The First Heir – Chapter 1568

Douglas Poole, the fourth master of Riverdale.

He was a character who had retreated to the background. Finally, he appeared again today!

It was only because Martin Johnston of Beacon Group had offered a large sum that could help him regain control of Riverdale.

This was the main reason Douglas was willing to step forward this time.

As a person got older, their movements would also get slower. Douglas did not wish to continue living his life like this.

Riverdale had been under Theo's rule for many years and it was time for a change.

Theo's expression froze when he saw Douglas appearing with his people. His heart became heavy.

Why did Douglas emerge all of a sudden?

Could it be that all these things were connected? Immediately after, Theo turned to Douglas and said solemnly, "Fourth Master, what do you intend to do?"

After seeing his son being beaten up, Douglas was naturally angry and said furiously, "Theo, don't think that I don't dare to do anything to you just because you rule over Riverdale! Making a move against my son means you're disrespecting me!"

Theo's expression turned cold. He stomped his foot on Blake's chest, turned his sharp gaze to Douglas, and said, "Fourth Master, you shouldn't have appeared at this time. Your era is over. Now, Riverdale belongs to the Clarke family, not Zander, let alone Poole!"

'The Clarke family?!'

Douglas' face froze as he looked at Theo with confusion. He mocked, "Oh, Theo Zander, I thought that you were an overlord, but I didn't expect that you're also a man who bows down in front of money. Are you trying to say that Riverdale belongs to this loser? A son-in-law who depends on his wife's family?"

"Hehe..."

Philip Clarke?

Douglas looked down on him. He had long inquired about Philip. He was just a piece of rubbish!

He did not expect Theo to be respectful of Philip. One could already imagine how senile and dim witted this Theo Zander had become!

Theo smiled coldly and said, "Fourth Master, I'll give you a final warning. Take your people and leave. I'm afraid there's going to be a bloodbath in Riverdale today."

Douglas said with a laugh, "Warning me? Since I dare to make an appearance, I won't be afraid of you! You may not be aware of the number of people who are after your life this time! It's time for Riverdale to have a change of ownership."

At this juncture, there was no point in further discussion.

Douglas waved his hand and said angrily, "Listen up, whoever can take Theo Zander down will be rewarded with one million dollars!"

Roar!

With that command, the dozens of men behind Douglas instantly rushed over with an angry roar!

Not to be outdone, Theo frowned and shouted coldly, "Defend Mr. Clarke to the death! Charge!"

In an instant, a fierce scuffle broke out between the two sides!

Sounds of shouting and killing resounded at the front entrance of Beacon Group!

Meanwhile, a group of thugs in black suits rushed out from both sides of the street. They were all Theo's people. He had made arrangements long ago and was just waiting for these people to emerge from the dark. It was like shooting fish in a barrel!

Douglas panicked as he watched his men fall one after another.

Finally, Theo stepped forward and kicked Douglas violently. The latter rolled heavily on the ground and spat out a mouthful of blood!

With a grim expression, Theo stepped on Douglas' chest and asked coldly, "Fourth Master, what do you think you should do now?"

"Theo, don't be too cocky. Don't forget that Webster Shaw stands behind me! "

Douglas roared with eyes full of chills!

However, Theo ignored his threats and stomped his foot heavily once more!

"You, Theo Zander, are not worthy of making a move on my men yet!"

Suddenly, an elderly and sinister voice sounded from the corner.
