

Fire 1525

Chapter 1525

Carolyn and Christopher stood only three meters away from the door, blocking her escape.

But if she tried to run, Carolyn and Christopher could ignite their explosives and turn her and Madalyn into dust.

There was no hiding in the corner either.

The explosives on their bodies could level the entire warehouse.

Gritting her teeth, she growled at Christopher, "What the hell are you doing? Sharon's still in there. If you die like this, what will happen to her?"

Christopher loved Sharon more than anything.
