Chapter 175 - Challenge Chu

Seeing this scene, the meat on Tian Luning's face twitched.

The security captain who had contacted before, this time they came to the bar, they did not come close, but also prepared to report to Bai Qiye.

But he still looked at the situation here, the confrontation between Yue Zhennan and Chu Yuntian, he could not see it. However, Shen Lang caught the people in the air, but it shocked him.

Now it is a slap in the face of a person who fell to the ground and stunned in the past, and even made him secretly shocked. Fortunately, the Seven Lords arrived in time, otherwise they might have a group of people lying on the ground.

Although he was very curious, he still couldn't wait any longer. He waved his hand and let others quit. Don't come over, he also ran away.

Fortunately, today they are really not open to the public, so there are no more guests, or else they will be onlookers.

"What do you want..." Tian Luning asked aloud, and after asking, he felt a little stupid.

"How is Mr. Chuhe doing now?" He changed a question.

Shen Lang looked at his face coldly. "Turn off your ass?"

Just finished, and shook his head again: "No! It's really about your business. If you didn't participate, Chuhe wouldn't catch someone at the airport!"

As he spoke, he raised his hand and grabbed Tian Luning over the air and pinched his neck.

Tian Luning was just an ordinary person. He couldn't compare with Chu Yuntian. He immediately trembled and made a painful voice.

“No, it doesn’t matter to me... Chu family... The Chu family is hurt, how can you let go of you... I really, there is no way... You know, my son’s life is still in your hand. On, how can I mess around...”

He explained it quickly, because it was very reluctant to say these words on his neck.

Shen Lang’s hand was loose, Tian Luning was a little soft, almost fell, and then coughed up his neck.

“Yesterday, I gave Tian Jingwen a lesson. It is your behavior that harmed Chu Yuncheng! For Chu Yuncheng, I am only a lesson. The behavior of Chu River today is to find death!”

In the words of Shen Lang, Tian Luning listened secretly.

Originally, he heard about the situation of the Chu River. This is already being ruined. Now I hear “find death”, and I am worried about the consequences.

“You mean that Mr. Chu He has already...” For Chu Yuncheng, Tian Luning is still a relative of his elders, but he does not dare to have any value to Chuhe. This deputy mayor is not a thing in the eyes of others.

“I killed him!” Shen Lang said directly: “I am not a killer! But I am also a must-see person! Others respect me, I will respect people. If you want to move me, you must be killed by me. Enlightenment! He killed the girl and must die!”

“...” Tian Luning said that he couldn’t speak. He didn’t even dare to cough. He shivered and felt sweaty.

Chu River is dead!

Chu Yuntian was knocked down on the ground, and I don’t know how life or death happened. If both of them died in Pingxi City, plus Chu Yuncheng...

He is about to collapse, and he does not need to kill him. This is because the Chu family is blamed and he can't afford it.

"You still have a chance. Now let a few people out of the car come in, they have a gun!" Shen Lang smiled.

Tian Luning barely squeezed a smile that was more ugly than crying: "Don't dare, don't dare, they just happened to be with me. When I came over, they ordered them not to come in, absolutely not dare..."

"Reassured, I won't kill you, you can make a megaphone."

"You said, what do you have to say, please say." Tian Luning just said that bending over because of the uncomfortable, is now in a state of paralysis.

Originally, he was used to being high, but today he simply forgot his identity. The identity of the deputy mayor is really nothing in the eyes of the self-cultivator. In order to save his life, he had to lick his knees.

"Chu family is the owner of Chu Mofeng? Go tell him, what means Chuhe used to deal with me, how can I deal with him! One yard, one yard, I will not anger this Yuntian son, including Chu Yuncheng, I I can spare them a life."

"You are generous! I am thankful for representing the Chu family." Tian Luning said, at least now it can be confirmed that Chu Yuntian is not a big problem, not just killed on the spot.

"Tell him, I can spare them a life, of course, I can kill them at any time!"

"..." The next sentence of Shen Lang, let Tian Luning a little shivering.

"If Chu Mofeng is a man, he will go directly to me. He will be hands-on, he will not be able to move, please ask someone, and come to me! My family and friends, one will not hide, Chu family Can find it! If you want to move them, then see who has more people!"

Shen Lang said this, there is no fear at all. He puts out the threats directly, and then shows off with the other party. If you want to marry friends and relatives, then everyone will come.

The closest thing to Shen Lang is his parents. Other relatives and friends are nothing, so Yue Zhennan is very clear that their Yue family is also counted in Shenlang's relatives and friends. This is related to their lives. .

Therefore, he also directly involved in the threat: "Do you understand? There are more people in Chu family, and there are more relatives and friends like you in Chu! If you dare to do something irrelevant, we will kill them ten!"

Tian Luning trembled a bit. He began to think that "who has more people" refers to the people who fought, and now I understand that people who can be "killed"!

With his experience, it has been very thorough. The Chu River is not the top master of the Chu family, at least it is medium. Shen Lang can easily kill, killing Chu Yuncheng Chu Yuntian is so younger! Not to mention the old and weak women and children of the self-cultivator.

If the Chu family moved his family and friends, it would be harder to find him alone. In retaliation against the Chu family, in addition to Chu Mofeng and several other tops, others are always under the threat of dark arrows!

Like ordinary people like him, it is even more likely to be a flag of the oldest slain!

"I understand, I must tell, and I believe that Chu will handle it well." Tian Luning quickly promised one sentence.

"That's it! Today after a month I will go straight to the door for a moment. There is no problem with the Chu family trying to deal with me."

Shen Lang took a moment to make a decision and made this gaunt.

"Yes, yes... I must tell." Tian Luning nodded and promised not to have any objections.

"Go! Take the garbage away."

Shen Lang waved his hand, Tian Luning secretly smiled, and understood that the garbage said Chu Yuntian.

“Mr. Shen, may I ask Mr. Chu He’s body... Can I bring it back?” Tian Luning bit his teeth. This is an important member of the Chu family. It is necessary to see people, and die to see the dead!

“I let Bai Shenghua go to the treatment, you can go and see, if you haven’t smashed the dog yet, you can bring it back.”

Crush the dog!

Shen Lang’s inadvertent words made Tian Luning, who was under great pressure, unable to stand it anymore. He fell down and sat down on the ground.
