Chapter 971 Concert (2)

[Miss, you must have tickets, right? Can you sell them? Any amount will do.]

[Miss, I've never smeared you, I'm your fan, as long as you sell me tickets, from today onwards, I'll do whatever you tell me to do, please].

The fans were so enthusiastic and what they said was just so touching.

Between their words, she felt deeply the love that the group of them had for Ryan.

They like Ryan much more intensely than she does.

Being a star-struck girl, she understands, very well, how the group feels.

Sympathy kicks in.

She looked at Jocelyn and asked, "Sister-in-law, do you have, in your hand, any extra tickets?"

Jocelyn nodded, "Yes, if your brother doesn't go to see it, it's two extra, and if your brother goes, it's one extra."

Sophie, "Can I have it then?"

Jocelyn shrugged cheerfully, "Of course you can, not to mention the tickets, as long as our Sophie wants, is to ask for the stars, I will pick them off for you."

Sophie's heart was suddenly warmed.

She then tweeted, "Draw two tickets online, leave a comment if you want them and I'll be in the comments section drawing two people."

This instant, Sophie's comment section immediately exploded.

[Miss, look at me. I want it, I want it.]

[Miss, you are the most beautiful, Miss, you are the best, so can I have the ticket?]

[Miss, I'm a fan, can I have the tickets please?]

[Miss is really the most favorite girl on the whole internet, please, please, look at me, look at me.]

[Miss is like an angel coming down to earth, I love you.]

In an instant, all sorts of flatters almost drown Sophie.

Looking at the comments, Sophie held her forehead helplessly, and then casually went through the comments section, looking for two good names.

Fans at the scene, each holding a support light sign for Ryan.

On their heads, they wore the same uniform support hair bands with Ryan's name on them.

At a glance, the scene looked like a sea of glorious stars.

A huge stadium, with 100,000 people, was gathered here.

It was the ultimate in shock and brilliance.

On the nearest centre stage, Rosa, Jocelyn, Noah, Sophie, Scott, Allie, Abel, Paige, Zoe, Robert, Harry were gathered here.

As the best position in this concert, and not for sale to the public, the VIP positions is destined to be the talk of the room.

Many people looked at several of them with a kind of, extreme envy as well as admiration.

Spirited dance music played.

Dressed in a large white torn casual T-shirt, black trousers and black Martin boots, Ryan took the lift and reached the very centre of the stage.

A powerful song that instantly gets the crowd going.

His hair, slightly permed with bit of curl, has silver strands set in it and his face is painted with smoky look exclusive to an idol.

At a glance, it looks starry-eyed.

His dance moves, which were very provocative, exuded an air of full testosterone.

A casual lift of the hand can bring up endless waves of heat.

The applause and the cheers almost drowned out everything.

And after Ryan disappeared, the fans at the venue, still immersed in the heat of the concert, could not extricate themselves.

On the spot, the afterglow is still there.

Many fans, still sitting in place, looked excitedly at the spot where Ryan had disappeared.

Each one, with eyes full of excitement, and love.

[Ryan is really handsome, right?]

[I really don't understand how in heaven's name there can be such a perfect face?]

[And the one in the front row, Noah, is so handsome.]

[That's right, Ryan's family is really good looking, his mum and dad are really good looking, jealous.]

The fans' words all reached Jocelyn and Allie's ears.

At these words, Jocelyn smiled shallowly, turned her head to look at the stunner beside herself, Noah, and said, "The vision of this group of fans is not bad."

And Allie and Scott, at this point, both smiled, a few more haughty looks on both of their faces.

Allie coughed lightly in embarrassment, subconsciously sat up straight and looked at Scott, "Honey, did you hear that, they praised us for looking good."

Scott, "Ahem, hear that."

Allie, "Our son's fans are so cute."

Scott, "You like them because they complimented you, right?"

Allie smiled again, "That's for sure, who doesn't like to be praised?"

Rosa placed her eyes on Allie and Scott's faces, the corners of her mouth equally full of smiles.

The moment their eyes met, Scott and Allie's gazes all became doting.

