

Fall for You 951

[Chapter 951](#)

Denise used to visit the Yoder Group frequently in the past, so Rayan prepared some age-appropriate toys for her. When Maxim was busy with work, she would quietly play with the toys on the side.

“Alright.”

Rayan brought over the toy, and after seeing Denise start to play with it intently, he went out to handle his work.

Playing and playing, Denise eventually fell asleep on the carpet.

Maxim glanced over, got up and walked over to her, lifting her up and placing her on the sofa. He then asked Rayan to bring over a blanket.

After covering her, Maxim then turned to Rayan and whispered, “How is it? Have you contacted Kiley?”

Rayan shook his head, “The phone did go through, but no one answered.”

Maxim’s gaze turned icy, he said coldly, “No need to contact anymore, if you still can’t see anyone when you get off work tonight, send the child directly to Isaac.”

“Alright.”

After Rayan left, Maxim unconsciously glanced at Denise, feeling a bit heartbroken.

Such a well-behaved child, how did he end up with parents like Kiley and Isaac who didn’t have a shred of responsibility?

Had he known she would suffer so much, he would not have agreed when Kiley initially said she wanted to have the child.

Evening came in a flash, and Kiley still hadn’t taken the initiative to contact Maxim.

In the afternoon, Briana Cameron called Maxim, saying that there was a dinner party in the evening and he didn’t need to pick her up, so Maxim was still at work.

Denise was awakened by hunger. She opened her eyes to find herself in Maxim’s office, and it took her a while to remember that her mother had sent her to her uncle’s place today.

She sat up, her chubby little hands rubbing her eyes.

“Uncle, I was hungry.”

Looking at her just-awakened and still bewildered expression, Maxim said softly, “I haven’t eaten the dessert you brought over at noon. Come and have some dessert.”

Upon hearing the word “dessert”, Denise immediately perked up and quickly shook her head, “No, that’s for Uncle to eat.”

“It’s okay, uncle wasn’t hungry.”

“No, it was meant for Uncle to eat.”

She jumped off the couch, ran to the table with her short legs, and pushed the dessert in front of Maxim.

“Uncle, you eat, it’s very delicious. Denise has already eaten one. This one is for uncle.”

Seeing the anticipation in her eyes, Maxim put down the documents in his hand, took a couple of bites of the dessert, and nodded, saying, “Mmm, it’s good.”

Hearing this, Denise laughed, her eyes curving into crescents, “Then Uncle, you should eat more.”

“Good.”

Maxim ate half, then handed the remaining half to Denise, “Denise, you eat it, Uncle is full.”

“Really?”

Desire filled Denise’s eyes, but remembering her mother’s words to let her uncle finish the dessert, she quickly refused.

“No need, I’m not hungry, Uncle, you eat...”

Saying this, she couldn’t help but swallow her saliva.

Watching her salivate, Maxim couldn’t help but chuckle, “Uncle really is full, you go ahead and eat.”

After hesitating for a moment, she still couldn’t resist the temptation and took the dessert that Maxim had handed over, finishing it in a few bites.

“Delicious!”

“Let’s go, I’ll take you to have dinner, and I’ll take you home after we finish.”

Denise hesitated, “But... Mom said she would come to pick me up tonight...”

Maxim’s eyes darkened a bit, he said softly, “I can’t get in touch with your mom. After dinner, can I take you to your dad’s?”

[Chapter 952](#)

Denise fell silent, and just as Maxim thought she would refuse, she gently nodded.

“Alright.”

A flash of surprise crossed Maxim’s eyes, and he immediately took Denise out for a meal. After they finished eating, he had Rayan take her to Kingly Group, while he returned to his office to continue working.

Not long after returning to the office, Maxim began to feel something was wrong with his body.

He furrowed his brow, trying to focus his attention on the documents, but there seemed to be a surge of warmth coursing through his body, causing the words in the documents to gradually blur.

Sensing something was amiss, he immediately took out his phone intending to call Rayan.

However, a hand suddenly reached out from one side and snatched the phone from his hand.

He turned his head and saw it was Kiley, a glint of coldness flashing in his eyes.

“Who let you in? Get out!”

Kiley tossed her phone aside casually, seeing Maxim’s face flushed and his expression filled with restraint, she knew her medicine had taken effect.

She flashed a smile, her hands hooked around Maxim’s neck, her breath as sweet as orchids.

“Maxim, I knew you needed me, and I needed you too.”

