

Ex-husband Goes Money Comes Chapter 292

“Don’t call me Russell, I find it disgusting! Rebecca, if you dare to do anything to Sherlyn, I won’t forgive you!”

He struggled to free himself and ran downstairs.

Rebecca looked at his back. Her facial features twisted, and she felt extremely angry.

Out of anger, she smashed the huge blue and white vase in the aisle.

Rebecca knew it very well.

Tonight, Viola escaped. Stanley’s reputation was completely ruined! The Falcon family might even face a lot of trouble!

But all of this was not important to her!

Even if Rebecca could not destroy Viola, she had to at least destroy Sherlyn!

Behind her, Camilla was dealing with the media in Stanley’s room.

Dillon had already gone downstairs to deal with the garden. They did not even have time to push out the giant tower cake for this banquet. More than half of the guests could not stand the exciting scenes on the big screen and insisted on leaving.

Rebecca ignored it and ran down the stairs as if she was mad,

planning to catch up to Russell and take the shortcut to meet Sherlyn

personally.

Get Bott

Just now, after Sherlyn finished her performance, she toasted with a

few members and drank a mouthful of juice in the backstage room of

Butterfly Girls.

However, after only a few minutes, she resisted the pain and planned

to go to the bathroom.

She walked along the aisle and leaned against the wall in a daze. She

was carried directly to the basement by a rough, bearded man...

The door of the basement was closed, and subtle sounds were

coming from time to time.

Rebecca brought five bodyguards with her and rushed over with a

camera, intending to take some photos of Sherlyn.

The door opened, but she was greatly disappointed by the situation

inside.

Sherlyn leaned against the corner of the wall, holding a bloody steel

stick in her hand. Although her entire body was trembling, she still

behaved toughly.

The originally exquisite performance suit on her body was torn apart

everywhere, but her eyes were firm and determined. She was not in a

lousy state at all, and she planned to fight to the end.

Just now, she only took a sip of juice with medicine. The effect of the

medicine was not strong. Sherlyn barely held on.

“What’s going on? Why haven’t you hurt her yet?”

Rebecca was about to explode in anger.

She even wondered if she had bad luck recently!

The man who had been beaten up by Sherlyn was tentatively

approaching Sherlyn. When he heard Rebecca’s voice, he hurriedly limped over to Rebecca.

“Ms. Falcon, this woman is so strong! I really can’t beat her!”

“Good-for-nothing!”

Rebecca slapped him until he felt dizzy. She glared viciously at

Sherlyn in the corner and roared at the bodyguard behind her.

“All of you, destroy her together! 200 thousand dollars each!”

The eyes of the bodyguards immediately lit up, and they rushed towards Sherlyn.

“Don’t come over! Don’t!”

Sherlyn waved the stick wildly, unable to withstand the strength of

several bodyguards at the same time. Her weapon was instantly

taken away.

She fell into extreme panic and despair.

However, Sherlyn would rather die than be touched by these filthy

men!

Sherlyn held on to her last breath, intending to commit suicide.

However, before the group of bodyguards could touch her snow-white shoulder, they were kicked to the ground by Russell,

who had rushed over. The first bodyguard’s arms broke

immediately.

Then, the second one, the third one... All of them were thrown to the

ground.

Wails and screams rang out one after another.

Rebecca, who was leaning against the door with her hands crossed, did not even have time to react when she realized that all the bodyguards had been knocked down. She did not even see Russell's attack clearly.

Russell squatted down and quickly took off his suit, tightly wrapping Sherlyn's body. His large palm forcefully grabbed her face, forcing her to open her mouth and not bite her tongue.

"Sherlyn, it's me! Sorry, I was late!"

Sherlyn was originally struggling with all her might, but when she heard his familiar voice, she finally relaxed and fell into his arms, crying out loud.

Russell carefully patted her back to calm her down.

However, his entire body was also on the verge of going berserk. His

eyes were cold, and his aura was cold and terrifying.

Rebecca saw the scene of the two getting close, and the last bit of reason was burned away.

Rebecca rushed up and tried to pull the two away with a twisted expression.

“Russell! Why are you treating me like this? Why! I’ve liked you since

Chapter 202. Ya/ the Waret.

I was a child. It wasn’t easy for me to get the chance to get engaged to you. You’ve rejected me time and time again, but you treat other women better than me! Russell! What right do you have to treat me like this!”

Rebecca seemed to get angrier as she spoke. She used her hands to

hammer Russell's arm crazily. Her facial features were ferocious,

and her entire heart was wrapped in jealousy.

Russell did not move. His eyes became more and more malicious. He

could not bear it anymore and slapped her.

Rebecca was a delicate and spoiled girl. She was unable to withstand

his strength and was knocked down by a palm.

Russell slapped harshly.

Half of Rebecca's face was covered with a bright red swollen mark,

and the corner of her mouth was bleeding.

She was stunned for a long time, and then she covered her face with

one hand. "You hit me? You actually hit me?"

Russell's eyes were filled with anger. When he looked at Rebecca, he felt disgusted, as if he had swallowed hundreds of flies.

"I never hit women, but you are worse than a beast!"

After he finished speaking, he wrapped his arm around Sherlyn, who was becoming more and more unconscious, and turned to leave the

basement.

“Russell...”

Rebecca reached out to grab his trousers, but she failed. She could

only watch helplessly as Russell carried Sherlyn away.

“Ah!” She covered her head and screamed like she was crazy.

She planned all of these for half a month. Now it was all ruined. She

was on the verge of collapse!

Russell came out of the Falcon’s house. He first carried Sherlyn back

to the car and ordered the driver to take care of her for a few minutes

before turning around and entering the Falcon's house.

The situation in the garden had stabilized.

Dillon condescended to apologize. Only then did he pull back many guests, but half of them had already left.

A fancy banquet hadn't even started for a few minutes, and it was

already a mess.

Everyone had different thoughts in their minds.

Russell walked into the garden with a cold aura. He directly stood on

the stage, took the microphone, and said to the guests below the stage without hesitation in a hoarse voice.

Russell said, "Hello, everyone. I have news to tell you today. From

now on, I'll break off my engagement with Rebecca. Moreover, all

the companies under my name will forever stop their cooperation with the Falcon family!

"The Falcon family, be careful!"

After he finished the last sentence, he slammed the microphone on

the stage and left angrily.

The microphone was thrown to the ground, making a dull sound, followed by the ear-piercing sound of electricity.

Russell's words caused a stir among the guests.

The guests who had just been stabilized by Dillon at the scene felt excited again!

It was outside the main gate of the Falcon's house.

Ormand slowly walked out with Viola in his arms. Just as he was

about to get into the car, he heard a solemn announcement from

Russell.

Viola gave him a thumbs up. "Russell is awesome! He is indeed my good brother!"

"Yes, you are the same!" Ormand curled his lips into a smile and

carefully placed her in the backseat of the car.

Viola consciously moved inside to let him sit in.

As the car door closed, the noise in the Falcon family villa was isolated.

Todd acted as the driver. He drove the car towards Viorin.

Viola was actually a little curious about what had just happened.

“Orin, when you were at the door of Stanley’s room, why were you so

sure that the person inside was not me?” she asked.
