First-class Son-in-law By Drunk Alone Chapter 3

Chapter 3

Andrew continued to fearlessly mock him. “What’re you staring at? Do you want to hit me? Haha! Come on! Hit me! Do you even have the guts to do—”

Before he could finish, his vision blurred.

Smack!

The sound of a loud and crisp slap echoed in the area.

“Ow!”

It was followed by a pained cry reminiscent of a pig being slaughtered.

Then, Andrew’s plump and sleazy body flew a few steps before crashing down.

Lily was struck dumb. Her eyes were wide as saucers when she looked at Henry in disbelief.

No matter what, she could not imagine the meek and timid piece of trash that was her ex-husband daring to hit Andrew.

After the initial shock faded, Lily ran over to Andrew, whose face was already swollen, and started calling to him nonstop. “Ah... Darling, are you okay? You’re scaring me!”

“How dare you hit me?! I’m going to kill you!” Andrew flew into a rage and got to his feet. He charged at Henry fiercely.

Smack!

Before he could even touch Henry, he received another slap on the other side of his face.

Just like before, Andrew fell on the ground and started screaming in pain.

Lily's face twisted in resentment, and she screeched at Henry. "You b*stard! How dare you hit Andrew?! You're done for! If anything happens to him, we'll make your life a living hell!"

Henry just stared indifferently at the short-sighted, ridiculously crass woman who kept shattering his image of her and showing him that she could be even worse than what he perceived of her. He could not help but smile.

At that moment, a frightening glare rose in his eyes. "Lily, this is the last time I will tolerate you humiliating me, because I owe you. As for that laughable ant? He's not worthy of shouting and yelling in my vicinity. Nothing will happen to me even if I kill him."

He might not have been speaking loudly, but his words were spoken in a fierce icy tone. His frosty gaze also made it look like he had come straight from hell, which made everyone's skin crawl.

Lily and Andrew had never seen such terrifying eyes before, and they trembled despite not being cold.

However, Lily soon realized what she just did.

She had lived with Henry for an entire year, so she had a "deep understanding" of this man.

In her eyes, Henry had no skills nor come from a powerful family. He was just a piece of trash she could hit and yell at whenever she wanted.

A few screws had to have gotten loose in his head today, or he would have never dared to be so arrogant and prideful.

Lily burned with rage. "Henry, you're putting on airs in front of me?! I'll kill myself if I don't kill you today!"

Then, like a raging beast, she charged at Henry with her teeth bared.

Vroom...

Suddenly, the loud, raging roars of an engine came from afar.

In an instant, a ridiculously grand and large heavy pickup charged over to Lily while roaring like a wild beast.

Lily had never had such a thing happen to her before. Her face turned pale from fright, and she quickly stepped back.

However, something terrifying happened next.

The large pickup acted like a crazed rhinoceros and rammed into the white Mercedes at an insanely high speed. The driver did not even bother stepping on the brakes!

Screech!

The Mercedes was flipped over by the huge impact.

The car violently hit the rough and tough surface of the road, which created sparks that shot all over the place.

In the blink of an eye, the Mercedes was ruined.

As for the huge pickup?

It was not damaged in the slightest. It arrived safely and steadily in front of Henry.

The huge pickup, the fearsome appearance, and the powerful aura it exuded showed that the metal beast was a limited-edition vehicle. It was a Mercedes-AMG G63, six by six heavy pick-up that was worth more than one million dollars!

The door opened, and a pair of long, straight legs wrapped in tight, black silk came out.

Soon, the owner of the alluring legs came out of the pickup.

She had a thin waist and a curvaceous body. Her face was also exquisite and practically flawless. Saying that she was a stunner would not be an exaggeration.

Her beautiful, charming, and bright eyes were also visually stunning and incredibly tempting.

Any man who saw her would fall for her.
