fang zicheng said.

lu yinxi raised her head and looked at him in surprise. "how did you know?"

this time, it was fang zicheng's turn to run out of words.

after a while, fang zicheng lied. " there was this one time when we took the same bus. you didn't notice me, but i saw you getting off at nanshan road. "

lu yinxi blushed.

" i'm sorry, i shouldn't have lied. i, i just ... " i just wanted to spend more time with you. however, lu yinxi couldn't bring herself to say this.

lu yinxi said the rest of the sentence in her heart.

when fang zicheng heard this, his cold eyes suddenly became warmer. this was a very slight change. fang zicheng naturally did not notice it, and lu yinxi did not notice it either.

"it's fine."

fang zicheng reached out and grabbed lu yinxi's bag again. "let's go, i'll send you home."

lu yinxi had no choice but to follow him.

when they arrived at the entrance of the neighborhood, lu yinxi thanked fang zicheng. " thank you, student fang. "

fang zicheng didn't like it when she called him student fang.

he then said, " you can call me by my name. " his mother would always call his father's name.

lu yinxi hesitated for a moment before she changed her words. " thank you, fang zikai. " when she didn't hear a reply from fang zicheng, lu yinxi felt strange and looked up at him.

in the end, she saw a face that was so dark that water could drip from it.

lu yinxi was shocked.

"what's wrong?"

fang zicheng grabbed lu yinxi's bag and asked her, " who am i? "

"fang zikai," lu yinxi said.

fang zicheng suddenly dropped his bag and grabbed lu yinxi's wrist. he used so much force that lu yinxi could feel the pain. "who am i?" fang zicheng narrowed his eyes and stared at lu yinxi. his heart was burning with fire.

he was angry!

fang zicheng knew that he was angry.

it was a very strange feeling. he knew that he was angry because he wanted to curse. this was a feeling he had never felt before. but right now, anger was entrenched in fang zicheng's heart, and he had no time to think about how he could also feel anger.

lu yinxi sensed danger.

although the fang zicheng she knew had always been cold, she had never felt any danger from him. however, at this moment, the young man in front of him was like a cheetah waiting for an opportunity to hunt. he was especially terrifying.

lu yinxi felt very uneasy. her wrist was being held by fang zicheng, who was staring at her with a fierce look. it was as if he could eat her up. lu yinxi said in a low voice, " f-fang zikai ... "

fang zicheng's grip on her wrist tightened.

within a second, fang zicheng suddenly pushed lu yinxi's hand away. lu yinxi pinched her wrist and frowned in pain. " are you angry? "

Chapter 1104: brother tie dan who loves learning

should he not be angry?

the little girl who blushed and her heart beat faster at the sight of him had actually mistaken him for someone else!

fang zicheng was about to explode from anger!

"fang zicheng." fang zicheng said suddenly.

"what?" lu yinxi was stunned.

!!

the next second, her chin was pinched by fang zicheng.

fang zicheng lifted lu yinxi's face. he looked down at the girl's chubby cheeks and repeated, " my name is fang zicheng. i am fang zicheng. remember this. i am fang zicheng. if you dare to admit your mistake again, i will be angry. "

lu yinxi was dumbfounded. "you, aren't you called fang zikai?" lu yinxi had heard the name fang zikai for many years. she had always thought that the man in front of her was fang zikai. if he was not fang zikai, who was he? who was fang zikai?

"i'm not that idiot fang zikai."

fang zicheng saw that lu yinxi's eyes were getting more and more confused, as if she was extremely confused but couldn't get an explanation. fang zicheng thought of something. the anger in his heart faded a little, but there was an indescribable feeling.

he didn't like that feeling anyway.

only then did fang zicheng realize what was wrong.

lu yinxi seemed to have recognized the wrong person.

" do you like fang zikai? " fang zicheng asked lu yinxi. the person she liked was fang zikai, and she just happened to look like fang zikai, so she did not like her at all!

fang zicheng had the urge to tear fang zikai into pieces.

lu yinxi was completely dumbfounded.

hearing fang zicheng's question, lu yinxi asked, " what's your relationship with fang zikai? " his name was fang zicheng, which was only one character different from fang zikai's name. the two of them looked the same, could it be ...

lu yinxi also thought of a possibility.

dumbfounded, she asked, " you're twins? "

"you don't know?" fang zicheng was surprised.

there was actually someone who did not know that he and fang zikai were twins.

lu yinxi shook her head. "i don't know,"

"my brother's name is fang zikai. he looks like me, but shorter. my eyes are green, like my father's. he's brown and looks like my mother. my brother can play the violin, but his grades are not as good as mine."

it was rare for fang zicheng to introduce the difference between him and fang zikai to someone in such a serious manner.

lu yinxi's mouth opened wider.

she stared into fang zicheng's eyes silently. after a long while, she realized a problem. "so your eyes are naturally green and not from cosmetic contact lenses?"

fang zicheng pointed at his own eyes and asked lu yinxi, " do you think this looks like cosmetic contact lenses? "

"i knew it. i've never seen anyone wearing cosmetic contact lenses as naturally as you." before this, lu yinxi had been wondering why 'fang zikai' had brown eyes every time she saw him in the photos, but in real life, he had green eyes every time she saw him.

it turned out that they were not the same person at all!

lu yinxi finally understood why fang zicheng was angry.

she quickly explained, " i didn't get you wrong. i just got your name wrong. " i didn't know you before, but i saw a picture of fang zikai in our class group. i saw it by accident and thought it was you because he looked like you."