An idea kept echoing in Maxim’s mind, that was to have the woman in front of him.

He forced himself to stay strong, coldly looking at Kiley and asked, “Was it you who drugged me?”

The smile on Kiley’s lips deepened, “Yes, Maxim, I’ve wanted to be your woman for a long time. After tonight, you will be mine.”

She slowly moved closer to Maxim, noticing his gaze

gradually becoming unfocused, without any concentration. Kiley felt increasingly triumphant inside, and she leaned in with her red lips...

On the other side, Rayan had dropped Denise off at Kingly Group and was about to leave when Denise started acting strange.

Isaac’s face changed immediately when he saw Denise’s flushed face, and he quickly picked her up.

“Denise, what happened? Are you okay?”

He reached out and touched Denise’s face, his hand burning hot. His face instantly turned incredibly ugly, and the look he gave Rayan was as if he wanted to eat him.

“What did Maxim do to Denise?!”

At that moment, Denise was struggling in his arms, “Uncomfortable, headache... Dad, Denise’s head hurts so much...”

While Isaac was soothing Denise, he had Rayan seized,

furiously saying, “I’m giving you one last chance, if you don’t speak, I’ll kill you!”

Rayan looked at Denise, his face also filled with worry.

“I didn’t know, Mr. Yoder just had dinner with her and then asked me to bring her back. Quickly get a doctor to see if it’s a food allergy!”

Isaac said coldly, “If anything happens to Denise, I’ll make your life a living hell!”

After speaking, he immediately left with Denise in his arms.

Half an hour later, the doctor said to Isaac with a grim expression, "Mr. Yoder, Miss Denise has been drugged."

"What did you say?!"

Isaac's face could no longer be described as ugly, it was simply as if he wanted to eat someone.

The doctor handed him the test report, whispering, "You see... this is an aphrodisiac... generally, no one would give it to a child to consume. Could it have been ingested by mistake..."

Isaac's face was icy cold, a thought flashed through his mind instantly.

When Rayan brought Denise back, he told him that it was Kiley who had taken Denise to the Yoder Group.

This medicine could only have been given to Maxim by Kiley, and Denise accidentally ingested it.

As for the reason why Kiley drugged Maxim, he knew what the purpose was without guessing.

This scoundrel!

His hand unconsciously tightened around the report, a wave of humiliation surging in his heart.

[Chapter 953](#)

So, she went to Maxim because he couldn't satisfy her, right?!

Once he caught her, he would surely make her wish she were dead!

The doctor shivered at the icy aura emanating from Isaac, stammering, "Mr. Yoder, I've already arranged for Miss Denise to receive an IV, but her body can't handle various

medications, they're causing significant harm. I estimate she'll need a good period of rest and recovery."

Isaac took a deep breath and said in a low voice, "I understand now, thank you."

"No...no need to thank me, feel free to come to my office anytime if you need anything."

"Mm-hmm."

After the doctor left, Isaac immediately made a phone call, saying coldly, "Find out where Kiley is now, and bring her to me once you've found her!"

"Mr. Yoder, where was Maxim's secretary?"

A cruel smile curled up at the corner of Isaac's mouth, "Just clean up, leave them breathing."

If someone really had been killed, it would indeed be a problem.

"Alright."

After hanging up the phone, Isaac was pondering in his mind about how to deal with Kiley once he found her. This wretched woman had challenged his limits time and again, and now she had even drugged Maxim's daughter. This time, he definitely wouldn't let her off easily.

Maxim's office.

Just as Kiley's lips were about to touch Maxim's, he abruptly turned his head and pushed her away.

"Ah!"

Kiley hadn't expected him to suddenly wake up at this moment. She was completely unprepared and fell straight to the ground.

"Get out!"

A document was thrown directly onto her, the sharp edge scraping across her arm, leaving a streak of blood in an instant. The pain was so intense that she couldn't help but frown.

Looking up and colliding with Maxim's furious eyes, Kiley shuddered, her whole body trembling with fear.

Several seconds had passed before she mustered the courage to approach Maxim, reaching out to tug at his sleeve.

"Maxim, I know you want me too, you don't have to restrain yourself so hard... I'm willing,"

No sooner had the words fallen than Maxim's furious voice rang out, "If you don't want to die, get out of here

immediately!"

He could sense that the heat within his body was becoming increasingly intense. His mouth was dry and his tongue parched, he was on the verge of losing his sanity.

