

Ex's Brother 1131

Chapter 1131: aunt's lover

"alright, i got it." lu yinxi didn't need yan juan's nagging. she knew all this. not to mention her, fang zicheng was a man of principle.

he said that learning was the priority now, so he would definitely not do anything overboard. lu yinxi had to report to fang zicheng if she wanted to kiss him. no matter how she thought about it, love was very pure.

"oh right, you said you had something to ask me on the phone. what is it?" yan juan wanted to make lu yinxi stay for dinner. when she asked this, she was washing rice and cooking.

lu yinxi stood in the kitchen. she wanted to help, but she didn't know where to start.

when she saw yan juan take out a handful of celery from the fridge, lu yinxi walked up to her and snatched the celery from her hand. "you're going to stir-fry this celery after it's spasmed, right? let me help you."

!!

if the chewy western celery was removed, the taste would be crunchy and tender. yan juan said, "you're so hardworking and jingjing is so lazy. she can cook now." but she's lazy, and she never gets cramps when she's frying celery."

when yan juan criticized her daughter for being lazy, lu yinxi naturally wouldn't echo her.

she squatted on the kitchen floor to give celery a cramp. it was only then that she remembered the reason she had come to yan juan today. she asked yan juan, "second aunt, i wanted to ask you about auntie."

"xiao 'ai?" yan juan glanced at her and asked, "what do you want to ask?"

lu yinxi asked, " why did auntie and grandma break up back then? "

yan jian hesitated for a moment after hearing this.

the kitchen was quiet for a while before yan jian's voice rang out. " these things are not supposed to be mentioned in the lu family. especially when your grandmother is still around." yan jian put the inner container of the pot into the rice cooker, then walked over to lu yinxi and squatted down.

there were clearly no outsiders here, and grandma lu was already dead. when yan jian talked about those past events, her voice was still very soft. "your aunt doesn't have much self-respect,"

"how can i not love myself?"

lu yinxi was puzzled.

she didn't think that her aunt was someone who didn't care about herself.

yan jian's voice became even lower. she said, " your aunt doesn't like men. " yan jian's expression was a little strange. at her age, with her experience, it was unbelievable that a woman didn't like men but had an affair with another woman.

yan jian still had some things in her heart that she didn't have the face to tell lu yinxi. she was especially curious. what would happen when women were with other women?

yan jian was a boorish person, so she couldn't understand lu ziai's group. even though she didn't think that lu ziai was a pervert, she still felt uncomfortable and couldn't understand him.

lu yinxi had thought of many possibilities, but she had never thought that the truth would be like this.

auntie doesn't like men?

this was too ...

no wonder.

her aunt was so beautiful and alone at this age, but she didn't have any contact with men. lu yinxi then asked yan juan, " just because auntie likes women, grandma wants to break up with her? "

"that's right. your grandma is also an old fogey. she thinks that her daughter is sick. when your aunt was 18 years old, she got together with that girl. after your grandma found out, she and your dad sent her to some rehabilitation center to live for a while."

"your aunt lived in there for half a year. after she came out, she seemed to have restrained herself a little."

lu yinxi noticed that her second aunt said that she 'seemed to have restrained herself', which meant that her aunt was still the same. her transformation had not been successful at all. she had only learned to pretend.

true, things like sexual orientation couldn't be changed so easily.

yan juan continued, " because of this, your aunt didn't go to college either. i heard that the girl went to the art school. " your grandma and the others thought that your aunt had really broken up with that girl. they thought that she had really become normal, so they planned to find her a boyfriend and made her go on blind dates every day."

"your aunt couldn't take it anymore, so she ran away from home. later, your grandma found her and found out that she was living with that girl. they didn't break up. your grandma was so angry that she fell seriously ill after she came back."

" i don't know what happened after that, but your aunt's boyfriend suddenly got pregnant! " yan juan lowered her voice and said, " your aunt said that the child bought sperm from a volunteer and did a test-tube baby. however, i heard that the child was actually the child of that girl who had an affair and got together with someone else."

lu yinxi was stunned.

what the hell was this?

yan juan's voice was still nagging.

"after the child was born, your aunt's partner fell sick. it was postpartum depression. she held the child and said that she was going to jump off a building. when he jumped off the building, the child was saved, but the other party died just like that."

"dead?" lu yinxi's chest ached. "how did he ... die?"

"she said it's postpartum depression. sigh, i don't know." yan juan sighed and said, "it's not easy for your aunt either. i heard that before her boyfriend died, he coaxed your aunt to go home and cook. your aunt had just finished cooking. when she came to the hospital with the food, she saw your aunt jumping down from the building."

lu yinxi was so shocked that she couldn't speak for a long time.

she watched her lover jump down from upstairs. how had her aunt endured all these years?

it took a long time for lu yinxi to digest the news. she then asked yan juan, "then after that, auntie and grandma never contacted each other again, right?"

"yup,"

"what about the child?"

"i heard that he gave it away to a rich family to raise. it was the right thing to do to send the child away. your aunt was muddleheaded during that period of time and was completely crazy. she only recovered after two years."

“so it’s like this ...”

it was indeed a good thing for the child to be sent away.

” does your aunt have a ... girlfriend now? ”

“no, i didn’t,”

“sigh, she’s already 39 years old. it’s not good for her to continue being single.”

“auntie is 39?” lu yinxi said, ” i always thought that she was only 34 or 35 years old! ”

” your aunt is pretty and young. she also knows how to dress up. it’s normal that you can’t tell. ”

“that’s true.”

after hearing this news, lu yinxi didn’t even have the mood to eat at night.

when she left the house with fang zicheng, lu yinxi had completely forgotten about the impact of what had happened in the afternoon. all she could think about was what had happened between her aunt and her lover.

she knew that her aunt had a story, but she didn’t expect it to be so deep.

lu yinxi’s heart was in a mess. fang zicheng wanted to hear what she was thinking, but he couldn’t. he took lu yinxi to a warm dessert shop and ordered a dessert for her.

lu yinxi ate the dessert and felt less confused.

Chapter 1132: sleep however you want to

“do you mind telling me what you’re thinking?” fang zicheng had deliberately blocked his special ability. he hoped that lu yinxi would take the initiative to tell him what had happened around her.

lu yinxi opened her mouth and hesitated for a moment before she told fang zicheng what yan juan had told her.

fang zicheng was surprised to hear that.

he said, “ i also have people like your aunt. they’re even married.”

lu yinxi looked at him in surprise and asked curiously, “ don’t you think it’s strange? ”

!!

“is it strange?” fang zicheng thought about it carefully. it seemed that the people around him who knew aunt wei xin and susanna didn’t think that their relationship was strange.

fang zicheng said, “ when it comes to love, only one knows whether it’s cold or warm. when you love someone, it doesn’t matter if it’s a man or a woman, old or young, poor or rich. love is love, there’s no such thing as weird things.”

perhaps it was because fang zicheng had a lack of emotion that he was considered a patient. in his eyes, love was love, and it had nothing to do with all the other things.

liking someone was a very pure thing.

“ that’s great, ” lu yinxi said. “ the couple beside you must be very happy. ”

“yes, aunty wei xin and susanna have always been very loving.”

lu yinxi was speechless.

“wait, the person you’re talking about, is it wei xin?”

“you know him?” fang zicheng was surprised.

“it’s hard not to know,” lu yinxi said. wei xinye was a world-famous fashion designer. news of her marrying the princess of country R, miss susanna, had been reported repeatedly over the years.

was there anyone in binjiang city who didn’t know about this?

