

Ex-husband Goes Money Comes Chapter 325

Viola had no choice but to persuade her brothers.

She bit her lips, and tears rolled down her cheeks.

Viola said in a tearful voice, "My life is important. However, isn't Ormand's life important? He will die because of me. If it wasn't for him, I would be the one lying on the bed. How can you be so ruthless to him?"

The three men fell silent simultaneously.

Russell was clear about what Ormand had done for Viola in Washington. At Rebecca's birthday banquet, Russell had talked with Ormand and admired his candor.

Russell felt sorry for Ormand. He got up and said, "Viola, you should give Bentley and Bobby some time to think the problem

over."

Viola didn't agree with Russell.

Bentley and Bobby still have a lot of time, but Ormand doesn't. Viola thought.

Determined, Viola looked Bobby in the eyes.

"Ormand lost his parents when he was still a little child. Javon brought him up, but he grew up in loneliness. He is quite different from me, who grew up in love and indulgence from

“That’s why Ormand cherishes love from others. He is always devoted to me. He is afraid that I will abandon him.

“He never thinks of tying me down with his love after finding out that he will die soon. He was afraid that his death would break my heart, so he planned to die alone somewhere. I would still be in the dark if I didn’t find some clues.

“Bobby! I will never meet another man who loves me wholeheartedly like Ormand in my life. If Ormand dies, my heart will die with him! He is sick now. If you love me, you should accept and help him!

“Please believe me. I am no longer a child. I can protect myself. I will bring the Super Serum back safely! I promise that I won’t get hurt.”

Bentley and Russell sighed. They became hesitant and looked at Bobby for a final decision.

Bobby lowered his head with a complicated expression on his face. He remained silent for a long time.

“Bobby, please!” Viola shouted.

The tears couldn’t hide the sadness and determination on her

face.

Seeing Bobby hesitating, Viola got close to him.

Bobby went over.

It would be a lie if Bobby said that he didn't feel sorry for her little sister, whom he had spoiled for years.

Bobby yielded. "Okay. You can do whatever you want. We are on your side and will take good care of Ormand for you. However, you have to promise me that you will come back even if you fail to get the serum. Your safety is the most important thing to us. Don't do stupid things! Don't be stubborn!"

"Bobby..."

Viola hugged Bobby and cried in his arms, showing her fragility in front of her brothers.

This wail broke the hearts of the three men, so their eyes turned red.

After the cry, Viola calmed down. She assigned some tasks to her brothers.

Russell learned to take care of Ormand in the ward.

Bentley found Kolby, checked Ormand's medical records, and tried to find a way to treat Ormand's eyes.

Bobby, on the other hand, enhanced the security measures around Viorin.

Viola wiped away her tears and refined her makeup. Then, she went out of the living room and found Todd.

Viola wore delicate makeup, but Todd still knew by her red eyes that she had cried.

BUL

“Take care of yourself, Ms. McGraw. Mr. Hobson counts on you now.”

“Don’t worry, I’m not that weak.”

Viola gave Todd a task. “Please move to Viorin after I leave. Work with Russell to take care of Ormand. Ormand will feel bad after I leave. Soothe him then.

“He can’t see, so he can’t serve in National Investigation Bureau for the time being. Communicate with Ronian, but don’t tell him the truth. Apart from my brothers, allow nobody, including Javon, to see Ormand during my absence.”

Todd was stunned at first. Then, he asked, “Are you planning to go abroad and deal with Jerry alone?”

Viola did not want to hide her plan from Todd, so she nodded.

“I’ll go with you. It is reasonable that you go abroad with a bodyguard by your side,” Todd blurted out.

Get Homso Viola was a bit surprised. "Don't you want to stay to keep Orin company? I know that he considers you his brother. I will feel relieved if you stay and take care of him."

"Yes, I consider Mr. Hobson my brother too. However, this trip is dangerous. Mr. Hobson wants to live only if you are alive. I will protect you for him."

Viola was a little hesitant. "However, Orin..."

"Don't worry. With your brothers around, Mr. Hobson will be fine. Ms. McGraw, don't say no. Please let me go with you!"

Viola agreed since Todd seemed determined.

When everything was ready, Viola contacted Jerry again. She bought two tickets to fly to Lisbon in Portugal the next morning

In the evening, Viola went to Ormand's ward. Russell was dozing off on his bed.

Viola walked over softly, and Russell, a light sleeper, was awake. "He hasn't woken up yet. He called your name twice. He didn't sleep well."

"Thank you, Russell. Go back to your room, and I will take care of him tonight."

Russell felt sorry for Viola. "You will take a plane early in the Chapter 325 My Heart Will Die

Ga Bonet morning tomorrow. Why don't you go take a good rest? I can take good care of him here."

"I can't sleep. Perhaps, I can sleep here."

"Alright. I will leave you alone." Russell gave up. He got up, went out, and closed the door.

Ormand was still sleeping.

In sleep, his brows were knitted together as if he was in a dilemma.

Viola carefully lifted the blanket and then lay on the bed. She moved into Ormand's arms and gently smoothed the knitted brows for Ormand with her fingers.

Because of the familiar scent, Ormand moved close to Viola, but his brows were knitted tighter.

"I'm here. let's go to sleep together." Viola patiently kissed Ormand on the forehead and rubbed the back of his head.

Ormand clutched Viola's clothes and murmured with a low and husky voice in his sleep, "Don't go... Don't agree with Jerry. Don't marry him. Viola, don't..."

“No, I will only marry you. You are my only love. My name will appear on the gravestone next to yours.”
Viola pressed her face against Ormand’s forehead and repeated her words patiently.

The fragrance from Viola made Ormand relax his eyebrows gradually. Then, Ormand slept soundly.

Viola leaned on the bedhead and fell asleep.

Several hours later, dawn broke.

Todd wanted to knock on the door but worried that the noise would wake Ormand up. We can’t leave if Mr. Hobson wakes up. Todd thought.

Todd softly and silently pushed open the door. Then, he saw a loving scene on the bed.

Now, he had no choice but to be a villain.
