Chapter 246 - It seems that misunderstanding

Shen Lang took out the fire spar that was previously obtained in the golden giant cave and threw it to the bleak.

“This is for you, and it will be very helpful to you as a pure yang.”

In the one and a half years of the death forest, Shen Lang gradually refining the inner giant of the golden giant, but the fire spar did not touch.

Because of this pure elemental energy of cryolite, it has a role for him, but excessive absorption is easy to be unstable.

Zheng Yumeng's body is a very rare woman's pure yang body, and the fire spar is a very good help for her, so she keeps it.

“Thank you for your master, but...” Desolation was a little hesitant.

Shen Lang smiled and said: “But it is more suitable for Zheng Yumeng? Is it OK? Then I will give it to her.”

Desolation only said that she used to be a sword fairy. The specific situation did not say much. Shen Lang did not ask much.

It now appears that she has her own practice. Shen Lang taught Zheng Yumeng that Liu Yang had no merits. Zheng Jia also learned from Zheng Man's legacy. It is suitable for Zheng Yumeng's physique. This is not what Yuliang knows.

“You are fast and consume a lot. This is a collection!”

Shen Lang gave her five medium-spirited stones. These are the joys of the blue sea. I used some of the transmissions. He has only a limited amount of money. He can only give her a part.

“Thank you for your master.” Desperate again, thank you, they can progress so fast, but also absorb the spirits given before Shen Lang. The higher the strength, the greater the consumption!

Fortunately, Zheng Jia is still a bit of a family, and no one else has ever cultivated this generation. After Zheng Yuqing discovered the changes of his granddaughter, she also fully cultivated her, and she was able to supply it for the time being.

At this time, Shen Lang gave five higher-level Lingshi, which is undoubtedly a great help.

“In exchange for Zheng Yumeng, it is time for her to understand the inside story.”

“Ok.”

After the sorrowful promise, she immediately let her own consciousness retreat behind the scenes.

Because she knows this situation, plus the Yuanshen is powerful, not Zheng Yumeng is comparable, so she can actively “switch”, and Zheng Yumeng can’t do it.

Soon, Zheng Yumeng “returned to God.”

“you you.....”

I found myself in a strange place, made her a bit stunned, and then saw the dark waves, could not help but blinked and blinked, suspected to be dreaming.

Shen Lang is already dead. This is an impression that has been fixed for more than a year. Suddenly I saw it in front of me, and I was not in a familiar place. The first feeling was to dream.

“Wake up? Do you feel that you have had a bit of a dream recently, or a feeling of a bit of an amnesia?”

When he heard the waves, Zheng Yumeng came closer and reached over and squeezed the face of Shen Lang.

“What?” Shen Lang frowned.

“Good real... Do you feel pain? It is said that there is no pain in the dream. If you feel pain, it is not a dream.”

“...”

Shen Lang was speechless for a while: “Why don’t you pinch yourself?”

“It hurts...”

Seeing her stupid, Shen Lang smugly grabbed her face and screwed it. Of course, this strength is extraordinarily careful, otherwise he can directly tear the human flesh down.

Zheng Yumeng yelled, and then smirked: “It hurts, it seems that this is not a dream, you are still alive...”

“Of course I am still alive.”

“Is you bringing me here? What is this place? Pingxi? Where did you come back from? Why did you go for so long, no information, hit you->>, the most Update the latest chapter of the first strongest!

The phone did not respond, and the outside world said that you are dead. Moreover, it is said that the Chu family came out and said that they killed you. ”

Zheng Yumeng, who was waking up, immediately asked for a sigh of relief.

After Shen Lang waited for her to finish, she looked at her.

“These are not important. I have to tell you one thing first. It will hurt you a lot, you may hate me...”

Seeing him so serious, Zheng Yumeng blinked and nodded and said: "It's okay, I don't hate you, it's yours, I can accept it."

"You still don't know anything." Shen Lang was speechless.

Zheng Yumeng said with a slight shame: "You are so serious, and said that it is very shocking to me, may hate you... What else?"

"Wait... Are you thinking wrong?" Shen Lang looked at her suspiciously, and this expression was a bit wrong.

"You brought me here, are you going to run away with me? It doesn't matter, even if you sleep me first, I can accept it..."

Shen Lang almost vomited blood, stretched her finger and bounced in her head.

"Oh... it hurts! I don't feel pity at all."

"Positive point!" Shen Lang said with no anger: "What is messy, am I kind of person? What I want to say is related to your flesh!"

Zheng Yumeng, who was holding his head, snorted and laughed: "Is it just sleeping with my body? Can you still sleep with me?"

"..."

Shen Lang really can't take her, the little girl is too embarrassed, how can I make such a joke!

But he immediately returned to God, this is the impression and concept of the previous life! It's normal to say no jokes now.

Seeing his speechlessness, Zheng Yumeng comforted one sentence: "Nothing, when I met you in Pingxi, I was not full of eighteen, but now I am an adult. You don't have legal and moral pressure..."

“I am in your body, put another soul! You feel inexplicably asleep, or the feeling of broken memory, that is, the other soul is dominating your body!”

Seeing that she really misunderstood, Shen Lang quickly said the key directly.

“Ha?” Zheng Yu Meng’s eyes widened. “I’m thinking about romantic romance... Did you suddenly convert me into a fantasy style?”

“There was a needle in the middle of your head that day, and pulling it out will kill you. In order to hold your life, I will inject a stronger soul into your body...”

Shen Lang then told her about the desolation, and also said what she did with her identity.

Zheng Yumeng was shocked I didn’t expect such a strange and even a little horrible thing, actually happened to her, and she had nothing to know for a year and a half!

“Is this... the ghost upper body? She... she is in my body now, watching us talk?”

Shen Lang shook his head: “Don’t think about it. Now you are a body and two souls. Do you think about it in a double personality? Will you feel better?”

“Okay...” Zheng Yumeng also understood that whether it is the **** of the gods or the soul, it is impossible to guess the ghosts and the body.

Thinking about dual personality is just self-comfort, because now I know that there is another person in the body.

“Can I... see this sister?”

Shen Lang shook his head: “When he came out, your consciousness fell asleep. She is stronger than you, so she can switch over and you can’t do it. But I have to restrain her, if it is because of an accident, she Will not take the initiative.”

“I know... she must be better than me.” Zheng Yumeng was a bit stunned.
