

## First Strong 257

### Chapter 257 - Substitution

When Shen Lang said that he wanted to expose the materials, everyone thought that he was going to say that he was now retaliating against Chu's progress. He did not expect anything to say that they had gone to the dead forest.

The forest of death still has certain specifications. The group must also be known as the big family sect. There are some small sects who have only heard the legend.

Now Shen Lang said that there are eyes and eyes, and they are all personal experience, so that everyone is excited, there are so many ways in it.

Many of them started @玄灵宗 and Liujia people, let them come out to verify.

The people of Xuan Lingzong and Liu Family are also not good at pretending to die, but they do not dare to talk about it, but only the tone of inquiry.

"Several Haitian towns are really dead the next day?"

"If it is the first year of the first yang ginseng ... you have not caught up, how do you know this?"

The exposure of Shen Lang is true and false, that is, it is necessary to add some fierce materials to convince them to be able to stir up the water more and make the enemies of the Chu family more.

"I let Chu Yun flee! When I arrived, Haitian Town called Hai Rui, still not dead."

"He just said that he was overcast by Chu Yun. I personally estimated that they first cooperated together and put away the memory of the stepping horse. Then Chu Yunfei divided them again. The four are not as good as the three, and the three are divided. Not as good as two points..."

"Then what Situ Yang, Miao Yong, was killed step by step. Finally, the remaining Hairui, it is estimated that after thinking of getting things, Chu Yunfei, killing thousands of first Yangshen, I did not expect Chu Yunfei to succeed."

Shen Lang said that Xuan Lingzong and Liu Jia did not speak, and they basically believed.

The value of the thousand-year-old Yangshen is large enough to make everyone yin!

Chu Yunfei can do more than three people, but it does make the three parties relax their vigilance.

Chu Yunfei could not kill them three by one, but the differentiation allowed them to kill each other one by one, but it is very possible!

They are not good at what they say, others have discussed it fiercely, and they basically believe in Shen Lang's statement.

Now that the account is confirmed to be in use, it is not in the presence of the Chu family, but can be released.

After a while, Xuan Lingzong's one said: "Asked the horse, Ma Yansong, brother, he confirmed that it was as few as a fragment. I didn't have any time with him. He was not inconvenient afterwards. Ask us."

When this came out, Shen Guang's exposure was testified.

Xuan Lingzong and Liu Jia did not argue, and it also proved that the side believed the Shenlang exposure.

For a time, everyone's discussion fell on the character of Chu Yunfei.

This first pitted the allies to thank home!

Both the Xie Jia allies were pushed to death to delay the time to escape, and they also steal the secrets of the elixir that Xie's family had waiting for the harvest for decades!

The second is to divide the children of the three families in Haitian Town, although they themselves have greed, but after all, Chu Yunfei killed!

Finally, it is estimated that Chu Yunfei has already succeeded in the thousand-year-old Yangshen that Xie Jiashou is holding!

It's very lucky to count the horses and send them to Ma Yansong. It erases a bit of memory, but it is a life.

“The Chu family should be chased after it, and I will be on the line when I have time.”

The exposure of Shenlang Datong has quickly brought the relationship closer to everyone.

People are so easy to be guided. Through just a few words, everyone came up with “Chu Yunfei’s sinister and despicable”, and then felt that “the Chu family is not a good person”, and then they will feel that “Shen Lang was almost killed by the parents.” Death, revenge should be completely ah.”

There are no Chu family members here. Some people started to say, “The buddies hold on, waiting for you to come again.” -->>, the fastest update of the latest chapter of the first strong!

And so on.

Of course, whether it is to talk about Chu Yunfei, or to support Shen Lang now, the words are more subtle, do not dare to directly offend the Chu family’s words, so as not to be taken out by the villain, it will cause trouble.

Shen Lang immediately withdrew from the login. On the one hand, it must maintain mystery and urgency, on the other hand, it also needs to concentrate on guarding.

He will spend so much time on the exposure, on the one hand, to divert attention, don’t think about the shower that can hear the sound of water. On the other hand, it is also necessary to attack the Chu family from the public opinion!

He is not strong enough to challenge the whole world, he must divide the enemy!

In the face of him, the Chu family would have been with the Xie family, and perhaps the death of three people in Haitian Town will be counted on his head. At that time, he will face many forces.

Now, Haitian Town and Xie Jiaxian have been divided, even if they will not work with the Chu family, at least they will not be used by the Chu family.

After the account was withdrawn, Shen Lang carefully examined the surroundings and of course avoided the bathroom.

Everything is still in the normal state, and there are no abnormal people and things.

At this time, the sound of the water in the bathroom has stopped, and the sound of opening the door soon came.

Shen Lang looked back and saw that the shower was coming out of the bath towel, and did not put on the clothes that were taken in.

This makes him a bit surprised, what is this? Want to seduce him to make a mistake?

But soon he was aware of it, and now it is not a bleak, but Zheng Yumeng.

“Is not used to the facilities of this grade?” Shen Lang asked.

Zheng Yumeng gave him a slight surprise and then walked over: “You know it is me.”

“I can see it.” Shen Lang nodded.

“How do you see it?” Zheng Yumeng asked curiously.

Shen Lang shrugged, no more to say.

“How did you change it?”

Zheng Yu Meng smiled: “Change me out and let the wind go. How is the situation now?”

Shen Lang simply took her to sleep and then happened to the present, which made Zheng Yu Meng stunned.

“You two have already killed dozens of Chu family! Killed a number of masters in front of a group of gunmen! It is too exciting...”

Shen Lang didn't know what it meant to be replaced by Zheng Yumeng. This time, the situation was that after Zheng Yumeng understood, she took the initiative to retreat behind the scenes and let the desolation dominate.

“I know, my strength... It should be said that my experience and level are far from enough. I can't play a powerful role like my desolation sister can't help you, so I won't take the initiative to fight. La.”

Zheng Yumeng said a bit, saying that he would not let the waves break, and then asked: “Why should she let me out?”

“I am also surprised. Not hurt?”

Shen Lang also asked this question. If the stagnation is hurt, it will definitely explain the situation directly, so as not to delay the incident.

“I guess...” Zheng Yumeng looked around the room. Under only one lamp, she was only wearing a bath towel, which obviously made the atmosphere more awkward.

“You only opened a room and let her take a shower. I guess she thought what you wanted. She was embarrassed, so let me face it. Or... she thought the body was mine and should let me decide. Would you like to be up to you?”

“...” Shen Lang was speechless. “It should not be like this.”

“That...” He was a little embarrassed. Zheng Yumeng, who was ashamed, chuckled. “Maybe she feels dangerous. If it is so dead, my body and I are losing money, so I want to make you cheaper.” a bit.”