It was easy to imagine what would have happened if Kiley had continued to stay here.

His voice carried a bone-chilling coldness, a touch of fear rose in Kiley's heart, almost making her want to turn and run.

However, after Maxim said those words, he could no longer hold himself up, and his gaze became unfocused.

Kiley took a deep breath and immediately began to undress herself, determined to finish this before Maxim regained his

senses.

No sooner had she taken off her skirt than she rushed forward and embraced Maxim.

At that moment, Maxim had lost all reason, subconsciously gripping Kiley's waist, about to kiss her, when the office door was suddenly pushed open.

"Maxim, what were you doing?!"

The cold voice of Briana Cameron echoed in his ear, finally awakening Maxim's sanity.

Opening his eyes to find himself holding a nearly naked Kiley, a flash of shock passed through his eyes. He quickly pushed her away, forcing himself to look towards the office door despite his discomfort.

"Briana, let me explain..."

Briana Cameron saw his face turn red, his expression full of pain, and immediately sensed something was wrong. She quickly walked into the office.

Kiley's face changed, she picked up the skirt from the ground and was about to put it on, but Briana Cameron snatched it from her, slapping her across the face.

"If you love undressing so much, why bother wearing anything at all? Just go out like this, let others see how good your figure is!"

[Chapter 954](#)

Unexpectedly, Briana Cameron actually resorted to violence. Kiley was slapped to the ground, looking utterly disheveled.

Looking up to meet Briana Cameron's mocking and contemptuous gaze, Kiley gritted her teeth in anger, "Briana Cameron, have you lost your mind?! Are you upset because you saw me in bed with Maxim?!"

Briana Cameron scoffed, "If it weren't for the drugs I gave him, I doubt he would even spare you a glance, even if you were lying naked on the bed, right?"

Kiley was taken aback, not expecting Briana Cameron to have noticed that Maxim had been drugged.

She was about to speak when Briana Cameron picked her up and threw her straight out of Maxim's office.

"Bang!"

The office door slammed shut in front of her, Kiley was so angry that her nose was crooked, she got up and banged on the door.

"Briana Cameron! Come out right now! Give me back my clothes!"

Almost instantly, the voice of Briana Cameron came from inside.

"I advised you to leave immediately. The president's office is monitored. If you continue to stay, perhaps an hour later, your

appearance might be seen by everyone in Haseton."

Hearing this, Kiley subconsciously covered her chest and angrily said, "I warn you, give me back my clothes immediately, or I won't let you off!"

"I've already lost it. If you want it, go downstairs and pick it up yourself."

"You!"

Kiley's face twisted in anger, she had never been so humiliated before, she would definitely not let Briana Cameron off the hook!

At this moment, in the office.

Maxim was like a big, fluffy dog, clinging tightly to her and even attempting to strip off her clothes.

Smelling the scent of his cologne, a flash of annoyance crossed Briana Cameron's eyes. She slapped him away, pulled out her phone, and dialed the doctor's number.

However, the other side never answered, and Maxim kept coming over. Out of impatience, Briana Cameron knocked him out directly and then dragged him into the car to take him to the hospital.

After the doctor had examined him, he immediately gave him an infusion.

He had been on a drip all night, and Briana Cameron had stayed by his side the entire time.

The next morning, when Maxim woke up, he only felt his mouth dry and his head dizzy.

He slowly opened his eyes, the memories of last night suddenly flooding back. The thought of his last memory being Kiley lunging at him made Maxim's face change, and he abruptly sat up.

Realizing he was in a hospital and his clothes were properly dressed on him, he finally breathed a sigh of relief.

Fortunately...

Briana Cameron was awakened by his movements, slowly sitting up to see that Maxim was awake, her expression cooling.

"Since you were awake, I went to work first."

Seeing her about to leave, Maxim quickly grabbed her hand.

"Briana....."

His voice was somewhat hoarse, as if it had been ground by gravel, suppressed and deep.

Briana Cameron turned to look at him, her face expressionless, "Is there something?"

"I could explain what happened last night."

His face looked somewhat unpleasant. If Briana Cameron hadn't suddenly gone to the Yoder Group last night, he and Kiley might have already...

Thinking of this person, he suddenly felt a wave of nausea.

He used to have feelings for Kiley, never thought she would end up like this, so self-degrading.

Alright then, explain," Briana Cameron said, raising an eyebrow with an indifferent expression.