"i always thought you were wearing cosmetic contact lenses. i really didn't expect you and fang zikai to be two different people."

after hearing her explanation, fang zicheng's gloomy face seemed to have brightened up.

lu yinxi asked him again, " why haven't i heard of your name? your brother is so famous in the school, why aren't you famous?" lu yinxi had heard of fang zikai's name at both luo yang junior high and eighth high.

it was as if fang zicheng did not exist.

however, that shouldn't be the case. fang zicheng was such an outstanding person. he should be an influential figure in xiangjiang international college. why was he so unknown?

fang zicheng raised his eyebrows and said, " it's because my brother likes to be high-profile and likes to show off. he was like a peacock spreading its feathers everywhere. as for me, i only love to study." fang zicheng felt embarrassed for himself.

he felt that he was especially shameless. in order to clear his name, he deliberately said that his younger brother was worthless.

why was fang zicheng not famous?

as he was a cold and low-key top student, he had almost no friends. he listened attentively in class and read after class. occasionally, he would go to the teacher's house to discuss his studies on weekends.

therefore, everyone in xiangjiang international college knew that fang zikai had a brother who was a top student. he looked like fang zikai, but he was very cold. however, not many people had seen a top

student in person. in addition, fang zicheng kept a low profile and didn't cause any big trouble. naturally, he didn't have much of a reputation in school.

his little bit of fame would not spread to other academies at all.

lu yinxi nodded and said, " i understand. "

lu yinxi was embarrassed that she had made such a big mistake. she touched her nose and said softly, " i'm here. i have to go home. "

"alright," he said.

fang zicheng picked up her bag before she could and handed it to lu yinxi. lu yinxi glanced at fang zicheng again, then turned around and left. fang zicheng was a little surprised to see her leave so suddenly.

he's leaving?

shouldn't he give her a farewell hug?

when his parents were going to separate, they would usually hug each other affectionately for a long time.

fang zicheng was still a little disappointed.

"elk!" fang zicheng suddenly called out her name.

lu yinxi was stunned.

she turned back to look at fang zicheng and asked, " are you calling me? " he seemed to have heard the name elk before.

fang zicheng nodded.

“why do you call me elk?” lu yinxi was curious.

fang zicheng had always remembered the origin of lu yinxi’s name. boss lu had given her the name lu yinxi, which originated from the picture of the elk family. “elks drink in the stream, that’s where your name comes from.”

lu yinxi was a little surprised.

“i like this name.” she said.

“see you tomorrow,” fang zicheng said.

lu yinxi was stunned at first, but then she realized that fang zicheng had stopped her because he wanted to tell her that he would see her tomorrow. lu yinxi’s heart started to beat faster again. “ see you tomorrow. ”

she jogged into the neighborhood and arrived at her aunt’s house. lu yinxi’s face was still red.

she was not a fool.

fang zicheng suddenly wanted to send her home and even said that he would see her tomorrow. lu yinxi understood what this meant. she felt that the experience this afternoon was like a dream. the brother she had a crush on suddenly had feelings for her.

lu yinxi, who had always been shy and introverted, stood in the elevator with her school bag in her arms and smiled like a fool.

...

on the other end, fang zicheng only walked for half an hour before he reached home.

fang zikai had returned home a long time ago and was doing his homework. fang zikai didn't like to do his homework in the study, he liked to sit in the living room and joke around with fang taoran while doing his homework.

Chapter 1105: chapter 1105-taking out his anger

seeing fang zicheng carrying his school bag home, fang zikai quickly stood up.

fang zikai went behind fang zicheng and suddenly jumped up. " brother, why are you only back now? " fang zikai's arm was tightly wrapped around fang zicheng's neck, looking especially crazy.

fang zicheng suddenly threw his bag away.

fang zikai was still talking, " i've been home for a long time, why did you only come back now? brother, where did you go? where did you go to have fun? you didn't even bring me along ..."

before he could finish his words, fang zikai's body started to spin.

!!

bang!

caught off guard, he was thrown to the ground by fang zicheng with an over-shoulder throw.

fang zikai sat on the floor, his entire person in a state of confusion.

fang taoran, who was standing beside the small table, was stunned by the scene. she looked at the little brother lying on the ground, then at the big brother who had a fierce expression on his face. she suddenly shouted, " oh no, big brother and little brother are fighting! "

fang taoran shouted as he ran around the house to tell everyone. lisa, who was resting in the courtyard, and chi boguang, who had just returned from work, heard the shout and quickly ran over.

when they arrived at the front yard, they saw fang zikai and fang zicheng quarreling.

fang zikai was especially angry and he questioned his brother loudly, " fang zicheng, are you crazy? don't you do whatever you want just because i pamper you! i'm telling you, if you piss me off, i'll beat you to death!"

although fang zikai's voice was loud, his tone sounded aggrieved.

"how did i let you down? ah? if you want to sentence me, you have to find a crime. how did i offend you? tell me!" fang zikai scolded himself for a long time, but fang zicheng was like a block of wood, not saying a word.

fang zikai was furious. he picked up a vase beside him and threw it on the ground. this vase seemed to have been bought from a porcelain stall. it wasn't very expensive, so her father probably wouldn't beat her up if she broke it.

he smashed the vase with the momentum of a thunderbolt. with a bang, the vase shattered, and the debris flew everywhere. fang zikai saw a piece of debris jump onto fang zicheng's calf, his eyelids twitched, and he thought to himself, " f * ck, don't cut him.

fang zicheng heard his brother's inner voice and his gloomy face seemed to clear up a little.

the shards did not cut fang zicheng's legs, not even his pants.

seeing this, fang zikai was relieved.

he raised his head and stared at fang zicheng's expressionless face. " say it! " he scolded. are you mute? what, you have the ability to beat people up, but you don't have the ability to explain? a mouth is for decoration and not for talking?"

fang zicheng stared at his little brother. he felt that his little brother was like a cat. he clearly cared about him in his heart, but he pretended to be fierce.

this fool.

fang zicheng also felt that he had been too impulsive just now.

but who was to blame?

who asked him to be like a peacock, showing off and showing off all day long, causing even the elk family to know fang zikai but not him, fang zicheng ...

another wave of sourness spread through fang zicheng's heart, but he did not know that it was called jealousy. fang zicheng's face turned cold. " i'll give you one minute to calm down, " he said to fang zikai.

