

Ex's Brother 20

Chapter 20 RAW: transaction

Fang Yusheng's furious aura disappeared instantly.

Qiao Jiusheng looked at the restoring peace under him for a moment, and looked at the gentle and harmless man, feeling a chill in his heart.

Suddenly she regretted a little, and she found this person, whether it was right or wrong.

Everyone else is regarded as the young master of the Fang family. She is a gentle and easy-going person. Only once she has lived, she knows that this person is actually a poisonous snake. In order to retaliate against Fang Mu, he can hide for decades, strike back with one move, and instantly strangle his opponent.

In the last life, after Fang Mu's death, Qiao Jiuyin planned to take the children out of the country, but he did not expect that they were in a car accident on the way to the airport. The car exploded on the spot, and the three people died instantly, with no survivors. This incident also caused a huge sensation in Binjiang City.

At that time, Qiao Jiusheng had already entered a nursing home, and when she heard the news, she knew it was not credible.

The man in front of him is not a monk who is dedicated to kindness, but a murderous demon.

"You said you are Qiao Jiusheng?" Fang Yusheng sat back in the chair, but asked, "Then my good brother-in-law, if my brother finds out, do you know what will happen?"

Qiao Jiusheng said hurriedly, "It is Qiao Jiuyin who married Fang Mu."

Fang Yusheng raised his eyebrows at the right time, showing a surprised expression. "Oh?" He sat slightly upright, "but everyone knows that Qiao Jiuyin is dead."

"That was Qiao Jiuyin's conspiracy. She deliberately caused the car accident in order to marry Fang Mu, and we fell into the river together. She wanted to put me to death, and then married Fang Mu in my name. The police found the one. The corpse is also fake. The real Qiao Jiusheng is me."

After listening, Fang Yusheng didn't speak for a while.

On the side, Qi Bufan showed a surprised expression.

At this moment, he also thought of what Qiao Yunfan said at the wedding. Everyone thought he was talking madly. Now it seems that what Mr. Qiao said is true. Qi Bufan took a close look at Qiao Jiusheng's face, and the more he looked at it, the more he felt that she resembled the second wife.

But the second wife is still at the banquet, so the amazing inside story of the woman in front of her is very likely to be true.

Fang Yusheng was silent for a long time. Hearing Qiao Jiusheng's humming with pain, he asked aloud, "What do you want to do when you come to me?"

Qiao Jiusheng looked at his face again, and regrettably, Fang Yusheng was too good at disguising Qiao Jiusheng and couldn't understand it. She suddenly realized that in front of this person, it is best not to play tricks, and to explain it obediently.

So she said, "Qiao Jiuyin will not let me go, I want you to marry me, and I want you to protect me from death."

Fang Yusheng seemed to have heard a joke, "marry you?" He sneered, "I marry you, doesn't it make you fishy? Why do you think that I will marry you?" Fang Yusheng was really funny. Could it be that he looked like Tang Seng, with a preference for being helpful?

"Besides, when you really think I am blind, you are hungry and you don't want to eat. Anyone who delivers it to the mouth can accept?"

After hearing Fang Yusheng's words full of irony, Qiao Jiusheng didn't answer, but glanced at Bufan.

Qi Bufan was taken aback.

Fang Yusheng couldn't see it, but he seemed to open his eyes, knowing Qiao Jiusheng's every move.

He said, "But it doesn't hurt to say."

Qiao Jiusheng retracted his gaze and said, "Because we have the same goal."

Fang Yusheng: "I don't know, I have an unspeakable purpose."

Qiao Jiusheng said, "You want to kill Fang Mu, and I want to kill Qiao Jiuyin."

Fang Yusheng evoked a deep smile, laughing at Qiao Jiusheng's absurdity.

"Who said I want to kill Fangmu? Do you think that because his mother broke my parents' marriage relationship, I will put him to death?" Fang Yusheng pointed to his head and asked Qiao Jiusheng with a smile "Look, am I like a fool?"

Qiao Jiusheng stared at his head for a while, to be honest, his hairstyle looked like a fool.

Of course, Qiao Jiusheng wouldn't say this.

Qiao Jiusheng said: "If you just destroy your parents' marriage and break up your family, you will naturally not do that."

Fang Yusheng tilted his head and continued to laugh, expressing his interest in what she wanted to say later. Staring at Fang Yusheng's face, Qiao Jiusheng said again, "What if you add your pair of eyes?"