"Yesterday afternoon, she suddenly dropped Denise off at the Yoder Group and then ran off. Later, after I took her out for dinner, I had Rayan take her home."

Briana Cameron frowned, "Then how did you get drugged by her?"

"I also found it strange."

[Chapter 955](#)

Suddenly, Maxim's face turned incredibly pale. The only suspicious thing he had eaten yesterday was the dessert that Denise had brought.

But at that time, he ate half of the dessert and gave the remaining half to Denise.

If he had used traditional medicine, then Denise surely would have too...

Seeing his distressed expression, Briana Cameron asked, "Did you remember something?"

"Where was my phone?"

Briana Cameron handed him the phone from one side, seeing his serious expression, she didn't say anything more, just silently watched him.

Maxim dialed Rayan's number, the phone rang three times, and then it was picked up. However, the voice that came through was Isaac's.

"Hehe, Maxim, you finally remembered your secretary?"

"Where is Rayan now?" Maxim's voice was so cold, it could almost freeze a person to death.

Isaac chuckled lightly, "Let me think, if you come over now, you should be just in time to collect his body."

"Isaac! If anything happens to Rayan, I'll make sure you have nowhere to bury!"

"Hahaha, I'm afraid you don't have the ability now, because you, Denise, almost had an accident. Should this be blamed on your secretary? Speaking of which, he also took the blame for you."

Maxim's hand tightened fiercely around his phone, he said, word by word, "Isaac, if Rayan is dead, I will make sure you and Kingly Group go down with him!"

After speaking, Maxim hung up the phone and dialed another number.

"Summoner, surround the Kingly Group!"

Maxim's expression was icy cold, his eyes filled with murderous intent. He got out of bed, ready to leave.

Briana Cameron stopped him and asked, "Where are you going?"

"Rayan was taken by Isaac, I was going to save him!"

Seeing his still somewhat pale complexion, Briana Cameron frowned and said, "You're still very weak, you rest here, I'll go."

"No, Rayan is my subordinate, I should be the one to save him. I'll arrange for someone to take you to work later, don't worry, nothing will happen."

Briana Cameron gripped his hand, her voice cold as she said, "If you're going, let me go with you, otherwise don't go at all!"

Maxim frowned, looking down at her, his face devoid of a smile for the first time.

"Briana, I didn't want you to be in any danger, listen to me, go to work, be good."

There was not a flicker of hesitation in Briana Cameron's eyes as she stared into his, saying, "I told you, either take me with you or I'll go alone. You choose."

The two stared at each other for a moment, and Maxim finally gave in, saying somewhat helplessly, "Alright, then you come with me."

The two arrived at the base of the Kingly Group building, half an hour later.

The Kingly Group had been completely surrounded by a group of people in black, three layers inside and three layers outside. Onlookers were everywhere, chattering away on the sidelines.

"What's going on?! It couldn't be some kind of evil force, could it?!"

"I figured Kingly Group must have offended someone, otherwise there wouldn't be so many people surrounding them!"

"Anyway, I've disliked Kingly Group for a long time. The company I used to work for went bankrupt mysteriously after collaborating with Kingly Group, and I still haven't found a suitable job. Kingly Group, a cancer in the industry, should have gone under a long time ago!"

Amidst the chatter of the crowd, a silver Maybach pulled up outside the Kingly Group building.

The back car door opened, and a man and a woman got out.

The man was dressed in a black suit, very handsome, but with a cold demeanor that gave off an unapproachable vibe, making him seem not to be trifled with.

The woman was wearing a beige V-neck long dress, with a beautiful appearance that was almost glowing white, and she had a great temperament. At first glance, she was a natural beauty.

In an instant, everyone's attention was drawn to this man and woman.

Maxim had just gotten out of the car when a subordinate hurriedly approached him.

"Mr. Yoder, everything was ready, we could storm in and rescue Rayan at any moment!"

[Chapter 956](#)

'Mm-hmm."

Maxim nodded, "I'll go in first. If Isaac refuses to let people go, I will instruct you on the next move."

"Alright."

Maxim and Briana Cameron walked into Kingly Group together. The receptionist, upon seeing them, looked extremely displeased, but didn't dare to stop them.

The two of them reached the top floor of Kingly Group without any obstacles. As soon as they stepped out of the elevator, they saw Isaac's secretary standing at the door.

"Mr. Yoder has been waiting for you for a long time, please follow me."