" who do you think you are? do you think i will calm down just because you tell me to? " fang zikai retorted. wouldn't that be embarrassing? "you have to give me an explanation today. did i provoke you? why did you hit me?"

if fang zicheng did not give him a perfect reason, fang zikai would not let him off. "don't think that i won't hit you just because i can't beat you. if i really hit you, you won't even have a chance to fight back!"

fang zikai had eaten a bear's heart and a leopard's gall, and his words were as he pleased.

you want a reason?

fang zicheng gave fang zikai a reason. "you're wrong."

"what did i do wrong?" seeing that fang zicheng had really given a reason, fang zikai thought that he had accidentally done something wrong and caused trouble for his brother. fang zikai reflected on his actions but he could not remember what he had done wrong recently.

fang zicheng continued, " you love to show off too much. " if you can play the violin, can't you just hide at home and play it quietly? showing off all day long, it was as if you were afraid that others would not know about your existence. can't you keep a low profile?"

fang zikai was speechless.

at first, he was shocked that this reason was too f * cking nonsensical, but what made him even more surprised was that his brother had said so much in one breath!

"you ... are you possessed by some ghost?" this older brother was too abnormal.

fang zicheng glanced at his retarded brother with contempt and walked into the house. fang zikai quickly moved in front of his brother. "you just threw me to the ground!"

fang zicheng's tone was cold. " so? "

"you have to apologize to me!" " if you don't apologize, i'll hit you back. "

fang zicheng took off his coat elegantly and unbuttoned his school uniform. he rolled it up, revealing a fair but strong arm. throughout the entire process, his movements were unhurried, and he looked especially pleasing to the eye.

fang zikai's eyelids twitched when he saw his brother looking at him coldly. " where? you can't open it in the room." he turned to look out of the courtyard and suggested sincerely, " let's go to the courtyard outside. "

fang zikai was speechless.

“fang zicheng, are you bullying me on purpose? you clearly know that i can’t beat you, yet you’re still bullying me! are you even human! am i still your little brother?” fang zikai was furious, his brother was such a jerk.

“i just want you to apologize to me. is it that hard to apologize to me? it’s not like you don’t know that i can’t beat you. i said that on purpose, but you don’t know how to step down? i’m a man too, can you give me some face?”

fang zikai was so angry that he looked like a porcupine.

fang zicheng was quiet. he stared at his brother for a moment before he said, “ i’m sorry. ” he really wanted to say sorry for throwing fang zikai to the ground just now. in fact, fang zicheng had regretted it.

at the end of the day, her brother was not in the wrong.

he was the one who had vented his anger on his younger brother for no reason.

he had really apologized. fang zikai was also stunned.

“no, it’s fine,”

what else could he do?

since he couldn’t beat his brother, he could only admit defeat.

fang zicheng picked up his bag and coat and was about to head back to his dormitory when he saw his grandparents standing at the entrance of the courtyard. he stopped in his tracks and nodded to greet them. he greeted them and walked into the courtyard.

lisa and chi baoguang looked at each other, both surprised.

it was a rare sight for their eldest grandson to get angry today.

” how did you offend your brother? ” chi boguang asked fang zikai.

” how would i know? ” fang zikai complained. ” he threw me on the floor as soon as he got home. when i asked him why, he said that i liked to show off too much and even asked me to hide in my room and play the violin. ”

” i’m playing the violin for others to hear. why would i play if i’m hiding in the house? ”

Chapter 1106: my brother is in a relationship

“speak properly, what butt.” chi boguang despised fang zikai for speaking too rudely. after being scolded by his grandfather, fang zikai became more well-behaved.

although fang zicheng had apologized to fang zikai, fang zikai still remembered this matter.

fang zikai felt that something was wrong with his brother.

think about it, a person who had never lost his temper at him since birth suddenly flew into a rage at him after returning home today. this clearly meant that he had been provoked outside. his brother had always been lacking in relationships. what kind of big shot could stimulate his brother?

fang zikai thought for a while and came to a conclusion.

!!

his brother must have had someone else outside.

of course, there was only one person here. fang zikai had never thought that the person would be a girl.

the next day after school, fang zikai quietly followed his brother home. when he saw his brother run to the gate of eighth high school and stand there for more than twenty minutes, fang zikai thought that fang zicheng was here to find a new friend.

although his brother was a quiet person, he still had friends. the strange person in their school was quite close to his brother.

in the end, when fang zicheng saw fang zicheng walking towards a pretty but slightly chubby girl, helping her carry her school bag, accompanying her on the bus and sending her home, fang zikai felt like something was wrong.

he ran home at full speed, reaching home before fang zicheng.

coincidentally, not only were his parents not out today, but uncle wei and his aunt were also here. fang zikai ran back home, panting from exhaustion. under the surprised gazes of fang yusheng and the others, fang zikai gulped down half a cup of cold tea.

he slammed the blanket on the table with a loud thud.

fang yusheng was about to scold him for being impolite when he heard fang zikai say in a rough voice, "dad, brother is in love!"

everyone in the room was speechless.

the living room was silent for a moment, then everyone continued to talk about what had happened.

fang zicheng was in love?

it was november now. if fang zikai said that peach blossoms had bloomed all over the city, fang yusheng might believe it, but if he said that fang zicheng was in love, it was simply nonsense.

"it's true. don't doubt me!" fang zikai said when he saw that no one believed him.

"alright, i know that you were beaten up by your brother yesterday. even if you want to accuse him, you don't have to find such a boring excuse." qiao jiusheng was the one who said this.

when wei shuyi and wu jiaren heard qiao jiusheng's words, they asked him why the two brothers had fought yesterday. qiao jiusheng explained it to them, and after hearing it, wei shuyi and his wife felt that it was strange.

cheng cheng would actually fly into a rage?

this was truly rare.

seeing that his mother and the others didn't believe him, fang zikai decided to use a ruthless method. "you don't believe me? i have evidence!" he took off his bag and placed it on the sofa. then, he took out his phone and opened the photo album to find the video.

