

Ex's Brother 891

Chapter 891: Make a Baby Tomorrow Night

She heard Lu Lingyu say, "They say that men and women are equal. In my eyes, there are only two types of people. One is what I love, and the other is what I hate."

"When it comes to people I love... Even if she pierced the sky, I take responsibility."

"When it comes to people I hate... It doesn't matter if she's a beautiful girl or a powerful young master. Anyone who touches my people and things has to pay with their lives." This domineering master left with Fang Yuqing in his arms.

...

Lu Lingyu only let go of Fang Yuqing after they got into the car.

Fang Yuqing had already cried. Her eyes were red and swollen.

She turned to look out of the car window awkwardly.

Lu Lingyu sat down in the driver's seat and asked Fang Yuqing, "Where should we go?"

Fang Yuqing remained silent.

Lu Lingyu smiled and said, "If you don't say anything, I'll take it that you want to get a room with me." Lu Lingyu's words were scary, but his tone was gentle.

Fang Yuqing's heart warmed. She turned her head to look at him. She smiled faintly and said, "Thank you for protecting me tonight."

Lu Lingyu chuckled and said, "Tonight is our first date. You can't suffer."

Fang Yuqing opened her mouth, but in the end, she still thanked him dryly.

"Alright, I'll send you back."

Lu Lingyu sent Fang Yuqing to the entrance of her house and followed her out of the car. Fang Yuqing walked to the apartment building and turned around to tell him, "I'm here. You don't have to send me off."

Lu Lingyu insisted on sending her to the door. "I won't let the beauty take the elevator alone."

Fang Yuqing did not know why he was so insistent on this matter. Although they had only known each other for a few hours, Fang Yuqing felt that Lu Lingyu was not a bad person. She thought about it and agreed to Lu Lingyu's request. There were still only the two of them in the elevator.

The elevator arrived at Fang Yuqing's building. She walked out and had just taken a few steps when she did not hear the elevator door close behind her. She turned around in surprise and saw Lu Lingyu still standing at the same spot. His hand was on the door button as he stared at her silently.

Fang Yuqing was stunned.

"You have something else to say?"

Lu Lingyu shook his head and shrugged. As he shrugged, his denim jacket trembled. Lu Lingyu's lips were curled into a deep smile, revealing his cute sharp teeth. He told Fang Yuqing, "You're not dirty. You're cleaner than anyone else."

Fang Yuqing smiled. "I know."

She was no longer a 17-year-old girl.

She admitted that she was irresponsible to herself at that time. She had secretly tasted the forbidden fruit and paid the price. After so many years, she had already gotten over it.

Lu Lingyu pressed the button to close the door. Just as the door was about to close, Fang Yuqing suddenly said to him, "Actually, you're not that bad." Before she knew Lu Lingyu, Fang Yuqing thought that he was an indecent hooligan. After knowing him, she realized that even hooligans had a gentle heart.

Lu Lingyu remained silent.

After the elevator door closed, he subconsciously stood up straight.

He was afraid of taking the elevator. No one outside knew that the arrogant Lu Wu of the Lu family was most afraid of taking the elevator. He lowered his eyes and leaned against the wall of the elevator. His smile instantly disappeared. A playful and cute face flashed across Lu Lingyu's mind.

He was already 26 years old. He was unrestrained, but no one knew that he had a girlfriend when he was studying. He did not love her very much, but he had a good impression of her. At that time, it was Saturday, and they went out to hang out together. At night, he sent her home downstairs.

He watched her walk into the elevator and turned to leave. A few hours later, when he was woken up by a phone in his sleep and found out that his girlfriend had died in the elevator, he was shocked and vexed.

His first love was killed by an elevator pervert and rapist.

That person specially hid in the elevator and hurt the girls who returned at night. After he was caught, he still insisted that he was right and thought that he was punishing those girls who did not love themselves.

From then on, when Lu Lingyu picked someone up, he would definitely send her home personally.

Lu Lingyu opened his eyes and stared at the ground. The scene from ten years ago seemed to have happened a second ago.

Ding dong—

Lu Lingyu walked out of the apartment building and saw a Bentley parked downstairs. Lu Lingyu actually did not notice it. He passed by the car and the car suddenly honked.

Beep—

Lu Lingyu was shocked.

He tilted his head and saw the car window roll down, revealing Jiang Wei's face.

Jiang Wei looked up at him.

"What are you doing here?" Lu Lingyu was a little unhappy. Other men came to see his date in the middle of the night, so Lu Lingyu was naturally unhappy.

Jiang Wei did not answer. Instead, he asked him, "How is she?"

"Young Master Jiang, I don't like other men caring about my date."

Jiang Wei's expression darkened.

"Are you serious?" He looked at Lu Lingyu as if he was looking at a lecher.

Lu Lingyu rolled his eyes. "Will you only believe that I'm really pursuing her when you receive our wedding invitation?"

Jiang Wei's pupils constricted at the mention of marriage.

"But aren't you gay?" Jiang Wei did not forget to poke his enemy's heart.

After saying this, Jiang Wei saw Lu Lingyu's eyes turn cold. Lu Lingyu stared at Jiang Wei gloomily for a long time. Just as Jiang Wei thought that Lu Lingyu was going to start fighting with him again, Lu Lingyu suddenly said, "Whether I'm gay or not, Qingqing will know the night after tomorrow."

It was impossible for Jiang Wei not to understand what he meant.

"Lu Lingyu! You're courting death!" Jiang Wei gripped the steering wheel with both hands, his veins bulging.

Lu Lingyu curled his lips. His white and sharp teeth were actually a little cute.

However, that smile was blinding to Jiang Wei.

"It's Singles' Day the day after tomorrow. Qingqing and I plan to stop being single. We've already agreed to go to a room together." Lu Lingyu lied through his teeth. "It's at the Empire Hotel. I won't tell you the exact room." Lu Lingyu patted his butt and left.

Jiang Wei looked at his back skeptically.

...

The next day, Fang Yuqing received a call from Lu Lingyu just as she woke up.

"Good morning."

Fang Yuqing was frying eggs. They were a little old, but they could be eaten. She picked up the eggs and placed them on the plate. She replied, "Good morning."

“Today is November 10th.”

“Huh?” Fang Yuqing could not keep up with Lu Lingyu’s random words.

Lu Lingyu said, “Tomorrow is Singles’ Day.”

“Yes.” Fang Yuqing opened the lid of the pot and took out the steamed eggs and dumplings. She heard Lu Lingyu say, “Let’s get a room tomorrow night and make babies.”

The chopsticks slipped and Fang Yuqing accidentally lost the dumplings in her hand.

Coincidentally, the plate was placed at the side. The dumplings fell and flipped the plate to the ground. Fang Yuqing quickly bent down to pick up the plate. On the phone, Lu Lingyu’s voice was still ringing. “What broke?”

Chapter 892: Troubled Times

Translator: Atlas Studios Editor: Atlas Studios

Fang Yuqing stared at the shattered plate on the ground in disbelief.

What shattered in front of her was not a plate, but Fifth Young Master Lu’s integrity.

Fang Yuqing took a deep breath and tried her best to pretend to be calm. She replied coldly, “One plate.”

“Tsk.” Lu Lingyu seemed to think that Fang Yuqing could not stand the surprise. He said, “Your ex-fiancé suspected that I was gay last night. I think I have to confirm that this is a misunderstanding.” He asked Fang Yuqing, “I’ve booked a room. How about you accompany me for a night?”

Fang Yuqing would not play along with him. “No, I’m not going.”

Lu Lingyu added, “Forget it, forget it. King Xiang really has feelings for the Goddess but she has no intention of meeting him.”

Fang Yuqing did not know whether to laugh or cry. “I’m not a goddess.”

Lu Lingyu added, “Yes, you’re not a goddess. You’re a fairy.”

Fang Yuqing was speechless.

Lu Lingyu chatted with her for a while more before hanging up. Fang Yuqing ate breakfast and planned to go to work. The car was still parked below the company, so Fang Yuqing took a taxi to the company. Sitting in the back seat, her phone suddenly rang. Fang Yuqing picked up the phone and saw that it was Fang Yu’an.

“Brother.”

Fang Yu’an called out to Qingqing before asking, “What are you doing?”

“On the way to work.”

“Little Aunt committed suicide.”

“Huh?”

