

## Fall for You 1019

### [Chapter 1019](#)

Zane was so angry that he almost cursed, but thinking that the Schneider Group still relied on the Kingly Group, he quickly said, "Fine, Dad, I promise you. As long as you can get the Kingly Group and the Schneider Group to resume

cooperation, I will immediately give you 10% of the shares in the Schneider Group."

"Dad, you transfer it to me first, then I'll go find Isaac. Once I become a shareholder of the Schneider Group, I will definitely help the Schneider Group."

Zane fell silent, he was weighing whether giving Kiley 10% of the shares was really worth it.

After a good while, he finally said in a deep voice, "Fine, I agree. Now, come to the Schneider Group!"

In less than two hours, Zane had transferred 10% of his shares to Kiley.

"Kiley, the shares have been transferred to you. You can now contact Isaac to resume cooperation, right?"

Kiley carefully put the equity certificate into her bag, smiling and saying, "Dad, don't worry, I'll talk to him as soon as I get back. I guarantee we'll be able to resume cooperation by

tomorrow,"

"Alright, then I'll be waiting for your good news."

Although he was given 10% of the shares in the Schneider Group, for Zane, the benefits of continuing to cooperate with

the Kingly Group still outweighed the disadvantages.

Upon returning home, Kiley immediately dialed Isaac's number.

"Isaac, I just heard from my dad that the Kingly Group has terminated its contract with the Schneider Group. Can you continue to work with the Kingly Group? After all, Zane is my dad and Denise's grandfather. In the future, the Schneider Group will definitely have a share for Denise. By helping the Schneider Group now, you are essentially helping Denise."

No sooner had the words fallen than Isaac gave a cold laugh.

"Kiley, who do you think you are? Helping Denise?! Don't I know what kind of people the Schneider family are? Cooperating with the Schneider Group, the Kingly Group only gives, there's no possibility of getting anything back. Don't call me again, I won't agree!"

"Isaac, you can't be so heartless. Initially, my father and my aunt acted against Briana Cameron and Maxim just to help you, thus offending the Yoder Group and the Cameron Group.. Now, by terminating the contract with the Schneider Group, aren't you pushing the Schneider Group to the brink?!"

"Hehe, that was his own fault, it had nothing to do with me."

“Isaac.....”

Kiley couldn't help but raise her voice, yet all that answered her was the busy tone.

She fiercely threw her phone on the ground, her face turning ashen with anger.

That bastard Isaac, he initially promised so nicely, but he went back on his word just like that.

If she couldn't restore the cooperation between Kingly Group and the Schneider Group, the 10% of shares she held would probably be taken back by Zane.

No, she had to think of a solution!

In the evening, as soon as Zane got home, he saw Kathy standing at the door with a distressed look on her face, waiting for him.

A sense of foreboding suddenly filled his heart. He quickly stepped forward, “Kathy, why are you here?”

Kathy gritted her teeth and said, “Bro, Kingly Group has terminated its cooperation with the Bynes Group. I was scolded by the old man for the whole afternoon today. I couldn't get through to Isaac on the phone, and I was directly driven out by the security when I went to Kingly Group. What on earth happened?!”

Thinking of the previously highly-praised senior Mr. Bynes looking at her with disappointment, saying that she indeed was not as good as the Bynes family, and asking her to resign and return to the Bynes family to peacefully be Mrs. Bynes, Kathy felt nothing but resentment.

If she really stepped down, she and her daughter would have no place in the cold-hearted Bynes family in the future!
