

Fall for You 1018

[Chapter 1018](#)

Zane turned around and saw Daniel, the secretary who had followed Isaac when they signed the contract with the Schneider Group before. He quickly put on a smile on his face.

“Mr. Merchant, I wanted to meet with Mr. Yoder, but the receptionist stopped me. Could you please help me contact Mr. Yoder?”

Daniel’s expression was icy cold, speaking without emotion, “As I just said, Mr. Yoder is currently abroad, and the decision to terminate the contract with the Schneider Group was made by the board of directors. Please go back, Mr. Schneider.”

Seeing Daniel about to leave, Zane quickly stopped him.

“Mr. Merchant, may I ask, why did the Kingly Group terminate the contract with the Schneider Group?”

A flicker of impatience flashed in Daniel’s eyes, but his voice remained devoid of any emotion, “Mr. Schneider, Kingly Group’s collaboration with the Schneider Group is essentially throwing money at the Schneider Group without seeing any return. Therefore, the board of directors unanimously decided to terminate the contract with the Schneider Group. The penalty for breach of contract should have already been transferred to the Schneider Group’s account. Please leave.”

After speaking, Daniel immediately turned around and left.

Zane wanted to catch up, but suddenly two security guards appeared out of nowhere and directly drove him and Lewis

out.

The two were pushed to the ground by the security guards, their faces full of embarrassment.

“Mr. Schneider, do not come to Kingly Group again in the future. Kingly Group will no longer cooperate with companies like yours that are not reputable!”

Zane didn’t expect a security guard to dare to mock him. He angrily said, “Such a lowly view, just you wait. When Isaac comes back, I will make sure he fires all of you!”

The security guard looked at him with contempt, “Mr. Schneider, Kingly Group is no longer managed by Mr. Yoder. Why else do you think they terminated the contract with the Schneider Group?”

Zane was taken aback for a moment, disregarding the other’s mockery, and immediately took out his phone to call Isaac.

As soon as the call connected, he hurriedly said, “Isaac, what on earth is going on with Kingly Group?! They suddenly terminated their cooperation with the Schneider Group today, and the security even said that Kingly Group is not under your management now. Aren’t you the president of Kingly Group?”

The phone was silent for over ten seconds before Isaac’s cold voice came through.

“Mr. Schneider, I was abroad on a business trip and the matters of Kingly Group had already been handed over to other shareholders. Since the contract was terminated, you should seek cooperation with other companies.”

Zane paused, frowning, “But you promised me before, as long as I dealt with...”

Before the conversation was finished, Isaac had hung up the phone, and didn’t answer when called again.

Zane gritted his teeth in anger, and said furiously, “Who the hell does this bastard Isaac think he is?! He’s driving me crazy! I don’t believe that the Schneider Group will go bankrupt if we don’t cooperate with the Kingly Group!”

When he was about to leave, Zane suddenly realized, wasn’t Kiley’s visit to the Schneider Group today, openly and secretly, suggesting that the Kingly Group should terminate its contract with the Schneider Group?!

He hastily made a call to Kiley, his tone much better than before.

“Kiley, how could you actually let Isaac terminate his contract with the Schneider Group?! Everything I promised Sabina before was a lie, the Schneider Group will definitely still be handed over to you in the future. Hurry up and talk to Isaac, ask him to resume his cooperation with the Schneider Group!”,

Kiley was also somewhat surprised, she had never told Isaac to terminate his contract with the Schneider Group.

However... if I could take this opportunity to get the pharmacy shares from Zane, it wouldn’t be a bad thing.

“Dad, it’s not that I don’t want to help you, it’s just that I can’t interfere with Kingly Group’s affairs right now. After all, Isaac and I are not married.”

“You’ve already given him a daughter, convincing him to change his mind should just be a matter of saying a few words!”

Kiley raised an eyebrow, slowly saying, “It’s not that I can’t go and speak on your behalf, but right now, Dad, your words hold no weight. If you could give me some shares in the Schneider Group, then I could help the Schneider Group without any reservations. Don’t you think?”
