

First Strong 160

Chapter 160 - Challenge Chuhe

When I heard the self-reported door of Chuhe, I immediately let the first-time friends who had not arrived, and quickly passed them to the ears of those who were behind.

For a time, the crowd hula came quickly from the rooms, restaurants and other directions.

“I said, I don’t care about Xiaoluo. You can’t represent Chu, let you have your identity!” Shen Lang once again screamed.

There is no doubt that the Chu River is stronger than Chuyun City, and the city is much deeper. Like this, it will directly anger the Chuyun City, but the Chu River is the ancient well without waves, so that Shen Lang also looked at it.

“You don’t deserve it.” Chuhe shook his head directly. He didn’t swear by disdain. He just calmly explained the facts. “To deal with you, it’s enough for me to take a handful of small scorpions.”

“What do you mean by saying that Chu Yuncheng is not even as good as a small scorpion?” Seeing him so indifferent, Shen Lang came to interest and ridiculed one sentence.

Chu River did not answer.

He just said that he is not the son of the Chu family. This is the truth. It is said that it is a small miscellaneous, and of course it is self-deprecating. It is also a foreshadowing. In case he has not completed the task, that is, a “mixed scorpion” loses, instead of “Chujia master” loses, he can try to reduce the reputation loss for the Chu family.

But now Shen Lang uses the spear of the son to attack the shield. If he is enough to deal with Shen Lang, then Chu Yuncheng, who was defeated last night, is even worse than the chow, the name of Chu’s young talent. Don’t you become a thief?

In just a few words, dozens of people have gathered together. They are all on the side of the competition field. They are not close to affecting both of them, but under the light, they can see both of them. And their conversation, in the quiet mountain night, can be heard clearly.

“Have you heard of it? What is the Chu River?”

“Don’t tell me, I really know! Chuhe is not the son of the Chu family, but it is not a miscellaneous Jurassic. He is the son of the Chu family, the master of the Chu family, and he is a teacher. “”

“Chu Mofeng!”

“I am going! This is equal to the pro-church of Chu Mofeng!”

Some people in the crowd whisper, they all know the Chu family, but not everyone knows the Chu River. Some people have come to the house and whispered out the information they knew, and everyone else was taken aback.

Many people in Chu Mofeng have heard of it. It is a legendary big man. It is not the existence that they can touch. Chu River can get his favor, and he can be given the righteous son of his family. It shows that the talent ability is very unusual.

Xie You, who just arrived, not to mention, as a child of Xie Jiakuan, he knows more. Although the Chu River is not a child of this family, it is a generation higher than Chu Yuncheng, and it can be valued by Chu Mofeng and entrusted with heavy responsibility. It is not the bloodline, it is the strength of the fight!

He had wanted to sell Shen Lang’s personal feelings before, and he spoke about the situation of Chu’s family and analyzed who might come. As a result, Shen Lang did not appreciate it, but he did not think that it would be Chu River.

At this moment, he shook his head slightly and sighed secretly.

He personally experienced it, and this swell of the waves is really a fierce person. But since he offended the Chu family, it is impossible to recruit Xie. However, he personally still quite a taste, want to make friends.

It seems now that Shen Lang can’t escape tonight, whether it is killing on the spot or bringing back to Chu, it is basically degraded.

“Hey, the Chu River is coming! This savage swell, I don’t know how to end tonight.”

“Don’t say that, people are the first strongest in Pingxi, and they are still very strong.”

“Hey! The frog at the bottom of the well, what is Pingxi? What is it? He is the first in the West, but he is not hot in the ass? It will be smashed tonight!”

Other comprehensions with origins, of course, also heard the sinking waves for the Yue family, but the formal dinner last night did not appear. Today, at noon and evening banquet, Shen Lang did not appear.

Let their impressions are very bad, I feel that Shen Lang is disdainful to them. Coupled with the rumors that Chu Yuncheng was seriously injured last night, this morning, he directly injured a few players’ hegemony, which made them very uncomfortable.

Originally in their hearts, “Pingxi No. 1” is a fart. If it is not a rumor that Chu Yuncheng was seriously injured, today Shen Lang can not be calm, they will find someone.

Now the Chu family has come to the master, and they can see that they can clean up their unhappy people, and they all have a schadenfreak mentality.

There was a lot of discussion around, and Shen Lang and Chu He were talking about the cold field for a while.

Chu River is not good to pick him up, and he does not want to be onlookers, even if the people around him are basically optimistic, and more willing to see him raging.

“My family didn’t mean to disturb the heroes. Just come to you and take a trip with me!”

This statement occupied the moral high point. Chu Jiaming Ming had a child who suffered a loss, but he was still willing to pay rituals instead of a big one. This made everyone nod and nod, and I feel that the Chu family is still very particular.

“Just by you?” Shen Lang smiled.

When the Chu River had nothing to say, the people around him talked about it, and he heard it.

He chose to lead the Chu River here, not to have home advantage, but to want a high-profile one!

The matter of Chu Yuncheng last night was, after all, a rumor. Others had a good eye, or even more exaggerated. After all, they were still skeptical. Now, if you can defeat the strong of the Chu family in the eyes of the public, it is the real beginning.

Chuhe has already seen that Shenlang can't agree, and there is no more nonsense. He said directly: "In order not to let the people in the world say that I am bullying, I say that Chu is strong and weak I don't use spells, I don't use magic weapons, you are free!"

Hearing this, the superb warriors on the scene could not help but cheer up. I felt that the Chu River had a general style and acted with enthusiasm.

For them, the most direct manifestation of being a self-cultivator is that they can cast spells, which is something they can't do in nine paragraphs. It is really rare to give up the advantage, but this is also a strong performance.

Xie You are secretly funny, this is just a beautiful word!

If it is the same realm, of course, whose spells are stronger and the speed of display is faster, they have an advantage. But if there is a high or low level, this advantage is nothing.

The Yue Baichuan Yue Bailun brothers who also came over also understand this. Just like in the Yue family that night, Yue Bailun asked himself to cast spells, and they can fight with Ye Jia and Da Xuanmen. However, after learning that Cai Shuming was in the middle of the Yuan Dynasty, he would have no choice but to give up. Even if the Yue family's spells are more sophisticated, he is more skilled and can't make up the gap.

The realm of the Chu River can be much higher than that of the Shen Lang. It is not crushed like the technique. Besides, Shen Lang is young and you can use it at will, you have to get the magic weapon!