“i forgot, aunty wei xin is very famous.”

lu yinxi sighed. “as expected, rich people know each other. they’re all rich people.”

after telling fang zicheng about this, lu yinxi didn’t feel so bad. she finished her dessert and took the subway back to northern city with fang zicheng. fang zicheng really did what he said and sent lu yinxi to her house.

lu yinxi opened the door. seeing that her aunt had not returned, she said to fang zicheng, “my aunt isn’t home. do you want to come in and have a seat?” then, she remembered that it was getting late and her aunt might come back at any time. lu yinxi said, “you should go back. my aunt might be coming back soon.”

the light that had just risen in fang zicheng’s eyes dimmed. “i’m just going in, can’t i take a look?” he hadn’t been to lu yinxi’s house yet.

lu yinxi couldn’t stand his aggrieved tone.

“come in,”

fang zicheng entered the house and removed his shoes. lu yinxi looked around the cabinet but did not find any slippers that fang zicheng could wear. she looked troubled and said to him, " we don't have men's slippers at home. why don't you go in barefooted? "

fang zicheng didn't care about this.

"it's fine." he walked into lu ziai's house in his socks. fang zicheng was a sensible boy and didn't touch anything. he asked lu yinxi, " which is your room? "

"this way," lu yinxi brought fang zicheng into her room.

lu yinxi's room wasn't big. it had a 1.2-meter bed, a small desk, and a three-story drawer cabinet. the bedsheets were of a very plain color.

fang zicheng was a little surprised to see that lu yinxi's room was so plain. he said, " my sister's room is more than 60 square meters. it has a room, a bathroom, a cloakroom, and a small study. "

"that's huge. the indoor area of our house is only about 60 square meters."

fang zicheng suddenly patted lu yinxi's head.

lu yinxi looked at him in confusion. " what do you want? "

" in the future, i'll give you a room of 100 square meters. " fang zicheng pointed at lu yinxi's 1.2-meter bed and said, " make a two-meter bed. your bed is too narrow. it won't be able to fit the two of us in the future. "

lu yinxi felt embarrassed. "who wants to sleep in the same room as you!" lu yinxi was shy and embarrassed, so she said that on purpose.

however, fang zicheng's face turned red with anger when he heard that. "if you don't sleep with me, who will you sleep with?" fang zicheng believed her.

lu yinxi thought it was strange.

fang zicheng only had a lack of emotion, but he acted as if he had paranoia. was this normal?

not wanting to anger fang zicheng, lu yinxi quickly changed her words. "i'll sleep with you. we'll sleep together. we'll just buy a two-meter bed. we can sleep however we want." it was convenient to sleep in all kinds of positions ...

fang zicheng was satisfied.

"alright, alright, you should go home."

lu yinxi pushed fang zicheng and turned around.

as soon as they turned around, they saw lu ziai standing at the door of their room with a strange expression on his face.

lu yinxi was stunned. she wasn't sure how much lu ziai had heard. she quickly said, "aunt, don't take it seriously. we were just joking!"

lu ziai ignored lu yinxi.

she stared at fang zicheng with a serious expression and sharp eyes. "you can sleep however you want?" lu zi'ai questioned fang zicheng.

it's over, my aunt heard it. there's no way i can clear my name.

fang zicheng stared at the beautiful woman and guessed her identity. he was not afraid and even called her openly, " aunt. "

"who's your aunt!" even if he, fang zicheng, was handsome, lu ziai would not fall for his tricks. lu ziai's gaze sharpened. she stared at fang zicheng as if he was a thief and asked, " who are you? "

lu yinxi was so anxious that her face was red.

fang zicheng did not seem to notice lu ziai's disdain and wariness toward him. he introduced himself with a respectful attitude. " hello, auntie, i'm fang zicheng, " fang zicheng said. he looked back at lu yinxi and added, " i'm elk's boyfriend. "

lu ziai raised his eyebrows.

this boy's skin was too thick, so thick that he didn't know what was called skin, right?

lu ziai was about to start scolding her, but lu yinxi quickly ran over and grabbed fang zicheng's hand. she pulled him toward the door and said to lu yinxi as they walked, " aunt, i'm sending him off. "

lu yinxi threw fang zicheng out of the door and quickly closed it.

fang zicheng steadied himself and turned around. he saw a tightly shut door.

his eyes flashed.

in the past, when her mother was angry, she would always lock her father outside the door. at that time, fang zikai had always laughed at his father for being useless. although fang zicheng would not laugh at fang yusheng, he agreed with fang zikai's words.

at this moment, fang zicheng finally understood his father's dilemma.

in the future, if his father was thrown out of the room by his mother again, he would definitely go and comfort his father.

it was too pitiful ...

lu yinxi closed the door and turned around. she saw lu ziai standing behind her with a dangerous expression.

“you’re in love?”

lu yinxi usually didn’t talk much and had a timid personality. lu yinxi really didn’t expect her to be in a relationship. lu ziai was a little angry. no matter what, she was still lu yinxi’s guardian. if anything happened to lu yinxi, she would be held responsible.

Chapter 1133: big sister-in-law

“which stage are you guys at?” lu ziai was a straightforward person and asked the most important question.

lu yinxi understood her aunt’s meaning. although she was a little embarrassed, she still answered honestly, “ at most, we just hold hands. when we are together, we are usually doing homework. ”

“he’s also a very old-fashioned person. he said that we’re still young and should focus on learning.” lu yinxi thought of something. she looked a little aggrieved and conflicted. she said, “ i want to kiss him. i have to report it and ask for his permission. ”

lu ziai was speechless.

lu ziai couldn’t bear to see lu yinxi’s useless look.

!!

“good-for-nothing!”

lu ziai was angry when he found out that lu yinxi was in love. knowing that lu yinxi’s relationship was so depressing, lu ziai was also angry.

that was why people were really contradictory.

lu ziai looked at her deeply. he thought of some bad things and his expression turned ugly. “this body is your own, so cherish it.” lu yinxi was already an adult. there were some things that lu ziai didn’t want to tell her over and over again.

for a person who loved herself, she would understand after being reminded once. for a person who was willing to fall, there was no use in reminding him.

lu yinxi remembered what her second aunt had said that night. she said that her aunt’s boyfriend had an affair and was pregnant with a child. so when aunty said that, was she thinking about that woman again?

after leaving lu yinxi’s aunt’s house, fang zicheng returned home. first, he called fang yusheng and told him about the murder case in binjiang city.

fang yusheng also took this matter very seriously. without fang zicheng’s reminder, fang yusheng thought of lu yinxi. “what about the elk ...”

” father, i would like to ask uncle bufan to send a few people to protect her 24/7. ”

fang yusheng said, ” that’s right. when you go to and from school, you will also accompany the elk.”

“i will,”

fang zicheng wasn't an arrogant person. he didn't dare to act arrogantly when he didn't know who the murderer was and why he had committed the crime. he was afraid that his arrogance would cause lu yinxi to lose her life.

the next day was a weekend. lu yinxi stayed at home and read for the whole day. because of the reappearance of the murderer's case, lu yinxi had called to resign from her part-time job. although she was short of money, she cherished her life more. lu yinxi wouldn't go out if she could.

the next morning, lu yinxi walked to the entrance of her neighborhood with her bag and saw a black cayenne parked there. lu yinxi didn't know that the car belonged to fang zicheng's family. when she walked past the car, the car honked twice and the window rolled down. fang zicheng stuck his head out and shouted at her, " elk, get in the car. "

lu yinxi turned around and saw fang zicheng. she realized that the car belonged to the fang family.

she got into the car and sat on fang zicheng's right.

on fang zicheng's left sat fang zikai, and in the front passenger seat sat fang taoran.

lu yinxi had met fang zikai before, but this was her first time meeting fang taoran.

she stared at fang taoran, and fang taoran was also looking at her.

fang zikai nudged fang zicheng's arm and leaned over. " aren't you going to introduce us? " he asked in a low voice.

only then did fang zicheng realize that lu yinxi and fang taoran did not know each other yet. they had long heard of each other, but this was the first time they had truly met.

fang zicheng turned to lu yinxi and said, " the girl in front of you is my younger sister. she's about to graduate from primary school. "

“hello,” he said. lu yinxi smiled at the fair-looking little girl in front of her.

fang taoran waved at her, and she said, “ i know you. big brother, you don’t have to introduce her. she’s my future sister-in-law, right? ”

young lady, you’re really honest.

lu yinxi’s heart thumped.