Suddenly, a cold eye knife was thrown on Qiao Jiusheng's face, but it was from Qi Bufan. Qi Bufan moved the ring finger of his right hand, already intent to kill. The smile at the corner of Fang Yusheng's mouth froze in an instant, he lowered his head 'looking' at the ground, and then raised his head again, 'looking' at Qiao Jiusheng.

"You know, what are you talking about?" Fang Yusheng's tone was full of threats and...killing intent.

Qiao Jiusheng felt a little confused, but he was still not afraid of death, and continued, "You still want to sit in the highest position in the upper house. You want to destroy the things that Fang Jueping and Fang Mu value most."

Fang Yusheng's expression became more and more unpredictable, and Qi Bufan's eyes became dangerous.

Fang Yusheng was struggling.

Should he kill this woman forever, or he should just bury her alive.

At this moment, Qiao Jiusheng said again, "I also know that you have been on a blind date recently, you can't marry any woman." Qiao Jiusheng said, seeing Fang Yusheng's ears move, she said, "Because, There is a woman hidden in your heart."

As soon as he finished speaking, Qiao Jiusheng saw an incredible scene.

It was Fang Yusheng who opened the eyes that had been closed.

With two eyes between lake green and olive green, watching the blue waves, the water is incomparable. No one can look away when he sees it. No wonder, no one has ever seen him open his eyes. Such a pair of beautiful eyes, coupled with that stunningly handsome face, is truly beautiful.

It was a pity that Qiao Jiusheng couldn't see things with such a pair of eyes.

In his heart, there is a woman hidden.

No one knew this secret except Fang Yusheng himself. Even Qi Bufan and Aunt Jin, who are closest to him, don't know.

Fang Yusheng's lips were pursed and pursed.

"Let her down." He suddenly said to Qi Bufan.

"Mr. Fang!" Qi Bufan disagreed.

Fang Yusheng: "Listen to me."

Qi Bufan hesitated, listened to Fang Yusheng's words, and put Qiao Jiusheng down.

Qiao Jiusheng fell to the ground and quickly asked Qi Bufan to cut the rope on her wrist. She rubbed her wrist and looked up when the soreness eased. Lifting his head, he saw Fang Yusheng's silent expression. Fang Yusheng didn't know how he felt in his heart.

Suddenly there was a person who learned the secret in his heart and was able to share it with him. He felt relieved.

Someone knows his secret, it's like someone knows the existence of that person. It feels good. Good enough to forgive this woman's arrogance and cunning.

Why does Qiao Jiusheng know Fang Yusheng's secret?

That's because, in the first two years after she entered the nursing home in her previous life, Fang Yusheng was so famous. There are people in Binjiang City, and even the whole country who love to follow the news, who don't know him.

Fang Yusheng also passed away in the third year after Qiao Jiuyin's death.

His death was bizarre, because a birthday party was held the day before his death. According to those who had attended the party, Fang Yusheng was still very hale and healthy when he attended the party, and he did not appear to be sick at all. But the next morning, he was found dead in the study room of his home. He died peacefully at the age of 55.

After he died, he only left a will and a diary.

In his will, he dissipated all his wealth for charity.

And in the notes, there are hidden secrets.

One month after his death, Fang Yusheng's notes in his later years were made public.

In the notes, he bluntly stated that he killed Fang Mu and his family. The reason for doing so was not only because Fang Mu ruined his eyes, but more importantly, they killed the one he loved. people.

The notes revealed that Fang Yusheng met a girl when he was young, and never saw that person for the rest of his life. It's not because they have no fate, but because that person is long gone.

Qiao Jiusheng has never cared about other people's affairs, except for the last paragraph in Fang Yu's diary, which she remembers clearly and profoundly.

At the end of Fang Yusheng's diary, it was written like this—

I have never owned her, but I seem to have lost her countless times. Because every time I think of her, I lose her once.

My mother named me Yu Sheng, hoping that I would spend my life happily. But the rest of my life has been spent in repeated secret and broken relationships.

The rest of my life is a lonely life.

If there is a turn to come back, I hope she can live a hundred years, if God is pitying, let me meet her again, then...

Perhaps because he didn't believe in reincarnation, Fang Yusheng used a black pen to draw a horizontal line in the last sentence.
