

## Love Between Fairy And Devil (Completed) Chapter 5 - Chapter 3.2

### Chapter 5: Chapter 3.2

In a timely manner, a red shadow from the ruins rapidly jumped out and instantly fled to the sky. He left without a trace. Dong Fang Qing Cang looked away in that direction and gave a cold smile, "Quite fast." But he was not in a rush to chase as he brushed the dust off his body. He then immediately walked to Little Orchid, "Little flower demon, give me back my body."

Little Orchid swallowed a mouthful of saliva, "The thing is..."

"Speak."

"After exchanging back the bodies... you cannot kill me."

Dong Fang Qing Cang was silent for a moment, then laughed extremely evil as always, "Good ah, ben zuo will not kill you."

But on his face the word "lying" is so clear that Little Orchid can see it at one glance. Little Orchid wanted to cry, "Then will not change! Let's do that! This lifetime does not need to change!"

Dong Fang Qing Cang coldly grunted, "This is not something you can decide."

He reached out for Little Orchid. Little Orchid's heart is currently afraid and is not willing to let him catch her,. So she continued to retreat back. Dong Fang Qing Cang frowned, "Stay still for me."

Little Orchid trembled as she looked at him, "Master has said that those of demon realm has to swear in order to be trusted. If they cannot perform vows, then will receive punishment. You go swear, swear that you will not kill me, and I will obediently exchange the bodies back."

Dong Fang Qing Cang coldly sneered, "Has your master ever told you that the people of the demon realm swear to Mo Zun (Demon King)?"

Little Orchid's face paled, this... master really did not say. Then this time it's over. There's nothing to suppress Dong Fang Qing Cang's actions. What's the use in letting him swear to himself!

He saw that Little Orchid stared with a pair of scared eyes as her whole body shivered, and cried desolately. Dong Fang Qing Cang looked at his own face putting on such an

expression. For a good moment later, he felt defeated. He rubbed his forehead as if there was a headache, "Alright, come, I will spare your life after exchanging the bodies."

Little Orchid shook her head like a drum-shaped rattle, "No no no no ... you have to guarantee for me."

Dong Fang Qing Cang narrowed his eyes and forcedly pushed forward, "I said I will not kill you, and thus will not kill you. "

"Who doesn't know that you said so! Do not come close to me!"

Little Orchid continued to retreat back, but suddenly her mind came across a thought –

She is now Dong Fang Qing Cang ah! With Mo Zun's body in her hands, she is the strong one. As long as Dong Fang Qing Cang does not touch her body, it will be okay...

Before Little Orchid can finish thinking, Dong Fang Qing Cang has grabbed her hand and pulled. Little Orchid saw her own face in rapid enlargement and also white teeth...

Cannot let him bite her!

Little Orchid vigorously backtracked herself with all her might but too much strength was used. She only heard "ka" sounded. Dong Fang Qing Cang snorted as the arm that grabbed Little Orchid weakly fell. Cannot believe that Little Orchid has dislocated the joint.

Little Orchid at this time was tormented to the point that she had forgotten that this body could not withstand much longer. She only care to give a huge slap to Dong Fang Qing Cang, "Have said not to casually come close to me scoundrel!"

"Pop" Dong Fang Qing Cang was hit and flew out. The body fell onto the ruins of Hao Tian tower like a kite with a broken string.

Afterwards, there was no breath.

Little Orchid hit her palms and clung onto her chest. She squatted to the ground and shuddered in fear, "I want to see master again. I do not want to die."

After shaking for half a day, the surroundings were the same deathly silence.

At this time, Little Orchid opened her eyes and looked over there— the body was like an abandoned rag doll lying on top of dust. Disheveled hair, a face full of blood, and body limbs twisted in the most inconceivable motion.

Little Orchid swallowed, turned to look at her big hands, and then suddenly realized what has occurred.

She... she seems to have stomped herself to death ah...
