It was 8:30 am. I called my secretary, "hello?"

"Already did, I reschedule it for 11 instead", she stated.

She sighed, "I already made plans with Alejandro, he'll be here by 7:30."

"If you make up your mind, just show up at my place", I told her and hung up.

"I'm going a party tonight and Alejandro is coming tomorrow, so I'll be with him for the entire weekend", she explained. "You both can come stay at my place, dad's coming tomorrow", I informed her.

When I entered my building, my employees got back to work quickly, they were talking to each other before. "Morning sir, here's your coffee and today's schedule", my secretary handed me the cup and le.

I entered and everyone stopped talking, the three ladies who were present all checked me out, I was guessing they were the secretaries for the men I'll be signing contract with soon. "Morning gentlemen and ladies, let's get started", I sat down at the end of the table and Ms. Cumming sat down on my left side.

"And that's what will happen when we sign the contract, you have the business and I have

connection with Europe so expanding will not be a problem", my rst investor concluded

I watched her and she smirked at me then moved her hand more up to where my belt was. She was playing a dangerous game and I didn't like it. I slapped her hand away and she grinned more and place her hand time on my belt, I gulped.

"Do you agree Mr. Gonzalez?" Someone asked and I snapped my head up.

Ms. Cumming moved her hand from my lap and I let out a sigh of relief.

A few minutes later, the guy next to her stiffen and watched her, she just winked.

As I came out of my oce about 1 pm after nishing up some work, I saw Ms. Cumming and the guy from earlier stumbled out from a room. They were xing their clothes and grinning at each other.

"Good, see you then", she spoke and hung up.

I watched my phone, 6:30 pm; I slept for an hour and a half.

When I returned to the building it was 1:45 pm, Ms. Cumming wasn't behind her desk.

I opened the door to my oce and stopped when I saw Ms. Cumming sitting on my desk,

"Okay, do you want us to pick him up so we all can drive to your place together?" She offered. "Yes that'll be great", I nodded.

I decided to take a shower and get started on dinner, I only hire my chef when I know I'll be

My chef was preparing a nice breakfast buffet for us, I called him last night after Amelia

"Wow, so much breakfast menu", Alejandro commended. "Compliments to my hardworking chef", I stated.

"I can't wait to move to Florida permanently", he added as we dish out our food. Dad watched him silently, he still wasn't very fond of him to much.

Alejandro grew up, let's just say on the more lower class than us, we had healthy meals
