One day later, the police still failed to find the whereabouts of 'Qiao Jiuyin', and Fang Mu's people also found nothing.

Without hearing from Qiao Jiusheng, Qiao Jiuyin was upset, so he did not close his eyes overnight. Fang Mu couldn't stand it, so he asked the doctor to prescribe sleeping pills, quietly mixed them in the water, and fed them to Qiao Jiuyin to drink. Qiao Jiuyin drank the medicine and fell into a deep sleep.

At about two o'clock in the afternoon, Qiao Jiuyin woke up in a daze, opened his eyes, and admired the handsome face at the top. Different from the arrogant and arrogant Zhang Kuang in the past, Fang Mu's handsome face looked abnormally quiet at this moment, and it was abnormally quiet.

Qiao Jiuyin stared at his face for a long time, and then she asked a little nervously, "Brother Mu, have you heard from my sister?"

When Fang Mu heard the words "Sister", there was a flash of distress and anxiety in Fang Mu's eyes.

"Xiao Sheng." Fang Mu's voice was less icy, and it was particularly gentle.

His tone made Qiao Jiuyin's face even paler. "Is it my sister or her..."

"Your sister, she is dead." Fang Mu said bluntly. "The body was found by the grassy beach fifteen kilometers away. When she was found..." Fang Mu suddenly shut up. He couldn't bear to tell Qiao Jiuyin that when the police found Qiao Jiuyin, Qiao Jiuyin's body was very miserable. Qiao Jiuyin was swept too far away by the river, and his head was completely destroyed because of repeated violent bumps.

Qiao Jiuyin was stunned.

For a moment, disbelief and grief covered that beautiful cheek. After a while, Qiao Jiuyin recovered and snarled at Fang Mu like crazy, "You lied to me, you lied to me, right? My sister is still alive!"

Fist hit his chest, Fang Mu didn't even wrinkle his brows, he sat there straight, letting Qiao Jiuyin breathe at him, very tolerant.

After Qiao Jiuyin vented enough, he fell weakly on his chest. "Brother Mu..." Brother Mu shouted, Qiao Jiuyin began to whimper.

Her crying voice, grief and despair, Fang Mu was heartbroken.

Raising his arm to hold Qiao Jiuyin, Fang Mu kept touching Qiao Jiuyin's back with the palm of his hand, and said comfortingly, "Don't cry, I'll be with you." A man who is not good at talking about love and comforting his lover, he says. There were only a few words repeated, but they pressed Qiao Jiuyin's heart very well.

Qiao Jiuyin was tired from crying, so he lay on the hospital bed blankly, looking up at the ceiling, motionless and silent. If it weren't for the slight undulation of her chest, Fang Muzhen thought she was dead.

-Death, this word made Fang Mu's heart throb.

Fang Mu suddenly held Qiao Jiuyin's hand and said to her without holding his breath, "Xiao Sheng, don't be like this, I will be with you from now on."

Qiao Jiuyin's gray eyes lit up a little.

*

In a blink of an eye, another half month passed.

Because of the death of 'elder sister', everyone found that Miss Qiao had become very haggard, depressed all day long, and she lost a lot of weight.

Qiao Jiusheng and Qiao Jiuyin live in the same villa. Now that his sister is dead, Fang Mu is worried that Qiao Jiusheng will live alone and will see things and think about people, so he takes her to his own courtyard. Every day, let the cook make exquisite and delicious meals to take care of, but Qiao Jiuyin is still getting thinner and thinner every day.

Fang Mu was worried about this. He had to go to work during the day and had no time to accompany her, so he asked Qiao Jiusheng's friends to accompany her. Qiao Jiusheng is cheerful and has many friends, so he is not alone. It's just that at night, the servants in the other courtyard often see that Miss Qiao Er washes her face with tears.

Everyone thought that Qiao Jiuyin was getting thinner because of the death of his relatives, but the truth behind it was shocking.

That night, Qiao Jiuyin sat on the hanging chair in the backyard of the other yard by himself, looking up at the sky, with a look of sorrow in his eyes. Qiao Jiusheng's whereabouts are still missing, no one is alive, and no corpse is seen, which makes her feel very uneasy. Qiao Jiuyin still can't figure out why Xiao Sheng disappeared from the hospital.

Did she walk out of the hospital by herself, or was she taken away?

If she left on her own, what was her motivation for leaving?

Could it be that she had an insight into her plan?

Thinking of this, Qiao Jiuyin might feel uneasy.

