Chapter 1211

	shock, Renee entered the bathroom.
107	"What What are you doing?' Stefan was
W	frozen, so pale he looked like he had seen a
h il	ghost. He dared not move at all.
e	"I'm going to take a bath," Renee muttered
s	tonelessly. After that, she slowly walked
t	towards the shower and stood in front of
e	Stefan, facing him. "I'm too hot. I need to
f	shower."
а	"I Umm" Stefan couldn't look away as
n	water flowed down her body. Her long hair
W	was drenched, and so were her clothes. They
а	stuck to her body, showing off her curvy
S	figure.
t	His mouth went dry, and he stared at her
а	hungrily. 'Damn it, she's not helping the
k	situation!' "It's so refreshing!" Renee sighed
i	blissfully and leaned her head back to enjoy
n	the water splashing on her face.
g	"Woman, what are you trying to do?' Stefan finally growled. At first, he was embarrassed
а	since he was naked. Though his sculpted
S	body looked like a piece of art, he was still
h	very shy about showing himself in front of a
o w	woman.
e	However, it was clear that Renee was
r,	unconcerned. Even though she was standing
h	under the shower and facing him, there was
е	no trace of desire on her face-she looked like
h	she was just there to take a bath. Naturally, he
е	relaxed.
а	"Hmm, it's so refreshing It feels great!"
r	Renee ignored his words and touched her wet
d	hair, looking innocent and happy.
S	"You want to seduce me but you pretend like you're not interested in me.
0	Why?" At first, Stefan wanted to pull her over
m	and interrogate her. If her answer satisfied
е	him, he might have even granted her wish. But soon, he realised something was odd.
n	She showered and
o i	talked, but she didn't
s	seem to notice him at
e	all. Was she
	sleepwalking?
Н	After the realisation dawned on him, he held
е	his breath and did not move. There was a
t	saying that people who were sleepwalking
u	should not be awakened, or else, they would
r	be scared to death.
n	If she suddenly woke up and found that she
е	was showering with a naked man, she might
d	be very humiliated even if she was not scared
а	to death.
r	"Cutie, let me hug you." Halfway through her
0	bath, she reached out and hugged his neck. She then whispered, "After I moved, I didn't
u	hug you for a long time. I miss you so
n d	much"
, a	Stefan was silent. He let her hug him, and
n	stood rooted to the spot. He did not dare move
d	at all, despite his discomfort. This was a test of
_	his morality, and his willpower as a man.
t	The problem was that the woman in his arms was beautiful

It was very hard not to get S suspicious. Was she pretending? Maybe she b was actually trying to take advantage of him. 0 dy But even if he had his doubts, he did not dare to wake her up. 	chest, and his body felt hot.
S	He suppressed his urge to go to her
t	and thought to himself, 'Just hold
e	on until she's done touching me.'
f	"As expected, you're the most
a	obedient one. You're so nice to
n	touch" She patted his back while
	talking.
W	He figured that she would stop after this, so he heaved a sigh of relief.
a	However, she suddenly turned back
S	around and touched his bottom with her hands Stefan nearly choked.
	'Damn it! You're killing me!'
t	"Cutie, sleep with me. I'm done
a k	showering. I feel so refreshed,"
i	Renee begged Stefan, whose face
n	was flushed.
g	Stefan said through gritted teeth, "Yes,
	we can sleep together, but can you
i	please keep your hands to yourself?
n	You touch anything you can get your
	hands on. If you do this I"
s	"Come. Let's go." Renee held
1	Stefan's hand and led him forward.
0	That scene was so sensual that Stofan didn't know how to respond
W	Stefan didn't know how to respond. He was left with no options, so he just followed her out of the bathroom.
h	Luckily, she laid in bed and slept
b	after she walked out of the
r e	bathroom. She continued sleeping
a	soundly and stopped making a
t	fuss.
h	"Phew!" Stefan sighed softly and
s	wiped away the sweat on his
	forehead. He felt like he had just
	walked a dangerous path and
н	emerged alive.
i	The next day, Renee woke up with
S	a serious headache. She looked down and noticed that she was
	merely wearing thin pyjamas.
h	To her immense surprise, when she
a	turned around, she saw Stefan
r	sleeping soundly beside her.
t	"Ah!" She screamed and shook him,
	trying to wake him up. 'What What
w	did you do to me? Wait I know! You
a	took me to have those weird dishes
s	and got me drunk. You must have
	been up to something!"
p	Stefan had only slept for less than an
0	hour the whole night. He looked at her
u	sleepily, dark circles under his eyes. He frowned and said unbappily." Don't
n .	He frowned and said unhappily," Don't steal my line. Didn't you have ulterior
d	motives when you seduced me? N
n	"I seduced you?" Renee burst out furiously. "I don't have to seduce you,
g	you're always so
_	ready and eager. If I so much as
i	suggested it, you would have
n	thrown yourself at me. Do I have to
	seduce you?"
h	Stefan was at a loss for words as
i	he pursed his lips. Although her
s	words were harsh, he couldn't deny
	they were true. It seemed like he