Fang Yuqing was shocked.

Liu Yu committed suicide?

“Is she dead?”

Fang Yu’an said, “No, the servants found her early and saved her.”

Fang Yu’an explained the ins and outs of this matter on the phone. Liu Yu’s suicide was ultimately because of Fang Yukang. Liu Yu had gone to the prison to visit Fang Yukang, and Fang Yukang had cried to her about how miserable life in prison was. Liu Yu loved her son dearly, and when she returned home, she cried to Fang Pingjun.

Fang Pingjun could not bear to hear her talk about her son.

Liu Yu fanned the flames in Fang Pingjun’s ears, asking him to take down Fang Yusheng and take revenge for their child. Although Fang Pingjun’s heart ached for his son, he was a rational and smart person after all. He naturally could not go astray because of Liu Yu’s words.

Fang Ping rejected her and said that Liu Yu was not allowed to say such things again.

Liu Yu was furious. She scolded Fang Pingjun for being inhumane. Her son had already been messed up by Fang Yusheng, yet she was still working hard for him. They had been arguing since last night. This morning, they woke up early and quarreled a little during dinner. When Fang Pingjun went to work, Liu Yu hung herself.

Fortunately, the servant realized it quickly. When she took her off, Liu Yu was only left with one breath.

Of course, Fang Yu’an did not know the content of Liu Yu and Fang Pingjun’s argument. He only guessed that the reason for their argument should be related to Fang Yukang. After he explained, he asked Fang Yuqing, “Can you go to the hospital now? I have something on and can’t leave. Mom is also filming. Someone in our family has to go take a look.”

“...Okay.”

The chauffeur sent Fang Yuqing to the company building. Fang Yuqing returned to the company and instructed her assistant before going to the underground parking lot. She drove her car to Deep Sea Hospital.

Liu Yu stayed in the VIP ward. The family-style VIP ward was filled with many people.

When Fang Yuqing arrived, Fang Yusheng and Qiao Jiusheng were also there. Not only them, but Lisa and Fang Zicheng were also there. It was Saturday, and the children were on vacation. Lisa sat by Liu Yu's bed and was feeding her water.

Liu Yu must have just woken up. She looked haggard, her eyes were swollen, and there was a thumb-sized red mark on her neck.

Lisa was consoling Liu Yu. "You've already spent half your lives arguing. What's so difficult about a husband and wife argument? Is there a need to do such a stupid thing?" Lisa was a pure foreigner in England. It was not easy for her to say this.

Liu Yu sneered in her heart when she heard Lisa's words.

Who was to blame?

It was all her fault for giving birth to this son.

Her son was an evil person, but her biological mother was a smiling Buddha after the incident. Amazing!

Liu Yu was cursing in her heart, but her expression was calm. Liu Yu sighed and said, "I couldn't think straight either. I really regretted it when I tried to kill myself." She touched her neck with lingering fear and said, "After almost dying once, I realized how difficult it was to live."

At the side, Fang Pingjun sighed guiltily when he heard this.

Fang Yupei sobbed softly.

Only Qiao Jiusheng and Fang Yusheng looked at each other in surprise.

She suddenly understood after dying once?

Fang Yusheng narrowed his eyes and sized Liu Yu up, trying to see through her.

After Lisa finished talking to Liu Yu, Fang Yuqing placed the fruit basket she had brought on the table. She looked at Liu Yu and called her aunt before explaining, "My mother heard about you and has already applied for leave to rush back. Aunt Lisa is right. It's not easy to live, and it's even harder to die. If there's anything you want to say, just say it."

Liu Yu looked at Fang Yuqing.

She remembered that Fang Yuqing had once almost died. When she saw Fang Yuqing, Liu Yu's eyes were filled with sincerity. "Qingqing, it's not easy for you either."

Fang Yuqing only smiled faintly.

"No matter how difficult it is, haven't you survived it?" As she spoke, Fang Yuqing's gaze kept wandering to Fang Yupei. Back then, it was Fang Yupei, this big mouth, who spread those things about her in school. Otherwise, how would those people know about her?

Was this karma?

Seeing that Fang Yuqing was looking at her, Fang Yupei blushed and stopped crying.

Qiao Jiusheng was here for a four-dimensional prenatal checkup today. Seeing that it was almost time, it was not convenient for them to stay in the ward for long. Fang Yusheng stood up and said to Fang Pingjun and Liu Yu, "Uncle, Auntie, I should bring Ah Sheng for a checkup. I'll come and see Auntie tomorrow."

“The checkup can’t be delayed. Go quickly.”

Fang Ping personally sent Fang Yusheng and Qiao Jiusheng out. Lisa was not very familiar with Liu Yu, so she had nothing to do in the ward. Hence, she stood up and bade farewell to Liu Yu and the rest before holding the children’s hands and leaving.

Fang Yuqing sat in the ward for a while and asked Liu Yu about her health. Liu Yu was in low spirits, but she answered everything.

Fang Yuqing sat for more than twenty minutes before standing up. “Then Little Aunt, rest well. I won’t disturb you anymore. I’ll visit you another day.”

Liu Yu nodded.

Seeing that Fang Yuqing was about to leave, Fang Yupei quickly stood up and said, “Let me send you off.”

Fang Yuqing looked at her and did not reject her, but she did not agree either.

Fang Yupei shamelessly followed her out.

Fang Yuqing and Fang Yupei were about the same age and height, but their auras were completely different. Fang Yuqing looked quieter, but Fang Yupei’s body seemed to be covered in thorns. She would bleed if she touched her.

Chapter 893: Unforgivable

Translator: Atlas Studios Editor: Atlas Studios

They had clearly grown up together, but their relationship was not good. They could not play together since they were young.

As they were of similar age and were both girls, the two of them could not help but be compared by each other's parents. They had been competitors since they were young, and every exam was their battlefield. When Fang Yuqing did better, Xu Pingfei, and her husband would feel proud. The next time Fang Yupei did well, Fang Yu and Liu Yu would feel proud.

The first time the two of them used their private money to invest, Fang Yuqing earned a lot, but Fang Yupei almost lost everything. This made the family compare them for a long time.

As Fang Yusheng was good-looking and was like an immortal, there was no junior in the family who did not want to get close to him. However, Fang Yusheng did not get close to others, only having a good attitude towards Fang Yuqing. All kinds of reasons caused Fang Yupei and Fang Yuqing's relationship to worsen. The two of them targeted each other everywhere and had many conflicts.

A few years ago, Fang Yupei was indeed the one who exposed Fang Yuqing's pregnancy. Now that she had grown up and seen more, Fang Yupei realized that she had done many wrong things.

However, she was young and immature. She had made a mistake that could not be made up for.

However, she still lacked an apology and did not tell Fang Yuqing.

After the two of them left the ward, Fang Yuqing turned around and said to Fang Yupei, "Go back. You don't have to send me off."

"Sister Yuqing." Fang Yupei was two months younger than Fang Yuqing, so she should call her Sister.

Fang Yuqing had goosebumps when she suddenly heard Fang Yupei call her sister.

What was she doing now?

Fang Yuqing looked vigilant as she stared at Fang Yupei.

After seeing Fang Yuqing's reaction, Fang Yupei smiled bitterly. "I'm sorry." Fang Yupei said something that made no sense.

Fang Yuqing was stunned for a moment before asking her, "Which matter are you apologizing for?" Her smile was a little sarcastic. "You've done more than one or two things to me. If you don't say it clearly, how will I know which matter you're apologizing for?"

Fang Yupei bit her lip and clenched her fists tightly, looking conflicted. "I was young and insensible in the past. I caused you a lot of trouble."

Fang Yuqing looked at her silently and did not interrupt her.

Fang Yupei, on the other hand, looked apologetic. Her tone was filled with guilt. She said, "Back then, because I was insensible, I caused you to commit suicide. I almost..." She had never seen the scene of Fang Yuqing slit her wrist to commit suicide, but she had heard the Fang family servants mention it. At that time, when she heard their description, she was so frightened that she trembled.

At that time, she knew that she had done something wrong.

Her jealousy had almost killed Fang Yuqing. This was a knot in Fang Yupei's heart that she could not let go of all these years.

"Regardless of whether you forgive me or not, I should apologize to you for this." After Fang Yupei finished speaking, she bowed deeply to Fang Yuqing. "I'm sorry. I betrayed you."

