

## First Strong 152

Chapter 152 - Create 2 comprehensions

“Would you like me to help you?” Shen Lang squinted.

“No, no, no...” Tian Luning quickly climbed up, but he still felt a bit soft, and it would be nice to stand on his own. I want to take Chu Yuncheng away, but I can’t do it.

“Thank you, thank you. Yue Lao, can you arrange someone... or let my driver come in...”

Tian Luning is trying to ask Yue Baichuan for help, and let the Yue family arrange for people to send Chu Yuncheng out. But this is not emboldened because Chu Yuncheng has seriously injured two people in the Yue family.

Shen Lang was squatting down at this time, and Tian Luning was shocked again. But he didn’t dare to say anything, he didn’t dare to do anything, he couldn’t stop the waves.

Chu Yuncheng is also a bit nervous, but he now wants to move and can only struggle, in front of Shen Lang, there is still something to fight.

Shen Lang did not move him any more, but thought that he would let him go, it would be too cheap.

For him personally, there is no loss, and Chu Yuncheng is not as good as death, but he can also give the Chu family a horse, the purpose has been reached. But the Yue family is a heavy blow to two, of course, let him make up.

Therefore, a small bag in the pocket of Chu Yuncheng was taken out directly, and other money, cards, and the like did not move.

“You, you... you are robbery!” Chu Yuncheng wants to scream loudly, but because it is too weak, what can be done is just a small whine.

“This is called a booty.”

Shen Lang looked at Tian Luning and glanced at him: "Give you a minute to walk away!"

"Yes, yes..." Tian Luning wiped a sweat and dared not say it again. He quickly squatted down to help Chu Yuncheng on the ground.

"Right, Mr. Shen. My nephew..." It was hard to carry Chu Yuncheng back. Tian Luning remembered that Tian Jingwen was still in the hospital. This is the right thing to come here this evening.

"What is it about me?" Shen Lang asked.

"No, I, I have already apologized, you, you can't count..." Tian Luning was anxious.

"I said that you apologize apologize, I can let Tian Jingwen let go, let go of the meaning, that is, I will not go to find him again. I even let you go, but I have not found you a little trouble, what do you want? ?"

Shen Lang looked at him with a sly look.

Tian Luning is a long-time high-ranking person. Face and dignity are the most concerned. It is more humiliating for him to beg for mercy than to beat him and even kill him.

I thought that I could solve it. Now I found that it is not so simple. If it is a wave, it is true that there is nothing wrong with it.

"But... the scorpion is still in the hospital."

"Where is the injury not in the hospital?"

"The doctor has no way, it should be... only you can save him!" Tian Luning endured the grievances, did not say that it was caused by Shen Lang, but only asked Shen Lang to save people.

"When doctors have no way, this is a terminal illness. If you are looking for me to save people, then you have to come up with sincerity. Can you live in a hospital for free? Oh! Forget you are the deputy mayor, maybe live in the hospital. It can be free."

Shen Lang taunted a sentence and then said coldly: "One minute has passed."

"I, I..." Tian Luning fell to the ground is not an ordinary person, has heard the meaning behind it from this. If you want to let Shen Lang save Tian Jingwen, you have to pay "sincerity"!

"I will prepare for this, I will definitely come up with sincerity!"

He is old and has a hard time carrying a young man. It is quite difficult to carry people out of the community of Yuefu Garden. Since it can't be solved now, it can only be carried away first.

Shen Lang and Yue Baichuan watched him go out, no one said anything.

When he came out, he saw Yue Bailun on the grass, and some Yue family guarded, everyone was hostile to him. Let him not dare to neglect, even if he is struggling, he will quickly step up to the door of the community.

In his capacity, whoever dares to let him walk so far apart? Not to mention carrying a person. In addition to the burden on the body, all the eyes of the Yue family have made him like a man.

"Bring up Yue Bailun!"

Shen Lang said that the outside Yue Qiang Yue Sheng, as if he heard it next to him, did not dare to neglect, quickly called the young people together, and moved Yue Bailun to the hall.

The Shenlang in the hall has already placed Yuezhennan.

"Mr. Shen, can only trouble you!" Yue Baichuan took a deep bow.

Yue Bailun is old, but Yue Jia still needs him to hold for a while, and Yue Zhennan will be the future of the younger generation of Yuejia, and they cannot afford to sacrifice.

Shen Lang nodded.

Yue Zhennan was obstructed by his words to stop Chu Yuncheng from being injured. Yue Bailun was also considered to be injured. He would not care. Send them out first, close the door, leaving them both in the hall.

After a closer inspection, Yue Bailun's injury is much lighter. After all, he is a monk in the early days of Yuanyuan. The foundation is different.

Yue Zhennan is very hurt!

He began to practice through the meridians, less than two months, even if the hard work and hard work, plus the accumulation of resources of the Yue family, the time is still short. It takes a long time to break through the realm of the Yuan Dynasty. Just this time, he almost scrapped him!

Yue Zhennan is a friend approved by Shen Lang. The Yue family just bound him to the family, so that he does not need the same transaction last time.

Shen Lang directly took two Lingshi, holding the absorption in one hand, and then quickly converted into vitality, and then poured into the body of Yuezhennan, repairing the injury for him.

Even if he is in the realm of the present, it will take time to help Yue Zhennan completely repair it. Therefore, Shen Lang changed his mind. After completing the most basic repair, he prevented the injury from getting worse and had a certain ability to withstand.

Then began to manipulate and guide Yuezhen South to practice!

Like Zheng Yumeng, he directly absorbed the conduction through him, and injected a lot of vitality into his body, greatly shortening his own cultivation process.

Zheng Yumeng is trying to help her, it is the descendant of Zheng Man. And Yue Zhennan is to improve his ability to repair after he breaks through!

Shen Lang did not spare the cost, and took time out a few Lingshi energy and then through his carrying guide, forcibly pushed Yue Zhennan to break through the Yuanyuan!

After the completion, Yue Zhennan's body has begun to repair itself, although others have not woken up, but it has not been a big problem.

“Come out, sneaky.”

Shen Lang said a faint sentence.

Zheng Yumeng sprinted and smiled, she has completed the cultivation. When I saw this situation, I didn't dare to bother with it. I didn't expect that Shen Lang's work would be broken.

“You just got this... made a comprehension?” She observed it for a while and came to this conclusion.

“It's two.”

“Two?” Zheng Yumeng looked at Yue Bailun.

“And you, stupid!” Shen Lang said with no anger.

Zheng Yumeng reacted to this, isn't it? She had only a little foundation, but now she is a real monk, and she feels a huge rise.