w	would lose his aloof image as a
0	distant president.
u	Renee inspected her body and
1	found nothing amiss. To her
d	frustration, she had no recollection
	of what happened the night before.
a	"Last night You didn't touch me, did you?" She shamelessly asked him.
1	"What do you think?" Stefan
W	became angry as he stared at her
a	body. "Can't you tell whether I
у	touched you or not?"
s	"Logically, I can tell, but I can't
	eliminate the fact that sometimes,
b	you're very" Renee started
e	arrogantly, but trailed off when
	Stefan glared at her fiercely.
r	After all, no man could bear to be regarded as weak in that aspect.

	eaning to her words, and shot her a cold glare.
	"Nothing. I didn't say anything." Renee did not want to suffer, so she kept quiet.
и	"Really?" Stefan smoothly got on top of her, and his
W	hot gaze covered every inch of her skin. "You don't
h	think I can? Men can't claim that they can't do it."
a .	Blushing, Renee suppressed her laughter and said,
t	"You'll soon know whether I can do it or not."
	After that, he lifted her chin and kissed her. His
a	large hands did not hesitate to touch her body
r	too.
e	"Mmph!" Renee's eyes widened in shock, and her
V	mind went blank. She didn't expect him to be so bold!
y o	Gosh! Why was she entangled with him again for no
u	reason? No, she could not let it happen. She had to
	defend herself against him this time around.
t	Renee, be strong! If you don't, you'll get entangled
r	with him again.'
у	"No!" She then kicked him off the bed, and
i	wrapped the blanket around her tightly. She
n	pointed at the man beside the bed and growled, "Mr. Hunt, places behave veurself. Den't forget."
g	"Mr. Hunt, please behave yourself. Don't forget that you're about to get married.
	Please don't be a scumbag who cheats on their fiancee!"
t	Although Stefan was on the floor, he angrily said, "I
0	behaved myself, but you were shameless. You
	seduced me again and again. If I felt nothing, I
S	wouldn't be a normal man." "No, you're just trying to
a	shift the blame. You got me drunk and took me to a
y	hotel. You even slept in the same bed as me and tried
?	to take advantage of me, didn't you?"
n	"You don't believe me?" Stefan frowned slightly and
	took his phone out before he threw it at her, showing
S	her the video he recorded the night before. "Look at
t	this. I don't accuse anyone wrongly."
е	"What's this?" A crease formed between Renee's
f	brows as she looked at the phone with confusion.
a	It seems she had ran into the bathroom last night and
n	wanted to shower with him. She even touched him all
	over. At last, she led him out of the bathroom.
r	"Cutie, smile. You're so nice to touch"
е	"Cutie, where's your fur? You're so slippery. You have no fur now?"
a	"Cutie, let me hug you. Why does it hurt? It doesn't feel nice to hug you."
I	She had said many things in the video. All her
i	reckless words had been recorded, and it was just
s	too embarrassing.
е	Stefan slowly smoothed his clothes and said
d	coldly, "Do you know that I can sue you for sexual
	harassment and have you arrested based on this
t	video alone?"
h	He recorded the whole process last night to
е	prove his innocence. Now it seemed like he
r	made the right decision.
е	If not, he would
	never be able
W	to prove his
a	innocence.
S	Renee was
	speechless.
a	She lowered her head, too embarrassed to say
n	anything else. She wanted the ground to open up
	and swallow her.
U	He had not harassed her—she had harassed him!
n d	Now it seemed like he was indeed an honourable
	gentleman because he did not even touch her
e	under those kind of circumstances.
r	"Why? You have nothing to say now, do you? You
V	were so confident just now, weren't you?" When
y i	Stefan saw her obedient and submissive expression,
n	he could not help but feel amused.
n a	"I… I'm sorry. I was wrong last night. I didn't
g	behave" Renee scratched her hair and frowned. "I
m	don't know why I started to sleepwalk again out of
	the blue. Maybe I have been very stressed lately."