Fang Yuqing's expression did not change.

"It's all in the past."

She turned around and left, not caring about Fang Yupei's reaction.

An apology could not soothe the hurt she had suffered in the past or the slander brought about by those rumors.

She did not know if others would be magnanimous and forgive Fang Yupei when faced with such a situation, or if they would continue to hate her. However, Fang Yuqing was narrow-minded, and she could not be magnanimous and forgive her. Fang Yupei had once hurt her so much. She was the one who felt pain, and she was the one who decided if she should forgive Fang Yupei.

However, she did not want to forgive Fang Yupei, nor could she forgive the person who had hurt her so easily.

Fang Yuqing went straight to the Gynecology Department and found Fang Yusheng. When she did not see Qiao Jiusheng, Fang Yuqing sat down beside Fang Yusheng and asked, "Brother Yusheng, has Sister-in-law Ah Sheng gone in?"

"Yes."

"How long have you been in there?"

Fang Yusheng looked at the time and said, "More than ten minutes."

Fang Yuqing waited with Fang Yusheng. After a few minutes, Fang Yusheng suddenly said, "Every time we do such a deformity check, I'm especially worried."

Fang Yuqing looked at Fang Yusheng in surprise.

She thought that Brother Yusheng was invincible, but it turned out that Brother Yusheng was also worried and afraid.

In order to kill time, Fang Yusheng chatted with Fang Yuqing.

“Is the studio doing well?”

At the mention of her work interest, Fang Yuqing’s eyebrows were filled with confidence. She smiled and said, “Yes, it’s quite good. It’s already on the right track. I believe it will be even better in the future.” Her choice at the beginning was right. Giving up the dream city of the designers in Paris and choosing to stay in Binjiang was the most suitable way of life for her.

Fang Yusheng said, “This is good. Your Sister-in-law Ah Sheng could have entered the Fang Corporation or any company in the Qiao family to work, but she gave up.” At the mention of Qiao Jiusheng, Fang Yusheng’s gaze became gentle. “She likes jade carvings, so she opened a jade shop and focused on making jade carvings. This is good.”

Fang Yuqing said, “I think this is good too.” Everyone had their own interests and pursuits. It was a blessing to be able to treat interest as work.

Fang Yusheng asked again, “Did you get along with that kid from the Lu family?”

Fang Yuqing was especially surprised.

“Brother Yusheng, how did you know?”

Fang Yusheng smiled and did not answer. “I see the Fang family’s every move.”

Fang Yuqing was slightly shocked but quickly felt relieved.

Yes, Brother Yusheng was the head of the Fang family after all. He should know every action of anyone in the family. Fang Yuqing thought of Lu Lingyu and felt helpless. “He’s not bad, but I don’t feel anything. We can be friends, but we can’t be lovers.”

“Do you like that kid from the Jiang family that much?” Fang Yusheng’s tone was smiling.

Fang Yuqing lowered her head slightly and did not speak.

Fang Yusheng asked her, "If you like him, why didn't you confess to him?"

"...I don't dare." This was the first time Fang Yuqing told someone her inner thoughts honestly. She was actually a coward. She had a crush on someone, but she did not dare to tell the other party. Fang Yusheng frowned. Thinking of the source of Fang Yuqing's inferiority complex, he sighed and said, "In this day and age, no one is cleaner than anyone. Some people are even more ridiculous than when you were young."

However, Fang Yuqing said, "After a long time, I realized that I'm actually not that innocent." Fang Yuqing tilted her head and looked at Fang Yusheng. She met his eyes and said, "So what if I really liked that boy back then? He didn't rape me after all. To put it bluntly, I didn't have enough self-respect and couldn't resist the temptation. So I brought it on myself. I just let that child down."

Fang Yuqing had to face her former ridiculous self. Her younger self had made a huge mistake because of her curiosity about the forbidden fruit and her indulgence in her boyfriend. After that, although Hu Cheng had let her down, she still did not love herself enough.

Chapter 894: Let the Second Child Be More Fierce

As she had once made a mistake and killed her own child, Fang Yuqing did not dare to think about feelings easily.

"Actually, Jiang Wei is a very good person." Just because Jiang Wei stood up for her at that time, he was the best person in the world. "He has someone he likes now. I have to try to let go of him." Fang Yuqing smiled bitterly and said, "Not disturbing his current life is the only thing I can do."

Fang Yusheng thought of Jiang Wei's attitude towards Fang Yuqing and felt that the truth was not the case.

"Why do I feel that the Jiang family's brat has a good impression of you?"

Fang Yuqing asked him, "Why do you think so?"

"The last time we met at the hotel, he even asked me about you." Fang Yusheng thought for a while and said, "It was when you were about to return to the country."

Fang Yuqing's heart skipped a beat.

"Is that so?"

"Yes." Fang Yusheng persuaded her. "If you like him, go after him. Like me. When I realized that I had to have your Sister-in-law, I started to flirt with her without batting an eyelid. If I didn't flirt with her or make my presence known around her, how would she know that I love her?"

"A crush will most likely fail. But if you take the initiative to chase after him, you might succeed."

With that, Qiao Jiusheng walked out with the report.

Fang Yusheng suddenly stood up and walked towards Qiao Jiusheng.

"How did it go?"

He saw that Qiao Jiusheng was looking at the report and lowered his head to look at it. The baby had been wrapped by the umbilical cord around his neck. This was not the most important thing. The most important thing was that the aberration test did not find the baby's gallbladder. The doctor suggested that she come for a follow-up examination after a period of time.

Qiao Jiusheng frowned, looking worried.

Fang Yusheng took away her report and rubbed Qiao Jiusheng's hair. He said, "We'll talk about it after the next checkup. Don't worry first." Although he said that, Fang Yusheng was still a little worried. After

finding Lisa and the children, Fang Yusheng bade farewell to Fang Yuqing and drove the family out of the hospital.

They had lunch in a restaurant outside. Lisa missed the western restaurant, so Fang Yusheng brought the family to the western restaurant.

While waiting for the meal, Fang Yusheng found an excuse to go to the toilet.

When he reached the toilet, he took a photo of the report and sent it to Zhuang Long with the OK software.

Zhuang Long was about to sleep when he heard a notification on his phone. He picked up his phone and looked at it. He enlarged the photo and looked at it seriously for a moment before replying to Fang Yusheng.

Fang Yusheng clicked on the voice message and heard him say: [Don't worry too much about this. I don't see any gallbladders. It might be because the baby hasn't matured yet, or it might be because of the baby's position. He'll be fine after a while. Usually, you don't have to worry about this kind of situation. The little fellow is very healthy in all aspects. He'll be fine.]

Fang Yusheng was relieved to hear Zhuang Long's words.

On the other end, Zhuang Long put down his phone and saw Xiao Li walking in.

She had just come from the study. She was wearing a thick bathrobe and holding a pair of glasses.

"You've been working until now?" Zhuang Long saw that she was rubbing her temples, so he stood up and walked towards Xiao Li. Zhuang Long pulled Xiao Li into his arms and carried her to the bed to sit down. "Don't move." After imprisoning Xiao Li in his arms, Zhuang Long helped her massage her head and temples.

Xiao Li asked him softly, "Can I lie down?"

Zhuang Long did not speak, but he let go of Xiao Li.

Xiao Li lay down on the bed and buried her head in Zhuang Long's pillow.

Zhuang Long sat at the side and continued to massage her head.

"I heard you talking just now. Who were you talking to?" Xiao Li's voice came from the pillow.

"It's Fang Yusheng." As Zhuang Long pressed her down, his hand reached onto Xiao Li's neck. He did not do anything rash and only quietly massaged her neck. As he massaged her, he said, "Ah Sheng went for a deformity check today. They haven't seen the baby's gallbladder yet. The virgin was a little worried. I was chatting with him just now."

Xiao Li could not help but say, "You're both about to be fathers. Can't you call him by his name properly? How can you call him a virgin?"

Zhuang Long clicked his tongue. "I'm used to it."

With that, his hand slid to Xiao Li's back.

Although Xiao Li was busy with work, she had never neglected to exercise. The muscles on her back were very firm and felt especially comfortable. Zhuang Long touched them and had some charming thoughts in his heart. He wanted her... He suddenly lowered his head to kiss Xiao Li's neck, and Xiao Li responded to his kiss in a good mood.

