Chapter 93 - Saved 1 life

“Do you know who to talk to?” Yue Zhennan didn’t give him a good look. “I heard about your son’s accident. I was here that night! I am with Long Brother and Mayor Mei, in China.” Yue Yue Gong Lou, is the secretary of Yao Houpu doing dinner in the east. What happened to your son, Guan Lang’s ass?”

Dong Dawei was shocked to hear this.

He knows who Yue Jinnan is, and that is the guest whom Yao Shuji respects. As a resident of Yuezhengnan, there is really no reason to lie to a local bandit in the case of Shen Lang.

But if Yue Zhennan is telling the truth, is this too ridiculous?

Yao Shuji invited, Shen Lang and Yue Gongzi, Mayor Mei, together at the Yuegong Building?

When does Shen Lang have this ability, can you let Yao Shuji treat you?

Mayor Mei? Is it a relative of the principal of Li Cao Middle School?

However, I have never heard of it. Li Rong Lin Yun has not heard of it.

Although he was full of doubts, he still suppressed his emotions and tried to pile up a smile that was more ugly than crying.

“Yue Gongzi, if you said it, I certainly believe it. However, I have investigated it. It is really that he cut the fingers of those people. He is not an ordinary person, and his heart is hot!”

Yue Zhennan said with no anger: “Lang brother is certainly not an ordinary person! I just heard it. What you investigated is that your son hired a rogue to find the trouble of the brother. You have investigated that Lange is looking for your son.” Evidence and clues?”

“This one.....”

“Yes! Just like now, you have a group of hooligans with a knife to come to someone else’s home, do you still want to invite you to drink tea? With their fingers, it is already under the mercy of the people?” Yuezhen South continues to stink.

Followed by Yuezhenan, it is Mo Qi. He had not spoken in the back, and now he heard that Yue Zhennan said these rogues with knives. The rapid movement of the figure, before they have not reacted, have already taken the knife one by one.

In the process, several of their wrists have been sprained, and they are screaming with their wrists.

“Hey!” said Mo Qi’s violent violent drink, actually bent the tip of one of the knives!

Just after his shot, he has already shaken including Dong Dawei, and now he is so exposed, it is even more shocking to them. If this hand is not a folding knife, but pinching their neck, it is estimated that they will die directly!

“Yue Gongzi...I, I...”

Dong Dawei’s face is bleak. Since Yue Zhennan is going to cover Shen Lang, it is not only unable to revenge today, but also can’t take revenge in the future. Unless it is to tear the face with Yue Zhennan, then others have to fix him, there is no need for the master of the hand to personally go out, Yao Shuji said hello here, naturally there are relevant departments to find him closed.

“Right, I came here to eat, then you are. I didn’t see me coming in with Yao Shuji and Langge? At that time, Langge didn’t eat, you didn’t have any impression at all?” Yue Zhennan Remind one sentence.

Dong Dawei stunned and then remembered, and there was indeed a young man in a school uniform. At that time, everyone thought about the son of Yao Shuji. I didn’t expect it to be this swell!

This time, he was a little surprised. If Shen Lang really has a relationship with Yue Zhennan and Secretary Yao Houpu, this feud cannot be reported.

“I will ask you again, do you have any evidence that Mr. Shen Lang went to heaven and earth to make a ghost in your home?” Yue Zhennan asked seriously.

“No...just...” Dong Dawei smiled bitterly.

Just because there is no definitive evidence, let him want to revenge himself, rather than killing mistakes!

“This is a crime that is not necessary!” Yue Zhennan said coldly: “I heard that this is because the police investigation is caused by a gas leak. Your son smoked and detonated, isn’t it?”

“Yes.....”

“You are investigating now, it is a clue that your son bought a murderer, isn’t it?”

“No, no!” Dong Dawei quickly denied that his son was dead, and if he was detained with a hat to buy murderers, his reputation would plummet.

“Do you want me to call Yao Shuji? Ask him to let the local police investigate the messenger and see if there is any real grievance!”

Yuezhen Nanqi is forced to force people, this is already pressing Dong Dawei.

“No, no, I am confused. Fortunately, if Yue Gongzi came in time, it did not make me make a big mistake!”

Dong Dawei can be mixed into today, and the ability in all aspects is not bad. This time it is because of his son’s affairs. In the face of Yue Zhennan, he still calmed down. The son is dead, can’t take the whole home in! As long as he is alive, he can regenerate his son.

“This is all right? Don’t you apologize to Mr. Shen?” Mo Qi said coldly.

Just Mo Qi has already shown his skill. At this moment, seeing his eyes, Dong Dawei is worried. If you want to move him, it is estimated that you can get it with one hand!

“I’m sorry! Shen, Shen Lang, I am abrupt today, I am really sorry...”

Before and after Shen Lang said a word, but now look at it, he is a storm in his heart. What is this kid’s head in the end, can the Nangongzi of Yuezhen Yuejia’s Yuezhen be so for him?

“Sincerity!”

Mo Qi quickly stepped forward, kicked the foot and kicked directly on Dong Dawei’s knee, letting him fall to the ground immediately.

Dong Dawei was shocked and afraid, no matter how severe the pain in his knees, he would just squat.

“I’m sorry, sorry, I used to be a teacher. I just had a good person. I was recently overwhelmed and confused. I hope that you will forgive me if you look at it with Dong Wenbin.” ”

He now understands that if you don’t let Shen Lang speak, Yue Zhennan will not let go of him!

Shen Lang shook his head: “Let’s go! Be good.”

“Yes, yes...” Although he was just a simple sentence, Dong Dawei was secretly cold and sweaty, and he was inexplicably full of fear of this young man.

Some of his men hurriedly helped him up, and then he squatted to Yuezhennan for a while, and did not dare to say anything, and quickly left.

“Wait.”

When I heard the back of the waves, Dong Dawei only felt his feet tremble You, you...”

“Do these two people who come in, don’t take it?”

“Yes, yes. Hurry up and get them away!” Dong Dawei thought that Shen Lang would not let him go. Hearing the two people, they quickly took them away.

Soon they disappeared, listening to the car's voice going away. Mo Qi also went out, they came along with, and there was a car to transport the medicine, he went to direct the medicine into it.

The remaining two people, Yue Zhennan smiled at Shen Lang: "Lang brother, don't thank me. Dealing with such people, I am better at it."

Although he knew that he was joking, he didn't ask for help, but Shen Lang still faintly said to him: "You saved them a life." Then they went into the room.

Yuezhen was stunned by Nan, and after thinking about it, he couldn't help but be surprised!

He came forward to dismiss Dong Dawei and ousted them, and pressed them by their identity. I did not expect that in the eyes of Shen Lang, they actually saved their lives, that is not to say...
