Chapter 361 I Should Not Have Come Back?

"I heard that all girls like to eat sweets." Nathan casually picked up the lollipop next to him, tore it open, and handed it to Paige.

"Nathan, thank you. It's very sweet."

"Ms. Paige, Mr. Nathan has someone plant flowers on your balcony. It looks good. How about you take a look?"

Nathan heard that Hernan planted flowers on Paige's balcony. Nathan wanted to plant flowers to make Paige happy too. However, after Paige went up, she found that the flowers that Nathan planted were hanging on the railings layer by layer, perfectly blocking the flowers that Hernan planted earlier...

This childish behavior... made Paige laugh.

"Why are you the only one back? Where is Paige?" Danica asked.

"Where is Paige? Why didn't she come back with you?" Donald also asked, "Is Paige still in school?"

How can you leave Paige alone in school?"

Paige was about to go downstairs when she vaguely sensed that someone was looking at her.

This time, Paige was sure that it was not her illusion. Someone was indeed watching their every move!

"Go to the entrance and see who is there." Paige sent a message to her subordinates and went downstairs again.

"Paige!" Danica saw Paige and said happily, "Come on, the food is ready! I made three dishes tonight!"

"I also made three dishes! Go and taste them!"

Nathan was speechless.

He thought, my parents can cook?

This is the first time I have known that my parents could cook...

"Where is Martin? Why didn't he come back with you?" Danica asked.

"He has something to do. There is no need to wait for him." After Paige sat down, a servant wanted to serve her soup.

"I'll do it," said Nathan.

Chapter 362 Have Other Thoughts

Patricia was originally sitting next to Paige, but when Donald said this, she could only awkwardly stand up and give up her seat.

A servant moved Patricia's chair to Danica's side. After Patricia sat down, she found Martin and Nathan serving Paige food.

"Delicious," Paige commented. "The shrimp is good."

"Since I was young, I have never tasted the dishes Mom cooked." Nathan also took a bite. He looked at Danica and asked, "You made it by yourself?"

"Is it delicious?" Danica's tone was a little proud. "You didn't expect that I would be good at cooking."

"The dishes made by my wife are delicious!" Donald took a bite and nodded repeatedly. He said,

"The shrimp meat is fresh and tender, and it is better than the chef's cooking!"

"Yes, it is good. I will try the dishes Dad cooked." Nathan picked up a piece of braised abalone and put it into his mouth. Nathan was stunned. He did not expect his parents' cooking talent would be triggered when Paige came home.

"Martin, this dish is good. You can try it." Nathan served Martin some food.

"Yeah. Martin, eat more!" Danica also picked up a lot of food and put it on Martin's plate.

"Martin, do you want some wine?"

As soon as Donald picked up the wine bottle, Martin refused, "I have to send Paige back to school later."

"I also want to go back to school! Martin, Paige, can you send me on the way?"

Patricia was at the University of Chicago and Paige was at the University of Illinois at Chicago.

They were in the same area.

However, Martin and Paige said at the same time, "It's not very convenient."

“Why are you here?” Martin looked up at Nathan.

“Paige said that she wanted to take a walk alone. I was worried, so I went to take a look.”

“Me too.”

“You don’t have any thoughts about Patricia? If Paige didn’t return, would you marry Patricia?”

Nathan asked as he walked with Martin.

“No. I did think of ending the engagement a long time ago,” Martin said confidently.

Not only did Martin have this idea, but he also went to break off the engagement.

However, on that day, Martin found that the one he would marry was Paige, so Martin changed his mind at the last minute.

“Do you know what it means for our two families to break off the engagement at the last minute?”

Nathan was a little surprised.

“I know.”

It meant that the relationship between the two families was completely broken.

It meant that Martin and Jack would no longer be friends.

It meant that Martin had a strong opponent in the business field from now on.

It meant that Martin’s family member’s scolding and the ruination of the whole Stowe family’s reputation...

“But I can’t choose to spend the rest of my life with someone I don’t love. I believe you can’t stand the people you cherished being disliked by me.”

Chapter 364 Pamela, You Have Misunderstood Us

Paige sneered and moved the knife a little closer to the short-haired girl's neck. The next second, red blood came out.

"You... How dare you..." This time, the short-haired girl was really stunned.

She did not expect that Paige would really dare to hurt her.