Just as he was about to lose his mind, something suddenly flashed across his mind. Zhuang Long suddenly widened his eyes.

He looked at Xiao Li with a burning gaze and breathed heavily. "What did you say just now?" Zhuang Long said with difficulty, his voice a little hoarse.

Xiao Li pursed her lips, her blue eyes filled with smiles. "I thought you didn't notice."

Zhuang Long frowned and his suspicious gaze slowly moved down from Xiao Li's charming side profile to her waist. As Xiao Li was lying down, Zhuang Long could not see her stomach, but he still stared at that spot. His heart beat faster.

"Did I hear wrongly, or are you lying to me?" Zhuang Long's voice was very tense, and his muscles were tense.

Xiao Li stopped smiling.

She turned over, picked up one of Zhuang Long's hands, and gently placed it on her abdomen. She told Zhuang Long solemnly, "Ah Long, you're going to be a father again."

Zhuang Long suddenly retracted his hand, as if he had touched a hot potato.

"Sleep first!"

After saying this, Zhuang Long hurriedly ran out of bed. His pajamas were crumpled. He rushed out of the room and ran downstairs.

The lights in the manor were on, and the helpers were already asleep.

Only two security guards stood at the entrance of the security room.

Zhuang Long tightened his bathrobe and walked into the wide and silent night in his cotton slippers.

He was going to be a father.

This should have been exciting news, but Zhuang Long was a little afraid.

This child was different from Zhuang Qilin. Zhuang Qilin's arrival was completely an accident, but this child was different. Zhuang Long was not sure if he could be a good father. He would accompany Xiao Li in her pregnancy and watch the child be born and grow with him.

Due to Robert, Zhuang Long was always worried that he was crazy and would hurt the child and Xiao Li.

He took a few deep breaths and walked into the security room.

"Give me a cigarette," he said to the security captain.

Stunned, the security captain gave him a cigarette.

Zhuang Long lit his cigarette and strolled slowly around the manor alone. When he finished his cigarette, he suddenly realized. He wanted this child! He had long become stronger and escaped Robert's control. He was strong and brave. He would protect the person he loved.

He would look forward to the birth of this child with Ah Li.

He was the one who was troubling himself.

Chapter 895: Being reprimanded by her mother-in-law

When Zhuang Long returned to his room, Xiao Li was already lying down, but she was not asleep. Seeing him return, she looked up at him with a calm gaze. Her expression seemed to be waiting for Zhuang Long to announce the life and death of this child. This made Zhuang Long's heart ache.

Zhuang Long suddenly blushed at his embarrassing escape.

He walked over slowly and sat down by the bed.

Xiao Li still looked at him quietly and patiently.

“I’ll be a good father, right?” Zhuang Long seemed to be asking Xiao Li, but it was more like he was giving himself a cardiac stimulant.

A charming smile suddenly bloomed on Xiao Li’s expressionless face. She nodded hard and said, “Of course, you will be.”

Zhuang Long pinched Xiao Li’s slender fingers and played with them in his palm. After pinching them for a moment, he brought the hand to his lips. Zhuang Long lowered his head to kiss Xiao Li’s fingers. After kissing them, he said, “Then it seems like we have to think of a different name for our child.”

Xiao Li’s smile became even more charming.

“Okay.”

...

Fang Yusheng ate little but faster.

He put down his knife and fork and drank his fruit juice in boredom, waiting for his lover, children and mother to finish their meal.

He took out his phone and saw many unread messages in the group. Fang Yusheng opened the group chat and scrolled up. When he figured out the whole story, he put down his phone and could not help but sigh softly. “F*ck!”

The other four looked up at Fang Yusheng, who had suddenly cursed.

Lisa was the first to frown. She educated Fang Yusheng. “Yusheng, don’t talk when you eat. Also, don’t swear. That’s what an ill-mannered child would say.” Upon hearing this, Fang Yusheng and Qiao Jiusheng looked at each other and silently looked away.

It seemed like they usually had times when they cursed. From the looks of it, they were all ill-mannered children.

After Lisa finished reprimanding him, Qiao Jiusheng asked Fang Yusheng, "What happened?"

Fang Yusheng said, "Xiao Li is pregnant."

Qiao Jiusheng was stunned for a moment before she mouthed, "F*ck."

The couple looked at each other and didn't know whether to laugh or cry. "I wonder if their baby is a boy or a girl."

"We'll know soon."

"If only Yan Nuo and Yinbing could have a child too..." When Qiao Jiusheng said this, her tone was filled with regret. Fang Yusheng thought of the experimental process Zhuang Long had mentioned and said, "Perhaps we don't have to wait too long."

"I hope so."

Fang Yusheng had already made an appointment with the hospital for the second aberration checkup. They spent some money and brought it forward to half a month later.

When she got home, Fang Yusheng made a mark on the calendar and set an alarm on his phone, afraid that he would miss the time for the aberration checkup. Qiao Jiusheng was also worried for two days. When she realized that the child was still very energetic and there were no fewer fetal movements, Qiao Jiusheng was relieved.

Nothing would happen to this child!

When Xu Pingfei rushed back from the set, it was already the next day. After Fang Yuqing got off work in the afternoon, she brought Xu Pingfei to visit Liu Yu. Xu Pingfei and Liu Yu had been sisters-in-law for more than twenty years, and they had often criticized each other. They had loved and hated each other for many years. Xu Pingfei still felt terrible when Liu Yu really almost died.

When she reached the hospital and saw the wound on Liu Yu's neck, Xu Pingfei could not help but cry.

Liu Yu looked at her silently, feeling terrible.

"I'm not dead. Why are you crying?"

Although Liu Yu said that, her heart felt warm.

Xu Pingfei quickly wiped her tears and scolded her, "I'm really angry. You can fight with Fourth Brother, but there's no need to do such a stupid thing!" At the thought that this woman in front of her had almost gone to see the King of Hell, Xu Pingfei still felt a lingering fear. "Don't do such a stupid thing again."

Liu Yu smiled ambiguously and said, "Of course not. I have to live. I still have many things I haven't done."

Xu Pingfei felt that there was something wrong with Liu Yu's condition, but she could not tell what was wrong.

She accompanied Liu Yu in the hospital for a few hours until three in the afternoon. Seeing that Liu Yu was tired, she bade farewell. Just as the mother and daughter walked out of the hospital, Fang Yuqing's phone rang. It was Lu Lingyu, reminding her not to forget to attend the banquet he organized tonight.

After Lu Lingyu retired from the army, he opened a bodyguard company and specially hired retired soldiers as bodyguards.

Qi Bufan had established a training base. There were many retired soldiers in the base. Lu Lingyu had also recently contacted Qi Bufan a few times, wanting to hire a few professional retired soldiers from their base to train the bodyguards.

Tonight's cocktail party was to celebrate the official establishment of the company.

Logically speaking, Fang Yuqing should attend.

Fang Yuqing could not reject him, so she agreed. "I understand."

She hung up the phone and saw Xu Pingfei looking at her with a gossipy gaze. She could not help but roll her eyes. "What are you looking at?" Fang Yuqing did not know whether to laugh or cry. How did she realize that her mother had the potential to be a paparazzi?

Xu Pingfei asked, "It's Lingyu, right?"

Fang Yuqing nodded. There was nothing to hide, so she admitted it boldly.

Xu Pingfei asked again, "What do you think of Lingyu?"

"He's a good friend." Seeing Xu Pingfei's eyes roll, Fang Yuqing knew that she was overthinking. She immediately dispelled Xu Pingfei's fantasy and said, "It's impossible between us."

"Why? Do you mind his reputation?"

Fang Yuqing sneered. "What right do I have to mind his reputation?"

"Then why?"

After a moment of silence, Fang Yuqing replied to Xu Pingfei in a profound manner, "I don't feel anything."

Xu Pingfei's expression changed and she scolded her, "Bullsh*t! What feeling?"

"It's just like how a man can be hard when he likes a woman. When I saw Lu Wu..." Fang Yuqing blinked slyly and said to Xu Pingfei, "I didn't have that impulse."

Xu Pingfei was stunned. When she regained her senses, she saw that Fang Yuqing had already gotten into her car.

How dare she fool her!

"Wretched girl, aren't you going to send me back?"

