Someone below saw this scene and could not help but laugh out loud.

This was the most humiliating and embarrassing: Why to lose in front of everyone!

He had been in the underworld for decades, but now one had crushed him before! He could not accept this result!

“Go to hell”

Just as Viola turned around and was about to walk down the stage, William suddenly launched a sneak attack from behind and he was fast.

Alishia and the others were pissed off because of William’s loss. When they saw him make another move, they instantly stood up in excitement.

Almost in an instant, before everyone could react, they saw extremely last figure suddenly rush onto the stage and kick William away.

Before William even touched Viola’s hair, he was kicked several feet away, spitting out a large mouthful of blood.

Russell stood in front of Viola and his expensive black suit pants were still clean.

He stared at William and said in a cold tone, "It's a rule to admit defeat and take the consequences. How dare you blindside him from behind? How shameless are you?"

Albert Wilson, who had previously sparred martial arts with William, also stood up and yelled angrily

"William, you have seriously violated the rules of the competition. I have contacted the National Martial Arts Association to remove you! Get lost!"

"No! No way!"

William couldn't believe it. He had been counting on the support of the Martial Arts Association. If he was publicly

removed, no association would want him anymore!

Then he would be finished for the rest of his life!

Before William could recover from the shock and collapse, Brenda was pushed onto the stage by the maid.

She picked up the microphone and announced loudly.

"The Callis family is ashamed of William's sinister move. We have decided to blacklist him and forbid him from mingling with any of the Callis family!"

She used for a while and called in security guards over. "And now, chase him out immediately!"

The security guards quickly took action and drapped William out.

Albert didn't feel anbarressed. He looked at Viola with admiration and asked, "I saw that your jujitsu moves are unique. Could it be that youtube the only disciple of the langs foreign master, Elena?"

when he said thuis, everyone lookeilat Viola in 2112120Cnt.

“No wonder she doesn’t even put William in his cucs. So she is Elma’s disciple!”

“And she is his only disciple, she must have got all his skills. William was meant to lose!”

“No wonder she was so arrogant just now! She has the power to be arrogant! ti makes sense.”

The people who yelled at Viola before all bean to flatter her:

“Ms. Zumthor, are you interested in joining the Washington branch of the National Martial Arts Association and becoming the vice president?” Albert offered a position for Viola.

Hearing this, Alishia and Whitney, who were below tiesiape, were furious.

They wanted to make Viola suffer, but in the end, not only did Viola win the competition, but she was also in the limelight. Even Alberi offered a position for hier so dumbly.

Viola was just an orphan. She was born to be a lowly bitch without parents!

She didn’t deserve it at all.

“No, I’m not interested.” Just as Alisha was jealous, Viola said to Albert with a long lace.

The audience was in an uproar.

“The National Mairil Arts Association was a place that inany people wanted to enter desperately. Viala was a girl, but she had a chance to become the vice president. It was everyone’s dreuil

But she turned it down..

Albert shook his head in disappointment. He thought that Viola was young and arrogant,

Below the stage, ever since Jaylin learned that Viola was Elena's disciple, she kept typing. Her expression was serious, and she seemed to be busy with something

Alisha glanced at her and said in a bad tone, "Laylivi, look at what you've come up with! This bitch will probably be even more arrogant in the future and will even look down on us!"

Jaylin was looking intently at her phone screen when a smile suddenly appeared on her face.

"Don't worry. This matter is not over yet!"

Alishe was confused and about to ask when Jaylin stood up and righteously accused Viola

"Everyone, don't be fooled by her! It's impossible for her to be Elena's disciple!"

As she spoke, she walked up to the stage and such

the microphone from Neenda's hand

Everyone was dumbfounded

Albert was even more puzzled he asked, "What do you mean, Ms. Ilawortli before. It is indeed Hena's move!"

ve Seen Ms.Zumthor maka move

Viola stood quietly on the right side of the stage and looked at maylin with a faint smile. She did not intend to explain.

she had never said that she was his disciple,

I was their idea.

Russell stood next to her and called out to her in a low voice with deep eyes.

Viola understood what he wanted to say and motioned for him to ignore everything

She wanted to see what Jaylin was up to!

“When I was studying abroad, I was fortunate enough to see Elena through a friend from afar. At that time, the little guy behind Elena was clearly a boy,” Jaylin explained calmly, raising the microphone

“In order to confirm this, I just contacted a foreign friend and learned that Elena’s disciple was her relative. That was why she accepted the boy.

“And this woman on the stage is apparently not Elena’s disciple!”

What she said was the truth, so Albert was somewhat confused.

“But the moves she used were clearly.”

Jaylin continued to say, "She stole those moves!"

The crowd suddenly became lively and began to discuss.

Stealing other people's moves was a very shameless behavior in the martial arts world, and it was even worse than William's sneak attack

If it was confirmed, not only would Viola be blacklisted, but she would also be hunted by the people from the National Martial Arts Association, she might be disabled!

Jaylin saw that they were discussing and she continued to say, "Everyone think about it. This woman came from Washington's orphanage. There is a gap between her and Elena. So, she must have stolen her skills! She was shameless and hateful."

Just as the atmosphere was grim, a burst of laughter suddenly came from the side.

Jaylin turned around and looked at Viola, who couldn't help but laugh coldly. "What are you laughing at?" Jaylin asked in confusion.

Viola withdrew her smile. She was in sportswear, but she still gave off a cold and arrogant aura.

She said, "Ms. Haworili, you are so confident. Aren't you afraid of being wrong?"
