

Fall for You 993

[Chapter 993](#)

The lawyer's face was grave, "If we could get a certain person, there might be a chance for bail, but that lawyer doesn't take many cases these days."

"Who?"

"Timothy Smith, the renowned lawyer of Haseton."

Briana Cameron and Thomas were no strangers to this name. Timothy had handled countless cases in the past and had never lost. There were only cases he didn't want to take, but none that he couldn't win.

However, as a result, his reputation in the legal community was not very good. After all, no matter whether his clients were at fault or not, he would always find a way to win any case he took on.

So some victims really hated him, and his peers also despised him whenever his name was mentioned. Because in the eyes of some lawyers with a sense of justice, Timothy was just a person who had no bottom line for money.

However, starting from a few years ago, Timothy began to take on very few cases, often only four or five a year, and now there is hardly any news.

Briana Cameron's face darkened. There had been virtually no news from Timothy in recent years, making it as difficult as climbing to the sky to find him.

Third Brother, did anyone around you know Timothy?"

Thomas shook his head, "Timothy is eccentric, he basically doesn't interact with others except for lawsuits. No one

around me knows him.""

Briana Cameron pursed her lips, "Have Dragon Group find out where he is now, even if we have to kidnap him, bring him here!"

Upon hearing this, a flash of surprise and disbelief crossed Thomas's eyes.

"Briana.....I heard Timothy has a strange temper. If we forced him to join us, he might not only refuse to help us, but also turn around and help Kingly Group instead."

Briana Cameron sneered, "If he dares to help Kingly Group, I'll make sure he'll never be able to litigate again!"

Seeing the coldness in her eyes, Thomas felt as if he had never known her at all.

How did his little sister, who had always been soft and cute in his eyes, suddenly become so firm and decisive?!

“Alright, I immediately contacted Dragon Group.”

Soon, the people from Dragon Group began to look for where Timothy was.

The Dragon Group acted swiftly, locating Timothy’s position in less than half an hour.

After hanging up the phone, Thomas’s face looked somewhat unpleasant.

“Briana, Timothy was at Kingly Group...”

Upon hearing this, Briana Cameron’s eyes turned cold, and she immediately left the hospital.

It took Thomas several seconds to snap out of it and chase after her. By the time he caught up with Briana Cameron, she was already opening the car door, ready to get in.

“Briana, where were you going?!”

“Go to Kingly Group and poach people.”

Seeing her calmly utter these words, Thomas almost spat blood.

“Are you insane?! Given the current relationship between the Cameron Group and the Kingly Group, if you dare to barge in, do you believe that the Kingly Group would dare to send you to the police station?!”

Briana Cameron’s expression was icy cold, “I can’t care about all that anymore. If we keep dragging this on, who knows when Dad will be able to get out.”

“Don’t panic just yet, perhaps the people from Kingly Group are waiting for us to lose our composure. Calm down, and

then we can discuss what to do next.”

Briana Cameron looked at him, her expression calm as she said, “Third Brother, I am very calm now.”

Looking at her expressionless face, it indeed seemed like there wasn’t much fluctuation in her emotions.

“Even if you’re calm, you can’t just barge into Kingly Group! It’s a big company, not some vegetable market, you know?”

After a few seconds of silence, Briana Cameron took a deep breath and said, “Alright, I promise you, I won’t barge in. I’ll wait for Timothy outside.”

After speaking, regardless of Thomas’s reaction, he directly pushed his hand away, closed the car door, started the car and drove off.