Fang Yuqing reached out of the car window and waved at her. "Bye, Mom. Brother will come and pick you up." She retracted her hand and started the accelerator. The heartless Fang Yuqing left just like that.

Xu Pingfei stomped her feet on the spot. Considering her status as an actress, she could only endure her anger.

Fang Yuqing returned to the company and stayed until 5: 30 pm before entering the changing room. She changed into a gown, removed the light makeup on her face, put on her evening makeup, and carried her bag to the banquet. Lu Lingyu booked a hall on the second floor of the Cairo Hotel. Seeing that almost everyone had arrived, he walked out of the hall.

Just as Fang Yuqing received a call, it was picked up.

"I'm here."

Chapter 896: Emergency Rescue After Being Hit On

Upon hearing this, Lu Lingyu looked up and saw Fang Yuqing.

Fang Yuqing happened to walk in from the door.

She had specially dressed up today. She was wearing a custom-made silver-white dress. The dress was designed with strapless straps, and the skirt was in a pleated style. The creases were decorated with threads of silver. She was holding a mini banquet bag in her hand and wore a wide-brimmed diamond bracelet on her wrist. A few strands of curly hair hung on her forehead, but she had a low bun on the back of her head.

Fang Yuqing rarely dressed so formally. This was the first time Lu Lingyu saw her like this, and his eyes lit up.

“You’re so beautiful tonight.” He held Fang Yuqing’s hand and pretended to kiss her.

Fang Yuqing tilted her head slightly and said, “Don’t. I have a layer of paint on my face. Do you want to dirty your mouth?”

Wall paint?!

After being rejected, not only was Lu Lingyu not angry, the smile on his lips deepened.

“Then let’s go in.”

After the two of them entered the venue, Fang Yuqing looked around and saw some familiar faces. However, what made her feel the most at ease was still Qi Bufan. She walked towards Qi Bufan. When Qi Bufan followed Fang Yusheng, he was always wearing casual loose clothes. Tonight, he was wearing a formal suit. He looked dignified and attracted the attention of many mature women.

Qi Bufan’s real looks were actually very popular with mature women.

Fang Yuqing called out to Brother Bufan and walked towards him.

“Miss Yuqing.” Qi Bufan picked a glass of champagne from the wine on the table and handed it to her.

Fang Yuqing smiled and thanked him.

She did not drink and felt at ease staying with Qi Bufan. She asked Qi Bufan, “Why is Brother Bufan here?”

“Here’s the thing. My training base is working with Mr. Lu’s security company.”

Fang Yuqing finally understood.

“I see.”

Qi Bufan had heard about Fang Yuqing and Lu Lingyu from Fang Yusheng. He sized Lu Lingyu up seriously before saying to Fang Yuqing, “If Young Master Lu knows his place from now on, he’s a good match.” He said the prerequisite was that Lu Lingyu had to know his place from now on.

If this person was still unrestrained, he was clearly not someone worth entrusting her life to.

When Qi Bufan saw Fang Yuqing, he always subconsciously treated himself as an elder. His adopted daughter, Dai Chukong and Fang Yuqing were about the same age, only a year younger than her. Fang Yuqing and Dai Chukong were on good terms, so Qi Bufan could not help but care more about Fang Yuqing choosing a man.

Hearing Qi Bufan’s words, Fang Yuqing’s heart warmed.

“I understand.”

She did not explain much to Qi Bufan.

After Lu Lingyu finished talking to the others, he returned to Fang Yuqing's side. He was a little surprised to see her chatting happily with Qi Bufan. "You guys know each other?" Qi Bufan had opened a training base for a few years, and Lu Lingyu had just returned not long ago. He still did not know the relationship between Qi Bufan and Fang Yusheng.

The two of them smiled at each other and nodded at the same time.

Lu Lingyu did not probe further.

He pulled Fang Yuqing to the side and took out a tissue from his suit pants. He handed the tissue to Fang Yuqing and said, "Take a look and guess what this is."

Fang Yuqing opened the tissue and saw a phone number.

She was stunned for a moment. When she realized that a certain lady wanted to hit on Lu Lingyu and had deliberately left her number, she did not know whether to laugh or cry. "Fifth Young Master Lu is really charming. Your admirers can be seen everywhere." It was impossible to tell if she was mocking or admiring him.

Lu Lingyu's face fell. He pointed at a man in a black suit in the hall and told Fang Yuqing, "The person who handed me the tissue is a man." He waited for Fang Yuqing to look over before saying, "It's him. He's the third son of the Lin family, the famous gay."

At the thought that Fang Yusheng had gotten himself into trouble to take revenge on him, Lu Lingyu wanted to curse.

Even though he was a straight man, the entire city treated him like a gay. What could he do?

Fang Yuqing could not help but wipe bitter tears for Lu Lingyu.

“How did the rumors about you being gay come about?” Fang Yuqing still did not know what was going on.

Upon hearing this, Lu Lingyu’s expression turned cold. He said in a gloomy tone, “Go back and ask Fang Yusheng from your Fang family. He knows the ins and outs of the matter.”

Fang Yuqing was stunned again.

Was this her Brother Yusheng’s doing?

As an unconditional fan of her brother, when Brother Yusheng was slandered, Fang Yuqing naturally had to complain to Fang Yusheng unconditionally. Her expression turned serious and she said righteously, “My Brother Yusheng doesn’t have the bad taste to mess with people casually. You must have provoked him first.”

Lu Lingyu was too embarrassed to tell Fang Yuqing that he wanted to have sex with Qiao Jiusheng.

Lu Lingyu felt a little gloomy.

When the cocktail party was about to end, Young Master Lin San pestered Lu Lingyu again. Although he was a gay, Young Master Lin’s speech and temperament were extremely manly. He called out to Fifth Young Master Lu and asked him bluntly, “Tonight is very boring. I have many fun things to play with. Fifth Young Master Lu, are you willing to give me face?”

Lu Wu felt goosebumps all over his body.

He stared at Young Master Lin and really wanted to ask, “What fun? Playing with your butt?”

Sorry, I’m not interested in a man’s butt.

Coincidentally, Fang Yuqing had just finished greeting Qi Bufan and was about to leave when Lu Lingyu suddenly grabbed Fang Yuqing’s arm. He whispered into her ear, “It’s an emergency.”

Fang Yuqing turned her head to look at Lin San and immediately understood what he meant.

Lu Lingyu held Fang Yuqing's hand and said to Lin San, "Sorry, my girlfriend is a little drunk. I have to accompany her. You guys can go play."

Lin San was clearly surprised.

"Girlfriend?" He stared at Fang Yuqing, deep in thought.

Could the rumors be fake? Was Lu Lingyu really not gay?

Unfortunately, he was such a good man.

"Yes." Lu Lingyu agreed, but he did not hear Fang Yuqing speak, so he secretly pinched Fang Yuqing. Fang Yuqing screamed in pain in her heart, but she smiled calmly. She leaned slightly on Lu Lingyu's shoulder and pretended to be drunk. She said sweetly to Lu Lingyu, "Xiao Wu, my head hurts. Bring me to rest."

"Okay."

The two of them left Lin San's vision affectionately.

Lin San seemed unwilling and chased after them.

It was not until he saw them enter the elevator that he believed that they were a couple.

The moment they entered the elevator, the two of them immediately separated. They were about to say something when the elevator door suddenly opened again and two men and a woman walked in. The two of them shut up at the same time and even stepped back a little. The two men who entered held a woman and stood in front.

The woman seemed to be drunk. Her long hair covered her face. When she entered the elevator, her head lay weakly in a man's arms.

Fang Yuqing heard what the woman was saying. "Send me back. My brother is still waiting for me to go home!"

This voice sounded familiar.

Chapter 897: Jiang Jie Is in Trouble

"You promised to send me back. Don't go back on your word." The woman's words were slurred. She was clearly as drunk as a dead dog.

Upon hearing this, the man hugging her agreed repeatedly, but his hand held the woman's waist tightly.

Fang Yuqing narrowed her eyes and felt that something was wrong.

He had agreed to send him home, so why did they come to the hotel?

Fang Yuqing glanced at Lu Lingyu and realized that he was also staring at the three people in front of him. She looked thoughtful. Clearly, Lu Lingyu had also sensed something unusual.

The elevator reached the 16th floor before the three people in front left.