” yes, ” she heard fang zicheng’s reply above her head.

lu yinxi didn’t know how to react.

“just put me down in front.” seeing that they were about to reach the gate of no. 8 high school, lu yinxi suddenly called for the car to stop. although there were many families in binjiang city who could afford to drive a cayenne, lu yinxi wasn’t the type of person who could sit in such a car.

if the news of her car stopping at the school gate and her getting out of the luxury car spread, it would probably be the same as the last time when she fainted from appendicitis and was said to have her appendix removed to lose weight.

fang zicheng understood lu yinxi’s concerns, but he did not agree with her actions. he said, “ you don’t have the courage to get out of my car now. in a few years, will you also not have the courage to marry me? ”

lu yinxi was provoked. she immediately said, “ marry! i dare to marry!”

liking fang zicheng was the boldest thing lu yinxi had ever done in her teenage years. in the days to come, she would do many bold things for fang zicheng, such as getting married and having children.

“you’re the one who has the right to sit in my family’s car.” fang zicheng grabbed lu yinxi’s arm. “ stop at the school gate, ” he insisted.

fang zicheng was a very stubborn person.

if lu yinxi had insisted on getting off here, he might have been angry.

watching fang zicheng and lu yinxi's every move, fang taoran and fang zikai were a little surprised. this was the first time their big brother was so serious about something like this. fang taoran felt that although this big brother was a little strict, he was more lively than before.

in the past, big brother had no desires and was boring.

in the end, the car stopped at the entrance of no. 8 high school.

when lu yinxi got out of the car, she coincidentally bumped into wan yuting.

"goodbye." lu yinxi turned around and waved at the three siblings in the car.

fang zicheng said goodbye. fang taoran leaned against the window and said to lu yinxi, "sister elk, see you after school!"

"alright."

after watching the fang family's car leave, lu yinxi turned around and saw wan yuting. she felt her scalp go numb.

wan yuting was waiting for her at the gate.

lu yinxi walked to wan yuting's side. wan yuting grabbed her arm and gossiped to her, "lu yinxi, you're amazing."

“what?”

“you’ve even met fang zicheng’s family so quickly. are you going to meet the parents in a few days?”

lu yinxi quickly said, “ i’ve been busy recently, so i had to take his car. ” don’t talk nonsense.”

” just you wait. it won’t be long before the news of you getting a rich boyfriend will spread throughout our class. ” wan yuting had a big mouth, and whatever she said would come true.

in just one day, the news that lu yinxi had a rich boyfriend spread in the class.

some people thought that lu yinxi was lucky, while others thought that lu yinxi was good in bed. at such a young age, she had already used her ‘good skills’ to completely dominate the young master of a rich family.

when lu yinxi heard the gossip from wan yuting, she just wanted to die.

after the first class in the afternoon, lu yinxi went to the toilet.

she felt that the students in the corridor were all looking at her strangely.

Chapter 1134: there’s a reaction

in fact, this was just lu yinxi’s opinion. in fact, the students in the same year as her didn’t object to her having a rich boyfriend.

times were different now. it was a common trend for minors to fall in love. as long as lu yinxi did not have an ‘abortion’ or ‘cheat on fang zicheng’, her classmates would not look at her differently.

lu yinxi went to the toilet. when she was washing her hands, a light blue figure suddenly approached her.

" i heard that you're dating fang zicheng. you're even meeting his parents. " gu yiqiu's voice rang in lu yinxi's ears.

lu yinxi looked up at gu yiqiu and frowned. " if i tell you that we're getting married tomorrow, would you believe me? " her words were 30% sarcastic and 70% angry.

!!

"pfft!"

seeing that lu yinxi could actually joke, gu yiqiu was quite happy. she suddenly said, " do you believe that we can become wanwan? "

lu yinxi was speechless.

fang zicheng only had one brother, fang zikai. lu yinxi's eyes were filled with surprise.

"what? you don't believe me?" gu yiqiu thought that lu yinxi did not believe her.

lu yinxi shook her head and said, " fang zicheng said that his brother is a man of good looks. " she glanced at gu yiqiu's face and body again. " it's possible, " she said softly.

gu yiqiu ruffled her hair. " since we're going to be a family sooner or later, i'll protect you from now on. "

lu yinxi was now considered 'family' by gu yiqiu.

lu yinxi didn't feel honored. she just found it funny.

she was suddenly looking forward to seeing what would happen when gu yiqiu and fang zikai clashed. after the second class in the afternoon, lu yinxi heard the students from the class next door say that they were going to play basketball.

she asked wan yuting, " is class four's next lesson physical education? "

"yeah,"

no. 8 high school still carried on with the old educational tradition. after class, when the teacher entered the classroom, all the students had to stand up under the leadership of the class monitor, bow 90 degrees to the teacher, and greet the teacher.

this was a way for students to thank their teachers for teaching them knowledge.

lu yinxi was sitting by the window. when she stood up and bowed, she noticed that gu yiqiu was walking down a small path. the class next door should be p.e. class, and the path she took was obviously not to the sports field.

where was she going?

...

gu yiqiu went to xiangjiang international college.

she had climbed over the wall.

the wall of xiangjiang international college was two meters high. gu yiqiu easily climbed over it. the security guards didn't expect someone to climb over the wall during the day, and it was a girl, so they didn't guard the courtyard wall.

the students of xiangjiang international college all wore their school uniforms. when it was cold, some of them would wear their own clothes outside their school uniforms. their school's girls 'school uniform

was a skirt. the navy blue pleated short skirt wasn't warm enough, so in this season, girls would wear warm pantyhose.

gu yiqiu was wearing a long black trench coat and black tights. as such, no one noticed that she was a student from another school when she walked around the campus. gu yiqiu knew fang zikai's class schedule like the back of her hand. fang zikai and the others were having swimming class.

xiangjiang international college had its own stadium. gu yiqiu found the swimming pool classroom where fang zikai and the others had their swimming class.

fang zicheng and fang zikai were still in the same class.

both boys and girls in the class had changed into swimsuits. the girls with good figures would dress slightly sexier, while the chubby girls would dress more conservatively to cover their flesh. boys usually wore boxer swimming trunks.

fang zikai was standing next to his brother. fang zicheng was wearing a pair of loose black swimming trunks, while fang zikai was wearing a pair of bright yellow swimming trunks. it was especially pleasing to the eyes when the brothers stood together.

even though the students in the class had already gotten used to their stunning looks, they would still stare at the two brothers during swimming class. probably because they always trained with qi bufan and the others, the two brothers had very good figures, especially fang zicheng, every muscle revealed a sense of strength.

there were several swimming pool classrooms on this floor, and they were not the only class that came to learn swimming during each class.

gu yiqiu carried a school bag and sneaked into the changing room. she changed into her swimsuit and swaggered out. there were many students anyway. this class would think that gu yiqiu was from that class, while the other class would think that gu yiqiu was from another class.

therefore, when they saw such a beautiful girl, although everyone wondered which class she was from, no one had guessed that she was a foreign student.

fang zikai didn't dare to swim, because he had drowned when he was young, so he had a sense of aversion to swimming.

fang zicheng went into the water and swam around. seeing that his brother was still standing by the pool, afraid to come out, he frowned and said to him, " xiaokai, you can't be like this. you can't let your fear of water become your weakness. "

once a person had an obvious weakness, it would be a very dangerous thing.

fang zikai refused to go into the water.

seeing that his brother was still in a daze, fang zicheng shook his head and ignored him. after swimming a few rounds, he felt that it was enough, so he came out of the pool and went back to the changing room to change.

fang zicheng left after changing his clothes.

fang zikai also wanted to leave, but when he turned around, he saw a beautiful girl standing behind him. gu yiqiu was wearing a red neck-hanging swimsuit. the swimsuit was designed to show the waist with lotus leaves on the side.

she didn't need to show off her coquettishness, but she was so sexy and beautiful that it was suffocating.

fang zikai's eyes widened.

