RIMMEB Chapter 15 Scheming woman

Fang Yusheng walked to his seat and sat down, and said lightly, "Sorry, something has been delayed."

Seeing him coming, several people stopped the topic just now in tacit understanding.

Today, Fang Yusheng did not wear sunglasses, but his eyelids were closed, as if a person who was asleep was sleepwalking.

Qiao Jiuyin started to serve Fang Yu a bowl of porridge and handed it to him.

"Thank you," he said to Qiao Jiuyin.

Qiao Jiu said yes, and then walked to Fang Mu and sat down.

Fang Yusheng's hand touched the edge of the bowl, only then did he touch the spoon. He scooped a spoonful of hot porridge, blew it, and handed it to his mouth, the action was really beautiful. Fang Yusheng frowned slightly as soon as he put the porridge into his mouth. Almost no one in the Fang family knew that the young master of the Fang family was allergic to eggs.

Not wanting anyone to discover any of his weaknesses, Fang Yusheng took another spoonful of porridge and ate it as if nothing had happened.

After a meal, Fang Yusheng felt that his skin was starting to become hot and itchy. He found an excuse at random and left first.

Looking at his back, Fang Yuqing inadvertently said to Qiao Jiuyin, "I don't know what kind of woman will be favored by Brother Yu Sheng."

Qiao Jiuyin smiled and replied, "Naturally, she is an outstanding beautiful woman."

Fang Yuqing snorted and said affectionately and proudly, "That is, my brother Yu Sheng, but this is the case." She gave a thumbs up.

Qiao Jiuyin was a little curious, so he asked, "You admire him very much?"

"Ok."

"why?"

Fang Yuqing squeezed the sleeves of the floral skirt and replied shyly, "He is so handsome."

Qiao Jiuyin: "..."

She shook her head, it was a little girl after all. Looking at Fang Mu who was answering the phone in the yard, Qiao Jiuyin's eyes filled with pride. Fang Mu is not bad in appearance, handsome in appearance, and outstanding in ability. This kind of man is the most liked by women.

After eating, Fang Mu and Fang Mu went back to their yard.

When walking to his courtyard with Fang Mu, Fang Mu suddenly said, "Xiao Sheng, if you don't like it, you can refuse."

Qiao Jiuyin asked in confusion, "What?"

Fang Mu stared at her with guilty eyes, and said, "You said, the thing you hate the most is sitting with a group of women drinking tea and chatting gossip. Just then Aunt Xu asked you to go to a tea party with her, you can refuse Yes." He married Qiao Jiusheng to make her happy, not to make her feel embarrassed.

The Qiao sisters look the same but have different personalities.

Qiao Jiusheng is free and easy-tempered, loves freedom, and is the most unrestrained person. Qiao Jiu is well-versed and knowledgeable, and often goes to tea parties and receptions. He is very dependent on the wealthy wives in Junyang City. So Xu Pingfei mentioned it casually this morning, and Qiao Jiuyin responded without hesitation.

I panicked, fearing that Fang Mu would not notice something wrong, Qiao Jiuyin said hurriedly, "Brother Mu, after marrying you, I will be the second grandmother of the Fang family first, followed by Miss Qiao. There are some necessary occasions that cannot be avoided."

Seeing Qiao Jiusheng's good intentions, Fang Mu couldn't help but feel moved. He squeezed the palm of Qiao Jiusheng's hand, his guilt in his eyes became deeper, "Xiao Sheng, wait a few more years, when I am the master, you can refuse everything you don't want to do."

"it is good."

In this case, the newlyweds are deeply affectionate. At that end, as soon as Fang Yusheng returned to his small yard, the yard door behind him had just been closed, and his body, which was standing neatly, suddenly turned sideways. Aunt Jin, who came to meet him as usual, was shocked when she saw him almost fall.

"Master Yu Sheng, what's the matter?"

Fang Yusheng was very uncomfortable and leaned on Aunt Jin without speaking. Putting Fang Yusheng's whole body in his arms, Aunt Jin found that his breathing was almost abnormal, and his neck and collarbone turned red.

Upon seeing this situation, Aunt Jin understood, and hurriedly called Qi Bufan.

"What have you eaten? This is an allergy again." Qi Bufan immediately took the medicine prepared at home and fed it to Fang Yusheng.

After leaning on the sofa for a while, Fang Yusheng felt more comfortable.

"I'll go upstairs and take a break."

Fang Yusheng finished speaking and got up to go upstairs. At this moment, the doorbell rang suddenly. Aunt Jin ran out and took a look, then turned back and shouted at Fang Yusheng, "Master Yu Sheng, it is Miss Yu Qing who is here."

After a pause, Fang Yusheng said, "Let her come in."

Fang Yuqing, wearing a floral skirt, ran into the elder brother's yard cheerfully, holding a pot of orchids in her hand. "Brother Yu Sheng." Before seeing anyone, he heard his voice first. The voice was crisp and delicate, like a nightingale.

Fang Yusheng looked up, even if he couldn't see anyone, he could guess that Fang Yuqing must have a smile at the corner of her mouth.

She really was smiling. As soon as she entered the room, she put the orchid on the wooden table by the window, and said, "Brother Yu Sheng, this orchid was shipped from Yunnan. I see you. The meditation room is very empty, and this pot of orchids placed inside must be very beautiful."

After finishing speaking, I probably remembered that my eldest brother couldn't look at him, he closed his mouth again, and sat down obediently on the sofa opposite Fang Yusheng. Looking up at the eldest brother, Fang Yuqing stared at Fang Yusheng's closed eyes. Fang Yusheng's eyes could not be seen. It had been fourteen years. Fang Yuqing is only seventeen years old this year. In her memory, her eldest brother has always been blind.

In her impression, every time the eldest brother appeared, either wearing sunglasses or closing his eyes, she had never seen the eyes of the eldest brother.

Yu Sheng's eyes on her partner were very curious.

"Baofan, move the flower into the Buddhist room." Fang Yusheng said to Qi Bufan.

"Okay." Qi Bufan took the orchid and walked into the monastery.

Fang Yuqing smiled even sweeter seeing that the eldest brother really moved Hua into the Zen room.

Aunt Jin brought some fruits to Fang Yuqing, and Fang Yuqing ate it when she suddenly heard Fang Yusheng ask, "You changed your perfume."

"Brother Yu Sheng has a really good nose." Fang Yuqing got up and ran to Fang Yusheng and sat down, but she didn't get very close. She knew that this eldest brother didn't like being too close to people. Reaching out his hand in front of Fang Yusheng, Fang Yuqing said with a smile, "It's not perfume, but a change of shower gel. Guess what brand of shower gel is this."

The tip of his nose moved slightly in the air, and Fang Yusheng said, "Chanel No. 4 shower gel."

"Brother Yu Sheng is amazing." Fang Yuqing was happier. She sniffed her arm and thought of something, and casually mentioned, "This shower gel was given by the second sister-in-law. This second sister-in-law is not only beautiful, The vision is also super good."

It could be heard that Fang Yuqing really liked this new wife. "You like her very much." Thinking of this in his heart, Fang Yusheng said it out.

"Yes, she is very nice. A few days ago, she asked me about the taste of the whole family and said that she would make a delicious meal for everyone another day."

Fang Yusheng listened and agreed with one sentence. He heard the girl beside him fiddling with something on the table, so he asked again, "Then how did you tell her about me?"

"Humph!" Fang Yuqing responded with some pride, "Of the whole family, I know you best. I told her that you are not picky about other things except that you don't like to eat greasy dishes and are allergic to eggs."
