

Love Between Fairy And Devil (Completed) Chapter 2 - Chapter 1 Chapter 2: Chapter 1

Little Orchid is sitting in a prison cell and looks at the woman outside sitting cross-legged with eyes closed in deep concentration and quiet to the point that breathing sounds cannot be heard.

Not knowing how many days has passed, Little Orchid propped her chin, her face showed worry. That guy outside ... in the end does he even breathe properly ah. If he silenced his breathing like this he will suffocate and by then she will suffer so much!

After all, that body is her real body ah!

While the body she is using now...

Little Orchid caught the silver hair hanging down the waist, and again took the big hand to touch the flat chest for the hundredth and one time, and then sighed, "So hard."

2

The low alluring voice of a male sounded two syllables, echoing several laps in Hao Tian tower before slowly disappearing.

But the two syllables have broken the long-standing silence, and the woman outside the cell finally exhaled a slow breath, and said with eyes closed, "Little flower demon, you dare to play with Ben Zuo's body up and down, then don't blame Ben Zuo for not being polite with your body."

"Calculating in details, so what I feel your chest, a big man like you is afraid of being touched..." Little Orchid paused, immediately blushed and covers face, "Oh ... Hey ... big devil, where did you think I touched? Filthy! You're so nasty! "

The woman's apricot eyes open, a dash of mystery that is unfitting of the face, and gave a ridiculous smile, "A woman that is able to say such words, you are not necessarily pure much."

Little Orchid grunted, and changed the subject, "Are you not the ancient Mo Zun (Demon King)? Legend tells of you being so great at imitating the dog and stealing the chicken, etc. ..." Dong Fang Qing Cang's brows furrow. Little Orchid cannot help but swallow a mouth full of saliva, " You... you are so powerful, think of a way to get out of here.."

Dong Fang Qing Cang closed his eyes, "If you want to get out do not create more trouble for me. "

Little Orchid's eyes glared, "The person being locked in the cell is me ah! How am I supposed to cause you trouble, to say troublesome, you are the very very very troublesome master of someone else's life!"

If it was not because of him, how can she be locked in Hao Tian tower! How is that from a pretty little orchid is then turn into a barbaric and rough male... Although it's the demon's body, the skin seems to be very tender, the figure is very good, good hair, facial features are also very good, and very slender fingers ...

Little Orchid shook her head, ".. If it weren't for a bad luck monster like you, I would not have fallen into this situation!

"Unlucky?" Dong Fang Qing Cang squints, "Dare to call ben zuo like that, your liver is not really small."

Facing the opposite pair of eyes that is clearly hers, yet Little Orchid is stunned and terrified by Dong Fang Qing Cang's eyes, and even her liver is cold while her stomach hurts...

But the fences in front of Little Orchid have help strengthen her courage, she puffs her cheeks, and grunted coldly, "If you have the capability then go ahead and attack me!"

Hearing this sentence, Dong Fang Qing Cang suddenly grinned, and then grabbed the hair behind the back. While Little Orchid is glaring with her eyes, cheeks, and mouth and thus is not reacting yet, the qi on Dong Fang Qing Cang's fingers moves. That long hair up to the waist "swish" one sound, and all was cut off.

Little Orchid went stiff.

Head ... hair, her hair ...

Dong Fang Qing Cang play a bit with the broken hair in his hand, "Brain is not smart, but the hair is quite beautiful." Finished speaking, he casually threw the long hair strands down. Shiny beautiful hair strands like a peacock's tail litter the ground. Dong Fang Qing Cang sat down and pulled on the ear-length black hair strands left. He crossed his legs, and laughs in a presumptuous and awful manner, "What, did you forget, right now, you are in my hands. "

Demon! Frenzied devil with no conscious!

Little Orchid was almost kneeling down. She looked at her hair strands littering the floor, and was distressed for a bit then remembers that she needs to seek out revenge on the culprit!! She fiercely glares at Dong Fang Qing Cang and shouted, "I'm not finished with you!"

Little Orchid pokes hands behind the back, pulled out the silver hair, copies the same posture as Dong Fang Qing Cang , the qi between the fingers moves...

She wanted to cry after that.

Inside Dong Fang Qing Cang's body, she does not know whether she does not know how to control the qi or that there was no qi, she does not even know how to use a spell...

Dong Fang Qing Cang has expected the results, the curve on his mouth grew several parts wider, "Want to cut ben zuo's hair, you'll need to cultivate for a million more years.

Little Orchid bit her teeth, "I do not believe it!" Finished speaking, she rolls several volumes of hair, fiercely pull, and pulled out the roots and ends. The pain sent a shiver to the whole body. She sees Dong Fang Qing Cang went stiff and his smile died out. Little Orchid endured the pain, copies his appearance/posture, and also gave an insidious, vicious grin, Today let this lady make you go bald."

Dong Fang Qing Cang sullen, "Stop it."

When the voice finishes, Little Orchid pull out four-five more strands.

Dong Fang Qing Cang narrowed his eyes, "You dare to be so presumptuous, I shall cut off your arm."

Little Orchid heard this and was angered, "You dare to cut my arm then I dare to cut off your neck!"

"If you continued to be chatty, ben zuo will cut your tongue off!"

"You dare to cut it off! I'll give you an execution blade from the palace for you to castrate!"

Speaking harsh words in such situation, the two became silent, staring at each other for a while. In the end Little Orchid's eyes burn, she blinked twice, and then saw her hair strands on the floor.

