### Chapter 1517

Kisa spun around frantically, only to come face to face with Thomas.

Despite his sickly pallor, he looked better than he did the day before.

And as soon as she saw him, she saw a glimmer of hope. She was convinced that Thomas was the only one who could clear her name. She seized his hand and demanded, "What's going on? How did David manage to track us down?"

Thomas grinned at her, a tender and loving smile that made him look like a caring brother. But his words were like a sledgehammer to Kisa's heart.

"David's caught Madalyn, so we don't have to keep up the charade anymore," he said.

Kisa's face went ashen, and she asked, her voice quivering with tension, "What are you talking about?"

"Your plan was a smashing success. David nabbed Madalyn in record time, and he is thrilled. He wants to reward you. So come on, and let's go," Thomas said, trying to tug her along.

"That's enough! What plan? What reward? Why are you trying to defame me? Why are you out to get me? You're my brother, for God's sake. What the hell is going on?" Kisa exploded.

Suddenly, Thomas furrowed his brow and said, concern lacing his tone, 'Kisa, what's wrong with you? We agreed to bail once David caught Madalyn. Why are you still acting? Come on. Let's go before they do something to you.'" He moved to embrace her.