Immediately after, the female fan said, "Finally, I realized that in the end, it was you who got Ryan. In fact, at first I was very upset. but then, looking at Ryan and you so happy, I got over it."

"I think there must be a lot of special things that make it possible to be loved, pampered and held in the palm of Ryan's hand."

"I can see that Ryan really cares about you, Rosa, for the rest of your life, I hope you can stay well with our brother, never let down his piece of heart."

"Otherwise, all of us, the fans, will not let you go, we will tear you up."

At the sound of her words, Rosa looked more and more gentle.

She nodded gently, "I will."

"Thank you guys, for loving so much Ryan, well we're going backstage." Jocelyn stood up and changed the subject.

As soon as Jocelyn's words left her mouth, fans began to go crazy, stuffing their own handwritten letters into Jocelyn's hands.

And she was strongly urged to bring the handwritten letter to Ryan.

Jocelyn all picked it up as soon as Ryan.

Seeing this, Noah, Rosa stood up and helped to take the letter.

In just a short while, the three of them had more than a dozen letters in their hands each.

After receiving the letter, Jocelyn led the group and arrived at the concert backstage lounge.

At this moment, Ryan was in the lounge, being interviewed by the media.

Ryan was still in the same outfit he was in at the end of the concert.

Loose fitting black shirt, paired with black seven part slacks and black loafers.

Hearing these words, Rosa could not help but moved to red eyes.
Although this is not the first time she has heard this, she still gets deeply moved.
At this moment, she felt her heart melting away.

She felt that it was good to go on like this with Ryan.

Even if he still has someone else in his heart.

She was content as long as he kept treating her this way.

And the female journalists on the scene, one by one at this point, were outright jealous.

But outwardly, they still maintain their professionalism as journalists.

"It seems that you really are a wife spoiler." A female reporter said, trying to remain calm.

Ryan hooked his lips and once again looked deeply at Rosa beside him and said, "Isn't wife just for spoiling?"

At this moment, the female journalists on the scene almost completely were lost control.

Who could say they weren't jealous of Rosa?

As women, they was jealousy to hell!

Inside their hearts, they roared.

The surface, however, remains taut.

The male journalists on the scene, on the other hand, silently reviewed themselves.

At this moment, they suddenly felt that they were really dragging men down.

Rosa felt her heart warmed, and the smile at the corner of her mouth was gentle.

After the interview, Paige sent the journalists away.

Hearing the voice, the crowd then looked at the sound.

Only to see two taxis behind in a rear-end accident.

Soon both cars came to a halt.

When the car stopped, the fans of Ryan who were riding in the car all ignored it, got out and started chasing after Ryan's car shouting -

[Ryan, we love you.]

[Ryan, we will always support you.]

Seeing that it was a fan chasing a car and there was an accident, Ryan couldn't help but frown coarsely.

Ryan then looked at the driver and said, "Stop the car."

The driver stopped.

Ryan, looking at Paige next to him, said, "Paige, you go and take a look."

Paige then nodded, before getting out of the car and walking over to the fans.

There were seven fans on hand.

Excitement was written all over everyone's eyes when they saw Paige.

Soon, everyone gathered in front of Paige and watched as she scrambled to speak -

[Miss Gill, I really like Ryan, can you let me go and have a look at him?]

[Please, please, please, we really are true fans.]

[Miss Gill, please tell Ryan that I will always support him and that my name is Melody].

This group of fans is an extremely fanatical element of the fan base.

Paige maintained her proper manners and poise, "I will convey your words to Ryan, Ryan tells you to hurry back, it is quite cold. Ryan hopes you do not do such a dangerous thing again."

[Really? Did Ryan really say that? Love sure is a double arrow.]

And all those people and things that he originally thought he couldn't let go of were eventually, replaced by the kind of warmth that Rosa had.

Hearing these words, the tip of Rosa's nose instantly soured.

Endless emotions flowed through her heart.

At this moment, she felt she was thickly touched.

She really did not expect that Ryan would really fall in love with such an ordinary and common girl like her.

In fact, she has long been ready that Ryan's heart only has Jocelyn.

For, in her opinion, it was good enough that a man of his stature was willing to condescend to marry her.

