

## Chapter 9

Etchen was immediately stunned.

He widened his eyes and shouted, "What the hell are you doing?! He's just a worthless ex-convict, not some Grandmaster! You've got it all wrong."

Before Etchen could finish speaking.

Smack!

A fierce slap landed heavily on his face.

"Who do you think you are to disrespect Grandmaster Burrey?" Lucy withdrew her hand as she gazed at him icily.

What?

Etchen was dumbfounded. He never dreamed that before he could finish his sentence, he would be greeted with a slap! However, the fiery sting on his face incessantly reminded him that this was all too real!

As the young heir of the Lloyd family in South City, he never imagined that he would be slapped by a woman! How could Etchen endure such humiliation?

"How dare you hit me?" He raised his head abruptly and angrily.

"So what if I hit you?" Lucy looked down on him, not taking Etchen seriously at all.

"There is no 'Grandmaster Burrey' you're looking for here, only a worthless ex-convict! But do you know who I am?" Etchen's face twisted in fury as he yelled.

No one dared to treat him like this in the entire South City, let alone a woman! The woman in front of him had no idea who she had provoked!

However, before Etchen could make any other move.

Smack! Smack!

Two more fierce slaps landed on his face!

Lucy looked down coldly and said, "I said disrespecting Grandmaster Burrey is deserving of a punishment!"

Etchen's face was visibly swollen. He covered his face, staring at Lucy in disbelief. He was about to go crazy!

Normally, it was always Etchen who bullied others. When had he ever encountered such humiliation? Within just a few minutes, he had been slapped three times in a row by a woman!

Moreover, he did not even know who this 'Grandmaster Burrey' was that Lucy mentioned!

"You despicable woman! You're dead! You're absolutely dead!" Etchen's face contorted in fury, almost losing his sanity. He pointed at Lucy and Liam, as if to pull out his phone. "You're all dead! And you worthless piece of trash, how dare you just get out of prison and bring such despicable women from outside to disrespect me! I'll make you pay, you b\*stard!"

Lucy immediately furrowed her brows. She glanced back at the bodyguards behind her.

In an instant, the bodyguards rushed forward, swiftly pinning Etchen to the ground.

"I can't control what you say, but you'll pay the price for every word you speak." Lucy smiled lightly, her beauty mark at the corner of her mouth exceptionally alluring.

Then, she turned her head, respectfully looking at Liam, and tentatively asked, "Grandmaster Burrey?"

"It's up to you to handle him." Liam gave Etchen a cold glance.

"Thank you, Grandmaster," Lucy smirked and said, turning her head to look at Etchen.

"What are you doing? What are you all doing!" Etchen finally realized something was wrong. He shouted loudly, "Let go of me! Who gave you the guts to do this to me? How dare you treat me like this? You all want to die, is that it!"

Hailey also became anxious, shouting beside him, "Let go of my son! Let me tell you, if my son gets hurt in the slightest, you're done for!"

However, no matter how Hailey yelled, no one paid any attention to her.

At the next moment, Lucy said with a smirk, "Break his leg."

"What? Let go of me! Let go of me! How dare you do this to me!" Etchen's eyes widened suddenly, and he began to struggle violently.

However, there was no time for him to react.

The bodyguards on both sides acted immediately.

Crack!

The sound of bones breaking resounded, and Etchen's leg was bent at a 45-degree angle!

He let out a scream like a slaughtered pig. "You bitch, just wait, you're dead!"

However, at the next moment...

Crack!

Another crisp sound could be heard.

Etchen collapsed directly to the ground, unable to make any sound anymore, trembling incessantly!

Lucy looked at Etchen and said, "My name is Lucy Hill. I'll be waiting for you."
