

Ex-husband Goes Money Comes Chapter 355

Waiting for the wedding day was exceptionally torturous.

Viola muddled through the last two days.

On the night before the wedding, Jerry had someone send the wedding dress to the small apartment.

She touched the expensive wedding dress in front of her and felt it was ironic.

This was the first time she had a wedding and the second time she wore a wedding dress.

She originally thought that she would never have the chance to wear it again in her life, but she never thought that this time, she would marry a man she did not love.

“Viola, do you like it? I asked the most famous designer in Portugal to make it in a week. This is the only one in the world.” Jerry stood at the door and stared at her quietly.

“What is it?” Viola withdrew her hand that was stroking the wedding gown and sat down beside the bed with a calm expression.

“These past few days, I have been taking care of Todd as I promised you. The injuries on his body have mostly healed. You don’t have to worry about him.”

Viola breathed a sigh of relief and did not say anything

Jerry explained the process to her, "After the wedding ceremony is officially held, I will put Todd out of the dungeon. Then when we spend a good night together, I will get someone to hand serum over to Todd and send him back to the United States overnight."

"Got it."

She was expressionless and lifted the quilt. "Go back to Alez Palace. I'm sleepy. I want to sleep."

"Alright, then I won't disturb you. Good night, Viola."

Viola ignored him. He helped her close the door and left the small apartment.

The moment he left, Viola sat up from the bed and stared at the small plane that Bobby had given her before. It was placed on the dresser.

Tomorrow night, after confirming that Todd had obtained the serum, Viola would make a move.

If Jerry wanted to have sex with her, she was going to die with him!

All of this was about to end!

The same night.

Someone held a special amnesty and silently entered the dungeon.

When Todd was sleeping in a daze, he heard the sound of the cell door opening.

Aman dressed as a guard walked in.

Todd sat up immediately and narrowed his eyes vigilantly. "That bastard can't wait any longer and wants you to kill me in secret?"

The guard took out the amnesty order from his pocket and handed it to him. Then he said in Portuguese, "You have been released. I am here to take you away."

Looking carefully at the amnesty order, Todd was confused. "Why did Miguel release me?"

The guard did not explain. He took the key to untie the heavy anklet for him. "Let's go. You'll know the answer soon."

Helped up by the guard, Todd walked out of the cell with heavy steps.

In the past few days, Jerry had found a doctor to apply medicine to Todd, but the doctor had not used any good medicine. After that, Todd felt extremely painful. Besides, his wound was also constantly bleeding.

After six to seven days of torment, the injuries on his body only recovered a little.

The guard was the first to walk in front. He glanced back from the corner of his eye. It seemed like Todd had not recovered from his injuries. Todd walked very slowly and was far behind him.

Then the guard quickly ran back to support him.

“Thank you,” said Todd.

When they passed by the cell next door, Todd stopped and asked the guard, “The one locked in this cell is a girl. Can I ask Miguel to let me take her away from here?”

“Well...”

The guard showed a troubled expression.

Todd continued to explain in Portuguese, “She shouldn’t have committed any crime. She was

involved in a multinational trafficking case. According to the rules in Portugal, prostitutes must be twenty years old. She is not twenty yet. I guess they didn’t want to pay her living expenses for this month, so they sent her here.”

“Then I will contact the Duke, if it is really as you said it should be no problem for you to take her

away.”

“Okay.”

The guard took out his mobile phone and asked Miguel while Todd was waiting in the corridor of

the cell.

In a few minutes, Miguel agreed to it.

When the cell next door opened, the girl who curled up in the corner trembled. She didn't dare to look at the door and buried her head.

"It's me." Todd walked over and squatted in front of her, gently patting her tiny arm.

"You?"

Hearing his familiar voice, the girl raised her head in shock. "Why are you in my cell?"

The moment she raised her head, Todd's gaze met a pair of clear eyes.

Since the girl's face was dirty, her facial features could not be seen. She was very thin. She was malnourished as if she had been abused for a long time.

But Todd felt that with such a pair of beautiful eyes, she should not be ugly in the future if she put on weight.

He rubbed her head and said in a weak and gentle tone, "I was released. I came to take you away."

"Really?"

"Yes, let's go," said Todd as he nodded and held her hand.

In the corridor of the dungeon, the guard was walking in front while Todd was supported by the girl as they followed behind.

After coming out of the cell, the girl had been staring at Todd's face, making Todd a little uncomfortable.

“What’s wrong with my face?”

The girl shook her head and said seriously and shyly, “You are so handsome!”

Todd laughed. He was not as handsome as Ormand and Jerry.

“That’s because you haven’t seen a more handsome man.”

“No, everyone has different tastes. In my eyes, you are the most handsome!”

Todd had never heard such praise. Although it was a little embarrassing, he also felt sweet.

“What’s your name? Where are your parents? I’ll send you back to your parents when we get back to

the United States.” Todd changed the topic.

The girl did not answer and asked, “What is your name?”

“My name is Todd.”

“Then I’ll be called Tanya from now on!”

Todd was speechless.

How could a person get a name so casually?

The girl was very happy to have a new name.

“I have already figured it out over the past few days. My father must have been instigated by my stepmother to sell me for money. I don’t want to contact him anymore.”

“If you don’t contact him, what will you do in the future?”

The girl gripped his arm tightly and stared at him expectantly with her sparkling eyes. “I want to follow you! I’m easy to feed! I definitely won’t spend your money randomly. Just give me a loaf of bread for every meal!”

Todd was lost for words.

Ever since Todd was young, he had been training, completing missions, and taking care of Ormand. It was the first time Todd was asked to take care of a girl. He couldn’t do it.

Thinking of this, Todd threatened her. “Do you remember the ghost story I told you two days ago? am the kind of pervert who kills people like flies in the story! If you follow me, you will not have a good ending! I will eat people!”

He thought that the girl would be afraid, but he did not expect her to look at him with a face full of worship. “Come on! Todd, you must be good at fighting. You are so amazing!

Todd was dumbfounded.

The girl looked at her arms which were thin and weak because of malnutrition. She looked uneasy. “I’m too thin. I don’t taste good. Todd, why don’t you fatten me up before eating me?”

Was it the way he thought?

Since he had seen too much of Ormand and Viola's love for each other, Todd felt that he was no

longer pure!

The girl saw that he did not speak and remembered that he was put into the dungeon because he

stole things. Thus, she thought that he had no money,

"If you can't afford to raise me, I can also earn money to raise you! However, I might not earn

much. You have to be careful with money!"

Todd didn't say anything

Did this girl mean that she would follow Todd anywhere?

Todd had never been this speechless in his life!
