Chapter 1081 Fighting And Killing

"The police said they would help me to go and warn them not to make a big deal out of it, or else they would be arrested." Zoe added, "All this was my idea, and that's the best end of it for me."

"Without Robert, how can I fight them now?" Zoe said again.

Winson's heart ached.

Although, he was a male, he could still empathise with it all.

Such a nice girl just soiled dirty through and through.

Yet, there was no strength to put up any resistance.

What desperation that was.

Winson once again let out a long, helpless sigh and added, "You haven't thought about getting back with a vengeance? For example, go back to Robert and get back at them, or in some other way."

Zoe shook her head, "No matter what way it goes, Robert won't be happy, that's his mum and dad."

Winson, "So you're going to do nothing for the rest of your life for Robert to be happy?"

Zoe nodded, "This is the last thing I can do for him. I actually want to take revenge, but I can't, those are his parents, if something happens to them, Robert won't be happy either."

Winson, "Should we just let them off the hook?"

Zoe, "Let it all end here."

At these words, Winson became even more distressed.

He wondered how much love it took to go to such lengths for a man.

She can even let go of the couple who hurt her so much.

Winson didn't say anything next, just silently medicated and cleaned Zoe's feet.

Inside her feet, there were a lot of stone crumbs and shards of glass.

He removed them all and then carefully disinfected and bandaged her.

Every movement he made was so careful that it warmed the heart of Zoe.

Such kindness at this desperate time is most heart-warming.

Winson is a light in her dark world.

Inside the game is still waiting to be matched with a teammate.

Robert still did not raise his head to glance at Klara.

Klara continued to maintain a dignified and ladylike smile, her mood not half affected, "Mom and Dad said tomorrow night, let's go home for dinner."

Robert frowned deeply, "Go back yourself."

Klara, "Your mother said that she wanted you to go back too."

Robert, "No."

He felt sick to his stomach to look at her more than once now.

Klara, "Mom said, if you don't return, you know the consequences."

Robert, "I know."

Klara knew exactly what his mother had done to Zoe.

Robert's mother had said that she would bring this out whenever Robert did not listen.

He'll do as he's told.

This is her first practice.

Rather, she didn't expect it to actually be so successful.

Although Robert is indifferent now, she believes that love will grow over time.

Even if it doesn't, it doesn't matter.

Everyone plays their own game and does not affect each other.

As long as she can cooperate and maintain the appearance of decency, that will be enough.

She had never, necessarily, had the luxury of love from Robert.

Klara, "Mom said that we should have a baby as soon as possible. If I don't get pregnant within six months, you will be responsible for the consequences."

Even when she married Robert, her position was not completely secure.

Only with the birth of a child can the position be fully secured.

So, she needs a child.

Robert, "Klara."

Klara, "Yes?"

Chapter 1083 Reunion

Winson was just about to speak when Klara took the lead, "Hello, who is this? Robert is drunk now."

At that, Winson immediately pressed the hang-up.

The woman on the other side of the phone, he knew, must be Robert's current wife.

He had heard Zoe talk about her.

He knew that at this time, if the woman knew why he was here, she would definitely make a mess of it.

When Klara saw this person stopped talking, she immediately frowned deeply, before cursing.

Immediately afterwards, she then directly threw Robert's mobile phone aside.

Without much thought, she turned and left the study.

After she left, the world fell silent once again.

On Winson's side, when he heard the news that Robert was drunk, he chose to give up.

He decided that it would be better to wait until the next morning and call Robert again.

With that in mind, he put his phone straight into his pocket and stepped into his bedroom to take a shower and go to bed.

The next morning, Winson set his alarm clock to wake up at seven o'clock.

When he opened his eyes, he called Robert.

On the other side of the phone, Robert was just about climbing up from his desk.

He slept drowsy and disheveled.

When he saw the unfamiliar number, Robert then frowned slightly and took a serious look at it before pressing answer.

His voice sounded hoarse from the hangover and the long exhaustion, "Who is it?"

"Hello, I'm Winson, you're Robert, right?"

"I am, who is Winson?"

"I'm a classmate of Zoe, now Zoe is at my place."

Hearing these words, Robert's heart instantly fluttered with joy.

In an instant, he felt his whole world blossom!

It was as if a ray of light had suddenly shone in the darkness of the night, giving him a sudden burst of hope.

He instantly sprang up from his chair, completely unable to contain his heart's joy and asked, "What? Are you serious?"

Zoes, you come over, but if you don't want to, you can choose to give

Chapter 1084 Miss Out

At this moment Robert once again thought of what Winson had said to himself.
The events that had befallen Zoe these days were replayed before his eyes, scene after scene.
Combined with the two of feet that came into view and the frail smiling face, Robert felt even more like
he was going crazy.
At this moment, he was so full of rage that he really wanted to kill everyone!
At this point Zoe was dreaming again.
She dreamed that she was once again back in that poor backwater place.
She was taken back.
In the dream she was desperate.
She struggled desperately but was eventually dragged back.
Afterwards she was tied up on top of a cold earthen bed.
Being punched and kicked by the guys together in a combined effort.
"Ah!"
Zoe screamed and woke up with a start, sitting up in a cold sweat.
Waking up, she realised it was only a dream.
As it turned out, it was just a false alarm.
Zoe's reaction really frightened Robert.
Robert knew that she must have been having a nightmare.
Perhaps it is a dream to return to that mountain village.

