

First Marriage, then love: wife, never divorce –

Chapter 16: Chapter 16 the real groom and the fake groom took turns to appear

“since you’re willing to marry Dongfang Mo, then I’ll invite my brother down. ”

Dongfang Yu obviously wasn’t in the mood to continue listening to Xi Muxue’s nagging. He looked meaningfully at Xi Muru before his gaze finally stopped on Xi Yuancheng

“CEO Xi, I’m sorry, but I’m afraid I’ll have to trouble you to bring your eldest daughter, Xi Muru back. My brother told her to get lost last night, but she actually shamelessly stayed here for the night. ”

Xi Muxue was a little puzzled when she heard Dongfang Yu’s words. She only reacted when she saw him turn around and walk upstairs, so she quickly asked,

“You... you’re not Dongfang Mo? ”

“Of course I’m not Dongfang Mo. ”

Dongfang Yu shrugged his shoulders and made a helpless expression. His Gaze stopped on Xi Muxue’s face, and he said teasingly,

“sister-in-law is so beautiful, Yu is also very moved. But there’s an old saying, you can’t bully a friend’s wife, let alone your own sister-in-law. ”

Xi Muxue was no longer in the mood to listen to Dongfang Yu’s teasing. She only asked nervously,

“then... then where is Dongfang Mo? I remember, a year ago, the Dongfang Mo I saw was just like you? ”

“My brother and I are twin brothers. ”

Dongfang Yu explained as he walked up the stairs

“Just like how you and Xi Muru are twin sisters. ”

Xi Muxue was completely confused. At the same time, she had a bad premonition. Seeing that Dongfang Yu's figure had disappeared, she quickly chased up to Mu Ru. She raised her hand and slapped her face again

"Say, what exactly is Dongfang Mo like? Did you see Dongfang Mo last night? "

Xi Muru took another step back and raised her head slightly. When she met Nanny Liu's sympathetic and caring gaze, her nose turned sour. Nanny Liu had just met her last night, and she actually sympathized with her and cared about her.

And this so-called biological sister, the biological sister of the same mother as her, other than beating her, scolding her, and using her as a scapegoat to vent her anger, she had no other feelings.

"Mu Ru, Mu Xue is asking you a question. "

Xi Yuancheng saw his ugly daughter lowering her head and not saying a word, so he could not help but berate her

"quickly tell Mu Xue, have you seen Dongfang Mo at all? "

"Yes, I have. "

Mu Ru resisted the dissatisfaction in her heart:

"He's actually... "

"Don't ask her. I'm right here. "

With an old and hoarse voice, the elevator door has a wheelchair slowly turned over, and the people in the wheelchair... ..

"AH... Ghost! "

Xi muxue shouted and immediately ran to the door, only thinking of using the fastest speed to escape from this place.

Unfortunately, just as she reached the door, she was immediately grabbed by the hand that quickly reached out from the wheelchair. Dongfang Mo's hand was tightly clutched onto her shoulder, and his twisted and ferocious face swayed on her face

"honey, since you're here, you actually still want to run. What do you mean by this? Do you dislike me? "

Xi muxue looked at the hand that grabbed her. That skin was like the bark of a tree that was crawling with countless insects, so she did not dare to look at Dongfang Mo's face.

She just closed her eyes and shook her head. Mengdi felt that it was inappropriate again, and then quickly nodded.

“Tell me, do you dislike me or not? ”

Dongfang Mo’s hoarse voice sounded like a wolf’s howl because of the sudden growl. It was so scary.

Chapter 17: Chapter 17 the real and fake groom take turns on Stage 1

Xi Yuancheng saw that his precious daughter had been caught and quickly rushed over. Although he was also afraid of Dongfang Mo’s glory, he was after all a man who had seen the world. He was finally able to stabilize his body.

“President Dongfang, Mu Xue isn’t looking down on you. ”

Xi Yuancheng quickly organized the words in his mind and then added on with more exaggeration

“But, my eldest daughter, Mu Ru, admires you even more. I think it’s better to have some affection in marriage. You saw it yourself. Mu Xue ran away in fright when she saw you, and Mu ru is still standing there steadily. Both of them are my daughters. Actually, Mu Ru and you will make you happier. Mu Xue has a wild personality, unlike Mu ru who is gentle and virtuous... “. “... “...”

Xi Muru stood there quietly. This was the first time she heard so many words of praise from her father. If it were any other time, she would be more or less happy if her father praised her like this, right?

However, now, at this moment, she obviously understood what this kind of praise meant?

Because this was Xi Yuancheng’s plan to push her into a desperate situation.