	." Renee sleepwalked when she was young,
	and it scared her parents out of their wits. Her
и	whole family did not even dare to take a
D	deeper breath for fear of frightening her.
0	Renee recalled her past and explained, 'My
	parents tried everything to cure my
у	sleepwalking. They tried both traditional and
0	modern medical treatments on me. Well, to be
u	honest My mom even found a traditional
	trick to cure me."
S	"Traditional trick?"
I	"Yes, it's called spiritual calling. She found an
е	expert on it who came to my house to call my
е	spirit in four different directions The expert
p	claimed that my energy was too weak, so I was
W	attacked by something evil. That was why I
a	started to sleepwalk."
1	"That's pure superstition." Stefan was full of disdain.
k	"Yes, it is, but I never sleepwalked again after
?	that. I don't know why I started to do it again
,,	recently. Could it be Was I attacked by
u	something evil again?"
ſ	"Of course not!" Stefan glared at her.
d	Surprisingly, he seemed to be worried about
i	her. He then said icily, "We have to believe in
d	science. You're strong and lively, so nothing
	would dare to attack you."
W	"Yes, that's true.* Renee nodded. She was not
h	blind-she could see how worried he was
е	about her. Warmth bloomed in her heart like a
n	flower, and joy filled her. She had to hide that
	warmth so no one could discover it.
1	"But you've been calling me 'Cutie' all night. Who is that?" Stefan asked curiously.
W	"Er" She smiled awkwardly. "Cutie was my
a	dog. We were very close, but it disappeared
S	after a while."
a	Stefan's face sank, and he felt like scolding
k	her. "So, you regarded me as a dog all night?"
i	"No, I wouldn't dare." She quickly dodged him
d	and took the chance to put on her clothes.
	Amidst the banter, sparks flew and feelings
b	grew.
u	As he looked at Renee, memories flashed in
t	Stefan's mind. They were about Renee
1	"Agh" He groaned, holding his aching head.
h	"What's wrong?" Renee nervously went to him and held his shoulders.
a	"It feels like someone's cutting my head open
V	with a knife Agh, it hurts so much!" Stefan
е	sounded agonised.
n	"Let it go. Stop thinking about it Close your
't	eyes, and relax.* Renee felt very sorry for him.
d	She kneeled on the plush carpet and
0	embraced him as if she was coaxing Adie or
n	Abby.
е	Silence ensued. Stefan felt the warmth
	from her body and smelled her soothing
it	scent. "I'm sorry." After he regained his
i	wits, he carefully pushed her away.
n	"It's fine. I know that your body isn't very
	good right now." Renee felt a bit awkward as
у	she smoothed her clothes.
е	"That's right. It's all because of you and your
a	brother." His gaze was glued on her as he said
r	icily, "So, keep that in mind. You'll always owe
s	me!"
	Renee was stunned. She had a glib

"Are you going to persuade her?" Renee rolled her eyes and scoffed,	"You're wrong. The so-called 'Night
'Stop messing around.	Demon' is the cause of this tragedy,"
Υ	Stefan sneered, then pushed past
0	Renee into the ward.
u	"Hey, you" Renee tried to go after him, but was stopped by a nurse.
,	"I'm sorry, I can't allow you to enter since
r	the patient isn't comfortable around you.
е	We can't afford the patient's condition
	worsening," the nurse explained carefully.
t h	"No way! He can go in, so why can't I?'
e	Renee spluttered in shock. To her
C	disbelief, the chaos in the ward faded a
С	few minutes after Stefan walked in.
a	Eventually, he walked out of the ward,
u	looking as elegant and poised as always.
s	"Why did you come out?" Renee peered
е	into the ward and asked suspiciously,
	"What's going on in there? Why didn't I
0	hear anything?"
f	"She calmed down. The nurse is setting
	up an IV drip for her and tending to her," Stefan calmly replied.
a	"What? What did you say to her?!"
I	"Nothing. I just asked her to rest well and get better so she can get her
I	revenge."
	"What?! Why would you say such a
t	thing? She finally escaped from
h	Benjamin, but you want her to go back
i	and get revenge on him? Are you trying
S	to ruin her?" Renee asked angrily.
,	"Who said I asked her to take revenge

but now, she seems to hate him. Why's that?" Renee asked Stefan curiously. She felt that he probably knew the reason, which was why Joanne felt like she owed him. "Yes, I do know," he said bluntly. The Untouchable Ex-