"what are you doing here?"

ever since he had seen this woman's true face, fang zikai had stopped calling her qiuqiu. previously, fang zikai was obsessed with gu yiqiu's beauty, but now, when he saw gu yiqiu, he wanted to avoid her.

gu yiqiu walked closer to him.

“have you remembered who i am today?” gu yiqiu walked closer to fang zikai.

fang zikai knew how evil this woman’s true colors were, and he warned himself not to provoke her. however, at this moment, gu yiqiu was standing right in front of him. her face was right next to his. the two of them were so close that he could even feel her breathing. his body was actually changing!

the 17-year-old boy already had a male reaction.

not wanting gu yiqiu to find out about his embarrassment, fang zikai turned around and ran. however, he was so focused on running that he did not notice the water on the floor under his feet. fang zikai stepped on the wet floor, and his body fell into the pool.

plop!

fang zikai fell into the water.

this was a swimming pool, and there would always be people who would jump into the pool to swim. no one paid much attention when they heard the plop. fang zikai fell into the water and was forced to drink a mouthful of water.

his ears, nose, and throat were all filled with water.

even his chest felt like it was suffocating.

those who had never drowned before would not be able to experience that kind of pain. fang zikai didn’t even have the chance to struggle before he sank.

gu yiqiu was shocked.

she quickly jumped into the pool.

Chapter 1135: eighth high school's school bully, unruly

gu yiqiu held her breath and dived to the bottom of the pool. she grabbed fang zikai's ankle and dragged him to the shore. in tv series, we always see the male lead jump into the water to save the female lead after she falls into the water. but in order to pursue the romantic effect, the male lead usually doesn't rush to pull the female lead out of the water, but instead, he kisses and passes his breath to the female lead while she's asleep.

that was all nonsense.

in reality, if you wanted the male lead to do that, not only would you not be able to bring the beauty home, you would also lose your wife.

that wasn't transferring energy, that was giving up one's life.

gu yiqiu placed fang zikai on the shore. fang zikai did not pass out, but he was in pain. gu yiqiu was performing chest compressions on fang zikai with ease. although she was skinny, she was very strong. fang zikai vomited out the water in his chest when gu yiqiu exerted force on him.

!!

after pushing gu yiqiu away, fang zikai lay on the ground and vomited all the water out. only then did the suffocating feeling disappear.

after such a torment, fang zikai, who had been restless before, had completely calmed down. he laid on the ground and slowly got up. he then pointed at gu yiqiu and complained, " you pushed me down! "

gu yiqiu was speechless.

how did the little fatty become a scoundrel?

“you slipped and fell.” gu yiqiu’s voice was stiff. she was not happy that she had been wronged.

however, fang zikai insisted that gu yiqiu was the one who pushed him down. “ you did it on purpose. you pushed me in on purpose and pretended to save me. then, you used ... ” he paused for a moment and used an embarrassing tone to finish his sentence. “ you used the hero saving the damsel in distress act on me! ”

gu yiqiu was stunned for a moment before she burst out laughing. “if i’m a hero, are you a beauty?” gu yiqiu was really amused by fang zikai. she laughed so hard that her eyes curved like two crescent moons.

gu yiqiu used her fingers to wipe the water off fang zikai’s face. finally, she pinched fang zikai’s chin. fang zikai was forced to look at her, his eyes full of unwillingness to admit defeat.

“what are you doing? you want to ... take advantage of me again?” fang zikai deliberately used the word ‘frivolous’ to remind gu yiqiu to pay attention to her place and identity. she was a girl after all, so she should not randomly kiss people.

she lowered her head to look at her, her wet long hair falling on fang zikai’s face, “ little fatty. ” every time gu yiqiu called him ‘little fatty’, her voice would be soft and sweet. this was a little out of place with her tough personality.

however, fang zikai felt that the name “little fatty” sounded a little ... nice from her?

it was like seeing a ghost.

even though he knew that this girl wasn’t a good person and was full of evil tricks. however, fang zikai’s heart still beat faster when he looked at gu yiqiu at such a close distance. once again, he hated the fact that he was a dog of good looks.

“w-what are you doing!” fang zikai’s eyes became alert.

gu yiqiu saw the wariness in his eyes and felt a little annoyed. she exerted more strength in her fingers, causing fang zikai to feel some pain. fang zikai wanted to slap her hand away, but just as he raised his hand, gu yiqiu stopped him with her other hand.

gu yiqiu pinched his chin with one hand and grabbed his hand with the other. she stopped smiling and asked him in a dangerous tone, " did you remember who i am today? "

fang zikai was about to say, 'who knows who you are'. however, when he looked into gu yiqiu's beautiful eyes that were filled with anticipation, the words that were at the tip of his tongue became difficult to say.

gu yiqiu asked him this question time and time again. fang zikai had to face this problem. he squinted his eyes and sized up gu yiqiu for a moment. he could not remember knowing this person.

fang zikai asked her doubtfully, " did we know each other? "

gu yiqiu seemed to be hurt.

the anticipation in his eyes disappeared, and the light in his eyes dimmed.

she was only dejected for a few seconds before she put on the invulnerable mask of determination again. gu yiqiu lowered her head and whispered into fang zikai's ear. " here's a hint. "

"what?"

fang zikai pricked up his ears, afraid that he would miss every word she was about to say.

" boss, " gu yiqiu said.

fang zikai was still confused.

“boss?” this was the prompt, ‘what boss? i’m your boss?’

gu yiqiu patted his head and mumbled, “ are you dreaming? little fatty, i’m your boss.” after she finished speaking, she kissed fang zikai’s face arrogantly.

gu yiqiu stood up and glanced at the students who were standing far away, watching them. gu yiqiu was very calm and her expression was open. she had a good grasp of her identity as the school tyrant of no. 8 high school.

“the next time i see you, if you still can’t remember me, i’ll kiss you with my tongue.” gu yiqiu left after leaving behind these threatening words.

fang zikai was shocked.

when gu yiqiu said this, she did not lower her voice. not only did he hear it, but the students who were watching the commotion nearby also heard it. fang zikai noticed that his ‘brothers’ were hiding at the door, staring at him and gu yiqiu with fiery eyes. he felt a headache coming on.

gu yiqiu had dropped a bomb on xiangjiang international college and it was gone like a gust of wind. after she left, fang zikai’s brothers swarmed up and surrounded him.

” brother kai, when did you find such a beautiful girlfriend? ”

“oh my god, brother kai, your girlfriend really knows how to play with women. the way she jumped into the pool to save you just now, tsk tsk, she was so damn cool!”

” tsk, tsk, where did you find her? tell me, i’ll go to the area you know one day. maybe i can find a girlfriend like her. ”

those who did not know gu yiqiu were asking fang zikai when he got to know such a beauty. there were some who had seen gu yiqiu’s photo before and felt that this girl looked familiar.

the male student who showed fang zikai gu yiqiu's picture was called wang qi. he frowned and mumbled, " why do i feel like this girl looks familiar? she doesn't look like someone from our school. "

fang zikai stood up from the ground.

he flicked the water from his hair and glanced at the boy who spoke, revealing a fake smile. the boy sensed his anger and was baffled. " why are you looking at me like that? "

fang zikai's tone was gloomy. he said to wang qi, " the school bully of no. 8 high school. you introduced him to me personally. have you forgotten? " if this brother had not shown him the photo, this good-looking dog of his would have had his eyes on gu yiqiu from then on. when he heard that she had returned to the country, he would have run over to flirt with her.

in the end, he failed to flirt and was hit on instead.

if it wasn't for wang qi, would he have ended up in such a tragic situation?

after understanding this, fang zikai couldn't help but vent his anger on wang qi, his expression even more sinister. "don't mess with me these few days, or i'm afraid you'll get beaten up." controlling the wild energy in his body, fang zikai strode to the changing room.

