

Ex-husband Goes Money Comes Chapter 369

Leia was very thin and light. She swung her thin legs but was unable to get rid of Ormand.

“Mr. Hobson, I... I was just joking with her...” Todd quickly ran up to them and rubbed his hands together nervously.

Ormand looked at him and suppressed his anger as he ordered, “Hurry up and take your woman away! If you dare to hurt her again and make her come to Viola to complain, you will be severely punished!”

“No! This will not happen again!”

Since Ormand rarely punished him severely, Ormand was obviously truly angry this time. Todd was scared and took Leia away from Ormand.

Leia pouted angrily. She wrapped her arms around Todd’s neck and threatened him with a fierce gaze.

“You heard it! Someone has my back now. If you dare to tell me you don’t want me again, Mr. Hobson will beat you up with a leather whip!”

Todd and Ormand were rendered speechless at the same time.

Viola covered her mouth and laughed.

Leia was really a cunning girl. Just like that, Leia got herself a guy to fall back on. Viola found that Leia was quite similar to her.

Considering Todd was so not flirty and romantic, Viola was afraid

Gebore o

that he would be so obsessed with Leia one day.

Viola walked over and tapped the tip of Leia's nose. She corrected Leia. "That's not what the leather whips are used for. Be careful with this word. It's adult stuff."

"You mean sex?"

Leia looked at Ormand thoughtfully, then looked at Viola. She smiled slyly. "Last time, I heard Todd say that you are more powerful than Mr. Hobson. So will you punish Mr. Hobson with whips, Viola?"

Both Ormand and Viola were lost for words.

This time, it was Todd's turn to hold back his laughter.

"Let's go. When will you stop thinking? If you keep talking, Mr. Hobson will get angry! I will beat you up then!" Todd turned around and walked into the car with Leia in his arms. He quickly shoved Leia into the passenger seat.

Viola smiled helplessly. She took Ormand's hand and interlocked her fingers with him. "Ormand, you are so obedient. How could I stand punishing you with whips, right?"

Ormand felt much better and nodded in satisfaction. He sat in the back row with Viola.

Not long after, the four of them returned to the Hobson's house.

Along the way, Leia kept telling dumb jokes, which she was very good at, and kept the rest laughing and the mood upbeat.

The car passed through the winding alley toward the Hobson's

house. Before they reached the entrance of Viorin, they saw a beautiful figure waiting outside the villa and leisurely pacing back and forth.

Viola was the first to see her. That woman obviously had been taking good care of her skin, and it was almost impossible to tell her age. She was wearing haute couture from head to toe and looked very elegant. However, her face was unfamiliar. Viola had never seen this face before.

The woman at the door saw them walking over and smiled at Ormand, "Ormand, long time no see."

The familiar tone made Viola subconsciously frown. Viola wanted to get her hand out of Ormand's, but Ormand wouldn't let go.

Ormand was also looking at the woman, his eyes filled with surprise. "Auntie."

Auntie?

It was Javon's youngest daughter, Alina, who was in her thirties. Viola had heard that Alina had been living abroad and would never marry. It was almost the new year, and Alina had probably come back to celebrate the new year with her family.

Viola felt embarrassed. Alina looked so good and young, so Viola thought that she and Ormand had a fling or something.

Ormand stepped forward and introduced Viola to Alina. "Auntie, this is my fiancée, Viola."

"Nice to meet you, Alina."

Viola smiled and greeted Alina politely.

Only then did Alina look at Viola, but her expression gradually turned cold. Alina looked obviously displeased. "Why is it you? You are Ormand's fiancée?"

Viola was puzzled. She and Ormand looked at each other. Neither of them understood what Alina meant.

11

“I have always been Ormand’s fiancée. Is it some rumor you heard?”

Alina replied, “Not long ago, the Princess of Portugal held a party. You’ve put on quite a show on stage and might not have paid attention to the audience. I was also there.”

Viola was stunned.

Since Alina was there, she must know about Viola’s wedding with Jerry. No wonder Alina was so aggressive.

“There was a reason for that...”

Viola tried to explain, but Alina coldly withdrew her gaze, stepped forward, and grabbed Ormand’s arm. “Come with me. I have to talk to you in private.”

Ormand was dragged away.

Viola watched the two go to a corner to talk. Viola’s eyes drooped, and she looked a little lonely.

Todd noticed it and came over to comfort her, “Don’t worry, Ms. McGraw. She doesn’t know the whole story. She might say

something unpleasant to Mr. Hobson, but Mr. Hobson always

Chapter 369 His Own Kid

believes you.”

“I know.”

Viola replied.

Viola didn't know what she was afraid of. She was afraid that Ormand would suspect that this child was Jerry's because of Alina's words.

Ormand wouldn't.

Viola touched her belly. Though she had just got pregnant and couldn't feel the child, Viola knew that a new life was growing here.

It was her and Ormand's child!

Seeing that Viola was stroking her belly in a daze, Todd was worried that Viola would overthink this and hurriedly gave Leia a look.

Leia immediately understood what he meant. She went forward, took Viola's arm, and continued to tell Viola jokes.

Viola was soon distracted. She let Leia take her into the house.

Alina dragged Ormand to a corner in the garden.

“Alina, you’re making Viola overthink by doing this. In my place, there is nothing Viola can’t hear. I keep no secrets from her.”

“Are you blaming me?” Alina was not pleased.

Ormand lowered his head and did not reply. It was a silent yes.

Alina was pissed. But Ormand was her favorite nephew, so she did

not scold him and only said, “Do you know what Viola has done in

Portugal?”

“I know.” Ormand nodded with a calm expression.

“You know?” Alina was shocked. “Since you know, why don’t you

call off the engagement with her? She went to Portugal to marry

another man and was even pregnant with that man's child.

"That day, her pregnancy made her vomit in public at the party. The

whole upper class of Portugal knows about this. Moreover, she and

that man were all lovey-dovey at the party! You can even stand

that?"

Ormand was unhappy when he heard "lovey-dovey".

But Ormand soon concealed his unhappiness and said calmly,

"Alina, you misunderstood. The child in Viola's belly is mine. And

she went to Portugal because of me."

"Huh?"

Alina was baffled and stared at Ormand in disbelief. "Are you crazy? Do you enjoy being cheated on? I saw it with my own eyes at the

party. How could it be false? She had admitted that the child in her

belly belonged to that man. You want some other man's kid?"

"I

Ormand was speechless.

That was his kid!

o And if any man had ever wanted some other man's kid, it should be Jerry.