Chapter 1216

"Great! Tell me what happened between Joanne and my brother so I can help mend their relationship," Renee said happily. Stefan raised an eyebrow. "No." Renee blinked at him, dumbfounded. A slow smirk curved his lips. "I know what happened, but why should I tell you?" "You..." Renee was about to curse him, but stopped herself. Gritting her teeth, she forced a smile onto her face and said sweetly, "Mr. Hunt, Master fiancee. Hunt, Stefan... please tell me. You know how important this is to me. Just do Wife something good and help a girl out, okay?" Stefan replied with a shrug, "I'm sorry, I don't feel like doing something good." "What?" "I said... I won't do it." Renee's eye started to twitch. Was this man trying to be funny? "I appreciate your efforts in trying to make a joke,

closely at her and smirked. "Maybe you have something you can offer me instead." Renee's eyes widened slightly. "Are you kidding me right now? Don't you have any empathy? If we resolve the grudge between my brother, you, and Joanne, wouldn't it be good for all of us? Our families could finally work together! Why don't you want to tell me what happened?" "The foundation of cooperation is compatibility, so you have to make me happy before we cooperate. Once I'm happy, I'll tell you everything," Stefan said meaningfully. "You're ridiculous!" She clenched her fists, controlling her urge to hit him. She knew that cunning fox of a man was trying to trap her, but she was left with no other options. She could only willingly walk into his trap, and that infuriated her. "What is it you want from me?" "I told you... You've got to make me happy." Stefan's eyes gleamed victoriously. "That same old story..." Renee growled. "Let me think... I'm hungry now. Eat with me." "No, I don't..." Renee was about to refuse, but paused. Narrowing her eyes, she forced herself to say, "Sure. Master Hunt, what would you like to eat? I'd love to accompany you. I guarantee that you'll have a great meal." Stefan was amused by the glare she was giving him, and said solemnly, "I would like to have Western food today." "Sure, let's go. I'll even pour your wine for you and cut up your steak for you," Renee muttered furiously under her breath and bowed sarcastically. Stefan rolled his eyes and walked past her, looking very proud of himself. They had just stepped out of the elevator when they saw someone walking towards them-it was none other than Seraphina, Stefan's Stefan's expression changed slightly, and Renee couldn't tell if he was happy or upset. Renee subconsciously stepped away from him, feeling like a homewrecker that had been caught in the act. "Stefan!" Seraphina threw her arms around his neck and hugged him, then kissed him deeply. "I finally found you! Do you know how much I've suffered? They nearly caught me and got me into telecom fraud!" The Untouchable Ex-Chapter 1217

Stefan knitted his brows and carefully put Seraphina's hands down, then said lightly, "Didn't I ask you to wait for me at home? Why did you come here?'

"I was worried about you, so I pestered Mr. Young to tell me where you are. After that, I took the earliest flight to come see you." Seraphina clung to Stefan intimately.

"That blabbermouth had one job..."
Stefan's handsome face was filled with fury, and his gaze was frighteningly cold.
The reason he didn't want Seraphina here was because a dangerous place like this was unsuited for a naive young lady like her.

y o miss me?" Seraphina pouted.

"I'm happy you're here, but you

shouldn't have come."

"Why not? This is a well-known tourist spot, so I came to visit. Do you really think they'd kidnap me and sell me?"

"You have no idea what the people here would do to you, especially since you came alone. You're lucky nothing happened to you, or else, I'd feel guilty for the rest of my life." Stefan reached out and gently touched Seraphina's face. "You're my fiancee. Don't make me worry about you."

"Don't worry, I'm the lady of the Murphy family, so no one would dare to touch me. See! I'm fine." Seraphina batted her eyelashes at him coquettishly and twirled around. Then, she looked at Renee and flashed her a fake smile. "Miss Everheart came here alone too. She's fearless even though her family is so poor and shabby. She's safe, so what should I be afraid of?"

Renee was speechless. She sneered, "Thank you for your concern, but I'm only safe because I'm lucky. My friend nearly lost her kidneys, Miss Murphy, so don't let your guard down. Who knows... You might wake up with no organs."

Seraphina's face turned livid before she gritted her teeth and said, "Miss Everheart, are you worried about me or are you cursing me? I have the Murphy family to back me up as well as

Stefan's protection, so I'm very safe. I suggest you mind your own business."