Chapter 1136: sweet distress

wang qi was stunned. he ignored fang zikai's warning and asked him anxiously, " did you really get the school bully of no. 8 high school? "

fang zikai mumbled something, but wang qi didn't hear him clearly.

"that's amazing, brother kai!" wang qi felt that fang zikai must be a big shot to be able to win over gu yiqiu.

fang zikai cursed at his friends and turned around to change his clothes. after they were far away, he muttered in a daze, " i didn't get her. she got me. "

gu yiqiu held onto fang zikai tightly with her two demonic claws.

!!

it seemed that this guy couldn't be returned.

what could fang zikai do? the girl he flirted with had to be pampered even if she had to kneel down!

...

after sending lu yinxi home with her brother and sister, the three of them returned to their own homes. after returning home, fang zikai thought about it but still could not remember gu yiqiu.

he remembered that his brother had a good memory since he was young. he ran to fang zicheng and asked, " brother, do you still remember gu yiqiu? "

fang zicheng nodded.

" who is it? " fang zikai asked.

" isn't she the girl who you forced a kiss on and your father beat you up? " asked fang zicheng.

fang zikai was upset for a while. " it's not like that. gu yiqiu kept saying that we knew each other before, but i don't remember. what should i do? she's been pestering me every day, saying that if i don't remember her, she'll kiss me every day."

when fang taoran heard this, he cast a disdainful look at the young man. "little brother, you're showing off your love, right?"

fang zicheng also thought that fang zikai was showing off his love.

wasn't it good to be kissed?

people who flaunt their love should really be struck by lightning.

fang zikai wanted to cry.

he was really vexed.

seeing that his brother was really annoyed, fang zicheng asked, " she said you knew each other? "

fang zikai nodded. " yeah, she said we knew each other. " i really couldn't remember her, so she just gave me a hint,'boss'. " fang zikai told fang zicheng everything he knew, hoping that fang zicheng would remember something.

fang zicheng frowned and thought for a moment. suddenly, he said, " you did have a friend named gu yiqiu when you were young. "

"really?"

fang zikai strode over to fang zicheng and sat down beside him. he leaned half of his body on his brother's shoulder and asked fang zicheng, " when did this happen? how come i don't remember?"

"when you were in kindergarten. do you still remember falling into the water once when you were a child?" fang zicheng could still remember many things from his childhood.

"of course i remember!"

the incident of him falling into the water had left a deep shadow in fang zikai's heart, so much so that even after he grew up, he still did not dare to learn how to swim. "what does this have to do with her?"

“the reason you fell into the water was because you were fighting with someone.”

“i know that.”

fang zikai still looked as if he had not remembered anything. fang zicheng shook his head and said, “ but the reason you fought was because the other party bullied your boss. ”

“boss?” fang zikai’s eyes widened. “ are you saying that gu yiqiu and i are kindergarten friends? ” i even got into a fight for her?” he even recognized her as his boss!

“yes, i am.”

fang zicheng pointed in the direction of the dormitory and said to fang zikai, “ you can ask grandma if she has any photos of you in kindergarten. i remember that you used to play together all the time. when we graduated from kindergarten, grandma attended the graduation ceremony and took many photos of us. maybe grandma still has a photo of you two.”

fang zikai found a way out.

“thanks, brother!”

holding fang zicheng’s face, fang zikai was about to kiss him.

fang zicheng ruthlessly pushed his brother’s disgusting face far away. “ don’t kiss me, ” he said in disgust. i’m someone you can’t afford to kiss.

this time, fang zikai did not argue with fang zicheng. he got up and ran to the bedroom.

fang zikai knocked on lisa’s bedroom door anxiously. after a moment, lisa personally came to open the door. fang zikai saw that she was still holding her phone, and it seemed like she was video-calling her friend. “is grandma free now?”

“wait a moment!”

lisa told her friend in english to talk to her next time and hung up.

” what’s the matter, kaikai? ” lisa asked fang zikai.

fang zikai explained his intention.

“a photo from kindergarten?” lisa thought for a moment and remembered that she had taken photos from that time, but there were too many photos, and she couldn’t remember which album she had put them in.

“i have to go look for it.”

“i’ll go with you.”

lisa had a cabinet that was specially used to store old photos of her family. lisa opened the cabinet and asked fang zikai to look for it with her. there were a lot of photo albums, more than ten of them. after a few minutes of searching, fang zikai heard lisa say, ” i found it, this is it. ”

fang zikai quickly put down the photo album in his hand and leaned over to look at it.

lisa flipped through the photos and said to fang zikai, ” you were a little fat at that time, and you liked to eat chocolate secretly. i told you not to listen. ”

fang zikai laughed in embarrassment.

thinking about how gu yiqiu always called him little fatty, fang zikai was even more certain that they knew each other when they were young. lisa flipped through it a few times and her face lit up. she said, ” ask your brother if this girl is gu yiqiu. ”

fang zikai stared at the girl in the photo.

the girl was wearing a leather jacket and tight-fitting jeans. her black hair was tied into two ponytails, and she looked cool. the little girl was a little chubby and had a round face, but she was very pretty. she was standing next to fang zikai, acting like a big sister.

even though girls changed 18 times as they grew up, gu yiqiu's current appearance was very different from when she was young. however, fang zikai still found some familiar traces on the little girl's face.

this little girl had the same arrogant temperament as gu yiqiu.

fang zikai quickly went to find fang zicheng with the photo album. "brother, take a look and see if it's this!" fang zikai handed the photo album to fang zicheng.

fang zicheng looked at the photo and flipped through a few more before he nodded. "yes." this is gu yiqiu. both of you were a little fat at that time and loved to fight. you two were very close and got along very well."

fang zikai did not remember anything that fang zicheng had said.

after all, he was too young at that time.

looking at the photo of him smiling heartlessly while gu yiqiu still pampered him, he knew that their relationship must have been very good. fang zikai was curious about his childhood with gu yiqiu.

when he realized that he had really known gu yiqiu before, the fear and resistance he had towards gu yiqiu faded a little. what replaced it was the joy of reuniting with an old friend.

Chapter 1137: long time no see, boss

“then, how did gu yiqiu and i separate?” he suddenly wanted to seriously understand his past with gu yiqiu.

“when you guys separated, you were already in primary school.” fang zicheng finished flipping through the album and closed it when he realized that there were no more photos of gu yiqiu.

“tell me, how did we separate?” fang zikai urged his brother impatiently.

fang zicheng glanced at him indifferently, disdaining his impatience. “brother, tell me about it,” fang zikai said, trying to please him.

fang zicheng’s expression softened. “gu yiqiu’s mother is not in good health. she needs to go overseas for treatment.” she was too young then, so she went abroad with her parents.”

!!

“i remember that you were very unhappy for a long time after she left. when she just went abroad, you guys called and chatted every day. sometimes, you would even set an alarm to wake her up in the middle of the night to call her and chat with her.”

their relationship was really good at that time.

fang zicheng still remembered an interesting incident. “i still remember the time you fought in school and lost. after she returned, she called gu yiqiu at night and even told her about her grievances. you even cried as you spoke.”

fang zikai was speechless.

he wanted to cover his face.

was he really such a useless person?