Her heart felt wronged and sad, [she] sat down and hugged her knees. Her eyes started to turn red and tears patter to the ground.

Gone.

She can no longer make beautiful braids, and can no longer put flowers in her hair. It is all thanks to the great devil who has given her this. The rest of her life can only be spent in a cell, everything is gone...

Dong Fang Qing Cang outside the fence [of the cell] looked at his body all curled up and hugging his knees. Using his hoarse and magnetic voice to cry hu hu in utter sadness and pain.

His chest hurt in an unimaginable way.

"Do not cry," he demanded bluntly.

Little Orchid was extremely sad, heard his words, and thus ended up crying even more so.

Dong Fang Qing Cang felt that the crying sounds were like a ghost claw from his own throat that scratches into his head, even more unbearable than when Chi De woman carried the icy Xuan Bing sword [needle] that pierced into his energy channels.

"Stand up!"

Little Orchid raises her head, and stared at him with a face full of the tears and snot intermixed "You give me back my hair!"

Seeing her face so messy, Dong Fang Qing Cang restrained the pain within his chest and said, "You stand up first!"

"Give me back my hair first!"

"Fine!" Dong Fang Qing Cang rotates his palm, the hair strands on the ground flew up, and one by one each strand reconnected. In a short period of time, the waterfall-like hair resumed its intact-form it had in the beginning, "Stand up!"

Little Orchid stares foolishly at the reconnected hair, and was astonished to the point of forgetting to seek revenge from Dong Fang Qing Cang, "My body... when did you learn this spell?"

Dong Fang Qing Cang gave a despising glance at Little Orchid, "Clean your face for ben zuo."

The hair has been connected, and so Little Orchid is no longer sad. She concentrates on wiping her nose and tears with the sleeves.

Dong Fang Qing Cang sat back, looked at her and said, "Dare to threaten and make ben zuo bend [in favor for you], you are the first."

"Making me cry in a male voice, you are also the first person to do so since the past to present." Little Orchid wiped her face, and angrily turned to him, "I do not want a to stay with you a quarter hour longer! Speak! Do you have a way out of this tower?!"

"Of course."

"What?"

"Blow up this tower."

Dong Fang Qing Cang said so casually and succinctly, as if he was going to squash a mosquito to death.

Little Orchid heard this and was stupefied. After that she desolately hung her head, and mutters pitifully, "It's over, I will never see master again in this life."

Cannot blame Little Orchid for thinking so, Hao Tian tower is an ancient object. To blow it is easier said than done, not to mention they have physical exchange their bodies. Little Orchid cannot find any form of strength in Dong Fang Qing Cang's body, and even if she finds it, she cannot utilize the power of the demon.

As for Dong Fang Qing Cang ...

Little Orchid can only laugh ha ha. She is very clear in her body how much it weighs, even if Dong Fang Qing Cang can reconnect her hair back, but he cannot change the fact that in her body is only a few hundred years of immortal power(cultivation). That strength is no problem in defeating several little demons, but the issue of exploding Hao Tian tower, would have to wait for her to cultivate ten thousand years for an attempt at this.

Little Orchid's nose burns. Remembering the moment when she encountered Dong Fang Qing Cang, she felt that her life must be punished/compensated the loss for a moment of curiosity.

"How can you be so stupid during that time, you have already robbed my body, you should have use my body to stay outside ah." Little Orchid sorrowfully said, "After that we can collaborate from outside and inside, the possibility of escaping would have been larger than it is now ya. "

Dong Fang Qing Cang gave a ridicule smile, "Before didn't the heavenly realm claim themselves as noble-minded and virtuous, willing to sacrifice themselves for others? Yet, for wanting to escape, you do not mind working ["coordinating outside and inside offensive"] with ben zuo? Are you not afraid once ben zuo is outside, ben zuo will harm people, and cause troubles in people's lives?" He shot a glance at Little Orchid's sitting position, "Where is your moral integrity?"

Little Orchid pouts, "I have already considered these things. Why is there a need for Heavenly soldiers, the Heavenly generals, then the Heavenly Emperor? My master has said that stealing a bowl of food [job] from another is like killing one's mother, I cannot do that."

Dong Fang Qing Cang was silent for a moment and then touched his chin, "Flower demon, follow me and convert to the demon side. You have somewhat of an aptitude."

"No, master will feed me to the pigs." Pausing, Little Orchid sadly sighed, "Already foolishly in here now and even if master wanted to feed me to the pigs, there would be no way to do so ... In the beginning if you were outside, whatever the outcome was, you would have found the demon realm subordinates to help out. Now that you are inside the tower, we are alone with hardship, no help, and cannot go out... "

"Who told you there is no one here to help us?" Dong Fang Qing Cang quietly peered at Little Orchid.

Little Orchid was stupefied, "If not, then who will?" She looked up, down, and around in circles.

The ladder in Hao Tian tower was tightly pressed against the walls. The the middle of the tower was hollow. If one looked around, one can see that hanging at the top of the tower was a pearl. With one glance, one can see the entire area of the tower. If there are other people, it is certain that one will see them immediately.

Dong Fang Qing Cang smiled. He was only curving his mouth casually but caused others to feel unbridled. By having someone stayed inside one's body, one's every movement really brought an outline of distinction and different feeling immediately ah.

While Little Orchid was currently sighing with sorrow, she suddenly heard Dong Fang Qing Cang faintly whispered a sentence, "It's almost time."