After bringing Maxim and Briana Cameron to Isaac's office, the secretary left.

Maxim looked coldly at the person sitting in the seat, calmly reading the documents. His voice was devoid of any warmth, "Where is Rayan?"

Isaac put down the file, casually leaning back in his chair, looking at Maxim with a smirk.

"Maxim, why did you call so many people to surround Kingly Group? Rayan wasn't here."

Maxim's patience had run out, I asked you one last time,

"Where is Rayan?!"

Isaac raised an eyebrow, smiling as he said, "I don't know."

"You were asking for death!"

The moment the words fell, Maxim was already in front of Isaac. Before the latter could react, he had already grabbed his throat.

Isaac's face instantly turned purple from holding his breath, but he still wore a smile, "Maxim, if you kill me... you... will never see... Rayan... again..."

The corner of Maxim's mouth curled up into a bloodthirsty smile, his eyes full of coldness, "Isaac, what I hate the most is being threatened by others."

As he spoke, the force in his hand increased a bit more.

Isaac was already breathing out more than he was breathing in, his complexion was getting worse, and he couldn't help but start to struggle.

Just as he was about to pass out, Maxim abruptly let go of him.

"Cough, cough, cough..."

Isaac was sprawled on the ground, coughing in distress, a flicker of fear in his eyes. He could clearly sense that Maxim had genuinely wanted to kill him just now.

"I gave you ten seconds, if you didn't speak up, you wouldn't need to in the future."

A cold voice echoed from above, a flicker of fear arose in

Isaac's heart, followed by a scoff, "Maxim, do you think threatening me will work?"

Maxim's expression was indifferent as he said slowly, word by word, "You can try."

"Alright, I also want to see what exactly you are capable of."

"I thought, you wouldn't want to know."

With a mocking expression, Isaac said, "I don't believe you can do anything to me!"

Maxim didn't speak again, he just dialed a number directly.

"You could start now."

Isaac looked at him, his voice hoarse, "You're not thinking of letting your minions from Kingly Group barge in, are you? All I have to do is call the police, and you and your minions will be in trouble."

Maxim ignored him, didn't even glance at him.

Five minutes later, the secretary rushed in, his face covered in cold sweat.

"Mr. Yoder, there's been a disaster. Eighty percent of Kingly Group's partners are terminating their contracts, and the trend is still rising!"

A flash of disbelief crossed Isaac's eyes, and after being stunned for two seconds, he angrily said, "Impossible! Have you made a mistake?! Have they gone mad?!"

The secretary wiped the cold sweat from his forehead, "I also hope that I made a mistake, but now developers are

288 Vouchers

stantly calling to cancel contracts. If this continues, Kingly Group will be finished!"

"Damn... What about overseas?! Let them invest in Kingly Group!"

The secretary shook her head, "We can't get in touch at all right now. If we don't stop it, Kingly Group will go bankrupt within the day!"

Isaac was stunned, unconsciously looking towards the indifferent Maxim at his side. It was only at this moment that he truly understood how terrifying Maxim was.

But how did he manage to get so many partners to terminate their cooperation with Kingly Group?!

"Maxim, stop it right now!"

His voice was almost a roar, with a few words even cracking.

[Chapter 957](#)

There was not a trace of warmth in Maxim's eyes as he looked down at him, a hint of mockery flashing in his eyes, almost imperceptible.

"Isaac, weren't you afraid of nothing? How come you're scared now?"

Isaac gritted his teeth and said coldly, "I'll have Rayan brought back immediately! Tell your men to stand down!"

Maxim looked at him leisurely, a smirk playing on his lips, "Are you begging me now, or are you commanding me?"

Looking into his arrogant eyes, Isaac felt as if his self-esteem had been ruthlessly trampled on the ground, his face turning incredibly unsightly.

He lowered his gaze, his eyes filled with hatred.

Just then, the secretary on the side suddenly raised her voice and said, "Mr. Yoder, our company's largest shareholder is planning to withdraw their investment!"

Once the shareholder left, Kingly Group was completely finished!

Isaac's fists were tightly clenched, a deep red in his eyes, almost as if they were bleeding.

"Consider it as me begging you!"

Maxim sneered, "I want to see Rayan within ten minutes."

Isaac took a deep breath and immediately made a phone call to his subordinate.

"Bring Rayan back immediately, you have ten minutes!"

"Mr. Yoder, but we were outside the city now!"

"Flew back in a helicopter!"