“then why have we stopped contacting each other?” fang zikai thought that he had broken off contact with gu yiqiu because something had happened to her. for example, they had moved and changed their phone numbers.

fang zicheng shook his head when he heard his brother’s thoughts. ” you’ve been separated for too long. you’ve gradually gotten used to not having gu yiqiu by your side. you’ve made new friends and naturally, you’ve given gu yiqiu the cold shoulder. after that, you two stopped contacting each other.”

every friendship was like this.

they were passionate when they got along, and missed each other when they separated. as time went by, they got used to it and gradually forgot about it. then, you will make new friends. those new people will always replace the position of your old friends in your heart.

fang zikai was one of them.

however, gu yiqiu and fang zikai were different.

flying abroad, with a language barrier, different skin colors, and an arrogant personality, gu yiqiu did not have any friends and was isolated. at that time, fang zikai, who was once her best friend, would be cherished in her heart.

when she was bullied, sad, and missed her home country, she would dig up memories related to fang zikai, take a look, and then carefully hide them.

fang zikai had easily forgotten about this friendship, but gu yiqiu was obsessed with fang zikai.

although he didn’t remember those past events, fang zikai still felt a little upset when he heard fang zicheng’s words. so he was that overjoyed at that time?

in the end, he was still the one at fault.

previously, fang zikai had complained about gu yiqiu's strong character and her shamelessness. but now, he was blaming himself.

"by the way, do you still have your old phone? you and she both have mobile phones. you can check your old mobile phone, and i'm sure you'll find some clues." fang zicheng didn't like to see his brother's silence.

fang zikai still looked good when he smiled, the more arrogant he was, the more pleasing he looked.

after listening to fang zicheng's suggestion, fang zikai ran back to his room and rummaged through the cabinets for more than ten minutes. finally, he found two or three old mobile phones in a small box.

fang zikai's memory was bad, and the password for each of his mobile phones was the same. fang zikai charged one of the old black mobile phones, turned it on, and slowly scrolled through the records.

this was the phone he had used when he had just entered primary school. it did not have many functions, but it could be used for wechat, taking photos, sending text messages, and making phone calls. but he couldn't play games.

after his phone was turned on, fang zikai entered the photo album.

to fang zikai's surprise, 80% of the photos in the photo album were related to a girl. the girl in the photo album had already changed a little from the one in lisa's photo album. the girl had grown taller and slimmed down.

in every photo, the girl's expression was cool. she looked at the camera, and although she looked impatient, she still cooperated with fang zikai's request and posed in the way he wanted.

ah, long time no see, gu yiqiu.

that night, fang zikai did not stay at home for dinner. instead, he went to look for gu yiqiu.

he couldn't wait to see her and just wanted to say sorry to her.

fang zikai knew where major general gu's house was. major general gu and gu yiqiu were staying in their old house. it was a two-story bungalow with a small yard at the entrance.

their home was not in the military compound, but in the suburbs.

when he was young, fang zikai often went to gu yiqiu's house to play.

he rode his bicycle to gu yiqiu's house. fang zikai was afraid of major general gu, so he stood at the door, hesitating. if he rang the doorbell and the one who opened the door was major general gu, wouldn't that be like sending a sheep to a tiger's den and asking for a beating?

after eating secretly in his heart for a while, fang zikai pressed the doorbell in one go.

fortunately, the person who opened the door was gu yiqiu's nanny.

"who are you looking for?" the nanny's mandarin was not good. she had a strong foreign accent.

fang zikai took a while to understand what she meant.

"is gu yiqiu here? i'm her classmate."

"the young lady is not at home." the nanny said, "miss should still be at the training ground at this time."
"

after asking for the location of the training ground, fang zikai rode his bicycle to find her.

the training ground was a mile away. it was an open field with grass. the field was filled with military training equipment and facilities. it was probably major general gu's private training ground.

the training ground was surrounded by iron nets. fang zikai stood outside the iron net and looked at the people on the training ground.

there was a night light in the training ground. under the light, gu yiqiu was doing pull-ups on the horizontal bar, wearing a black vest, army green camouflage pants, and combat boots. there were very few girls who could do this, but gu yiqiu was so good at it. even though she was skinny, she did pull-ups one after another without panting.

fang zikai looked at her in a daze. when she was wearing her clothes, she looked very thin. however, when she wore a tank top, her arms were muscular.

fang zikai stood quietly on the side and watched gu yiqiu do her training. he counted and found that gu yiqiu had done 200 pull-ups in one breath.

he was so shocked that he was speechless.

after so many years, his boss was still his boss.

after finishing the pull-ups, gu yiqiu jumped down from the horizontal bar. she massaged her legs and rested for a while before picking up the leg-carrying belt and backpack from the ground and tying them around her body.

you still have to run with weights?

“gu yiqiu!”

fang zikai had no choice but to speak up to attract gu yiqiu’s attention.

Chapter 1138: i’ll take you as my boyfriend

gu yiqiu raised her head in surprise. her long hair was tied up and she did not have any bangs on her forehead. because of the exercise, her beautiful face was a little red, and at this moment, there was a little surprise on her beautiful face.

“what are you doing here?” gu yiqiu put down the heavy load and walked towards him.

gu yiqiu walked up to him and looked up at him. a smile appeared on her serious face. her smile was a little mischievous and she looked like a ruffian. “little fatty, why are you looking for me?”

fang zikai looked at her but did not answer.

“what’s wrong? did you miss me?” gu yiqiu’s smile deepened.

!!

“i’m sorry,” she said. fang zikai said.

gu yiqiu’s expression froze for a moment.

she stopped smiling and her eyes were calm. “why are you apologizing to me?” this apology came out of nowhere.

” because ... because i forgot about you. ”

fang zikai was too embarrassed to say that.

fang zikai felt a little uncomfortable. how did you survive the years when i wasn’t around to help you conquer the world?

fang zikai suddenly reached out his hands and pulled gu yiqiu into his arms. gu yiqiu’s pretty face showed a moment of shock. gu yiqiu was so strong and fought so fiercely, but when she was in his arms, she was just an ordinary young lady.

“long time no see, boss.” fang zikai said.

gu yiqiu’s eyes widened when she heard this.

she wanted to push fang zikai away and talk to him. fang zikai pressed his palm on gu yiqiu’s back to stop her from moving. “i’m sorry, i forgot. boss, i’m terrible, i know.”

“now that you’re back, i’ll still sit on your little brother, okay?”

“i don’t want to.” gu yiqiu rejected him without any mercy.

fang zikai’s expression froze.

he then let go of gu yiqiu.

gu yiqiu looked embarrassed and her eyes were filled with anger. “you’re still angry with me? are you angry that i forgot about you? are you trying to act out of spite?” fang zikai was annoyed and angry, “ i didn’t mean to ... ”

“i won’t take you in as my little brother.” gu yiqiu still refused.

seeing that fang zikai’s expression was getting worse and worse, and that he was about to go berserk, gu yiqiu said something else. she said, “ but i can consider taking you in as my boyfriend. ”

fang zikai’s expression changed.

“r-really?”

was this a blessing from heaven?

gu yiqiu snorted. " yeah. why? you don't want to? "

"i'm willing."

"right?"

fang zikai immediately changed his words, " i'm willing! my honor!"

gu yiqiu hummed in agreement.

now that the two of them were officially a couple, fang zikai suddenly did not know what kind of attitude he should show to gu yiqiu. gu yiqiu was also a little embarrassed. the two of them looked at each other awkwardly and did not say a word.

"ahem." fang zikai coughed and asked, " how have you been all these years? "

"are you genuinely concerned or are you faking it? it must be fake concern. if you really care about me, how could you forget me?" gu yiqiu was extremely resentful.

fang zikai was speechless.

gu yiqiu did not want to make the atmosphere awkward, so she said, " i wasn't used to it at first. i was bullied before, but after i became stronger, no one dared to bully me anymore. " she had returned the favor to those who had bullied her.

"how about you?" gu yiqiu asked fang zikai.

just as fang zikai was about to say that he was doing well, gu yiqiu continued, " you must be living a good life. i heard about fang zikai's big events at xiangjiang international college when i was at no. 8 high school. "

gu yiqiu learned from others that fang zikai was an outstanding young violinist and was also known as the king of fighting in the high school circle of binjiang city. without gu yiqiu, fang zikai's life would be wonderful.

fang zikai felt even more embarrassed.

he thought for a while before saying, " don't panic. i've fought for this country for you. "

gu yiqiu was stunned.

when they were young, they had the ambition to beat all the schools in binjiang city. in that case, they really did it.