"look, i have video evidence."

hearing this, everyone started to believe him.

"let us see." qiao jiusheng extended her hand to fang zikai.

fang zikai clicked play, then stood in front of everyone and turned the phone around to make sure that everyone could see the video. in the video, fang zicheng was indeed talking to a girl. he was carrying two school bags, one of which was his and the other was the girl.

fang zicheng was still wearing his school uniform, but the girl was wearing a knitted top with a pair of jeans. she looked a little chubby, and the girl's face was captured at the end of the video. she was quite pretty.

the two of them stood at the entrance of a small community and chatted. fang zicheng, who was usually quiet, was actually patiently chatting with the girl. qiao jiusheng and the others did not know if it was an illusion, but they all felt that fang zicheng looked very gentle when he was talking to the girl.

after the video finished playing, fang zikai kept his phone and asked them with raised eyebrows, " i'm not lying, am i? he's in love. "

qiao jiusheng wanted to resist a little more, " maybe they're just friends. "

"oh, my brother is such a slow-witted person, but he has a friend. and the friend is a girl from no. 8 high school. my brother is actually very kind. he would carry his friend's bag, send his friend home, and even talk to him for a long time before he left ..."

"my brother isn't even this good to me!" fang zikai's tone was getting worse.

when qiao jiusheng heard this, she was unable to refute.

" dad, it's not good to be in a relationship at such a young age. we're still young, so we should focus on our studies. " fang zikai wanted to sow dissension and make fang zicheng suffer from constant scolding. since he was young, fang zikai had been scolded a lot, but his brother had never been scolded.

it didn't make sense for him to be the one getting scolded every time.

only by sharing good fortune and suffering together could they be called good brothers.

qiao jiusheng suddenly said to fang zikai, " pass me your phone, i'll take a look. " she felt that the girl who was with fang zicheng looked familiar.

fang zikai thought his mother was angry, so he quickly handed the phone to qiao jiusheng.

qiao jiusheng watched the video again. when she was done, she put down her phone and asked fang yusheng, " yusheng, don't you think this girl looks a little familiar? "

"you know him." fang yusheng said.

fang zikai was not the only one who was surprised, the others were as well.

"who is this girl?"

fang yusheng said, " her name is lu yinxi. she's boss lu's daughter. "

when qiao jiusheng heard this answer, she could not help but be stunned, and then she fell into a long silence.

so it was her.

she had seen lu yinxi's photo the year before. no wonder she looked so familiar. wei shuyi and the others didn't remember lu yinxi's name, but they did remember boss lu.

"so it's her."

that girl was boss lu's daughter back then. this was really ...

" fate is wonderful, " wu jiaren said with emotion.

"yes," wei shuyi thought so too.

if it was that girl, then this matter didn't seem that surprising.

fang zikai had long forgotten about mr. lu, but from the content of their conversation, it seemed that mr. lu had a deep relationship with his family, so he asked, " who is mr. lu? mom, who's lu yinxi?"

when mr. lu was in trouble, fang zikai and the others were still young. he had long forgotten about mr. lu and lu yinxi.

qiao jiusheng seemed to have recalled some bad memories and did not want to say more. fang yusheng saw that fang zikai was really curious and said, " you've seen them when you were young. you played with lu yinxi when you were young too. maybe you've forgotten. "

"is that so?"

lisa thought of something and stood up. she got up and walked to another room. as she walked, she said, " i remember there's a photo album with a photo of you two playing together when you were young. "

lu yinxi had a good relationship with fang zikai and the others when they were young. there were a few times when lisa took fang zikai and the others to the amusement park in the mall to play, and they had even met mrs. lu and lu yinxi. lisa's photography skills were pretty good. she would occasionally take a few photos of the little ones. she remembered that she had taken a photo of lu yinxi playing with the brothers.

Chapter 1107: get married after graduation

hearing this, fang zikai was also curious.

he sat on the sofa for a while and saw lisa come out with a photo album. lisa walked over to fang zikai and sat down beside him. she opened the photo album and said, " lu yinxi was very cute when she was young. i think she's very pretty now too. as expected, a beauty grows up beautiful. "

" a little chubby, " said fang zikai, pouting.

" what do you know? girls 'figures will change during puberty. some of them will get fatter, and after a while, they will slim down. "

"what if you can't slim down?"

!!

" madam lu was really slim back then. lu yinxi isn't the kind of person who would put on weight. " "

when you like someone, you can't just like her for her appearance. her inner qualities are important too, "

" said lisa.

fang zikai, the good-looking dog, scoffed at this.

seeing his disdainful look, fang yusheng said something that pierced his heart, " what are you so smug about? weren't you a little fatty before? "

fang zikai was speechless.

please don't hurt me again, thank you.

lisa found the photo. " look, this is a photo of you two when you were young. "

fang zikai leaned over to take a look. the photo was probably taken in the winter. at that time, they were all so young. fang zikai was still a little fat. he was wearing a down jacket, standing next to fang zicheng and lu yinxi. he looked like a round tangyuan.

fang zikai could not bear to look at his chubby self when he was young.

compared to him, fang zicheng and lu yinxi in the photo were both cute and adorable. fang zicheng had always looked cold and distant since he was young because of his cold expression, and he was the same in the photos.

lu yinxi, on the other hand, was very cute. her eyes were bright and she was wearing a pink, furry cloak. the cloak had a hat, and there were two ears on the hat.

lu yinxi's skin was fair, and she looked really good in this.

fang zikai stared at the girl in the photo and said, " lu yinxi was so pretty when she was young. if she wasn't fat now, i would have wooed her! " as a good-looking man, fang zikai didn't like the current lu yinxi.

he had to find a beautiful woman. how beautiful was she? it was the kind of beauty that was so beautiful that one would feel pressured at first glance.

lisa did not agree with her grandson's values.