Renee spread her hands and said indifferently, "I was just trying to be nice ... Well, forget it. Do whatever you want!"

Seraphina ignored Renee and turned to Stefan. 'Stefan, aren't you here for work? Why are you with Miss Everheart? And why are you in the hospital?"

"An old friend of mine encountered some trouble, so I came to help," Stefan said vaguely.

"An old friend?" Seraphina hurriedly asked, "What kind of old friend? Why is your friend here? Do I know your friend?"

"No, you don't, so you don't have to ask." He quickly ended the discussion. He didn't want to expose too many things to her.

He knew that this kind of mentality was wrong. After all, Seraphina was his fiancee and future wife. Logically, he should talk to her about anything that happened in his life.

Unfortunately, he didn't feel like he wanted to. He had no memory of Renee, and there was resentment between them, but for some reason, he wanted to talk to her and tell her everything.

Meanwhile, Renee was feeling like a third wheel. Finally, she cleared her throat and said awkwardly, "Ahem, well... Master Hunt, can I go now since your fiancee is here and you don't need someone else to eat with you?"

"No." Stefan refused her and explained snidely, 'Yes, I have someone to eat with, but I need a plaything to relieve my boredom." What?"

The Untouchable Ex-Wife

Chapter 1218

"Go with us to relieve our boredom,"

Stefan said casually. Renee was

flabbergasted.

"You don't want to?" Stefan noticed Renee's expression and smiled lightly." If you're unwilling, I won't force you, but... I do have the habit of telling stories at the dining table."

"No, I want to. In fact, I would love to eat with the both of you." Renee faked a smile and gritted her teeth. If it were not for the fact that she wanted to find out what happened between her brother and Joanne, she would have punched Stefan by now.

She had never met a man as annoying as him!

"I'm sure it's unnecessary." Seraphina looked at Renee with disdain. "Miss Everheart, I'm sure you know that absence makes the heart grow fonder. It's been a while since Stefan and I met, so we have a lot to talk about.

Won't you feel awkward if you come with us?"

"Hah, of course not. We're all friends. Why would I feel awkward?" Renee smiled insincerely. 'Of course I'll feel awkward, but I have no choice. I don't want to go either!'

Renee had come this far, so she had to be brave.

"You!" Seeing how shameless Renee was, Seraphina did not know what to do for a moment. After all, things might turn ugly if she persisted after Stefan agreed to it.

"Fine. I don't care if you want to be a third wheel, go ahead and eat with us." Seraphina lifted her chin and pretended to be generous.

Finally, they went to the most famous restaurant nearby. It usually frequented by couples, so people rarely went there in groups. The waiter had a complicated expression when the three of of you going to dine here?" "No." Stefan shook his head. "Two."

The waiter glanced at Renee and Seraphina before saying awkwardly, "But there are three of you."

"One is here to entertain us, so she's not included." Stefan smirked. Though it sounded absurd, it seemed normal coming from a rich and dignified man like him.

The waiter then led them to their table.

All the tables in the private rooms only came with two seats, so Renee had no

idea what to do. Where was she supposed to sit?

The Untouchable Ex-Wife

Chapter 1219

Renee looked around and did not notice any extra chairs, so she said to the waiter beside her, "Mister, can you get me a chair?"

"Umm, about that..." He looked like he was in a difficult situation.

"What's wrong? I'm a guest, but I don't have a chair. So, I asked you to get a chair for me. Is it that hard?" Renee glared at him.

The waiter wiped away the sweat on his forehead and said carefully, "I'm sorry. Madam, but it's a table for two. If we give you another chair, it'll affect the atmosphere in the restaurant as well as the dining experience."

"Are you kidding me?" Renee was speechless. What kind of restaurant was this?

"Of course he's being serious." Seraphina sat across from Stefan and said sarcastically, "It's a table for two, so obviously they don't have extra chairs. If I was in your shoes, I'd be sensible enough to go to another restaurant instead of making things difficult for the waiter."

Renee was already annoyed, and now, Seraphina had pushed her patience past its limit.

"You're right-it doesn't make sense to have a third person here since it's a table for two. You have to be sensible too, so get up!" Renee barked at Seraphina, and grabbed her chair.

"W-What do you mean? This seat is mine! Why should I leave?" Seraphina did not expect Renee to fight back, and was furious when Renee tried to snatch her seat.

"Who told you this seat is yours? Does it have your name on it?" Renee asked rudely. "Stefan

let me sit here. I'm his fiancee, so of course this seat is mine!"

