

Fall for You 888

[Chapter 888](#)

Briana Cameron stared at her phone for a while before quietly putting it back down.

It was not until noon, when Gemma went back to get a change of clothes for Briana Cameron, that Maxim arrived at the hospital.

Seeing Briana Cameron, his eyes were filled with guilt and worry, and he quickly walked to the bedside.

"Briana, I'm sorry, I didn't see your call this morning. How are you feeling now? Is there anywhere else you're not feeling well?"

Briana Cameron's expression was cold as she pursed her lips and said, "I'm fine. If you're busy, go ahead with your work. The doctor said it's just a minor injury."

Noticing her indifference towards him, Maxim's face changed and he sat down directly beside the hospital bed.

"Briana, are you angry?" His tone carried a hint of caution and an unprecedented humility.

Briana Cameron should have been angry, but at that moment, she found herself unexpectedly soft-hearted.

She quickly turned her head away, saying coldly, "No, I just realized that your company, your brother, they are all more important than me."

Upon hearing this, Maxim furrowed his brows, quickly grasping her hand and saying, "How could you think that?! In my heart, you are always the most important!"

Briana Cameron turned her head to look at him, a hint of mockery flashing in her eyes, "Really?"

"I could swear to the heavens, if you don't believe me, you could tell me, what do I need to do to prove it to you?"

Briana Cameron pushed his hand away, "No need, there's nothing to prove, and there's really nothing wrong here, you should go back to work."

"I wouldn't leave until this matter was resolved today!"

A flash of impatience crossed Briana Cameron's eyes as she frowned, "Maxim, can you stop being so childish? I want to be alone for a while, okay?"

No sooner had the words left her mouth than she was swept into Maxim's arms.

Briana Cameron stiffened, and upon realizing, she quickly struggled.

"Let go of me! Let go!"

However, no matter how she struggled, how she beat against Maxim, his grip on her did not slacken in the slightest. Instead, it tightened, as if he was afraid that she would disappear the moment he let go.

It was not until Briana Cameron had no strength left, and was too tired to struggle, that he spoke in a low voice, "Briana, I'm sorry!"

"I knew you said you didn't want to see me, that you wanted to be alone, but I knew those words were not true. You were so angry then, being alone would only make you more upset. I was wrong to neglect you last night because of work, I'm sorry, it won't happen again."

Briana Cameron bit her lower lip, all the grievances and unhappiness from last night to just now suddenly disappeared without a trace, her whole mood improved.

She took a deep breath and said coldly, "You had a gathering with your brothers last night, why didn't you take me with you? Do you think I'm not presentable?"

Maxim was taken aback for a moment, but couldn't help but laugh once he realized what was happening.

Briana Cameron shoved him away, angrily demanding, "What are you laughing at?!"

Her pouting appearance was just too adorable, Maxim couldn't help but pinch her face, laughing as he said, "I'm laughing at your rich imagination! How could I possibly think you're not presentable? It's just that you're too presentable, which is why I don't want other men to see you!"

"If possible, I really wanted to hide you at home, where only I could see you."

Briana Cameron: ".....I didn't believe it!"

Although she said so, the corners of her mouth couldn't help but curl up.

"Really, if you wanted to go, I would have taken you with me in the future."

Briana Cameron curled her lip, "No, I don't want to go!"

"Alright, alright, if you say you're not going, then you're not going. I'll listen to you."

"That's more like it!"

Not long after the two made up, Gemma came back.

Upon seeing Maxim, her face turned cold, and she said irritably, "What are you here for?!"

"Mom, I came to see Briana. I was in a meeting just now, so I didn't make it here in time."

Gemma's face turned incredibly colorful, and she was stunned for several seconds before she gritted her teeth and said, "Who is your mom?! Stop calling nonsense!"

"You knew about my marriage with Briana, you are Briana's mother, which makes you my mother as well."

Gemma:

She really had never seen such a shameless person before!

She looked at Briana

bed with a calm expression, "Briana, you need to make him leave, I don't want to see him."

Before Briana Cameron could speak, Maxim said in a low

voice, "Mom, you don't have to make it hard for Briana. If you don't like me, I'll leave now and come back to see Briana after you've left."

Gemma snorted, "Where were you when Briana had the accident?! You have the audacity to speak so shamelessly now. If it wasn't for me arranging for those two people to protect Briana and call me, Briana might still be at the accident scene!"

Maxim's face changed, his expression becoming incredibly serious and guilt-ridden.

"I was wrong about what happened today, I will definitely be careful in the future, I won't let Briana get hurt again."

Gemma rolled her eyes, speaking in a sarcastic tone, "Anyone can talk a good game, but whether they can actually do it is another matter."

"I knew you wouldn't believe what I said, I would prove it with my actions."

Dissatisfaction still lingered in Gemma's eyes, but she didn't speak anymore.

After all, Briana Cameron was still with Maxim at the time. If he was too hard on him, it would also affect their relationship.

Briana Cameron looked at Maxim and said, "Doesn't your company still have things to do? You should go back to work first, and come back later tonight."

Maxim nodded, "Alright, call me anytime if there's anything."

Gemma on the side couldn't help but sneer, "Don't ignore the calls again, claiming you didn't see because you were in a meeting."

"Mom, rest assured, it definitely won't happen!"

Gemma felt a headache coming on when she heard him calling her mom, she said coldly, "Just go!"

It was annoying just to look at it!