she lectured fang zikai sternly, " it's not a good habit to judge a book by its cover. you'll be at a disadvantage sooner or later if you do this. " you can't judge a book by its cover, that's a reasonable saying." as the saying goes, " gold and jade on the outside are rotten on the inside. " some people were heaven immortals on the surface, but inside were dirty maggots.

when making friends, remember to judge a person by their appearance.

fang zikai couldn't bear to listen to his grandmother's reasoning, so he covered his ears and ran to the game room to play games. after a while, fang zicheng returned. fang zikai was waiting for his brother to come back. when he heard the noise, he ran out of the game room.

he was waiting for his brother to be scolded by his parents. he had even turned on the video recording function on his phone, ready to record this classic scene.

when fang zicheng returned home, he found that there were many people at home. although he was a man of few words, he knew the proper manners. "dad, mom, grandma, uncle wei, aunty." fang zicheng obediently called out to everyone.

wu jiaren waved at fang zicheng. " chengcheng, come over and sit here. i haven't seen you in a long time. you've grown taller again. " wu jiaren had not seen fang zicheng for four months. when he was a teenager, he would grow taller every now and then.

fang zicheng walked to the sofa and sat down.

as soon as he sat down, he found that everyone's eyes were focused on him. in an instant, he heard all kinds of messy inner voices.

qiao jiusheng: " tiedan is still young. it's not good to fall in love. if he oversteps the boundaries, it'll be bad if he gets into trouble. "

fang yusheng,"how should i talk to him about this?"

wei shuyi thought,"this kid, he fell in love without a word. i couldn't tell."

fang zikai, " coming, coming. the interrogation is about to start. hehe, brother, you're definitely going to be scolded today. poor child ... "

just as qiao jiusheng was about to say something, fang zicheng suddenly stood up.

everyone raised their heads to look at him in surprise.

" i'm in love, " fang zicheng said.

he turned from passive to active and instantly gained control.

everyone fell silent.

" the other party is a girl. she's already 15 years old. she's in grade one at no. 8 high school. her name is lu yinxi. " fang zicheng thought for a moment and said, " she likes me and i have a good impression of her. i'm serious about her. "

qiao jiusheng opened her mouth and said, " what do you mean you're serious? "

fang zicheng pointed at fang yusheng, then at qiao jiusheng. " in the future, we will be husband and wife. " he was just that serious.

fang zikai, who was hiding at the entrance of the courtyard, took a deep breath when he heard this.

brother, you're awesome. i don't even need to help you.

qiao jiusheng's eyelids twitched, and she subconsciously blurted out, " you're only 16! "

fang zicheng replied, " yes, she's still a little young, so we'll wait until we graduate from university before we get married. "

everyone was speechless.

fang yusheng couldn't help but facepalm, and qiao jiusheng was also speechless. on the other hand, wei shuyi and wu jiaren were watching the fun from the side, thinking that this was quite fun. fang yusheng felt that something was wrong. " is this the result of your discussion with lu yinxi? " he asked fang zicheng.

fang zicheng was stunned.

seeing him in a daze, fang yusheng raised his eyebrows and showed a stunned expression. he asked fang zicheng, " are you in a relationship with the elk family? "

“yes.”

fang yusheng asked again, “ did she confess to you? ”

fang zicheng thought about it and shook his head.

“then you confessed to her?”

fang zicheng was stunned for a moment, then shook his head.

fang yusheng cursed, “ you didn’t even confess. what kind of relationship are you in?! ” she’s not even your girlfriend yet, and you’ve already planned when to get married! did you ask the elk? did the person in question agree to it?”

fang zicheng revealed a rare expression of helplessness.

“b-but you also think that she likes me.” fang zicheng looked at fang yusheng with an accusing gaze and said, “ you’re the one who told me to deal with this on my own. i thought about it and i think elks are good. ”

fang yusheng’s ears perked up. “ what’s good? ”

fang zicheng said, “ my brother says a lot. i’m a taciturn person who doesn’t understand feelings. i’m sick in the first place, so no one will like me. ” she liked me. it was the first time i met a girl who liked me, and i didn’t have a bad feeling about her. after thinking about it, we’re going to be together in the future anyway. there doesn’t seem to be any difference between waiting for a few years or being together now.”

fang yusheng regretted his actions.

“i thought you understood what i meant. i wanted you to deal with this matter on your own, so i wanted you to think of a way to reject her without hurting her and also respecting her.” he didn’t know that fang zicheng’s idea was to be with lu yinxi!

how old are they?

why are you in love when you are underage! was studying boring? or was there too little homework?

Chapter 1108: am i very selfish?

while fang yusheng was criticizing fang zicheng, he did not seem to remember that qiao jiusheng was only 13 years old when he had started to think about her. he was better at playing than fang zicheng.

when fang zicheng heard fang yusheng’s words, his eyes darkened and his handsome face looked even colder. fang zicheng’s gaze was fixed on fang yusheng, and his tone sounded unhappy. ” you want me to reject her now? ”

wouldn’t that make him a heartless man?

although he and lu yinxi had not officially started, lu yinxi was already fang zicheng’s girlfriend. wasn’t it a scumbag’s behavior to ask for a break up right after they started dating?

fang yusheng saw his eldest son’s face change so suddenly and was stunned. was he ... angry?

!!

it was really rare.

behind him, qiao jiusheng secretly tugged at fang yusheng's sleeve.

fang yusheng understood what qiao jiusheng meant.

fang zicheng's matter couldn't be rushed. besides, this child was still in his puberty and it was his first relationship. if fang yusheng said too much, he would only become more stubborn.

a child in the rebellious stage was like a kitten. it might seem weak, but once you provoked it, it could also use its might to bark a few times.

as for the rebellious fang zicheng, fang yusheng couldn't use force and could only use a gentle policy. "i'm not asking you to reject her. i just think that you're both still young, and it's not appropriate for you to be in love at such a young age. in the future, you'll meet all kinds of people. what happens in the future is not something you can control now ..."

realizing that fang zicheng's expression had turned ugly for some reason, fang yusheng was a little confused. did he say something wrong?

fang zicheng's voice was cold. "i won't fall in love with someone else."

fang yusheng was speechless.