Seraphina protested indignantly.

"Stefan let you sit here? Does this chair have Stefan's name on it then?" Renee raised an eyebrow. "Umm,

well..." Seraphina couldn't argue with that.

"Get up!" Renee finally lost her patience and grabbed Seraphina's shoulders, nudging her up from the chair.

"Renee, how dare you?" Seraphina stumbled away from the chair, then swung around to glare at Renee angrily. Renee flashed her a triumphant smirk as she sat in the chair comfortably.

Renee then proceeded to ignore Seraphina as she scanned the menu and started ordering dishes. "This looks nice. Oh, this

looks nice too. And this looks pretty good. Bring me all of these!"

She had ordered almost all the dishes on the menu.

After that, she closed the menu with satisfaction. Lifting her chin, she said to Stefan sweetly, "Master Hunt, is there anything else you would like to eat? After all, you're paying, so order whatever you want!"

Stefan pursed his lips, amused by Renee. He looked down to hide his smile and casually flipped through the menu. "Miss Everheart, you might be scrawny, but you seem to have a good appetite... I really don't know where the food goes."

"What did you say? Scrawny?" Renee felt her face turn red in shame, and sat up straighter indignantly, 'TH have you know that my figure is extremely attractive!"

Inwardly, Renee was thinking, 'You know better than anyone how good my figure is-stop lying!'

Stefan slowly looked up and glanced at her indifferently before saying, "But you're still not pretty enough."

Renee was flabbergasted. Unable to accept his words, she immediately snarled, "Excuse me? I bet you just want a woman with big boobs, right?!

You're nothing but a lecherous pervert!"

The Untouchable Ex-Wife

Chapter 1220

Seraphina watched Stefan and Renee bicker with each other like an old couple, and clenched her fists.

"Stefan, it seems a little unnecessary for me to stand here since you're having such a nice chat with Miss Everheart. Why don't I leave you both to your meal? I'll go back to the hotel," Seraphina said airily, and turned to leave.

However, Renee caught her wrist and smiled as she said seriously, "It's not unnecessary at all—you being here is actually very important. You can cut our steaks, pour wine for us, and even serve us dishes."

"Don't test me, Renee! You're the one who should be doing these things!" Seraphina hissed and jerked her hand away.

"Who said that I should do those things?" Renee raised an eyebrow nonchalantly.

"Stefan!" Seraphina snapped.

"Who is Stefan? Why should I obey him?" Renee asked innocently.

"You!" Seraphina's face turned as red as a tomato, and looked like she was about to explode.

When Stefan realised that the two were coming close to killing each other, he said to Seraphina amiably, "Seraphina, you can come and sit near me."

Seraphina's scowl instantly disappeared, and a sugary smile replaced it. "I knew you wouldn't ignore me, Stefan."

She smugly clung to Stefan as she sat on his lap. They looked like a well-suited couple who were about to get married.

Renee bowed her head and sipped her water gloomily.

Soon, the waiter served the dishes.

The food did not taste as strong as the fried spider they had that day. This time, the dishes looked and tasted highly sophisticated.

However, Renee found that she had lost her appetite, and just picked at her food silently.

"Stefan, I want to eat the steak. Cut it up for me, please? I want small pieces because I can't eat much." Seraphina leaned back against Stefan's chest coquettishly and delicately pointed at the steak on the table. Anyone who heard her would feel like throwing up. Renee shot them a vicious glare, then picked up a fork and knife and cut her steak noisily.

Sometimes, she admired women like Seraphina and Briar—acting coy and being flirtatious came naturally to them. She always found it hard to do that. Even when she went on a short honeymoon with Stefan, she couldn't do it.

Maybe it was because she wasn't certain about his feelings, so she couldn't give herself to him wholeheartedly.

After an hour which felt like an eternity, they finally finished their dinner.

Although Stefan did not make things difficult for Renee, she still felt sad and dispirited. Maybe it was because she had to watch them being lovey-dovey with each other.

After Stefan paid for the dinner, he turned to leave with Seraphina.

Renee could no longer keep silent, and stood before them. "Stefan, are you... just going to leave like that?"

"Why not? Do you want to go with us?" Stefan raised an eyebrow and smirked arrogantly.

"No, I ate with you and was forced to watch your disgusting PDA, so you should tell me what I want to know now, right?"

"Sure." After a brief silence, he said, "Go rest first... I'll tell you everything tomorrow morning."
