

First Strong 111

Chapter 111 - Do you want to fight?

After waiting for the time, Shen Lang felt very boring. I knew that it was better to be outside with Yue Zhennan.

Among the people in the scene, except for Yue Gang, the other fifteen others have not seen him. The elder is the uncle of Yue Gang. When Yue Gang's father lie down and continue to live, he is the oldest elder of the highest qualification. He is more than 70 years old and speaks less, but when he speaks, everyone will listen to him quietly.

I was asked to come out, and it was also the character of the Yue family's own town.

Inside the guest, of course, the first two are respected. According to the introduction of Yue Zhennan, this is the old predecessor of Pingxi City. One is called Fengxiang, and the other is called Feng Dejun.

It's not a big deal to look at their posture. It's the kind of thing that can't be asked to come out to mediate. Not to mention other guests, that is, the contemporary homeowner of Yue Gang, the Yue family, they are not in the eyes. The scene can make these two old people feel equal, and Yue Gang, the uncle Yue Bailun.

These two are also the self-cultivators who have reached the return of the Yuan Dynasty!

The other dozens of guests are only super-martial, although not eight or nine.

Some of them are invited, and some are like Mo Qi, who have accepted the experts of Yuejia, and when they finally need it, they have to come out to support the scene.

For Yue Gang and Yue Bailun, Yue Zhennan, as a younger generation, did not say much more. Yue Gang first contacted, Shen Lang knew that he had cultivation, but did not return to the Yuan Jing. And this Yue Bailun, it should have arrived at the Yuanyuan, it is estimated that Yuejia has the strongest existing strength.

To say strength, Shen Lang can completely crush all of them. However, because of their young age, and the fact that they have not yet gained popularity in Pingxi City, let alone the three old predecessors, that is, the other dozen super-armed warriors, did not put him in the eye.

Perhaps in their view, this young man is really invited by Yue Zhennan. It is estimated that the seven-segment has not reached the extraordinary warrior. So let him stay with the last seat and drink tea by himself.

As the master of this place, Yue Gang is also the person in charge of the pressure. Of course, it cannot be calm. During this period, he was the one who spoke the most, constantly giving everyone a high hat praise, and not inciting that their five behaviors were too overbearing. If even Yue family were deceived, all the forces in Pingxi would not have to be Stepping on?

Although Shen Lang does not understand the distribution of forces in the Pingxi area, the response from the scene can still be heard. Most of the people present were only out of interest, or they couldn't get it on the face. At most, they could only support the Yue family. I really want them to stand up and fight against the other five, I am afraid that few will do it!

After understanding, Shen Lang simply closed his eyes and no longer care about their non-nutritious dialogue.

Fortunately, the situation did not last long. At 7:50, some people ran in to inform that the other party had gone outside the community!

Although Yue Gang is under great pressure, it is still atmospheric and let them invite the guests.

Then he continued to use the tragic tone to make the final lyrics, and wanted everyone to join the Yue family with the enemy.

A few minutes later, there was a loud noise and a lot of footsteps outside the hall.

After another briefing, Yue Gang asked them to come in.

At this moment, everyone's eyes are on the door of the outside hall.

A group of people came in from the entrance of the hall, passed through the spacious lower hall, and went directly to the center of the upper hall where they sat. There are a total of ten people coming, and each of them should have two representatives.

And Yue Zhennan and other younger generations who were originally guarded outside the ancestral hall also followed. However, they did not come close, standing against the wall at the edge of the lower hall and standing at the door.

Shen Lang took a moment to look at it. These young people didn't know the heights and the depths, and they all looked like a fist, and seemed to be preparing to close the dog.

“Yue Gang! The stools are not given to us. Is this the hospitality of your Yue family?”

“Look at the posture of your word, is it going to fight with us?”

The two old men in the middle of the ten people are talking.

Shen Lang is at the last seat on the left side, and now they can't see their front. But when they came over, they already saw it clearly. These ten people were basically seen in Phoenix Valley last night.

This further proves that the night to the Phoenix Valley King Tomb, is the elite of all, but the core of the main are hanging.

The two who just spoke, one was the big Xuanmen Li Shengyi who was injured by a huge stone last night, and the other one was Ye Long of Ye Family.

In the middle, there are five veterans. The other five are next to each other. They are all in their 30s and 40s. They are the mainstays of the various factions. It seems that this is also a temporary generation, but they are still masters. Initiative.

“Li Lao, Ye Lao, our Yue family are very courteous to the old friends. But are you really making the Yue family a friend? If others treat us as fish, do we need to lie down under the knife?”

Yue Gang originally wanted to stand up and say a few words, but the two of them were aggressive when they opened their mouths. He was not polite, and sat down and responded to them a few words.

“Do not talk nonsense! We have asked for your request, have you finished?” Li Shengyi said with no anger.

“Li Shengzhen, others are afraid of you, I am not afraid of you! What are you counting, why should I come to my Yuejia to ask?”

Yue Bailun, who was drinking tea next to his eyes, put the teacup down, slammed the coffee table, and screamed and asked, this compelling momentum directly screamed the younger children in the lower hall.

“Yue Bailun You don’t want to be guilty! You really need this strength. Why do you need to find some of these cats and dogs? Who are you scared?” Ye Long directly satirized.

Even Li Shengyi, who had just been injured last night, was not sneered by Yue Bailun’s words. He directly sneered: “This is the grudge between us. You are looking for some outsiders, and you are not arguing that you are leaking!”

“Li brother, Ye brother, don’t talk nonsense with them. Since Yue Gang doesn’t know how to lift, then we don’t have to worry about it. Tonight, they will completely destroy their Yue family!” Another old man said more aggressively. .

“Dare!” Yue Gang stood up, and his momentum was flourishing. He screamed: “My Yue family is righteous, but you are pressing hard, deceiving people too much! Believe it or not, I will leave you all this evening!”

A dozen of the scenes were originally invited to reconcile, and everyone has a face, hoping to have room for negotiation. I didn’t expect that the two sides would go straight to the bar, and they wouldn’t talk at all, lest they be forced to stand up directly.

However, two years of Fengxiang and Feng Dejun, they had to stand up. First of all, they are respected by them, and their faces are mainly their faces. Secondly, Ye Long used the saying “A cat and dog”. If they don’t go back, they will really face the face.