She is enough happy.

Surprised, moved, amazed, unbelievable.

A variety of feelings, constantly intertwined, almost let Rosa do not know what to do in response.

At this moment, she was almost petrified.

Seeing Rosa look like this, Ryan immediately couldn't help but laugh, and then reached out and shook his hand in front of her eyes, "What are you thinking about?"

Rosa met the pair of smiling gentle eyes, "Nothing, I just feel incredible. Ryan, is it true? You are really in love with me? In love with a so ordinary me?"

"I really can't believe it." added Rosa.

Ryan hooked his right index finger towards her bare forehead and flicked it.

And then he spoke dotingly, "Silly girl, do I have to lie to you?"

Rosa shook her head, there was indeed no need for that.

Because even if he hadn't said that, the two of them always had a good time.

"Also, what do you mean by ordinary you? In my eyes, you are not ordinary at all, you have a warmth, tenderness, and all kinds of excellent qualities that other girls don't have."

After entering the text, she attached the photo Jocelyn took of her with Ryan during today's dinner.

In the photo, Ryan is serving her food, and his eyes are all smiles and her.

She, on the other hand, was smiling and looking at Ryan.

Jocelyn took the picture because it was beautiful.

She liked it so much that she asked for it from Jocelyn.

Once the photo was posted, she just sent it out.

She was in a really good mood at the moment and needed a place to be able to record, at this moment, how she was feeling.

As soon as the tweet was sent, it immediately became the focus of all the fans' attention.

In just one second, the comments went straight over 10,000 -

[You are really in love, Ryan is so gentle.]

[The way Ryan looks at his wife is really too loving. I'm jealous.]

[Rosa, how does it feel to be looked at by a man like this?]

[Though jealous, but, good for you guys for being happy].

After a brief look at the message, Rosa was ready to go to hot search.

Just as she was about to exit the page, she saw on the homepage that Ryan had forwarded his earlier tweet and said, [For life.]

And this tweet by Ryan is much more popular than hers.

It was obviously sent only a second ago, but the number of comments has gone straight to a million.

Rosa tensed up again and asked, "So how can I help you?"

"No. I can put up with it."

"Really?" Rosa asked cautiously.

"Yes."

After saying that Ryan then naturally took Rosa's head and pressed it against his chest.

And then gently stroking her back, he said, "Be good and go to sleep."

With those words, he turned off the light.

The interior is dark.

The whole world went silent.

So quiet that she could take the man's breath and hear it clearly.

The warm breath, constantly scattered on the neck, made Rosa's heartbeat, too, lose control.

She couldn't help but, recall, the images of those intimate moments.

Rosa raised her eyes and looked at Ryan's face through the immaculate mirror with probing eyes.

Ryan said, "I told her two days ago that I wanted to continue to reduce my work to accompany you to raise the baby, and she just gave me a reply, saying that I could reduce all. I only need to work one to three hours a day after that."

"Having said that, she said that Flento City TV has a new variety show called 'Their Day', which focuses on celebrity couples and their routines throughout the day."

"The show, which is a big production, has twenty episodes and will feature a celebrity couple in each episode."

"The shoot is very simple - a day in the life of one couple."

"She said she wants us both to go to the first show, what do you think?"

"It just needs to take place in our own home and we both do what we need to do. Just live a normal life."

The man continued.

Rosa said, "Okay."

Ryan, "I'll say yes then?"

Rosa, "Okay, this kind of variety show can help you set up a good man persona, pull more fans, as long as it can help you pull in the popularity, I am willing to help you. "

Ryan smiled, "In fact, pulling in or not popularity, I do not care, I just hope that there is a platform can record our life. Wait until later in old age, we can take out to see. "

Rosa's heart was suddenly warmed, "Okay."

Ryan, "Then I'll give Paige a word."

Rosa, "When is the shoot? What do I need to look out for?"

Ryan, "Next Sunday filming, the film crew comes here about seven o'clock in the morning, to film the two of us from breakfast, to dinner, the whole day together daily."

"You don't need to prepare anything, just do what you did the last time we doubled up live." Ryan added.