"If you keep being silent, I will really throw you into the sea to feed the sharks."

Hearing Paige's words, the short-haired girl became even more furious. She asked Paige, "Does Nathan know that you are such a kind of person?"

Paige was confused.

Paige thought, does this person come for Nathan?

The short-haired girl saw that Paige was thinking something, so she quickly slapped Paige's hand off and wanted to snatch the knife.

But Paige was not weak. Then, they began to fight, and neither of them was at a disadvantage.

during the fight...

This was the first time the short-haired girl had seen a girl, who was about the same age as her, be so agile. She thought that Paige was definitely not an ordinary college student!

The short-haired girl looked at Paige and wondered, who the hell is she?

Is she also from the Ministry of Security?

Or she has some other hidden identity?

Paige kicked the short-haired girl in the chest. But the short-haired girl blocked the attack with her arms crossed in front of her, and she retreated about 3 feet.

Seeing that the short-haired girl's neck was still bleeding, Paige smiled coldly, "If you don't deal with your wound, you will die in less than an hour. I advise you to be obedient. In that case, I will go easy on you."

"You are quite arrogant." The short-haired girl once again launched an attack. Each move was ruthless. It looked like she really wanted to kill Paige.

The longer the short-haired girl fought with Paige, the more she found that Paige's fighting techniques were a little ***. Suddenly, Paige did a Spin Kick.

Because the short-haired girl was already injured, she fell to the ground right after she got kicked by Paige.

"Are you from the Triangle Area?" The short-haired girl was even more surprised. She looked at Paige in front of her and suddenly felt that Paige was definitely not an ordinary person. She said hesitantly, "Is the boss of the Flame Gang... a girl?"

Paige raised her eyebrows and was a little surprised. She thought, she knows who I am!

Donald laughed and said very kindly, "Nathan has never brought a girl home. You are the first one! Bonnie, serve this girl some tea! Oh, by the way, Paige, she is so injured. Can she drink tea?"

"It's OK for her to drink some," Paige said.

Donald said, "Good. Bonnie, take out the best tea we have at home!"

Since Paige said that it was OK, then it was OK.

Pamela was so embarrassed that she really wanted to dig a hole in the ground to hide. She said to Donald and Danica, "Mr. Lusk, Mrs. Lusk, don't bother... I was just passing by..."

But now, no one would believe that Pamela was just passing by....

"Before you, Nathan had never had a girlfriend. He doesn't know how to treat his girlfriend. We didn't know that he already had a girlfriend until you personally came here today." When Danica said this, she looked at Nathan with blame in her eyes.

Nathan was about to say something. But Danica asked Pamela again, "What happened to you? How did you get this injury?"

Danica thought, it's late at night. Such a beautiful girl somehow got a wound on her neck...

"It's too dark outside. I accidentally fell, and my neck got cut by a stone..." Pamela took all the responsibility because she didn't want Nathan's sister to be blamed.

Danica said, "What kind of stone can make such a cut? Is it the stone in front of our house? Someone, go out and check it. Throw away all the stones that may hurt people!"

After a pause, Danica muttered, "This is the first time that Nathan's girlfriend has come to our house. But she somehow got injured. How can we explain this to her parents..."

"***, actually, it was..." Paige wanted to say that it was she who caused that wound on Pamela's neck.

But Pamela immediately interrupted Paige and said, "Your name is Paige, right? My name is Pamela Berger. Nice to meet you."

Hearing Pamela's full name, Donald and Danica were stunned on the spot.

They thought, what did she say?

Pamela Berger?

"You..." Danica was shocked for a while. Then, she asked, "May I ask if your father is George Berger?"

“Yes... But I am not ***with him. Haha...” Pamela twitched the corner of her ***. She was afraid that Donald and Danica would act the same as Nathan did after knowing her identity.

She was like a big fan looking at her favorite celebrity. There was worship, love, and excitement in her eyes...

*Danica got it the ****she saw Pamela’s eyes. The corners of her ****curled up. “Nathan, you know what Nathan likes to eat. Pick some food for her. Nathan, feel at home. Get whatever you like to eat.”*

Pamela put on a bright smile, “Thank you, Mrs. Lusk. You are so nice ~”

When Danica heard this, she couldn’t stop smiling. “Really? Then you should come more often in the future! If Nathan is busy and doesn’t have time to accompany you, you can call me. I will pick

you up! I have a lot of photos of Nathan when he was a child..."

