

Fatty to Sexy 3

Chapter 3 The Showstopper

In the top class ballroom of the Glorious Horizon Hotel.

After the engagement ceremony, Gloria and Joseph were following behind their parents in making their toasts to the guests.

Wherever they went, there were blank stares behind them.

But they had no idea what was going on, and still carried smiling faces.

Gloria's heavily made-up face was full of smiles and her eyes were full of smugness, and her red Dior dress made her look even more enchanting.

The Stewart's was one of the top five food companies in the world, many times better than the Murphy family.

As the fiancée of Joseph, Gloria would certainly become the most envied existence in her circle of celebrity.

And Joseph was overjoyed to be rid of Jocelyn, the fatty, and to be engaged to the real rich and beautiful woman Gloria.

The wives of the rich families who had already known about the truth were making fun of them in the dark.

"I told you, Gloria doesn't look like a decent person, see? I am right about it."

"Joseph looks so elegant, how could he be that scum? You can't really judge a man by his appearance."

"I really feel sad for Jocelyn, she may be ugly but she is so kind. She has loved the wrong person."

As soon as Jocelyn entered the door, her eyes were first to fixed on Joseph and Gloria. Based on the smug on Gloria's face, Jocelyn was sure that she was unaware of the truth.

And she was happy to hear those wishpers about Gloria..

The champagne-coloured starlight gradient gown set her off, and her long curly hair draped over her shoulders, which made her look noble, gentle enough to overpower the crowd.

With a light foundation on her face, she was graceful enough. It was as if such a woman was born to stand in the cleanest of places, and even the slightest touch from an onlooker would be a stain.

Several men soon gathered around Jocelyn and took the initiative to introduce themselves, complimenting her on her beauty and asking her which family she was from.

Jocelyn was faced with such a situation again after five years, and she had mixed feelings in her heart.
