

First Strong 56

Chapter 56 - When 1 my girlfriend

Shen Lang wants to say that Yue Zhennan has no warnings. It used to be a threat from Liu Zhilong, but this matter has already been resolved.

It's just that the cooperation with the Yue family is inconvenient to say to the rain. And if he does not reveal his secrets, it is difficult to convince her.

After considering it, he did not say anything more.

This seems to be a default in the rain.

"I just called him, but he didn't pick it up. He was deliberate!" The rain was a little bit excited. "I don't have anything to do with them, so I'm doing nothing, be careful, I'm going to pack him!"

"We have nothing, why should he warn me to threaten me, is...he is your boyfriend?" Shen Lang could not help but ask.

He certainly has nothing to do with the rain, but in the end is the school flower in his class, Yue Zhennan explained it, but it may also be hidden.

"Men's fart..." The rain fell out of the mouth and said it, and immediately accepted it. She usually does not speak vulgarly. "I don't care about him, but their family has something to do with our family. I am here to study, and let them take care of them at home. But..."

She hesitated a bit, did not say the latter.

Shen Lang helped her to say: "But the relationship between you and the two of you, plus you are very good, he may also like you, want to guard against self-stealing."

The rain fell silent, she did not say so, Shen Lang said, it is the default.

"I have nothing to do with him. Like him, I am better off with you..."

“Ah?” She had already stopped in time, and Shen Lang was surprised.

According to Yue Zhennan, it's normal to have a rainy family and it's still in the family. It's normal that he wants to get in touch with the rain.

However, from these several contacts, Yue Zhennan is more ambitious. And although he is called a wolf brother, the driver is a few years older than them. If he has graduated from college, he may not like to fall into the rain.

“Nothing, I will talk about it casually.”

She found that today is really a bit out of control, repeatedly not calm, actually said such a thing. This is mainly because she felt that she was tired of the waves, and Yue Zhennan did not pick up her phone. I don't know how things got a little hot.

When she took a deep breath to adjust her mood, Shen Lang suddenly thought of a good excuse!

“Is your family very rich?”

“Yes, why are you asking?”

Without a video call, Shen Lang could feel her frowning.

“That's good, can you do me a favor, be my girlfriend. Pretend!”

“...”

Hearing the request that Shen Lang directly said, the rain fell silent for a while.

What is it? According to the general routine, she should be looking for him as a shield to reject the Yuenan South. Why are you still looking for her to pretend to be a girlfriend? Why? Are you familiar?

“Fake, pretend to help me to deal with my parents.” Shen Lang added.

Falling rain is not good, said: “Classmates! There is still a one-and-a-half-month college entrance examination, you have to take a fake girlfriend to meet your parents? Do you want to gas them?”

“You forgot that I have already taken the third place? If you have this result, you will not be angry if you make a girlfriend.”

“...” Falling rain is very eager to say that you still don’t know how to come up with this result. Can you do this next time?

“Help not help?” Hearing that she did not want to, Shen Lang also felt a bit abrupt, but still directly asked.

“Give me a reason.”

“I need a girlfriend with money at home.”

“Why should you emphasize this?” The rain has already been blind.

“Because I am going to eat soft rice...”

After falling rain, I coughed up directly: “Cough! Cough...”

This guy! From the edge of the character, it is a bit mysterious now, but now it is amazing!

“You can say that you are so confident in eating soft rice, and your skin is solid enough!”

Listening to her irony, Shen Lang is very calm: “Fake! I am not really going to eat your soft rice, what shame?”

“This can’t convince me, you have to say a little more, why is it, what do you want me to do?”

It's also known that his family's condition is not good, but the children who come out of the family should be self-respecting, especially in the face of good girls. It will be so calm to say that there is a reason for eating soft rice.

Shen Lang does not want to say more, but there is no better candidate. If you want to spend more than 9 million, you need such a rich second-generation girlfriend.

He is prepared to spend money in the name of his girlfriend, so that his parents are unacceptable, at least not worried.

"I have a lot of money now, I still have a lot of money. I want to buy something for my parents, but I am afraid that they will doubt and question the origin of the money. The origins are of course no problem, but it is not convenient to tell them, so I would like to ask you for help."

Shen Lang is so clear, but listening to the ears of the rain, but there is another interpretation!

Yue Zhennan looked for him, but he did not bother him. He also said that Yuezhen Nanren is good. What does that mean?

Now he is a man who has saved money and suddenly has a lot of money to buy things for his parents. The answer is already very obvious. It must be the money that Yue Zhennan gave him. The condition is that he is not allowed to approach her!

'This is selling me, will I have to help you count the money? Shen Lang, your kid is enough! '

I was so annoyed that I fell into the rain, but I didn't want to simply refuse it. I thought I had to give Shen Lang a lesson!

"Well, I promise you. What do you want me to do?"

"Not for the time being, wait for me to arrange it, and see my family with me. When you are dressed up as a local tycoon, you will be willing to pay me."

"Oh! Ok, I am waiting!"

Shen Lang sincerely sighed: “Falling classmates, thank you. I thought it was a bit abrupt. I didn’t expect you to be so helpful. You are such a good person!”

Suddenly being sent a “good guy card” especially listen to him this sigh, it seems that really from the heart, let the rain 荻 feel that this guy is not only wonderful, but also nervous.

I felt that I had guessed the truth, and she did not ask Yue Zhennan any more. This is definitely a dirty transaction, and she is betrayed. She has now transferred the unhappiness of Yue Zhennan to Shen Lang.

“I will repay you, I will send you something good.”

Shen Lang will not let her help, Baibao also a small bottle of God soup can now sell 50,000, this is enough.

Falling into the rain is a bit weak, but I want to see what wonderful things he can send when he arrives.

“If you are not with Yue Zhennan, you will come back to class! Don’t be proud of it.”

“Don’t be stressed, although I said I want to take the exam first, but you are so loyal, I can give up over you.”

Listening to the words of Shen Lang, it seems to be comforting to encourage her! The rain that has always been the first to dominate is really speechless.