*"***," Nathan remembered that there were many photos of him looking ***, so he hurried to stop Danica.*

Pamela giggled and nodded. Unexpectedly, her injury hurt again. Nathan reminded her gently, "Take care."

His tone was not only gentle but also filled with affection.

Danica watched them showing affection and happily left the dining room, leaving them alone.

After eating, Pamela found that Donald and Danica had prepared many gifts for her. She hurried to refuse.

"Thank you, but I can't accept these. It is already very rude that I didn't take any gifts on my first visit... How can you prepare so many things for me? I will feel sorry..." Pamela said. She took out two large gift boxes from the trunk of the car and was about to take them back.

"Don't refuse our gifts! This is for our future daughter-in-law! We haven't spent a lot!"

In fact, the gifts had filled the trunk.

Before Paige responded, Pamela continued, “So when I learned that my sister-in-law is not Patricia but you, I was very happy.”

Paige looked at her smiling face and laughed.

“Paige, can I go to your school when I have time?”

“Sure,” Paige smiled and replied warmly.

“Great! I live in Chicago. You can come to my home when you are free. But my family is more serious, unlike your family... Don’t be afraid. I will back you up!”

Pamela took out her mobile phone and smiled very cutely. “Let’s add friends.”

“Okay.” Paige took out her mobile phone and added her Line account.

Patricia, who was hiding in the dark, saw this scene and clenched her fists in anger!

I didn’t expect them to add friends so quickly!

“Goodbye!” Pamela gently and domineeringly touched Paige’s head. After getting in the car, she said, “Paige is so cute and so adorable!”

Finally, Pamela said: "If you want to speak ill of Paige, don't contact me again."

Patricia was so angry that she directly blacklisted Pamela!

She threw her phone on the table. Patricia was so angry that her chest rose and fell. After a while, she calmed down and released Pamela from the blacklist...

After all, Pamela was the daughter of a big shot. It was better for Patricia to keep her contact.

Maybe it would be useful in the future....

*However, Pamela thought that she could be ***and sneer at Patricia because Pamela was with Nathan...*

Patricia's eyes became cold. If Nathan did not like Pamela...

On the other side.

A luxury car was parked at the school gate.

A tall man stood beside the car, holding up a girl's face and kissing her.

"Oh... Martin, stop..." Paige was kissed until her legs were weak. After the kiss, she found that everyone's eyes were on them. She suddenly felt a little embarrassed.

"She seems to be the top scorer Class One for Traditional Medicine. Paige, is it?"

"It should be. Only she has such good looks and height..."

"Who is that man? He's so handsome, and his legs are so long."

Leana spoke as she helped to carry some things..

Anna could tell Pamela’s identity at a glance. She didn’t expect Nathan to have such an outstanding girlfriend...

Pamela’s family background was much more than powerful.

“Pamela, let me do it.” Anna smiled. She found that Pamela was a straightforward person and easy to get along with.

As a good friend of Paige, she felt happy for Paige. It seemed that Paige would live a happier life in the future

because she had a good sister-in-law.

Paige also took a lot of things. “Pamela, you don’t have to bring us gifts. Bess is right. We are like a family.”

“I want to buy something for you.” Pamela did not expect Paige and her classmates were so easy to get along

with. Holding the remaining gifts in one hand and holding Paige’s hand in the other, she kept talking happily.

When they arrived at the dormitory, Paige made tea for her, and her roommates took out their snacks and i

After that, she took out her phone and was about to call Patricia.

Iyana smiled. "Do you know who Patricia is? How can you have her number..."

Patricia was the daughter of the Lusk family, the daughter of the richest man!

She would not casually make friends with others.

"Don't try to ***me. I am Patricia's good friend. I can recognize her voice..."

As soon as Iyana finished speaking, she heard Patricia's voice coming from Pamela's phone.

"***? Sister-in-law, what's up?"

Sister-in-law?

Iyana and her three classmates were stunned. It was really Patricia's voice!

How could the girl in front of them be Patricia's sister-in-law?

Since they were a family, why would she speak for Paige?

What the ***was going on?

"I'm at your university. Come over here." Pamela cut straight to the point.

"Pamela, you came to my university?" Patricia was surprised. Hearing that Pamela sounded unhappy.

Patricia asked cautiously, "What happened?"