Before the door closed, Fang Yuqing watched as they left the elevator and walked towards a door at the other end of the corridor. It seemed like they were planning to get a room. A woman and two men... Fang Yuqing could almost predict what that woman would encounter tonight.

After the door closed, Fang Yuqing said to Lu Lingyu, "I think I know this woman."

Lu Lingyu raised his eyebrows and asked her, "Who is it?"

"I can't remember at the moment." Fang Yuqing frowned and thought for a moment, but she still could not match the owner of this voice to someone she knew. She frowned tightly and asked Lu Lingyu, "Don't you think those two men have ulterior motives?"

"This is picking up corpses." Of course, picking up corpses did not really mean picking up corpses. It meant that some bad men specially squatted at the entrance of the bar to pick up some drunk women so that they could rape them.

Fang Yuqing had the same opinion as Lu Lingyu.

She was about to ask Lu Lingyu if he wanted to interfere in this matter when the elevator reached the 18th floor. Lu Lingyu said, "We're here." His words interrupted Fang Yuqing.

Lu Lingyu was the first to leave the elevator, and Fang Yuqing followed closely behind.

When they reached the door of the room, Fang Yuqing said, "Go in. I'll stay at the door for a while before going back." The reason why she couldn't go down now was because she didn't want to bump into Young Master Lin.

Lu Lingyu had already opened the door. Upon hearing this, he turned around and said to Fang Yusheng, "Stay here. I'll sit inside for a while before leaving." He could not let a girl return home alone in the middle of the night. The tragedy from many years ago could not happen again.

As she trusted Lu Lingyu's character, Fang Yuqing did not reject him and entered the room.

This room was a lounge that Lu Lingyu had booked in advance. There was his own computer inside. After entering the room, Lu Lingyu used his computer to play games while Fang Yuqing read a book. The two of them did their own things and actually got along very well.

Fang Yuqing was always distracted when she read and was thinking about something.

Where had she seen that girl before?

Fang Yuqing flipped another page of the book. A girl's face suddenly flashed across her mind. Then, a woman's name blurted out—

“Jiang Jie!”

Fang Yuqing suddenly closed the book and stood up.

Lu Lingyu was playing PUBG when he saw Fang Yuqing suddenly stand up. He was a little surprised. “What's wrong?” He took off his earphones and looked up at Fang Yuqing with a questioning gaze.

Fang Yuqing strode to Lu Lingyu's side. She pulled Lu Lingyu up and brought him out.

“I remember who that girl is,” she said as she walked.

“Which girl?” Lu Lingyu followed Fang Yuqing to the door. He was still thinking about his game and did not think about Fang Yuqing's identity as a girl.

Fang Yuqing said, “The girl in the elevator.”

Only then did Lu Lingyu understand what she meant. He straightened his attitude and asked Fang Yuqing, “Who is it?”

Fang Yuqing said, “It's Jiang Jie.” Lu Lingyu frowned slightly and looked confused. His reaction was obvious that he did not know Jiang Jie. Fang Yuqing had no choice but to explain, “She's Jiang Wei's sister.”

Lu Lingyu pursed his lips. "You want me to care about the trivial matters of my love rival's sister?" He snorted and said willfully, "No."

Fang Yuqing softened her tone and begged, "I beg you to come with me."

Lu Lingyu shook his head. "No." He was not a gentleman.

If that girl was someone else's sister, he might be willing to help. Jiang Wei was his love rival. He could have helped anyone, but he had to help his love rival?

Fang Yuqing looked at Lu Lingyu deeply before compromising. "Alright, even if you don't go, I still have to go alone." With that, she turned around and walked out. For a moment, Lu Lingyu's gaze changed.

She knew that she might face danger if he went, but she still wanted to take the risk alone...

Are you kind by nature or do you care too much about Jiang Wei that you can't bear to see his family get hurt?

Lu Lingyu was a little unhappy, but he was also a little envious.

Why was no one so devoted to him?

"Forget it, I'll go with you. Remember, you owe me a favor!" Lu Lingyu deliberately glared at Fang Yuqing fiercely before striding to the door. He opened the door and walked to the 16th floor. Fang Yuqing followed closely behind him.

They took the stairs to the 16th floor.

Previously, in the elevator, Fang Yuqing had noticed that the room the three of them were going to was probably one of the rooms on the leftmost side of the corridor. The two of them went straight to the left and knocked on the door of every room one by one. After the knock, even if no one came to open the door, the guests in the rooms would ask who was knocking.

Fang Yuqing and the rest probed along the way. In the end, they placed their attention on the third last room.

Only this room was occupied, and there were no guests who responded to them.

The people inside were definitely doing something shameful.

Fang Yuqing and Lu Lingyu looked at each other. In the end, Lu Lingyu walked forward and knocked on the door. He knocked three times before a man's impatient voice came from the room. "Who is it?" The man's tone was a little impatient, as if he had been disturbed.

Fang Yuqing remembered this voice. This was the man hugging Jiang Jie in the elevator.

She nodded at Lu Lingyu.

Fang Yuqing took a step back and called Jiang Wei first. Lu Lingyu started to talk to the person in the room and asked him to open the door.

Jiang Wei picked up the phone very quickly.

"Yuqing?" Jiang Wei was a little flattered. Fang Yuqing had actually taken the initiative to call him. This was the first time the bride had stepped into the bridal sedan.

Fang Yuqing could naturally hear the surprise in his tone and the carefulness that was hidden very well.

Fang Yuqing frowned and did not think too deeply about the reason. She only said to Jiang Wei, "Your sister hasn't gone home yet, right?"

Jiang Wei happened to be home. Upon hearing this, he said, "Wait."

He stood in the hall and looked around, but he did not see Jiang Jie. He ran upstairs to look for Jiang Jie and pushed open Jiang Jie's door. He realized that her room was empty. Jiang Wei felt uneasy and asked Fang Yuqing as he went downstairs to look for his mother. "Why are you suddenly asking about her?"

Chapter 898: Rampage

Fang Yuqing was about to answer when she heard Jiang Wei talking to his mother.

"Mom, where's Jiang Jie?"

His mother said, "She went out to hang out with her friends. She's not back yet."

Suppressing the uneasiness in his heart, Jiang Wei did not tell his mother that something might have happened to his sister. Instead, he held his phone and quickly walked to the small garden behind the house. After confirming that Mother Jiang could no longer hear him, Jiang Wei lowered his voice and asked Fang Yuqing, "Did something happen to her?" Jiang Wei's voice was filled with anxiety.

Fang Yuqing listened to Jiang Wei and Mother Jiang's conversation. When she knew that Jiang Jie had not gone home, she was more or less certain. "Jiang Wei, something seems to have happened to Jiang Jie."

Fang Yuqing first gave Jiang Wei a dose of warning. When Jiang Wei was mentally prepared, he said, "Tell me, I'm listening." She then said, "I'm at the Empire Hotel. Your sister is drunk and was brought into a room by two men. I'm at the door now. Come quickly."

Fang Yuqing told him the address and hung up.

After she hung up the phone, she heard Lu Lingyu say to the person inside, "If you don't open the door, I'll call the police."

The person in front of him should be very flustered. Upon hearing this, he started to scold Lu Lingyu.

“Mind your own business! We didn’t do anything shameful. If you have the ability, call the police!”

“Alright, I’ll call the police then.”

Lu Lingyu really took out his phone and was about to call the police.

Through the peephole, the person inside saw Lu Lingyu’s actions clearly. Seeing that he had really called the police, he panicked. “Damn it!” He turned around and looked at his companion. He had already put on his clothes and the woman’s body on the bed was covered by the blanket. Only then did the man open the door.

“Are you courting death! If you want to see if we did anything shameful, take a look!”

The person opened the door and pretended to snatch Lu Lingyu’s phone.

Lu Lingyu quickly threw the phone to Fang Yuqing.

Fang Yuqing caught the phone and put it in her pocket.

Lu Lingyu and Fang Yuqing entered the room. He gave Fang Yuqing a look. Fang Yuqing understood what that gaze meant and immediately locked the door. After the two of them entered the room, they first glanced at the two young men. The two men looked quite ordinary. They were wearing luxurious branded clothes and looked well-dressed.

Fang Yuqing did not recognize these two people, but Lu Lingyu still had some impression of them. He had seen these two people from afar before. At that time, they were following behind his useless cousin. These two people were members of that group of useless rich second-generation heirs.

