

First Strong 117

Chapter 117 - Unbearable 1 hit!

Cai Shuming and the other two veterans became close together and have each other support and dependence.

“Shen Lang! Are you going to be enemies with our entire Pingxi comprehension? You are now letting go, we can never go wrong, or else you are ready to accept the entire Pingxi comprehension! It includes all about you.” people!”

Cai Shuming gave a big sigh. Before they said that Yue Bailun was guilty, it became a guilty conscience. Just because there is no confidence, the entire Pingxi comprehension community is ***** to raise the pressure.

“You threaten me?” Shen Lang looked at him coldly.

“I am giving you a chance to be good! Look at what you have done!” Cai Shuming avoided his words.

The other two also followed: “Ye is old, how are you doing now? He is more uncomfortable than death!”

“And Li Lao! You can be the age of your grandfather. You have pulled out your hair. Do you have someone like you?”

“Shut up!” Shen Lang screamed, and immediately let them all stop.

“When the five of you are bullying, killing someone else’s home to force extortion, why don’t you say that you are enemies with the entire Pingxi comprehension? Or do you represent the Pingxi comprehension? You have to kill me, I have not killed yet, I have not killed. This is what you did, and said to give me the opportunity to be good? Roll!”

The words of Shen Lang immediately made the Yue family younger generation collectively applauded.

The extraordinary warriors who were previously dismissed as a cat and a dog are also a little proud. Although they have nothing to do with them, but they are just like Shenbo who are sitting with them, and they are also honored. At this time, seeing that the waves are in the upper hand, they are also applauded.

“We also represent the realm of Pingxi! Really want to fight for the Yue family and us? You don’t regret it!” Cai Shuming can only insist on toughness, put the five peaceful Xi Xiuzhen, and gamble the waves and dare not offend. More enemies.

Shen Lang was initially worried that no one had ever cultivated it now, so how lonely he was. Now I know more about the situation in Pingxi City, especially about the tomb of the King of the King. It can be said that there are so many self-cultivators in Pingxi City in the district. To a large extent, it has been Yuyin of Zheng Man for hundreds of years.

I thought that Zheng Man was his follower in the past. These ancestors were benefited by Zheng Man, and even dared to say that he was pressing on behalf of the Pingxi comprehension world.

“I am fulfilling you -“

When Shen Lang said this, the body flashed quickly and immediately came to Cai Shuming.

Cai Shuming had already prepared for it, and quickly rushed out to attack, and the extremology of Linghequan was displayed. The other two also rushed to attack, so as not to break through Cai Shuming, they will also be finished.

The shadow of the waves can disappear from their front again!

I have just had a few fights, and this situation makes them immediately understand that Shen Lang is definitely behind him!

The three people just saw the consequences of Ye Long’s blow behind him. They quickly attacked afterwards and leaned back against each other, so that everyone was outside.

But this time, they discovered that Shen Lang was not behind!

Others separated by distance, but they all saw it clearly. Shen Lang just disappeared, not to go behind them, but the volley floated up, just above them. At the moment, when the three of them back to back, they have quickly pressed down.

They continued to attack, and when they felt the enemy was on the top of their heads, they were too late to look up. They looked at one foot and kicked it to the top of the head!

Dozens of people on the scene saw a scene that made them shudder and panic!

When Shen Lang was pressed down, he stepped on the heads of two people and directly crushed their necks. Then the whole person fell down and his head exploded!

“The weak Pingxiu cultivation world is simply vulnerable!”

When he heard the words of Shen Lang, Cai Shuming’s face was disastrously defeated, and he began to worry. Because he understands that Shen Lang should be far above them. If he wants to kill, he should be able to kill him. This is to deliberately leave him and deliberately say to him.

The eyes of the eyes saw the horror of two old friends, let him sigh, and really planted this evening!

“What do you want?” When asked this, Cai Shuming’s voice was full of bitterness.

When they came, when they forced Yue Gang, they felt that the Yue family was the fish on the cutting board, and they waited for them to wave the butcher’s knife. They could only poke to them.

Now, they become fish, and the waves are blowing a knife. He can only poke.

“If you order me to kill, threaten to kill all those who are related to me, you have to have a dead consciousness! And I want to kill you, as simple as pinching an ant, you don’t need to use spells!”

Shen Lang said this, not only the giant earthquake in Cai Shuming’s heart, but all the people on the scene, listening to the heart is shaking!

Regardless of their familiarity with Cai Shuming, at least they all know that Yue Bailun is the first master of the Yue family. As a comprehension, Yue Bailun, after temptation, discovered that Cai Shuming was in the late Yuan Dynasty and could only helplessly admit defeat. It can be seen from the realm of the realm of the Yuan Dynasty.

Now, Cai Shuming, in the mouth of Shen Lang, is an ant that can be pinched to death without the need for manipulation!

“Second brother...you, where did you find the change... No, where to find the fierce, too special domineering!” Yue Zhennan’s cousin, this time stuttering and whispering to him I almost chopped out the pervert, and I was scared to change my mouth.

Others have nodded again and again, and they are deeply convinced. Then a powerful comprehension person can kill a ant like a squirrel without using a spell! It’s a domineering, it’s a contempt for everything!

I almost think of Shen Lang as an idol, and even want to be a teacher right away.

Yuezhen South is also very excited at this moment!

When he saw Shen Lang on the first day, he knew that this was a monk. He directly injured his bodyguard and the three-stage super-armed Ahu, and then Mo Qi was beaten by him. But these are nothing compared to this evening.

This is my friend of Yuezhennan!

He really wants to announce loudly for everyone to know.

In addition to this vanity, he is even more excited, Lang brother is the wave brother! You don’t need a powerful master behind you, you can directly suppress these jumping clowns! Sure enough, they are all vulnerable to the rabble!

“There is the ability to kill me! Kill me, and our Linghe fist; and our five factions; and our entire Pingxi comprehension! Can you kill a few?”

Cai Shuming has given up his resistance, and he is not an opponent anyway. However, he did not believe that Shen Lang could kill him. He said this string, but there are many people behind him. Instead, he may let Shen Lang give up killing him.

“as you wish!”

Shen Lang originally fell in front of him. At the moment, when he spoke, he used the punch of “Da Shou Mi Long Xiang Shen Gong” and directly hit Cai Shuming’s body.

When they spoke, everyone focused on the two people. At this moment, they didn’t see how the punches were punched, but they also knew that they were just a simple punch. Then everyone saw that they were more horrified than the scene. Scene!

Cai Shuming was directly broken!
