Chapter 300 - The seventh in the world

Shen Lang can control the Qiu Shui sword from the air. This is his last killer, and it is also the key to his surprise. Therefore, he did not show it at the beginning, and he was attacking with a sword.

Just launched by Chu Mofeng with Tianling Bell, Biyunfeng is exactly what he wants. The previous attacks have been effective, and it has made it difficult for Chu Mofeng to calm down. After the usage of the usage treasures is effective, it will inevitably relax. This is the opportunity for the raid.

And this time, Shen Lang did not relax at all, but urgently chased the past, you are sick to kill you!

When he landed, Qiu Shuijian returned to his hand in a circle, with a cut heart and a little blood.

Shen Lang's hand trembled, Qiu Shui Jian Han flashed, blood and everything disappeared, and it was clean and bright.

The scene was dumb, and even the breathing continued to hold. What I could hear was the cold wind.

Everyone looked at the dark waves, all of which were incredible, including the canoe that had been with him a few days ago.

“Is there an illusion? Is Shen Lang actually killing Master Chu?”

“No... Although it's incredible, it seems to be true... Ah! What are you doing for me?”

“He actually did it! Is he a miracle son?”

At the scene, some people muttered to themselves and revealed the shock in everyone's heart.

Not to mention the incredible young, the most powerful Xie Dao Ling, even more incredible!

He watched the whole process, basically the one that was most clearly seen on the spot. The loss of the wind in front of the Chu Mofeng made him secretly reflect. Although it is a tidal wave, it is indeed subtle. If it is replaced by him, can you dodge it?

Just Chu Mofeng used the magic weapon, and finally it was trapped by Shen Lang. He was also inexplicably relaxed. This scourge must be clear, otherwise, the Xie family will not be peaceful in the future.

But after a breath has not been loose, I found a sword to reverse the situation, Shen Lang can actually separate the sword! This is not only the sword of the magic level of the gods, but also the ability of the sword.

Immediately after, like other people, Xie Daoling's concern was also on the Chu Mofeng, who was wearing a heart in the sword. I didn't expect that Shen Lang would catch up so quickly, and speed up the sword.

Xie Daolin wants to save people, but unfortunately it is already a step late.

“The top of Yunzhou, New Year's Eve Day. Pingxi Shenlang, kill Chu Mofeng!”

Shen Lang slowly recited these sentences, but this time it was a shock to everyone. This is actually a slogan, really killing Chu Mofeng!

People are always like this, eager to have a miracle superman to appear and change the life of immutable life.

But once there is a superman, there will be inexplicable fear.

The same is true of these young monks. There are many people who hope that Shen Lang can create a miracle. In this way, as young people, they are honored, or have a head.

But now Shen Lang is unharmed, but Chu Chufeng directly penetrated, so strong, has a gap with them can not catch up! After this war, the world is famous, they can no longer take Shenlang as a group, and there is no sense of substitution.

“Everyone is a witness today. This is the final conclusion of my resentment with Chu. I will not find other Chu family troubles any more. The Chu family will have death and injury, and I have nothing to do with it. Of course, if there are people in Chu who are looking for revenge, That is another matter.”

Shen Lang looked around at everyone on the scene. Whether he was a man’s momentum or the pressure exerted by his eyes, he was far from being able to compare with the previous Chu Mofeng.

But because of his actions, he still made most of the people on the scene feel guilty.

The true masters of the real world can still be killed, then they are just small shrimps. Can you kill them all?

There are also some people who exchange views through their eyes, including several from Haitian Town.

Haitian Town is a foreign company, but within them, but also have different families, Hai Rui, Situ Yang, Miao Yong’s elders have come to the scene.

According to Shen Lang’s statement, the three of them were killed by Chu Yunfeili and they were killed by each other, but the Chu family’s statement was made by Shen Lang.

They also inquired about the investigations with other people who came out of the dead forest. There is no exact clue. They can only say that both sides have doubts.

This time they came over, just want to see what kind of person is Shen Lang. If there is a chance, he can finally force him to tell what he sees.

But now, their plans are no longer enforceable. The true strength of Shen Lang, they can fight, but the magic weapon of the gods has already made his threat greatly improved.

The three of them can’t be confident that they are stronger than Chu Mofeng. Now they are exchanged their eyes. They are also an opinion: no matter what the truth, don’t pursue it for the time being.

The boat that represents the Tianshan Ice Palace, although it is very unbelievable, but Shen Lang is still alive, has already let her breathe a sigh of relief.

The most concern of everyone on the scene is the response of Xie Dao Ling, because he is the strongest on the scene, and also has a grudge against Shen Lang.

Will he take the opportunity to kill Shen Lang?

“You thief, conspiracy and tricks are quite a lot! Poor Chu brother is big and bright, but it is a ship in the gutter, you are ruined!”

Xie Daoling stepped forward and said that he went to Shenlang.

The crowds on the scene with the same atmosphere, can not help but feel the spirit.

Another master stood up!

This is to go directly to Shen Lang.

Today’s big show without fares is really a good trip. It is actually “buy one get one free” and can see the two shots of the masters!

However, some people secretly stunned, but they said that they would not disdain and would not join hands or the wheel. Now it is necessary to fight against the wheel of Shenlang...

But even if there is an injustice, no one dares to offend a master’s share and stand up and speak for Shen Lang.

Chu Mofeng just said that he would let the three moves, and the first move began to counterattack. It can be seen that the masters will not fully honor their promises.

“If you lose, you will be overcast? Can you afford to lose?” Shen Lang taunted a For Xie Daoling to stand up, he did not pay much attention to it, the focus is on the body of Chu Mofeng.

It is a pity that Chu Mofeng did not carry any valuable items, and the good things worthy of his body were the same as Tianling Bell. The idea that Shen Lang wants to get some benefits is lost.

As for the breakthrough in the battle, I also think more. The huge gap has led him to be careful every step of the way, and repeated raids have had such an effect. If you want to fight hard, don't wait for him to break through, it is him who is dead.

Xie Daolin did not pay attention to his irony, but stared at the autumn sword in the hands of Shen Lang.

“The seventh in the world, the sword autumn water. How can Qiu Shuijian be in your hands? This is said to be the sword of the Tianshan Jianzong Gaochun Qiuzu, what is your relationship with the Tianshan Jianzong?”

He suddenly asked this sentence, let the scene suddenly stunned, Shen Lang actually has a relationship with the Tianshan Jianzong?

The canoe was originally entangled in whether or not to use Xie Dao to make Xie Daolin inconvenient to shoot. I did not expect to hear the Tianshan Jianzong, but also paused and looked at Shen Lang.