" by the way, you're still training so late at night. are you planning to be a soldier in the future? "

"yup," " my brother is going to be a government official. i'm planning to join the army, " gu yiqiu said. she looked forward to it and her eyes were determined. gu yiqiu said, " i want to be the best female soldier in our country. i want to be my father's pride. "

fang zikai felt that gu yiqiu was especially tall at this moment.

as expected of his boss.

"then, then you can do it."

"what will you do in the future? what are you preparing to do?" gu yiqiu remembered that when fang zikai was young, there was a period of time when he dreamed of becoming a star. when he was young, he was fat. once, when his class was having an art performance, he wore a white suit and sang shamelessly.

gu yiqiu felt that she could not see at that moment. all she could see was a round doll holding a microphone and showing off. he just didn't know if this little fatty's thoughts had changed after so many years.

fang zikai scratched his head and said, " my brother is going to be a physicist. i'm not as smart as him. i want to work hard to become a violinist. " although the difference between a violinist and a violinist was only two words, the meaning was very different.

he wanted to work hard to become a master in the violin field.

" of course, i can't let my face go to waste. my grandma xu is still acting in the entertainment industry at her age. i plan to go into the entertainment industry in the future to make a name for myself and earn some pocket money. "

fang zikai felt bitter. if he didn't earn his pocket money, how could he afford to raise his wife and child?

gu yiqiu was amused by his words.

"you've had this thought since you were young. at that time, you were still a little fatty." gu yiqiu stared at fang zikai and sized him up several times before saying, " you have that condition. "

"are you admitting that i'm handsome?" fang zikai was almost floating.

" mmh. " gu yiqiu nodded. when she saw fang zikai's smug expression, she added, " no matter how handsome you are, you're still my little fatty. "

fang zikai was a little embarrassed to hear her call him little fatty, " i'm not fat anymore, can you not call me little fatty? " it would be embarrassing if outsiders heard this.

gu yiqiu's expression turned serious. " i'll give you two choices. " she stretched out two fingers and said, " one, let me call you little fatty. "

fang zikai shook his head, " i choose the second option. "

gu yiqiu said, " that's little fool. "

fang zikai was speechless.

"i think little fatty is quite nice to listen to. he's especially cute." he went against his conscience and didn't mean what he said.

'little fatty' was not a good name, but it was better than 'little fool'.

gu yiqiu burst out laughing.

"my dad is here." she suddenly said.

fang zikai raised his head and looked in front of him, but there was no one there.

staring at fang zikai's tense body, gu yiqiu found it funny. " why? is my father that scary? " gu yiqiu wanted to laugh when she recalled how this little fatty had addressed her father as 'grandpa' when they first met.

Chapter 1139: weak chicken

knowing that gu yiqiu was lying to him, fang zikai first glared at her angrily, then his tense body relaxed. fang zikai pretended to be fearless and said in a bold tone, " who's afraid of him? he doesn't eat people, i'm not afraid of him!"

"you're really not afraid?" gu yiqiu's voice had a hint of a smile.

"i'm not afraid." fang zikai raised his voice on purpose, he looked extremely arrogant.

gu yiqiu nodded and said, " i understand. " just as fang zikai lowered his head and laughed, gu yiqiu suddenly looked up and shouted, " dad, when did you come back? "

fang zikai thought that gu yiqiu was still lying to him. he raised his head and said arrogantly to gu yiqiu, " stop lying to me. you're using your father to scare me again. do you really think i'm afraid of him? " " i'm not afraid of him. i'm telling you, when i see him, i even dare to call him dad ... " he shouted as he raised his head. on the side of the road in front of him, there was really a man in a military coat standing there.

!!

"dad," fang zikai replied. the pronunciation of the last word "dad" was so light that it was almost inaudible.

gu yiqiu's lips curved into a smile. she chose to watch from the side. she wanted to see how fang zikai was going to resolve this awkward situation.

gu tingshen had obviously heard fang zikai's harsh words.

gu tingshen squinted his eyes. his gaze was sharp and dangerous like a luan bird. he pouted his lips, and when he smiled, he looked even more majestic than when he wasn't smiling. "you're going to call me dad?"

major general gu's voice was full of sarcasm.

fang zikai's upper lip touched his lower lip, and he hesitated for a moment before he called out dryly, " b-uncle. " even if he had a hundred guts, he would not dare to call major general gu his father.

gu tingshen sneered.

"i don't have a nephew like you. don't try to build a relationship with me." major general gu's expression was full of disdain. seeing fang zikai standing so close to his daughter, he was very unhappy. " call me major general gu, " major general gu said.

oh no, my future father-in-law detests me. what should i do?

fang zikai had to change his words, and called out awkwardly, " major general gu. "

gu tingshen didn't make things difficult for him anymore.

major general gu walked over and punched fang zikai's shoulder with 70 – 80% of his strength. fang zikai's mouth twitched in pain and his face turned pale, but he still stood in the same place and did not take a step back.

he could not retreat.

sometimes, he could be afraid, but sometimes, even if he had to swallow his broken teeth, he could not back off.

once he backed out, he would forever lose the right to possess certain things.

this was an attitude.

seeing that his punch didn't force fang zikai back, major general gu raised his eyebrows in surprise. "you've practiced?" how could an ordinary youth withstand his punch?

fang zikai's face was pale as he nodded slowly.

"who did you practice with?" gu tingshen knew fang yusheng's background. although he was smart, his skills were ordinary. it was impossible for him to raise such a child. since his future father-in-law had a question, fang zikai did not dare to not answer.

he admitted honestly, " my father has a brother who is a retired soldier. he opened a training base and i train with him every summer vacation. " he felt that her words were useless, so he said, " my dad said that boys can't be good for nothing. you can only protect your wife if you are good."

fang zikai was good at sweet-talking.

major general gu snorted again.

“then you’re still me, a weak chicken.” major general gu grabbed his daughter’s arm and said to fang zikai, “ you want to be with my daughter? with your small body, you’re not qualified.”

fang zikai couldn’t help but defend himself. he said, unconvinced, “ i’m not weak. ” it’s just that your family is too strong.

“you can tell me that you’re not weak after you’ve defeated my daughter,” major general gu took his precious daughter and left. fang zikai watched him leave. he heard major general gu lecturing his daughter as he walked away. “ why are you with that little bastard again? ”

“have you forgotten about the last time he forced a kiss on you? i don’t think that child is a good person. he’s fair and clean, and doesn’t have the scent of a man. as a man, you should find a tall and strong one. he definitely can’t be weaker than you ...”

” look at him. one look and you can tell that he’s not good at enduring. such a person will have no fun in the future. ”

‘he’s so weak ...

fang zikai had eavesdropped on the conversation between major general gu and gu yiqiu. when he heard the word ‘impatient’, his mouth twitched. he wasn’t the one being f * cked, so why did he have to endure it?

fang zikai couldn’t help but tear open his sweater and look at his own body.

it seemed that he was not strong enough.

fang zikai’s body shivered as he imagined himself becoming the king kong muscular man.

fang zikai ran out of the house in joy, but came back with a long face. seeing this, fang taoran, who was still watching tv in the living room, raised his head and stared at his unhappy face for a moment. "what's wrong with little brother? were you bullied by little sister-in-law?" her tone was particularly mean, full of gloating.

fang zikai waved at his sister impatiently, " stop gloating! " i hate this kind of stinky kid who kicks me when i'm down.

fang taoran used her fingers to slide across her cheeks and stuck out her tongue at fang zikai, deliberately mocking her little brother, " teehee teehee, little brother is being bullied by sister-in-law, hahaha, in the future you will also become a slave to your wife, even more pitiful than your father. "

annoyed, fang zikai ignored her and returned to his room.

the next morning, fang zicheng got out of bed as soon as the sun rose. he changed into his sportswear and carried a heavy bag to get ready for his morning run. when he walked out of the house, he saw that his younger brother was also wearing loose sportswear and had been waiting for a long time.

fang zicheng was stunned.

after making sure that he was not seeing things, fang zicheng asked fang zikai, " what's wrong with you? " fang zikai hated getting up early and doing morning exercises. did the sun rise from the west today?

fang zikai's expression was quite awkward.

when he felt awkward, he liked to put his hands together and rub his palms together. "brother, let's go together!"

fang zicheng sized up fang zikai with a suspicious look.

fang zikai's legs were also tied with weights, which looked like they weighed five kilograms. fang zicheng was surprised. "are you upset?" he sat in the same spot for a while, ready to exercise. as he did, he talked to his brother.