“You mean... ”

Dongfang Mo’s cold gaze stopped on Xi Yuancheng’s face. He paused for a moment and then said coldly,

“You want me to accept my mistake and marry you, this daughter who is as ugly as Zhu Bajie? ”

When Xi Yuancheng heard Dongfang Mo’s words, he could not help but look at his own daughter. Coincidentally, Mu Ru’s hair was lifted when Xi muxue slapped her. The

thumb-sized birthmark was clearly seen in front of her smooth forehead Both of her cheeks were red and swollen from Xi Muxue's slap. She indeed looked like Zhu Bajie.

Hence, Xi Yuancheng quickly added

“Even though my eldest daughter, Mu Ru, is a little ugly, she's still a good girl. Even though she's already nineteen years old, no one likes her because she's ugly, so she's still an original. In today's society, even the CEO of Dongfang knows that an original is already a rare item... “... “...”

Xi Yuancheng lowered his head as he continued to speak. He did not notice the disdain in Dongfang Mo's eyes at all. Even uncle Liu and nanny Liu, who were standing not far away, were looking at him with disdain.

Xi Muru's face was originally red and swollen from Xi Muxue's two slaps. However, after hearing her father's shameless words of promoting her, her entire face turned pale and her body took two steps back She only stopped when she hit the wall.

Never in her wildest dreams did she expect that this was her father. He actually... ..

He actually said such a beast-like thing. For the sake of his lucky princess, he was willing to sacrifice an ominous person like her without any bottom line.

“since she's still a good girl? ”

Dongfang Mo's meaningful gaze glanced at Xi Muru who was standing not far away. Then, he stared at Xi Yuancheng with a smile that was not a smile

“Then, let's just forget about this marriage. If it's not... ”

Dongfang Mo paused for a moment. Then, his cold gaze once again landed on Xi Muxue's overly beautiful face. He snorted coldly and said,

“I'm afraid I'll have to trouble CEO XI to personally send your most beautiful daughter over. ”

Dongfang Mo's face was already extremely terrifying due to the fire. At this moment, he still had a faint smile on his face. He looked even more like a devil that came out of a horror movie.

Xi Muxue kept her eyes closed and did not dare to look at Dongfang Mo's face. Meanwhile, Xi Yuancheng lowered his head and tried his best to avoid his gaze from touching Dongfang Mo's face.

Chapter 18: Chapter 18 ugly niece-in-law meets aunt

“You can rest assured about this. Mu Ru is definitely a good girl. I can guarantee it with you. ”

Xi Yuancheng shamelessly patted his own chest and promised.

“Alright, you can take your beautiful daughter back first. ”

Dongfang Mo’s voice was cold and emotionless, then he added coldly,

“between a beautiful skin and a good girl, I’d better choose a good girl. After all, I’m a little mysophobic. ”

Xi Yuancheng could no longer care about the insults and ridicule in Dongfang Mo’s words. Although he knew that Dongfang Mo’s words had also scolded him and his two daughters, the most important thing now was.. He had to quickly bring his beautiful and precious daughter back safely.

Mu Ru had thought that with Xi Yuancheng and Xi Muxue here, she would no longer have to stay in the Dongfang family, but who knew that in the end, Xi Yuancheng would still leave her in the Dongfang family, completely ignoring her life and death.

“Why are you still standing there? ”

Dongfang Mo looked at the woman who was standing there in a daze and could not help but growl

“Why aren’t you rolling over to have breakfast? You don’t even know how to fight back when you’re slapped. WHAT AN IDIOT WOMAN! ”

Mu Ru walked towards the dining room with trepidation. She ignored Dongfang Mo’s words. After all, she had been bullied by Xi muxue since she was young. Furthermore, Xi Yuancheng was here just now. How could she fight back?

Mother Liu brought the breakfast to the dining table. Dongfang Mo’s wheelchair moved to the seat next to the dining table. Mu Ru sat down next to him. Because she was afraid, she did not even dare to look up.

“You don’t even dare to look at me. How are you going to serve me at night? ”

A cold and clear voice sounded above her head without any emotion, but it still made mu ru’s hair stand on end.

Wait on him at night?

“Ah Mo, who made you angry again? ”

The sweet voice of a middle-aged woman came from the steps.

Mu Ru looked up and immediately saw a tall, voluptuous woman with a mature charm walking towards her with graceful steps.

She was slightly stunned. She remembered that she had seen this woman at the wedding yesterday. She couldn't remember what her name was. She seemed to be Dongfang Mo's aunt, an old aunt who had never married before.

“This is aunt Gu. ”

Dongfang Mo's voice was still cold and stiff

“Give my regards to aunt Gu. ”

“Ah Mo, don't scare Mu Xue. ”

The mature woman came to the dining table and sat down opposite Mu Ru. Then, she added to mu ru with a smile,

“My name is Dongfang Mei. Yes, aunt Gu. From now on, you can just follow Ah Mo and call me aunt Gu. ”

“Hello, aunt Gu! ”

Although Mu ru didn't understand why Dongfang Mo had to call her mother aunt Gu, she still addressed her very sensibly.