"alright, alright, alright. you're loyal to your love. you're as devoted as i am. i've wronged you." hearing fang yusheng's words, fang zicheng's expression softened and he didn't look so cold anymore.

she was really like a big cat. when she was angry, she just had to rub her fur.

fang yusheng suddenly found it funny.

perhaps he was making a big fuss out of nothing. nowadays, there were many people who fell in love at the age of sixteen or seventeen. he was just too nervous. in order to prevent fang zicheng from doing

more 'big things', fang yusheng had to remind him seriously, " fang zicheng, remember, you're still young. there are some things you can't do now. there must be a limit to dating now."

fang yusheng's words were quite reserved.

" we can't make love? " asked fang zicheng in a clear voice.

fang yusheng was embarrassed.

not only was fang yusheng a little embarrassed, but the other people in the room were also very embarrassed. only the person in question, fang zicheng, looked calm. from fang zicheng's point of view, making love, kissing, and hugging were all things that happened naturally when a couple's feelings were deep. there was nothing to be embarrassed about.

"it's good that you understand," fang yusheng didn't want to say more. fang zicheng was already so old. just because he didn't understand emotions didn't mean he didn't understand physiological common sense.

" don't worry. from a biological point of view, people of our age are not mature yet. it's not appropriate for us to have sexual behavior too early. " for the sake of his and lu yinxi's health, he wouldn't have sex with lu yinxi too early.

fang zicheng saw that they had nothing to say, so he walked toward the courtyard.

walking to the entrance of the courtyard, fang zicheng glanced at fang zikai, who was standing in the corner, and snorted coldly. fang zikai's whole body stiffened. he twitched his mouth stiffly and said, " i, i didn't mean it. "

" ... " fang zicheng continued to look at him in silence.

fang zikai shrunk his neck and mumbled, " you dared to do it and you don't allow me to say anything? "

fang zicheng finally spoke. "it's best if you never date." in the future, when fang zicheng was in a relationship, fang zicheng would definitely make things difficult for him and let him experience what he was feeling just now.

fang zikai quickly slipped away.

after making sure that fang zicheng had left, fang yusheng turned to qiao jiusheng and said, "you pulled my clothes just now. do you think that it's a good thing for chengcheng to be in a relationship with an elk?"

"i don't know." qiao jiusheng said, "the elk family can easily evoke tiedan's emotions." qiao jiusheng looked at fang yusheng and revealed a cruel fact, "other than my family, only the elk family has this ability."

fang yusheng was also speechless.

perhaps it was a good thing for fang zicheng to be on good terms with lu yinxi. he had never experienced the emotions that normal people should have, but he was angry because of lu yinxi.

did this mean that lu yinxi might be the one who could cure fang zicheng?

"but they're still too young. "i'm just afraid that fang zicheng has done something wrong. our family is indebted to boss lu. he died a tragic death that year, leaving behind a daughter who was harmed by fang zicheng. i feel guilty."

this was what fang yusheng cared about the most.

his son was still young. there would definitely be other temptations on his way to maturity. if fang zicheng couldn't control himself and did something to let lu yinxi down, fang yusheng would regret it.

qiao jiusheng had also considered this problem.

as a mother, she was a selfish person. "but i hope that tie dan can experience all sorts of emotions like a normal person. i hope that he can live a meaningful life and not live for the sake of living."

after qiao jiusheng finished speaking, she remembered how much boss lu and his family had done for fang zicheng. she could not help but ask fang yusheng, " am i very selfish? "

fang yusheng looked at her deeply.

was he selfish?

to lu yinxi, qiao jiusheng was indeed selfish. but what could she do? she was a mother, and a mother hoped that her child could live like a normal person, cry, throw a tantrum, and laugh. wasn't that what she should do?

"i only hope that these two children will not let each other down."

...

lu yinxi didn't know that she had become famous in the fang family.

in fact, she was not even sure what her relationship with fang zicheng was. they were innocent, but every day after school, fang zicheng would send her home and even carry her bag. there was even one time when he touched her head.

although his movements were stiff and his expression was uncomfortable, fang zicheng was indeed trying to get close to her.

but they were a couple, and fang zicheng had not confessed to her.

lu yinxi thought that they were in an ambiguous relationship.

if they could develop properly, they might even become a couple.

every day, male students would wait for lu yinxi at the school gate, and this news gradually spread. no one had expected that the quiet lu yinxi would have such a handsome boyfriend.

you really can't judge a book by its cover, and the sea can't be measured.

recently, there had been rumors in her class that she was dating a handsome guy from another school. when lu yinxi heard these rumors, she wanted to explain herself several times. however, because of the little girl's flirtatious thoughts, lu yinxi held back.

let the rumors spread, maybe the rumors will come true.

Chapter 1109: one for each

at first, wan yuting didn't believe that lu yinxi would be in a relationship with someone, until one afternoon after school, wan yuting accidentally saw lu yinxi and fang zicheng coming home together.

she stood across the street and looked at lu yinxi, who rarely smiled, from a distance. she smiled at the tall and handsome boy. when she smiled, she looked especially bright and beautiful.

at that moment, wan yuting believed the rumors.

lu yinxi was really in love!

