

Fatty to Sexy 5

Chapter 5 Why are you so shameless?

It was clearly recorded on the paper that Gloria had bought marketing numbers and sent out circulars of various chats of Jocelyn eloping with others, as well as various screenshots of money transfers.

These things added another blaze to Allen's heart.

Allen's face grew darker and darker as he roared towards the door, "Someone, bring my whip here!"

As soon as she heard this, Gloria immediately panicked, "Dad.what are you doing?"

Allen did not speak.

Sara clutched Allen's hand, "Honey, how Gloria possibly withstand the whip? No."

As soon as she said that, a bodyguard took the whip and walked up to Allen.

Without a word, Allen took the whip and brought it down hard on Gloria.

Fear spread and Gloria dodged sharply, but the whip eventually landed on her back.

The pain was so great that it filled Gloria's eyes with tears.

Sara immediately hugged Gloria tightly and cried, "Honey, Gloria already knows she's wrong, if you must beat someone to vent your anger, beat me!"

Allen raised his hand again, but Sara did not move a muscle.

In the end, his whip was still hanging in mid-air.

He gave Gloria a furious look, then placed his gaze on Sara's face and said in a low rebuke, "It's all because you have spoiled her!"

With those words, he turned around and went straight upstairs.

Such a situation was to be expected by Jocelyn.

After all, to her father, they were his daughters, and he would not do anything hard to Gloria.

Jocelyn indifferently glanced at Gloria and Sara and took upstairs.

However, just after walking up three or four steps, Gloria's voice rang out, "Jocelyn, wait a minute."

Jocelyn knew what she wanted to say and didn't want to pay any attention at all, continuing to walk upstairs.

"Did you see that? Dad obviously still favours me, so what if you reveal the truth? Dad just gave me a whip." Gloria coldly snorted, her eyes filled with smugness.

up to a step higher than Jocelyn's, chin lightly raised, arms crossed on her chest, coldly looked at Jocelyn's