After Maxim left, Gemma put the lunch box on the table, her expression full of disdain as she said, "I don't know what you see in him?! There are plenty of men in Haseton who are just like him. I could find you a better one in a minute!"

Briana Cameron fell silent for a few seconds, then said seriously, "There are indeed many with the same material conditions, but there is only one Maxim. Since I've fallen in love with him, I won't give up so easily."

A hint of helplessness flashed in Gemma's eyes, but she didn't say anything, just sighed.

Throughout the day, many people who knew about Briana Cameron's car accident came to visit her in the hospital.

Not only did Briana Cameron not rest well, but she was even more tired than before the car accident.

"Mom, you asked to stop them, I wanted to rest for a while."

Seeing the fatigue on her face, Gemma also felt heartbroken and quickly said, "Hmm, I let

't let anyone else come to you next, you should rest well."

"Mm-hmm."

Just as Gemma was about to go out and instruct the bodyguards, the door to the sickroom was pushed open, and Aurora walked in with a smile at the corner of her mouth.

"Ms. Cameron, Mrs. Cameron, good afternoon. I went to Graceful Attire today to discuss the direction of clothing design for the next quarter with Ms. Cameron, only to hear that Ms. Cameron had a car accident. How is she now?"

A flash of surprise crossed Gemma's eyes. The relationship

The smile on Aurora's face faded slightly as she raised an eyebrow, "Ms. Cameron, I just heard about your car accident and hospitalization, I came to see you, not to rush you back to work."

Briana Cameron's expression was indifferent. She didn't even bring a fruit basket to visit her. Whether she was here to see her or just to watch the excitement, she knew very well in her heart.

"Thanks for your kindness, Ms. Fredrick. I'm fine and I need to rest now. Please be careful on your way home, Ms. Fredrick."

Aurora wasn't angry either, she smiled and said, "Alright, then I'll go to Graceful Attire tomorrow to talk to Ms. Cameron about work."

After speaking, Aurora gave a slight nod to Gemma and then turned to leave.

Gemma sat down by the sickbed, frowning, "Briana, how did you come to know Aurora?"

"The Fredrick Group was a client of Graceful Attire, what's the matter?"

Judging by her mother's demeanor, it seemed like she didn't really like Aurora.

Gemma sighed and slowly said, "It's not a big deal, it's just that the relationship between the Cameron family and the Fredrick family isn't very good. I'm afraid she might make things difficult for you at work.""

Briana Cameron chuckled, "Don't worry about that. Your daughter is not a pushover. If she dares to deliberately make things difficult for me, I won't let her bully me."

Seeing Briana Cameron's calm demeanor, Gemma nodded and said, "Alright, if there's anything you can't handle, remember to call me."

“Good.”

After leaving the hospital, Aurora drove directly to the Yoder Group.

In her view, aside from being slightly more attractive, Briana Cameron was no match for her in other aspects. As long as she persisted, Maxim would soon realize her worth.

Thinking of the scene where Maxim dumped Briana Cameron for her, a smile unconsciously crept up on the corners of Aurora’s mouth.

Just arrived at the Yoder Group building, and was immediately stopped by the receptionist.

“Ms. Fredrick,” Mr. Yoder had said, “you will not be allowed into the Yoder Group in the future.”

Upon hearing this, Aurora’s face turned livid with anger. She gritted her teeth and said, “On what grounds?! Don’t forget, I am a client of the Yoder Group. If this gets out, it will cause irreversible damage to the Yoder Group’s image.”

A hint of hesitation flashed in the receptionist’s eyes. Although Mr. Yoder had indeed given the order, if the Yoder

Group was affected, it might be him who ended up in trouble.

Seeing her hesitation, Aurora confidently said, “Don’t worry, as long as you let me in, I can assure you of your job. Even if you really get fired by the Yoder Group, I can arrange a position for you at the Fredrick Group, so you won’t be affected.”

No sooner had her words fallen than a cold voice sounded behind her.

“Ms. Fredrick, isn’t it a bit excessive to blatantly poach employees from my company?”

Aurora turned her head in surprise, seeing Maxim standing a few steps away, looking at her with a cold expression. She quickly walked over to him.

“Mr. Yoder, you can’t blame me for this. After all, who asked you to stop the client at the bottom of the company building?”

Maxim’s expression was indifferent as he spoke slowly and not as he spoke slowly and deliberately, “I was a bit busy today, so I haven’t had the chance to inform Ms. Fredrick. As for the cooperation between the Yoder Group and the Fredrick Group, I will arrange for someone to terminate the contract with you. Not a penny less will be deducted from the penalty.”

The smile on Aurora’s face froze, she looked at Maxim in disbelief.

“Have you gone mad?! Do you have any idea that the penalty for breach of contract is several hundred million?!”—

“I knew, but compared to letting the person I like misunderstand, these hundreds of millions meant nothing to me.”

Aurora was so angry that she gritted her teeth, and at the same time, she was even more jealous of Briana Cameron. She couldn't believe that Briana could win Maxim's love, when she herself was clearly the one who was most suitable for Maxim.

"Maxim, you and Briana Cameron are not suitable at all, she is not worthy of you!"

Maxim's pupils contracted sharply, his gaze on Aurora becoming icy cold.

"How did you know that she was the one I liked?!"

"At last night's banquet, you were kissing her in the corridor as if no one else existed. Did you think no one would notice? Moreover, I disagree with the termination of the contract!"