The car accident half a month ago was indeed planned by Qiao Jiuyin. She was very smart and courageous. She was convinced that she had a car accident with Xiao Sheng, and no one would doubt that there was something hidden behind the accident.

The reason for the accident was to get Qiao Jiusheng away from Fang Mu. Qiao Jiuyin's original plan was to replace Qiao Jiusheng with a disfigured female corpse, and then imprison the real Qiao Jiusheng. She wouldn't really want to kill Qiao Jiusheng, but she wouldn't let her be free.

Once Qiao Jiusheng is 'dead', she has enough reason to approach Fang Mu. She believes that she will be in love for a long time, and she looks exactly the same as Qiao Jiusheng. She will stay with Fang Mu for a long time, and Fang Mu will empathize with her.

But on the day of the incident, seeing Fang Mu coming by the wind and dust, she suddenly had a vicious idea. Anyway, Qiao Jiusheng will be imprisoned by her and will not be free for the rest of her life. Then, the one who looks exactly the same as Qiao Jiusheng, can completely replace Qiao Jiusheng's identity and live on. As long as she plays the role of "Qiao Jiusheng" well, Fang Mu will belong to her.

This idea is adventurous and bold.

In fact, after half a month, Fang Mu did not discover the truth that she was not Qiao Jiusheng.

Everything is perfect.

However, Qiao Jiuyin didn't expect that Qiao Jiusheng, who was seriously injured and still unconscious, would suddenly disappear from the hospital!

The missing Qiao Jiusheng became an invisible time bomb in Qiao Jiuyin's heart. Once the real Qiao Jiusheng appears, all the good things that belong to Qiao Jiuyin now will disappear! Family and friends will hate her, the law will not let her go, and Fang Mu's attitude, she even dare not think about it.

Secretly squeezing a fist, Qiao Jiuyin made up his mind to find Qiao Jiusheng first, and absolutely not let her appear!

After Fang Mu got off work, he didn't eat dinner, so he hurried home eagerly. The housekeeper took Fang Mu's briefcase and heard Fang Mu ask, "How is Xiao Sheng today?"

The housekeeper said, "It's okay to have friends with me during the day, but at night..." Before the housekeeper finished speaking, Fang Mu saw Qiao Jiuyin in the back yard. She was wearing a smoky pink antler leather jacket, black tight trousers, and a thin body, which made Fang Mu feel distressed.

Qiao Jiuyin's legs are standing side by side on the rocking chair, her hands are wrapped around her knees, her head is on her knees, and her long curly hair covers her cheeks. From Fang Mu's direction, she can only see her perfect and beautiful side. face. Fang Mu stood there and looked at Qiao Jiuyin for a while, then shouted, "Xiao Sheng."

Hearing the sound, Qiao Jiuyin quickly raised his head, with just the right amount of sadness in his eyes.

Fang Mu walked to her and sat down, silently grasped her slender left hand and held it tightly in the palm of her hand.

Qiao Jiuyin leaned his head on Fang Mu's shoulder along the way. Fang Mu didn't speak, but sat upright, for fear that one of his movements would make Qiao Jiuyin uncomfortable. Silence spread between the two people. A gust of evening wind blew past, and Fang Mu's voice followed the wind to Qiao

Jiuyin's ears. "You feel uncomfortable in your heart, don't hold back, you must say it." After a pause, he said again, "I am not someone else."

Qiao Jiuyin was silent, and his eyes gradually became ruddy.

Holding back the tears that were about to come out of his eyes, Qiao Jiu said quietly, "My sister and I have lived together for more than 20 years. We look the same and love the same. We are the closest relationship in the world."

Fang Mu listened quietly, without interrupting her.

"We once agreed to live together for the rest of our lives, even if we grow up in the future, get married and have children, the house will stay close together." As he said, two lines of tears slid across Qiao Jiuyin's face. Fang Mu gently wiped the tears from her face with her thumb that was not smooth.

To live together for a lifetime, this is indeed an agreement between Qiao Jiusheng and Qiao Jiuyin.

The tears on Qiao Jiuyin's face at this moment were not the tears of a crocodile. She also has feelings for Qiao Jiusheng, but this feeling is not worthy of her determination to get Fang Mu. Fang Mu only noticed that her tears were gone, but did not notice the flash of guilt in Qiao Jiuyin's eyes.

Qiao Jiuyin sniffed and said, "Brother Mu, I miss her so much." The tense emotions collapsed instantly. Qiao Jiuyin, who had been holding on for many days, couldn't control his emotions anymore and hid in Fang Mu's arms. In the middle of crying, the heart broke.