Hanging up the phone, Isaac coldly looked at Maxim, "Are you satisfied now?!"

Over the past three years, his self-esteem had been trampled on countless times by Maxim. He originally thought that by now he would have had enough ability to contend with the Yoder Group and trample Maxim underfoot.

At that moment, he was filled with despair in his heart.

This was the despair and panic caused by his self-esteem being destroyed over and over again. He might have to live in Maxim's shadow for the rest of his life.

Soon, the roar of airplanes echoed above the Kingly Group.

A helicopter appeared in the sky and slowly landed on the rooftop of Kingly Group.

The people from Maxim had received the message and were waiting on the top floor long ago. Seeing Rayan, who was covered in blood and without a patch of good flesh, everyone's eyes were filled with anger.

They supported Rayan and took him directly to Isaac's office.

Seeing Rayan in his current inhuman form, a glint of bloodlust flashed in Maxim's eyes as he directly kicked Isaac away.

Isaac's body traced an arc, slammed hard against the wall, and finally fell to the ground.

"Puff!"

He spat out a mouthful of fresh blood, feeling as if every bone in his body was about to shatter, there wasn't a single spot

that didn't hurt.

Maxim advanced towards him step by step, like a terrifying Asura from hell, exuding a chilling aura all over.

Isaac had only seen Maxim like this once before, and that was three years ago when he found out Briana Cameron had died in a fire.

No... It was even more terrifying than now...

But the him now, had already been enough to make Isaac shudder.

He dragged his injured body, trying to retreat, but he didn't even have the strength to stand up.

Maxim walked up to him and stood still, hooking his chin with his toe, his tone icy cold, "Isaac, you really don't want to live, do you?"

Seeing his undisguised murderous intent, fear finally rose in Isaac's heart.

"Maxim, you couldn't..."

Before he could finish speaking, he was kicked again by Maxim.

When Isaac fell to the ground this time, he could no longer

feel the pain, only wishing he could die immediately.

Seeing Maxim's figure still approaching, he couldn't help but cry out in despair, "No... don't..."

Just as Maxim walked up to Isaac, intending to continue scolding him, a hand suddenly grabbed his wrist from behind.

"Maxim, enough."

[Chapter 958](#)

Maxim turned back to look at Briana Cameron, frowning, "Briana, let go!"

Briana Cameron's face was expressionless as she said slowly and deliberately, "There are plenty of other ways to deal with him. Violence is the least effective."

Under her calm gaze, Maxim's anger gradually subsided, as he looked down at Isaac, who was trembling on the ground.

"This matter wouldn't end so easily!"

After speaking, Maxim turned around and left.

After the office was left with only himself, the fear and dread on Isaac's face finally turned cold, and his whole body was

filled with malice.

Maxim!

His fists were clenched tightly, his eyes filled with hatred and anger. He would definitely remember this day, and he would make Maxim pay the price!

Thinking back to how Maxim looked three years ago when he thought Briana Cameron was dead, a cold smirk slowly formed at the corner of his mouth.

He wanted to make Maxim taste the flavor of three years ago
once again!

Just this once, he would make sure nothing went wrong, he

wouldn't give Briana Cameron a chance to survive!

After leaving Kingly Group, Maxim immediately had Rayan sent to the hospital.

After an initial examination, the doctor came to find Maxim with a serious expression, holding the report.

"Mr. Yoder, Mr. Fleming had over a hundred wounds of various sizes on his body, along with soft tissue contusions and multiple fractures. He would need at least a month of bed rest to recover."

Upon hearing this, a chill almost deadly cold enveloped Maxim. He said in a deep voice, "Give him the best medicine, make sure there are no after-effects."

"Alright, Mr. Yoder, rest assured, I will definitely do my best."

After the doctor left, Maxim entered the ward and saw a person wrapped in bandages from head to toe, with only their eyes, nose, and mouth exposed. A flicker of guilt flashed in his eyes.

"Rayan, I'm sorry, if I hadn't sent you to take Denise over there, you wouldn't have gotten hurt like this."

"Mr. Yoder, I never blamed you."

Rayan's voice was hoarse, each word was spoken with great difficulty.

"Don't speak anymore, rest well."

Rayan nodded slightly.

Maxim sat in the hospital room for a while, then stood up and

Dividing into pages now

said, "I'm going back to work now. I promise, I will avenge you for this!"

Rayan wanted to stop him, but Maxim had already turned and left.