!!

when the boy turned his head to talk to her, wan yuting finally saw the man's face. in an instant, wan yuting was dumbfounded. she felt that this ridiculous world had played a ridiculous joke on her.

lu yinxi was actually with fang zikai!

didn't you say that even gou fugui would sleep here?

the next day, when they arrived at school, wan yuting dragged lu yinxi to the corridor after class. she pretended to be serious and interrogated lu yinxi. "you're with fang zikai?"

only the heavens knew that wan yuting was so shocked that she didn't sleep well last night.

lu yinxi was shocked at first, but then she guessed that wan yuting might have seen her and fang zicheng together. she opened her mouth to explain fang zicheng's identity, but wan yuting spoke first. "you're good, lu yinxi! we agreed to sleep together with gou fugui, but you secretly slept with him! lu yinxi, you're too petty!"

lu yinxi quickly explained, "i'm not asleep yet ... "

wan yuting tutted, "not yet. that means he hasn't slept yet. he'll sleep when the time is right! "

lu yinxi thought about it and didn't object. wan yuting seemed to be thinking about something and didn't say anything for a while. lu yinxi suddenly said, "you can't let anyone else sleep with my woman. "

wan yuting opened her mouth, looked up at her, and scolded, "little fool. "you even know how to protect your food." wan yuting sighed and said, "is fang zikai blind? why does he like a little fatty like you? "

she pinched lu yinxi's cheek and asked in confusion, "is a pretty face really that useful? "

lu yinxi slapped her hand away. wan yuting was pinching her face.

lu yinxi rubbed her cheeks and said, " you're wrong. that boy isn't fang zikai. " lu yinxi saw that wan yuting did not believe her and explained, " he is fang zicheng, fang zikai's brother. they are twins. " fang zicheng's eyes are green, different from fang zikai's."

wan yuting was stunned. " f * ck. " she looked very surprised, " why have i never heard that fang zikai has an older brother? "

"i also just found out not long ago."

wan yuting suddenly thought of something and covered her face in embarrassment. lu yinxi asked her what she was laughing about. wan yuting laughed and said, " that's great. the older brother will sleep with you, and the younger brother will sleep with me. we'll both be the fangs 'wives in the future. "

lu yinxi was speechless.

were girls nowadays all so shameless?

the two of them were in the toilet when they were talking. as they were talking, they saw a group of girls walk in. there were four girls who came in. they were so young, but they had makeup on.

one of them was wearing an orange off-shoulder sweater. she was quite tall, quite thin, and quite pretty. from the looks of it, she should be the backbone of the small gang.

the two of them were washing their hands when wan yuting noticed the group of girls entering. she gently pulled lu yinxi's hand. lu yinxi looked at her with doubt in her eyes. wan yuting didn't explain and just pulled lu yinxi out of the toilet.

after they left the toilet, lu yinxi lowered her voice and asked wan yuting, " what's wrong? "

wan yuting also lowered her voice. she turned around and looked at the toilet. after confirming that no one could hear her, she said to lu yinxi, " the group of girls who entered the toilet just now are second-

year girls. they're a group of school tyrants and have an affair with the looters in society. " liuzi referred to those young people who were idle, or in other words, gangsters.

in every school, there would be such boys and girls. they often appeared in groups. this group of people were mostly people with average grades and bad characters. lu yinxi then asked wan yuting, " what are the second-years doing here in the first-years? "

the year one and two teaching blocks were next to each other, but they were two separate buildings. usually, there was nothing to do, so students of different grades would not visit each other's building.

wan yuting said, " i think i saw hu yu go into the toilet just now. "

hu yu ...

lu yinxi knew hu yu. she was a girl from the class next door. she was quite pretty and looked good when she danced. during the military training, hu ya had even performed ballet on the field.

it was said that hu ya had learned ballet for twelve years, and she was very good at it. the boys had been howling at her, so lu yinxi still had a deep impression of hu ya.

when the group of girls entered the toilet just now, it was obvious that they didn't come with good intentions. lu yinxi asked wan yuting, " does hu ya have a grudge with them? "

" the gangster's head is called luo yanrong. she used to be a couple with an cheng, who was in third grade. later, an cheng broke up with her and got together with hu ya last month. " wan yuting stuck out her tongue and said, " you should have heard a lot about women fighting for a man's affection. luo yanrong is here to deal with hu ya. "

" didn't they already break up? can't an ex-boyfriend find a girlfriend after they broke up? "

"maybe luo yanrong hasn't given up on an cheng?"

wan yuting couldn't figure out other people's affairs.

lu yinxi thought of hu ya and suddenly felt worried for her. hu ya was tall and thin, the kind that didn't know how to fight at first glance. on the other hand, luo yanrong was dressed like a member of society.

four against one, hu ya would naturally be at a disadvantage.

lu yinxi couldn't bear to see such a beautiful woman being beaten up by four other girls. "let's go and take a look."

"you want to get beaten up?" wan yuting scolded lu yinxi for being stupid. "we shouldn't get involved in this kind of thing. don't deal with luo yanrong and her group. they are a group of cancer. once they touch it, they can't be removed."

what wan yuting said was the truth.

however, it was fine if lu yinxi didn't know about this. if she knew and didn't do anything, she would feel uncomfortable.

she wasn't trying to be a saint, but it would be too cold of her if she didn't help.

however, lu yinxi also understood that wan yuting's words made sense. it was indeed a wrong choice to provoke luo yanrong and the others. however, lu yinxi couldn't just stand by and watch.

she suggested, " then, should we go and tell the dean? "

wan yuting still wanted to refuse, but lu yinxi could tell and said, " wan yuting, are you really going to leave her in the lurch? if hu ya was really beaten up by luo yanrong and the others, don't you feel guilty when you face hu ya in the future?" if this had happened to her, lu yinxi also hoped that someone would help her when she was in despair.

just pulling him once was enough.

wan yuting was moved by her words. she sighed, then sighed again. " i really can't do anything about you. " the two of them turned around to look for the dean.

at this time, luo yanrong's insulting voice suddenly came from the toilet.

Chapter 1110: who do you want to see a woman being weak for?

those words were all very unpleasant. every sentence brought out her parents and genitals. lu yinxi heard hu ya's scream. the girl who was so beautiful when she danced was so scary when she screamed.

by the time they found the dean and rushed over, hu ya had already been bullied to an extent. "no, i can't take it anymore!" lu yinxi didn't care if wan yuting would care about this matter. she turned around and walked into the toilet.

when lu yinxi walked to the door of the toilet, she picked up the mop on the ground. she walked into the toilet with a mop and saw a group of people crowded in the corridor.

the corridor was airtight.

lu yinxi could vaguely see a girl sitting on the ground. she was surrounded by four girls. her long hair was messy, and her face was a little red. this girl was just spouting nonsense.