Even though both of them cleaned up and their clothes were neat, their bulging pants still betrayed them.

Lu Lingyu walked in and glanced at the bedroom—

A drunk woman was lying on the bed, half of her face covered by her long hair. She was moaning, probably feeling terrible from being drunk. She was covered in a white blanket, and her arms that were exposed were bare. Lu Lingyu narrowed his eyes and said to Fang Yuqing, “Go take a look at the situation.”

Fang Yuqing nodded and strode over.

Lu Lingyu turned around and did not look at the scene behind him.

Fang Yuqing pulled open the blanket and saw a naked woman lying on the bed. There were toys moving around on her lower body. Fang Yuqing’s pupils constricted. She turned around and glared at the two men before reaching out to pick up the blanket and covering the woman again.

Fang Yuqing reached out to lift the woman’s long hair.

When her hair was pushed aside, a familiar face was seen. Who else could it be but Jiang Jie?

As she was twins with Jiang Wei, Jiang Jie and Jiang Wei looked especially similar. Their facial features were good-looking. When they were on Jiang Wei, they looked handsome. When they were on Jiang Jie, they looked beautiful. Fang Yuqing stared at the woman and was a little disappointed.

She tried to wake Jiang Jie up, but Jiang Jie was too drunk to wake up.

Fang Yuqing turned around and said to Lu Lingyu, “It’s Jiang Jie.”

Lu Lingyu snorted at the two neatly dressed men. When he smiled, he would always reveal his two sharp teeth, making him look very cute, but this was all an illusion. Lu Lingyu sneered and said, “I like to play too, but I never use such despicable tricks.”

The matter between a man and a woman depended on mutual consent. A scene like this was not a game, but a crime.

“You must know this woman’s identity too, right? We’ve already informed the other party’s parents. Just you wait.” Lu Lingyu dragged a chair and placed it at the entrance. He sat there boldly with one long leg crossed like a bandit.

“Don’t leave.” With that, he lowered his head and played with his phone.

The two men were a little flustered. Their family backgrounds were actually not bad, but compared to the Jiang family, they were still not good enough. Jiang Jie was a unrestrained and playful woman. She was a famous nightclub queen in the industry. They had once pursued Jiang Jie, but they were rejected by this woman.

They were all young people who were proud and arrogant and were rejected. They were angry and thought that Jiang Jie was not a clean person to begin with. Why should she make them look bad? These people were used to being lawless. They thought that Jiang Jie liked to play, so they got her drunk and brought her to the hotel to do things after drinking.

Unexpectedly, Lu Lingyu and Fang Yuqing appeared out of nowhere.

Lu Lingyu had been in the limelight in Binjiang City for the past year. Everyone in the circle knew him. They also knew that Lu Lingyu came from the army. This person was proud and skilled. Even if they wanted to resist, it was useless.

The two of them could only stand at the same spot gloomily and wait for Jiang Wei to come.

Jiang Wei arrived very quickly.

It took at least an hour and a half to reach the Empire Hotel from his house, but he only took forty minutes to reach the hotel. When Lu Lingyu heard the knock on the door, he stood up, moved the chair away, and opened the door. Jiang Wei and Lu Lingyu met and were stunned.

Without thinking about why Lu Lingyu was here, Jiang Wei strode into the house. He first looked at the drunk Jiang Jie and Fang Yuqing sitting by the bed before looking at the two men standing in the hall.

The two men should be a few years older than Jiang Wei and looked to be in their thirties.

Jiang Weiyi walked towards them step by step. He was not in a hurry, and every step was very slow. The two of them looked at Jiang Wei and felt afraid.

When he got closer, Jiang Wei kicked the man on the left to the ground. The man took a step back and his waist hit the table behind him with a muffled groan. Jiang Wei picked up a triangular ceramic artifact on the decorative rack and grabbed another person's hair.

He kicked the man to the ground and pressed him down with one foot. He bent down and smashed the ceramic artifact in his hand at the man's lower body.

Chapter 899: I Don't Want to Only Visit You in Prison For The Rest of My Life

Translator: Atlas Studios Editor: Atlas Studios

Fang Yuqing had never seen such a fierce look before.

She was dumbfounded.

She sat by the bed in a daze and heard Jiang Wei say, "How dare you do something to my sister?" His tone was very calm, but there was ruthlessness between his eyebrows.

"You like to play, right? You can't control your own body, right? Alright, I'll help you cripple it. You won't play anymore in the future. You won't harm anyone anymore."

Jiang Wei's tone was still cold when he committed the crime.

The person who was hit somewhere and stepped on by Jiang Wei wailed in pain.

Lu Lingyu watched from behind and could not help but close his legs.

When Jiang Wei heard the man's moan, killing intent flashed across his eyes. He raised the ceramic tripod again and hammered the man's body hard.

"Ah!"

The man's howl was so loud that it could be heard from three floors up.

Many people were woken up. They stood up and opened their doors to investigate. Jiang Wei, who had committed the crime, still looked calm.

Fang Yuqing noticed that the person's black jeans were drenched in blood and came back to her senses.

Fang Yuqing quickly got up from the bed. She walked to Jiang Wei's side and held his arm that was holding the weapon. "Jiang Wei, you're going to kill someone!" Fang Yuqing raised her voice and reminded Jiang Wei.

In his anger, Jiang Wei's mind was only filled with the thought of crippling these two people. How could he show mercy?

However, Fang Yuqing did not allow Jiang Wei to be a murderer.

Just now, Fang Yuqing was also frightened by Jiang Wei's appearance, so she did not stop him. When she was in high school, Fang Yuqing had heard from others that Jiang Wei was very cold and ruthless.

Later on, she realized that Jiang Wei was actually a very gentle person. She had even questioned the authenticity of the rumors.

However, just now, from the moment Jiang Wei walked in to the moment he kicked those people down without a word and crippled the men cleanly, Fang Yuqing was finally willing to believe that Jiang Wei had such a scary side.

Jiang Wei's eyes were red.

Hearing Fang Yuqing's voice, Jiang Wei regained some rationality.

He tilted his head and looked at Fang Yuqing. He said word by word, "Get lost." Jiang Wei was trying his best to suppress his temper and did not want to curse.

Jiang Wei's expression was very malicious, like the dark clouds in the sky before a storm. Fang Yuqing was a little afraid of Jiang Wei's expression.

Even though she was a little afraid, Fang Yuqing still did not listen to him and move aside. This was because she knew that at this moment, she could not move away. If she did, Jiang Wei would definitely become a murderer tonight.

"No." Fang Yuqing was very insistent. She bit her lip and shook her head to reject him.

Jiang Wei's eyes darkened.

"Yuqing, move," Jiang Wei said again through gritted teeth.

Just because he liked her did not mean that he would listen to everything she said.

Not only did Fang Yuqing not let him pass, she even stood in front of the man.

Fang Yuqing looked up at the ceramic tripod in Jiang Wei's hand. "Jiang Wei, think carefully. If you kill him, you can only stay in prison for the rest of your life."

Jiang Wei's eyes moved slightly, as if they had loosened.

Fang Yuqing sensed that Jiang Wei's attitude had softened and said, "I don't want to go to prison to visit you for the rest of my life."

These words finally moved Jiang Wei.

His breathing gradually calmed down, and the anger in his eyes faded a little.

He suddenly let go of the tripod in his hand.

The thing fell to the ground and hit the thigh of the man under him. The man held his pants, his face pale from the pain, and his face twisted.

"Get up."

Pulling Fang Yuqing up, Jiang Wei pulled the man under her and threw him to another man who had long lost his courage.

Jiang Wei glared at them fiercely and warned them, "No one is allowed to move. I'll cripple any part of you that moves."

With that, the two of them became obedient and did not dare to move.

Jiang Wei walked into the bedroom.

"Get out!"

Jiang Wei was saying this to Lu Lingyu.

Lu Lingyu raised his eyebrows. In the end, he listened to Jiang Wei and turned around. He walked to the living room and sat down.

Jiang Wei was about to pull the blanket when Fang Yuqing interrupted him. "Don't lift it."

Jiang Wei was stunned. His hand seemed to have touched a flint as he suddenly retracted it. Fang Yuqing walked over and said to Jiang Wei, "Carry her over. I'll help her wear her clothes."

Jiang Wei looked at Fang Yuqing deeply and turned around.