He looked at Briana Cameron, "Ms. Cameron... don't let the

CEO...”

He hadn’t finished speaking yet, but Briana Cameron had already understood his meaning.

“Don’t worry, I would persuade him to calm down. However, he definitely wouldn’t let Kingly Group off the hook, and he knew what he was doing. You shouldn’t worry about it, focusing on your recovery is the most important thing.”

“Mm—hmm.”

“I left first, I’ll come to see you next time.”

By the time Briana Cameron caught up with Maxim, he had already gotten into the car and was waiting for her.

Just as he opened the car door, he noticed a bone—chilling cold emanating from him.

Briana Cameron sat down, looking at him and asked, “What are you planning to do next?”

This time, Isaac had crossed his bottom line, he definitely wouldn’t let it go easily.

“Whatever he cared about the most, I destroyed.”

Briana Cameron pursed her lips, “You’re going after Kingly Group?”

Maxim didn’t respond, instead he looked at her and said, “Briana, don’t interfere in this matter anymore, I have it under control.”

[Chapter 959](#)

“It was because I knew you had a plan that I wanted to know exactly what you intended to do. Now, there is a force behind Kingly Group. If you really want to bankrupt Kingly Group, that force won’t stand by and do nothing. After all, they are after the key.”

Seeing her cut straight to the point, a flash of shock passed through Maxim’s eyes.

“How did you know about the key?”

Briana Cameron raised an eyebrow, “You think I know nothing just because you’re hiding something from me? Don’t forget, I am a member of the Cameron family.”

A glint of coldness flashed in Maxim’s eyes as he frowned, “Why would Mr. Cameron tell you something like this.”

He just wanted Briana Cameron to live a happy life, he didn’t want her to get involved in such matters.

“You thought hiding it from me was for my own good?”

“I just didn’t want you to carry some heavy things, which were just burdens for you.”

Briana Cameron couldn't help but frown, saying irritably, "So it's a burden for me, but not for you? Besides, I have the ability to share the burden with you."

"I knew, I just hoped that at least one of us, between the two of us, wouldn't have to worry about this matter."

'Alright, no matter what you think, I already knew about this. I just want to know what you plan to do next."

Maxim fell silent for a moment, then slowly said, "I plan to expose the things that Kingly Group had done in the past, so that a group of partners will no longer cooperate with them. Also, I intend to cut off Kingly Group's overseas funding. Once the funding is cut off, Kingly Group won't last long before going bankrupt."

"Did you find out the source of the overseas funding for Kingly Group?"

"It wasn't there yet, but it should be related to the Lightfoot family."

A flicker of confusion passed through Briana Cameron's eyes, "The Lightfoot family?"

She had never heard of this family.

Maxim nodded, telling Briana Cameron about the Lightfoot family and the matter of the key.

After listening, Briana Cameron said with a heavy expression, "So, you're saying that the Lightfoot family now has at least two keys."

"Um, their current target was the secret key held by the Cameron family. Therefore, the Kingly Group and the Cameron Group collaborated, aiming to have the Cameron Group invest all their liquid assets, then trap them, and forcibly drag the Cameron Group down."

Briana Cameron gritted her teeth, "This move is really vicious. What is the use of that key? Why did the Lightfoot family

want all the keys at the risk of bankruptcy for more than twenty years?"

Over the past twenty years, it's estimated that the Lightfoot family had been lurking in the shadows, slowly building up their power, and now they have returned to Haseton to seize the key.

Maxim shook his head, "I don't know about this either, Senior Mr. Ferber didn't tell me, he just said that the key must never be taken by the Lightfoot family."

"I understood, Isaac must have been working for the Lightfoot family, that's why he suddenly became the president of Kingly Group."

"Well, but he didn't have the ability to manage a company. As long as we singled out the Lightfoot family, it would be easy to deal with them."

Briana Cameron had a poor impression of Isaac, but she felt she shouldn't underestimate him too much.

“You should still pay more attention to Isaac, it’s best to have someone keep an eye on him. Although he doesn’t have much ability, he is cunning and deceitful. If you don’t watch him closely, you might be schemed against by him.”

“Um, I know, you don’t need to worry about this anymore, I’ll take care of it.”

The two returned home, took a bath, and then went to work separately.

Upon returning to the Yoder Group, the first thing Maxim did was to have his subordinates find out where Kiley was.