!!

the girl named luo yanrong was slapping hu ya's face with her hand.

the slap landed on hu ya's face, making a muffled sound. a sense of heroism crept into lu yinxi's heart. she couldn't take it anymore. just as she was about to stop him, an unhappy female voice suddenly cut in.

"it's so noisy." the girl said.

he identified the source of the sound. it seemed to be coming from a toilet cubicle.

the sudden voice stunned the group of women in the corridor.

lu yinxi stood at the door, holding a mop. she was also a little surprised. she raised her head and looked at the toilet door that was opened.

the toilet door opened, and a tall girl walked out. she was wearing tight-fitting denim shorts, a tight-fitting black undershirt, and a cool overall jacket.

she was a little tall, about 1.7 meters. her long hair was let down, and she had no makeup on her face. her skin was very fair. her white skin was different from lu yinxi's. she was more like the white skin of europeans and americans, and her skin was pinkish.

the girl walked out of the toilet in a pair of black flat leather boots, and her well-proportioned and beautiful calves were wrapped in a pair of long stockings.

lu yinxi stared at the strange but beautiful girl, feeling confused.

who was this?

lu yinxi would definitely remember such a beautiful girl if she had seen her before. she was sure that she had never seen this girl before.

luo yanrong and the others silently looked at the girl who suddenly broke in, their eyes full of vigilance.

“who are you?” luoyanrong asked.

the girl chuckled and slowly walked to luoyanrong.

the girl lowered her head and glanced at hu ya, who was sitting on the ground. she raised her chin slightly, her expression arrogant, and her eyes carried some contempt. she asked hu ya, “ can a vase break itself and hurt others? ” and you? other than sitting on the ground and acting pitiful, what else do you know how to do?”

hu ya opened his mouth, but he couldn't refute.

the girl said again, “ i can't bear to see weak girls like you. who are you trying to show off your weakness to? ” if she was a girl, she should be strong and weak. if you marry a man in the future, you'll be lucky if he's good to you. what if it wasn't good? what if i still use domestic violence on you?

therefore, the more girly she was, the more she had to be strong.

hu ya's face was already red from luoyanrong's beating. hearing the girl's words, hu ya felt even more ashamed.

luoyanrong's expression was a little complicated.

was this girl a friend or a foe?

from her words, she seemed to be an ally, but from her arrogant expression, she seemed to be an enemy.

“ you're right. she just likes to pretend to be innocent and act pitiful. i've long disliked her! ”

she stared at hu ya's beautiful face and said fiercely, “ tell me, if i cut your beautiful face, will any boys fall for it? ”

hu ya's pupils shrank. " what are you doing? " hu ya was a little afraid.

luo yanrong took out a small knife and deliberately waved it in front of hu ya. she said, " as you can see, i'm going to use this knife to cut your face. " after she finished speaking, she bent down and was about to scratch hu ya's face.

he didn't know if she really wanted to do this or if she was just acting.

at first, luo yanrong really just wanted to scare hu ya. who asked her to pretend to be innocent? however, when she really reached out her knife to hu ya, an evil thought really grew in her heart.

with this face ruined, let's see how she can pretend to be innocent and pitiful in front of men.

luo yanrong's eyes turned ruthless. she exerted force on her wrist and the tip of the knife came close to hu ya's cheek. hu ya screamed, " ah! don't cut my face!" this time, hu ya was really scared to death.

lu yinxi's eyelids twitched. she opened her mouth and shouted, " don't hurt her! "

just as the tip of the knife was about to touch hu ya's skin, the girl who had been standing next to them and watching coldly from the side since luo yanrong reached out her knife suddenly raised her right leg.

the tip of the girl's right leather shoe kicked luo yanrong's hand.

luo yanrong's hand shook and the small dagger fell to the ground. luo yanrong's hand felt pain. she turned her head angrily and scolded the girl who suddenly attacked, " do you really want to meddle in other people's business? "

the girl sneered. "cutting a girl's face is like cutting a man's d * ck. you're really vicious." she was clearly a very beautiful girl, but her words were very rough.

luo yanrong was shocked by the girl's bandit-like aura.

"i advise you not to meddle in other people's business!" luo yanrong could also see that this girl was not simple.

her kick just now was very accurate. this was not something an ordinary person could do.

the girl smiled and said, " i can ignore it if i can't see it, but i can see it. there's no reason to ignore it. " she stared at luo yanrong and the group of sisters behind her and said with a smile, " do you think that eighth middle school is your world? you can do whatever you want?"

luo yanrong narrowed her eyes, " what do you mean? "

what did that mean?

gu yiqiu sneered. " you don't have the right to act like a boss wherever i am. " she said.

as soon as she finished speaking, gu yiqiu picked up hu ya and placed her behind her. gu yiqiu raised her head and looked at luo yanrong's face. she said, " it means i want to beat you up. " these words were crazy enough.

after she finished speaking, gu yiqiu raised her leg and kicked luo yanrong's chest. luo yanrong was kicked back a few steps, and then her back hit the sink counter of the toilet.

"hmph!" luo yanrong's face turned pale.

to catch the bandits, first catch the leader, gu yiqiu understood this principle. she let go of hu ya and quickly stepped forward to grab luo yanrong by the collar of her sweater. before the other girls could stop her, gu yiqiu had already given luo yanrong a few more punches.

usually, when girls fought, they would slap or pull their hair, but this girl was different. she was like a soldier, using her fists and legs. luo yanrong was being chased and beaten by gu yiqiu. she hugged her head and rolled on the ground. she was not convinced in her heart and kept cursing the beautiful girl.

lu yinxi looked at this scene in a daze and was shocked.