Fang Yuqing pulled open the blanket and sized Jiang Jie up. Jiang Jie had many traces on her body. She did not know if Jiang Jie had really been violated.

Fang Yuqing sighed silently and picked up the clothes on the ground to put them on the drunk Jiang Jie.

Behind him, there was the sound of clothes being put on.

Jiang Wei's back was facing Fang Yuqing. When he heard the commotion, he said in a muffled voice, "Thank you."

Fang Yuqing was putting on Jiang Jie's jeans. When she heard this, she whispered that there was no need to thank her before buttoning Jiang Jie's pants.

"It's done."

Hearing Fang Yuqing's words, Jiang Wei turned around.

He glanced at his sister on the bed, and there was a hint of ruthlessness in his eyes. Fang Yuqing saw it and was a little worried, but she did not say anything.

Jiang Wei did not say anything and turned to enter the bathroom. Fang Yuqing heard the sound of water.

A moment later, Jiang Wei walked out with an electric teapot in his hand.

He walked to the bed and splashed all the cold water in the electric teapot on Jiang Jie.

The season at the end of autumn was very cold. After being stimulated by the cold water, Jiang Jie immediately sobered up.

She suddenly sat up on the bed, her head hurting. Jiang Jie felt uncomfortable and fell down again. She hugged her head and opened her eyes to see Jiang Wei and Fang Yuqing standing by the bed.

She was stunned and subconsciously called out, "...Brother."

The anger that had been suppressed completely erupted when he heard Jiang Jie call him brother.

Jiang Wei knelt by the bed and pulled Jiang Jie up. She had yet to figure out the situation. Without a word, he slapped Jiang Jie a few times. Those few slaps were wild and strong. They were completely merciless.

Jiang Jie was stunned.

She held her face and was stunned for a long time. Her mind was buzzing.

A moment later, Jiang Jie regained her senses and scolded Jiang Wei, "Jiang Wei, are you crazy? Why did you hit me!"

Chapter 900: He Has His Pride

Jiang Wei remained silent.

He bent down to pick up the pink vibrator from the bin and threw it in front of Jiang Jie. He said coldly, "What is this!"

Jiang Jie looked down and was stunned when she saw what it was.

"This..."

She remembered that she was drinking at the bar. Why was she in the hotel? Why were her brother and Fang Yuqing here? Also, why was this thing here? Jiang Jie's eyes flickered as countless thoughts flashed across her mind. She guessed a possibility and her face turned pale.

"Brother, what about the two men?"

She remembered that before she got drunk, she met two men she knew. They said that they would send her home. Jiang Jie was the daughter of the Jiang family, and no one had ever had any bad intentions towards her. Hence, she did not take much precautions and followed them with ease.

From the looks of it, she had been played.

Jiang Jie walked out of bed and realized that her lower body was feeling unwell.

She was slightly stunned. After guessing what had happened to her, she was even angrier. Jiang Wei saw Jiang Jie frown and endured his anger. He asked her, "What's wrong?" He thought of a possibility and asked, "How do you feel?"

Jiang Jie opened her mouth but shook her head in the end. She said, "Nothing, I'm just a little dizzy." She did not plan to tell Jiang Wei what had happened to her.

Jiang Wei believed her.

Jiang Jie ran out of the room and saw the two men kneeling on the living room floor. Thinking of the crimes they had committed against her, Jiang Jie was furious. She casually picked up a stool beside her and threw it at them. The two of them quickly dodged.

Jiang Jie stomped her feet and shouted at them, "You guys will die a horrible death!"

Jiang Jie was furious. She wanted to find something that could kill these two people. Jiang Wei watched with a dark expression. When he saw Jiang Jie take out a dagger from her small bag and walk towards the two of them, he strode over and held her waist.

"Enough! Do you still want to kill someone?"

Jiang Jie looked up at her brother. Her eyes were red and she looked extremely sad, but she held back her tears. Jiang Wei's heart ached, but he still did not let go of Jiang Jie. "I've already called the police. The police will deal with this matter. Come to the hospital with me now."

"For what?" Jiang Jie did not understand what Jiang Wei meant.

Jiang Wei gritted his teeth and said, "To buy medicine!"

Jiang Jie was so drunk that no one could tell if the two of them had done anything beastly to her. Under such circumstances, taking contraceptive pills to prevent other troublesome matters was the most important thing.

Jiang Jie was pulled out of the room by Jiang Wei.

Opening the door, Jiang Wei turned around and looked at Fang Yuqing, then at Lu Lingyu. There was a question in his heart. "Why are you here? What are you doing?" It was hard not to be suspicious that a man and a woman appeared in the hotel at the same time in the middle of the night.

Before Fang Yuqing could reply, Lu Lingyu opened the door for her. "What else can they do? When single men and women enter a hotel at night, other than doing what adults should do, what else can they do?" Jiang Wei knew what Lu Lingyu meant by what adults should do.

His dark eyes landed on Fang Yuqing. "Is he serious?"

Fang Yuqing hesitated for a moment before shaking her head. "I had something to settle and bumped into them." She did not want to continue being ambiguous with Lu Lingyu, nor did she want Jiang Wei to misunderstand. Whether Jiang Wei liked her or not was Jiang Wei's business. However, she had to correct her position.

Jiang Wei's expression improved.

He then left with Jiang Jie.

As soon as they left, the police in this area arrived.

Seeing the two men being taken away by the police, Lu Lingyu said to Fang Yuqing, "You like him."

Who was he referring to? It was obvious.

Fang Yuqing met Lu Lingyu's emotionless eyes. She was silent for a moment before nodding. "Yes, I like him."

"Ha..."

Lu Lingyu did not say anything. He smiled inexplicably and stood leaning against the wall. He did not say anything and did not speak to Fang Yuqing. Fang Yuqing was secretly thinking about how to end this unbelievable night when she heard Lu Lingyu ask, "Are you willing to accompany me to the Himalayas to look at the stars?"

Fang Yuqing was stunned.

She remembered that Lu Lingyu had said that he would only bring the person he loved to look at the stars there.

Fang Yuqing looked at Lu Lingyu with a complicated expression and did not speak. When Lu Lingyu saw Fang Yuqing's reaction, he knew that Fang Yuqing understood his hidden meaning. He smiled and said to Fang Yuqing, "Originally, I wanted to try to get along well with you. If there's a chance in the future, I'll bring you to the Northwest to see the stars."

The faint smile on Lu Lingyu's face gradually turned into a sarcastic smile.

"From the looks of it, we won't be able to reach that step." He was destined to see the stars of the Himalayas alone.

Lu Lingyu stood up straight and tilted his head to look at Fang Yuqing. He said, "I have a good impression of you. After all, you suit my taste in everything. There's only one thing that I don't like." He stopped laughing and said seriously to Fang Yuqing, "There's someone hidden in your heart. A person's heart is only so big. Only one person can take up its space. Of course, I won't be so shameless as to think that I'm qualified to make your heart empty and then move in. So..."

Fang Yuqing looked at Lu Lingyu without blinking. Upon hearing this, her expression tightened and she asked, "So what?"

Lu Lingyu said, "Miss Fang, please forgive me for disturbing you during this period of time. I won't pester you anymore." With that, he gave Fang Yuqing a farewell gesture. Goodbye. He would not see her again.

They were both proud people. If they could not be lovers, they naturally could not be friends.

Fang Yuqing watched as Lu Lingyu turned around and left. She wanted to say something to Lu Lingyu, but she decided to remain silent.

Forget it, let it be. She had no feelings for him in the first place, so why bother him again?

Lu Lingyu walked out of the hotel and walked towards the elevator.

There was a bin on the right side of the elevator door. The elevator door opened. Before entering, Lu Lingyu suddenly kicked the bin. He entered the elevator, and the bin behind him caved in and changed shape.

...

Jiang Wei was very busy that night. He brought Jiang Jie to the hospital for a checkup.

Jiang Jie's lower body showed signs of being invaded.

Upon hearing this news, Jiang Jie was stunned for a moment before her eyes turned red. "Brother, what should I do?" After playing for so many years, Jiang Jie was finally afraid for once.

Jiang Wei was silent for a moment before walking out of the hospital.

After an unknown period of time, a slender man's hand appeared in Jiang Jie's vision. Between his slender fingers was a white pill.