" i can't even beat gu yiqu. she has muscles on her arms ... " fang zikai mumbled.

fang zicheng understood what he meant.

"so you're being despised?"

fang zikai blushed and pretended to be calm. " i'm not being despised. " but i can't possibly lose to a girl."

"you can continue to act." big brother saw through second brother's stubbornness.

fang zicheng ran off. fang zikai quickly followed.

Chapter 1140: the plan

fang zicheng was used to running five kilometers every morning with 15 kilograms of weight, but fang zikai's body was not as strong as his brother's. he was already panting after running two kilometers.

therefore, a week before he went to the base for training during the summer break every year, he would be scolded by qi bufan for being useless.

but fang zikai still gritted his teeth and persevered.

after running five kilometers, fang zikai was drenched in sweat. on the other hand, fang zicheng did not look tired at all, except for his slightly red cheeks.

!!

big brother was still big brother, fang zikai could not compare to him.

on the way home, fang zikai took the initiative to hug his brother's shoulder. fang zicheng asked him to take his hand away, but fang zikai refused and hugged him even tighter. fang zicheng gave up on resisting and tacitly agreed.

the brothers 'arms around each other' as they walked home, fang zikai was like a sparrow, chattering non-stop in fang zicheng's ear.

"brother, have you kissed our sister-in-law?"

"hey, what were you thinking when you were kissing? is your heart beating fast?"

"brother, sister-in-law is so pretty. don't you have any other thoughts when you look at her?"

the two of them were already past the age of seventeen. they already understood what they should and shouldn't know. fang zicheng naturally understood what fang zikai meant by his last sentence. guys always talked about dirty topics when they were together.

when fang zicheng heard this, the image of lu yinxi's red toot flashed across his mind, and his throat tightened. but on the surface, he still looked like a cold and good student. " we are still students, and we should put students first. what you said is too early. "

fang zikai tutted and said that he was pretending to be serious.

fang zikai asked again, " have you guys kissed? how many times have you kissed me? will you take the initiative or will she take the initiative?"

fang zicheng lost his patience and scolded him in a low voice, " shut up! "

fang zikai did not dare to be rash.

he pulled his finger in front of his mouth, making a gesture of zipping it up. only then did fang zicheng let him go. when they reached the entrance of the neighborhood, fang zikai patted fang zicheng's arm and said, " look, brother dongli went to work again. he drove a luxury car to the local police station. won't his colleagues be surprised? "

fang zicheng looked up at the gate and saw dongli ao's car driving out.

leaving fang zikai behind, fang zicheng strode towards dong li ao.

dongli ao's car was waiting for the security guards to let him through. fang zicheng approached and knocked on the car door.

knock knock knock

dongli ao rolled down the car window.

seeing that it was fang zicheng standing outside, dongli ao gestured for him to get in the car.

after fang zicheng got into the car, dongli ao drove the car to the parking lot outside the community and turned to ask him, " why are you looking for me? "

"i want to ask about the progress of the case."

dong li ao's expression did not look good. he shook his head, a serious look in his cold eyes. " there's not much progress. "

"do you think that the murderer and that person were together?"

"i can't say for now, but the people in the station think that it's very likely him."

fang zicheng asked a few more questions, some of which were not suitable for dongli ao to disclose, so he did not tell fang zicheng. fang zicheng got out of the car since he didn't get any reliable information from dongli ao.

lu yinxi would be in greater danger as long as the murderer was not caught.

fang zicheng hated this feeling of insecurity.

when he had gone to pick lu yinxi up in the morning, lu yinxi had also been thinking about this. "i wonder when the murderer will be caught." lu yinxi had been living in fear for the past few days. sometimes, she would even be woken up by nightmares.

she would always dream of herself being killed and the terrifying scene of her body kneeling on the ground.

during this period, lu yinxi had been seriously lacking sleep. dark circles could be seen on her fair cheeks. fang zicheng patted the back of her hand and consoled her. "you'll be fine."

lu yinxi pursed her lips and hummed in agreement.

"trust me, elk." fang zicheng would never let anything happen to her.

lu yinxi looked up at him. seeing the genuine concern in fang zicheng's eyes, lu yinxi's heart warmed. she was very lucky to have someone to accompany her and be in fear with her.

"yes, i believe you."

this continued for three days. that evening, fang zicheng sent lu yinxi home and walked home. when he passed by villa no. 7, he saw dongli ao standing at the door of the house and making a phone call.

fang zicheng activated his special ability to eavesdrop on dongli ao's thoughts.

dongli ao repeated in his heart, [this is too dangerous. what if something happens?] [this is too risky.] [that child is so young. can she cooperate?]

fang zicheng frowned.

that child ...

he strode over and stood behind dongli ao. he shouted at him, " brother dongli. "

dongli ao was talking to the person on the other end of the phone. when he heard fang zicheng's voice, he went silent. dongli ao turned around and nodded at fang zicheng. he then gestured for him to wait.

dongli ao lowered his head and spoke to the person on the other end of the phone. " i have something to do here. i'll let him know when he's back. i'll hang up first."

fang zicheng realized that the 'he' that dong li ao was referring to was himself.

seeing that dongli ao had hung up the phone, fang zicheng asked him, " you were looking for me? "

"how did you know?" dongli ao was a little surprised.

fang zicheng did not explain.

he walked to a flower bed by the road, raised one leg, and placed it on the edge of the flower bed. he asked dongli ao, " brother dongli, what did you want to talk to me about? "

dongli ao's expression was slightly hesitant.

he was in a difficult position.

“what’s wrong?” fang zicheng was not someone who would escape from reality. even if he had guessed that what dongli ao was going to say next might not be something he liked to hear, he still asked.

dongli ao patted fang zicheng’s shoulder gently.

” are you dating lu yinxi? ” he asked fang zicheng suddenly. dongli ao had already looked up lu yinxi’s information. when he found out that she was dating fang zicheng, he was surprised.

fang zicheng had fallen in love without a word. this made dongli ao, who was already in his twenties and had entered society, feel defeated.

‘oh no, little wimp nowadays is so fast.’

“yes.”

fang zicheng’s eyes became guarded. ” why are you asking this? ”

dongli ao could not help but smile bitterly when he saw fang zicheng’s cautious and alert look. what he was going to say next was a little too cruel to these two young people.

” we have a preliminary plan. ”

seeing that fang zicheng was staring at him without blinking, dongli ao paused for a moment before he continued, ” a plan to catch the murderer. ”

“what’s the plan?”

since dongli ao was willing to take the initiative to mention this plan to an outsider like him, he would confess. fang zicheng was also part of their plan. fang zicheng had roughly guessed the plan of dongli ao and the others.

dong li ao was in a difficult position and could not bear to tell fang zicheng about the plan. then, he heard fang zicheng say, " you want to use the elk as bait to lure the murderer out? "

dongli ao's expression froze. "you've already guessed it ..."

'this kid is smart.'