She was willing to scheme against her own daughter just to drug him. Such a person, who has lost all sense of morality, is simply not fit to be a mother!

“Mr. Yoder, our people were already looking for her, but there was still no news at all.”

Maxim’s expression was icy cold, “Keep searching, we must find her!”

“Alright.”

On the other hand, Isaac’s people were also looking for Kiley, but both sides came up empty-handed.

Upon hearing that Kiley had not been found yet, Isaac, in anger, swept the documents on the table onto the floor.

“She must be found within today, or you can all get lost!”

[Chapter 960](#)

His hands were trembling, “Under...understood...”

“Get out of here, now!”

After his subordinates left, the anger in Isaac’s eyes burned brighter, wishing he could strangle that bitch Kiley right away!

Even knew to hide, it seems that it also knew its actions had been exposed.

In a small inn where no ID was required for check-in, Kiley hid in her room, afraid to go out. Even when ordering takeout, she only allowed the delivery person to leave the food at the door. She would only quickly open the door to bring in the food after the person had left.

Since being thrown out of Maxim’s office by Briana Cameron last night, Kiley had left in a panic, wanting to find a place to hide, even losing her car in the process.

The thought of Maxim and Isaac both looking for her filled Kiley with fear.

If she had been caught by Maxim, it would have been fine, at least he wouldn’t have laid a hand on her, But that madman Isaac, he would have definitely beaten her to death!

Meanwhile, Kiley’s attempt to drug and seduce Maxim failed. Instead, she ended up being stripped by Briana Cameron and thrown out of Maxim’s office, which became the top trending topic. Everyone was just watching the drama unfold.

Moreover, Kingly Group was surrounded by Maxim's people, and the president of Kingly Group was beaten black and blue, yet he didn't dare to utter a word. This hot search ranked second.

"Eating two melons together, it's simply explosive! So Isaac was cuckolded by Kiley, and then Maxim, furious at being drugged, sought revenge on Isaac?!"

"Hey, upstairs, you're good at summarizing. However, I heard that Maxim sent people to surround Kingly Group because Isaac locked up Maxim's secretary and even beat him up. As for Isaac's outcome, all I can say is he got what he deserved!"

"But this couple was really shameless. One drugged Maxim with the intention of sleeping with him, and the other beat Maxim's secretary half to death. They were truly two peas in a pod. It's true that you can't get two different kinds of people from the same bed. Poor Maxim and his secretary were really out of luck!"

"Kiley and Isaac were never any good to begin with. It's just that now Isaac is the president of Kingly Group, so he uses Kingly Group to shape himself into the image of a successful businessman. As for Kiley, it goes without saying. Her

reputation was already ruined back in Bridenville. Anyone can find out with a simple search!"

The online issues gave Isaac a headache, he immediately had someone handle the public relations, but the trending topic just wouldn't die down.

Suspecting that Maxim was the one pulling strings behind the scenes, Isaac, despite his anger, was helpless. He gritted his

teeth and said, "Fine, let it be. Have we gotten in touch with Mekton yet?!"

The secretary shook her head, "Not yet, we are still in contact."

Isaac felt overwhelmed, waving his hand and saying, "I understand, you can leave now. Report back if there's any news."

After the secretary left, Isaac took out his phone and dialed Scorpion's number three times in a row, but no one answered, which annoyed Isaac.

Just at this moment, he couldn't reach Scorpion, and he even suspected that Scorpion was doing it on purpose.

Angrily putting down the phone, I was pondering what to do next when the phone suddenly rang.

As soon as it connected, the voice from below came through.

"Mr. Yoder, we found Kiley's whereabouts!"

"Send someone to guard it! I'll be right there!"

After hanging up the phone, a cruel smile hooked up at the corner of Isaac's mouth.

In the inn, after finishing her lunch, Kiley sat on the bed pondering what she should do next.

She still had millions in her card then, but she was well aware that as soon as she withdrew money, she would quickly be found by Isaac's or Maxim's people. So, all she could use then was the few thousand cash in her hand.

After hesitating for a while, she decided to first take a taxi

away from Haseton, find a secluded and hidden place to hide, and then plan the next step.

However, as she was about to leave, the room door was suddenly kicked open.

She looked towards the door in terror, seeing the figure with a smirk slowly approaching her. She was so frightened that she fell to the ground, her body trembling, her lips quivering so much that she couldn't utter a word.

Seeing her frightened appearance, satisfaction filled Isaac's eyes.