Thinking about it, Robert was once again heartbroken.

Without waiting for Robert to make a move, Zoe had already spotted him.

The moment she saw him, Zoe was in a trance.

She couldn't believe her eyes for a moment.

She never thought that one day, she would see Robert again.

She had already made up her mind that she would never see him again in this life.

After she married Robert, she always felt that her self-esteem, which had been pushed to the ground, was being crushed.

Didn't Robert's mother say that the woman had been made to go to the mountains?

Why, at this moment, is this woman yet again present?

They are such lowlives, they really have a hard life.

Thinking about it, Klara was furious.

Blame it on this woman.

If this woman hadn't reappeared, it wouldn't have turned out this way.

Taking a deep breath, Klara tried her best to maintain her calmness and composure and walked straight to the lift entrance.

Taking the lift, Klara reached the first floor directly.

When Klara reached the first floor, Robert and Zoe were no longer visible below.

She stomped her foot hard, and afterwards called Robert's mother to report everything.

After the report, Robert's mother immediately exclaimed, "What? Zoe actually ran back? And Robert found her?"

Klara, "Yes, what should I do now? Robert wants to divorce me."

On the other side of the phone, Robert's mother was dumbfounded.

Robert's mother never thought, even in her dreams, that this would be the case.

How on earth did this bitch get out of a situation like that?

How could she run out? Thinking of this, Robert's mother stomped her foot viciously, and then clenched her mobile phone and turned to Klara, saying, "Don't you be nervous, it's okay, even if that bitch comes back, he can't really divorce you, I will find a way."

Klara, "What can you think of? Robert will definitely be more vigilant next, you can't possibly get Zoe off his side again."

Robert's mother coldly snorted, "I have ways."

After saying that, Robert's mother hung up the phone.

Although Robert's mother looked confident and certain, Klara did not. She always felt that her position was in jeopardy.

Said Robert then unbuckled his seatbelt and pointed outside to the river under the bridge and said,
"Jump down and I will die. Are you going to watch me die?"

Zoe shook her head desperately, "No, I don't want."

Robert smiled bitterly, "Since you don't want it, listen to me, I will send you to a safe place next, you don't need to care everything, whether it's you, or your parents, let me guard."

"I will guard all those I should guard, and as for those who have wronged you and abused you and hurt you, I will not spare any of them."

Robert wiped the tears from his eyes, his scarlet eyes staring forward, gritting his teeth.

Even his mum and dad can't just hurt Zoe.

No!

Such things are inexcusable.

Today, he was going to give them a lesson.

As soon as Zoe heard this, she immediately pulled Robert's arm nervously and kept shaking her head, "Don't, they are your parents, are you going to hurt your parents for me? In that way, you won't have a good time either."

"Just let it all end." added Zoe.

Robert, however, shook her hand away, "It never ends here with me, only an eye for an eye."

After saying that, Robert then sped up the car.

Zoe, "I don't want you to hurt your parents for me, you're hurting them and you're hurting yourself."

Robert, "Get that holy mother of yours out of the way, it's useless with me."

Zoe, "Robert, listen to me."

Robert, however, did not say a word, and just continued to drive the car by himself.

Next, no matter what Zoe said, Robert was actively shielded.

He just wants to rip into his parents and no one can stop him.

In the end, Zoe was helpless and leaned helplessly straight back into the car seat.

Instead, Robert continued to drive.

The whole world went silent.

Chapter 1087 Breaking Off Relations

At this moment, Robert was like a stern ghost coming out of hell, He hideous and horrible.

The murderous aura under his eyes was as if he would kill someone in the next moment.

The image was so bold that even the two elders of the Moore family, who were used to seeing great storms, were frightened.

Robert, at this point, could not control himself in his anger.

The images of Zoe being hurt were all in his head.

He was going crazy!

Robert's father was panting, covering his heart, furiously having a heart attack, "Robert, do you know what you are doing? Do you believe it or not, I can leave you with nothing?"

Robert coldly snorted, his gaze was morose, "Fine, then let me have nothing, take back all that you have given me, including the fact that you are my parents!"

At these words, Robert's father's eyes were filled with consternation.

The same applies to Robert's mother.

Robert's mother's eyes were scarlet as she walked up to Robert and coldly questioned, "What did you say?"

Robert said indifferently, "What do you want to do? To do something that I have wanted to do for a long time, and that is to disassociate myself from you."

"You are no longer my parents as of today, and I am no longer your son, and I have nothing to do with you at all."

"All that you have given me, I will give back to you all, I will leave alone."

