Javier's POV:

"Hey bro, how you doing?" My older brother Miguel entered my oce.

"What you're doing here?" I asked.

"I can't come see you now? Just because you're making billions now you think you're too popular to see your family?" He glared at me. "No", I sighed, "sorry."

"You better be, so Camila's quinceañera, is soon and I'll love if you can be there, you own

her that much", he sat on the long white couch I had in my oce. "When is it again?" I sighed.

"The ending of this month, I can't believe you forgot her birthday", he shook his head, "and please show up on time and with a date, it's been three years time to move on."

"It's hard to", I told him.

I sighed, I missed Alessandra a lot and haven't stop think about her.

"Didn't you tell us she cheated on you? That's why she ed to Italy?" He frowned.

"I didn't say that, I said I think that's the reason, why else will she just leave and then ignore me?" I sighed.

too; that was evidence that she might have cheated. "Are you sure you didn't do anything to upset her during the day?" He questioned and I shook my head.

Plus I had someone followed her around for 6 months after she left and she was pregnant

"When last you contacted her family?" "During last Christmas, that was it", I answered.

"Do you believe in your heart that she would have cheated?"

I thought back to the photo of her with a huge belly bump. "I don't know, can we talk about something else?"

I didn't want to talk about this. \*\*\*

"Hola gran Hermano", my sister, Josene greeted me as I met up with her for lunch. (Hello

Alejandro was her boyfriend, they started to date November almost three years ago; two months after Alessandra left me. He had a crush on Josena since they were in high school and when he saw an opportunity to ask her out, he didn't hesitate.

Alejandro will be attending our niece's quinceañera with Josena.

"Yeah and Alessandra loved her", she added and I sighed.

"But now Antonio kidnaps him when you guys go to visit dad", I chuckled.

"What about you? You're twenty six, you can't keep hoping she'll come back to you", she stated.

"You need to settle down, what about that woman you were spotted with a few times?"

"Just friends, huh? More like friends with benets. Just be careful and don't get anyone

When Josena introduced Alejandro to us, our father and brothers weren't too happy, but

then they came around. I was normal, once my sister was happy that was all I cared about

I thought back to Alessandra's photos, what if the baby is mine? Did she raised him or her

"Yeah, they're inseparably", she said. We laughed and our food arrived. "You're coming the quinceañera, right?" Jose asked.

"Yes, I can't believe she'll be 15 years, just the other day I remembered she was this sassy

"Bye, I have to get back to my apartment now", Josena waved then get into a taxi then I entered my building. "Sir, there's someone waiting to see you", my secretary informed me before I entered my

She kept coming here unannounced, trying to get me to sleep with her. She dated one of my investor three years back and came in unannounced during the time I was talking to Alessandra on the phone, the same day she left.

"I want you", she said and sat on my desk, "I don't have on anything under", she winked.

"I know you want me", she walked towards me, "that bed buddy you have now, is old news."

She can't please you like I can", she trailed her long nger nails against my jaw while her

She scoffed, "you're just playing hard to get because you think your ex will come back to you, newsash she probably humping a guy all now for all we know. Here's my number if you change your mind", she placed the piece of paper on the desk and swayed her hips as she left.

"Hola perras!" My best friend entered. (Hello bitches) "Brandon, what you're doing here?" We did our bro hug and my secretary left the room,

"Checking up on my rich best friend of course because I'm broke", he joked.

I snorted, "what happened, your gold digger run you dry?"

"Nah as your best friend I own half of what you make", he grinned.

"I will, anyway your secretary is hot", he winked, "hook a brother up."

"Sorry to hear that man, welcome to the single club", I patted his shoulder.

"Not anymore, she caught me kissing another woman at a party last month", he sighed.

"Well I came to ask if you want to accompany me tonight and get drunk, I need to get her

"Exactly which is why I don't want to be with anyone that reminds me of her", he sat down

"I know, that other woman you been around with in public is the real deal, is it serious

"Sure, you helped me through my crisis now its time I be there for you", I nodded.

"You're the best man, but to be honest your secretary isn't my type", he shrugged.

"Hola primo que tal?" Ruben greeted me. (Hello cousin, what;s up?)

I had some muscles. but not as big as my cousins'.

"I heard you been seeing a chick lately", Ruben turned to me.

They were part of a g\*\*g well that was what dad told me, they were all dad's nephews. "I'll go get us drinks", Andres got up and went to the bar.

Oscar laughed, "dude, you don't be just friends with those kind of women, is either you're