“Hey, so obedient! ”

Dongfang Mei agreed very happily and took out a red packet at the same time

“Mu Xue, this is the red packet that aunt Gu prepared for you. Don't think it's too little. ”

“I... This... I... ” Mu Ru was a little uneasy and used her hands to push her away.

“Aunt Gu will give it to you. Why aren't you taking it and thanking Aunt Gu? ”

The hoarse voice was still cold and emotionless. Before Mu ru could react, she heard him say again,

“By the way, Aunt Gu, she's Xi Muru, not Xi Muxue. ”

“Ah?” Dongfang Mei obviously did not expect the bride to change, so she stared at mu ru with wide eyes. “What’s going on?”

Chapter 19: Chapter 19. She was just a substitute

Mu Ru quickly took the red packet from Dongfang Mei’s hand and bowed slightly to say “thank you”. At the same time, she explained in a low voice,

“Xi Muxue is my sister. We’re twins.”

“Oh, no wonder. She fooled all of us.”

Dongfang Mei seemed to have come to a sudden realization. Then, she looked at Dongfang Mo and said,

“Ah Mo, actually, you don’t have to be like this. With our Dongfang family’s financial power and influence, you can change your appearance into the celebrity an Zhenhuan if you want. Why do you have to make things difficult for yourself? I’m worried that Mu ru...”

“since she has already listened to her father’s arrangements to marry me, then she has to accept everything about me. I won’t change my appearance for anyone.”

Dongfang Mo’s voice was Hoarse and cold

“Besides, no matter how good-looking she looks after plastic surgery, it’s still fake. It’s better to use this skin of mine.”

Dongfang Mei was a smart person. Hearing Dongfang Mo’s words, she immediately changed the topic

“Oh right, ah Mo, I heard that Nangong Xun from Singapore’s Xun group is coming to Dongfang Group to discuss the cooperation plan for the next year. He’s our number one client, so of course, we can’t neglect him. If it’s inconvenient for you to meet him, I think we should...”

“Why are you in such a hurry, aunt gu? Isn’t Dongfang Group always third brother, Ah Jun, sooner or later?”

Dongfang MO quickly cut off Dongfang Mei’s words and then said indifferently,

“Nangong Xun is a well-known profiteer. He never plays by the rules. Ah Jun is still young, only twenty years old, so he’s definitely not Nangong Xun’s match. Besides, if aunt Gu appears, won’t people think that our Dongfang Group doesn’t have any men?”

“then... who are you going to send to meet Nangong Xun? ”

Dongfang Mei’s voice was long and drawn out, and she felt extremely uncomfortable.

“Don’t worry about aunt Gu. Besides, Nangong Xun still has three weeks to come to the Dongfang Group, right? ”

Dongfang Mo’s voice was still cold

“I’ve already asked second brother to prepare it. We’ll see when the time comes. ”

“Dongfang Yu? ”

Dongfang Mei couldn’t help but ask in return. Then, she muttered,

“Ah Mo, if it wasn’t aunt, why would I say Ah Yu? His entire mind isn’t in the group. He’s just a person who eats, drinks, and plays all day long... ”

“Aunt Gu, I’m done eating. You eat slowly. ”

Dongfang Mo obviously did not have the intention to continue listening to aunt Gu’s words. He wiped his mouth with a tissue, then turned his wheelchair and was about to leave.

However, when his gaze met Xi Muru, he paused for a moment and then said coldly,

“Xi Muru, listen carefully. The Dongfang family is a big family. Some situations are different from other families. As my wife, you only need to be docile, obedient, and obedient. Don’t ask about other things that you shouldn’t ask, and don’t be curious about things that you shouldn’t know! ”

Dongfang Mo’s voice was old and hoarse, and it was extremely cold. It was as if it came from the mouth of a man in his sixties or seventies. Mu Ru could not help but shiver when she heard it.

Mu Ru lowered her head and did not even dare to breathe loudly. Dongfang Mei was a little annoyed, so she could not help but say,

“Ah MO, look at Mu Ru. She just arrived, and you brought out these family rules. What if you scare her away... ”

“She can run away now. The person I married wasn’t her to begin with. She’s just a substitute. ”

Dongfang Mo coldly interrupted Dongfang Mei’s words. Then, he turned his wheelchair and quickly headed outside.

When Mu ru heard Dongfang Mo's words, she even had the heart to die. She was really not well-liked by people. Her parents had despised her since she was born. Now, she was Mu Xue's stand-in to marry the completely disfigured Dongfang Mo, yet she was still despised by him.