"In fact, you should really be glad that you are my parents, if it wasn't for the fact that you are my parents, I wouldn't have just let you off the hook today."

"I will come and kill you all and burn everything here, and I warn you, if you ever meddle in my life again, I will really kill you."

After saying that, Robert kicked the coffee table, and then coldly grabbed Robert's mother's clothes and said, "You, listen to me, from today onwards, I will no longer give you what you want. I will divorce Klara, she is not as good as a dog in my eyes!"

Robert's mother was furious.

Jocelyn continued to hug Zoe, carefully soothing, "Do not think so, Robert does not care your past, we do not care either."

"Zoe, stop saying things like that." added Jocelyn.

Zoe frowned deeply and let out a long sigh, her eyes full of worry, "The most important thing now is that I'm worried that Robert will not make something happen at home, in case he really kills and sets fire, what should we do then?"

"If he does anything on impulse, he'll regret it for the rest of his life." Zoe said again, her tone trembling.

Jocelyn continued to reassure, "That is after all his parents, Robert will not really kill and set fire, rest assured, but should not Robert make trouble?"

As an outsider, Jocelyn even felt that Robert could not let them off easily.

Even if they object, that's not how it came about.

Why don't they just send the girl away?

Why is she imprisoned?

Even if she is imprisoned, she should not be sold to a family like that in the mountains?

Born as a human being, Jocelyn really could not imagine how some people could be so low in character as that.

Just at that moment the door opened.

Noah walked in with modest steps, interrupting the two of them.

Seeing Noah, Jocelyn immediately asked, "Why did you suddenly come in? Is there something going on with Robert?"

Zoe at this time then put her eyes on Noah's face.

Noah nodded, "Robert called to say that he had broken off his relationship with his parents and that he would give back all that they had given him."

When he said this, Noah's tone was very calm.

Everything makes sense.

"And did he do any harm to them?" Zoe asked.

"I haven't asked. Ask him yourself." Noah added.

Chapter 1089 Taking In

Jocelyn and Noah, along with Allie and Scott, were at the cot, watching the two little cuties, Madeline and Lawrence.

The two little cuties looked extra active because there were so many people, with smiles in their eyes.

Allie leaned over and gently caressed Madeline's face while asking, "How is it going with Robert?"

Noah, "broke off relations with his parents and had a big tantrum at home."

At that Allie immediately coldly snorted with disdain, "If I were Robert, I would have killed them for sure."

She really didn't understand how anyone could be vicious to such an extent.

Upon hearing this, Jocelyn immediately let out a long sigh, leaned down, gently held Lawrence's hand, and said, "Some times, human nature is really a very scary thing."

Allie, "That's right, if I had known that this couple was vicious to such an extent, I wouldn't have interacted with them, it's really creepy. I'm telling you, Noah, stay away from Robert's parents in the future."

Allie felt sick when she thought of what Robert's parents had done.

It's not at all like a person from a powerful family to do what they should do.

Noah nodded slightly, "It seems that I don't usually have contact with them, you and dad have more contact with them."

Hearing these words, Allie immediately gave Scott next to her a fierce slap on the shoulder and said with a serious face, "Don't you keep quiet, did you hear me? From now on, less interaction with those two perverts from the Moore family, they are really not even worthy of carrying shoes for us."

Scott nodded heavily, "Yes."

Hearing this, Allie immediately nodded comfortably, "That's more like it. My husband is so good."

Noah helplessly pinched his brow and looked at the two of them and asked, "What would you do if it was me who fell in love with Zoe?"

Allie immediately rolled her eyes, "What do you think? I thought it was Tom you loved and I am okay if you were together."

Chapter 1090 Contrast (1)

Inside Robert's tone, there was a bit of pleading.

This is the first time that Noah has seen Robert like this.

He was, once, dashing and proud.

High on the hog and not begging for anyone.

Noah nodded slightly, "Stay as you want."

Robert smiled bitterly, "Thank you."

Allie's eyes were full of heartache, "Robert, just stay here, to me, you are like my son."

Robert was instantly moved to tears.

In contrast, he liked Allie even more.

She and his mother are two different people.

Robert said with a bitter smile, "It would be great if you were really my mother."

These are words that speak to the heart of Zoe.

If that were true, Zoe thought she and Robert would have gotten married a long time ago.

Allie said with a smile, "I think, if I have another son, how good it would be? That way there would be another good daughter-in-law like Zoe."

After saying that, Allie then naturally stroked Zoe's hair and said, "Zoe, consider this place as your own home, Robert and Noah are good buddies."

Zoe's hearts were warmed at once.

It's nice to receive kindness from others in this time of darkness.

Zoe nodded, her eyes full of emotion, "Thank you, Mrs. Mason."

Allie shook her head, "What are you thanking me for? You don't have to be so polite to me."

After saying that, Allie added, "I'll go and make you guys some food."

After that, Allie walked away.

After Allie left, Noah looked at Robert again and said, "Come in with me, there's something to talk to you about."
