

Flirtatious Husband: Why He Wants To Marry Me?

Chapter 1 - Prologue

Year 2000

It was already the middle of the night.

The night is peaceful, and the country road is too quiet.

It was dark and only the light that is coming from a post gives light on the road.

There are no houses in the place, it was a distance away from the City.

But the silence of the night was interrupted by the piercing sound of a car trying to stop and then followed by a loud sound of a car crash!

A car crashed on the road barrier, the road barrier was wrecked!

The car's front wheels are now hanging at the edge of a deep cliff!

The car's windshield shattered, there are three people inside the car, the driver, a grown-up woman, and a child.

The driver is unconscious and lots of blood trickled from his head to his face.

The woman in the backseat slowly opens her eyes, her vision is blurry and she feels dizzy.

A moment later, she felt the liquid trickled on her face, the woman touched the liquid.

She takes a look at her palm, her eyes went wide opened when she realized it was blood!

The woman felt like her dizziness faded!

She looked outside the car, it was dark!

The woman looked ahead of the car, with the help of the car's headlight, she realized that the car hit the road barrier and they are on the edge of the cliff!

" Oh, God!" She blurted out!

She looked at the child beside her, there's lots of blood that trickles from the child's forehead to her face.

Her dress is also soaked in blood!

"My God!" The woman blurted again!

Her entire body is trembling!

She doesn't know what to do!

She looked at her husband in the driver's seat.

He is also unconscious!

"What to do?! What to do?!" The woman is confused about what to do!

They are on the brink of death!

The car might fall to the bottom of the cliff!

If that happens, it would be impossible for them to survive!

The woman started to cry!

But she still tries to be strong!

This is between life and death, and her family's life is on her hand!

" Dear, wake up!" the woman tries to wake up the child.

"Wake up please!" the woman felt weak but she still tries to wake up her daughter.

The child slowly opened her eyes, "M-Mom..." The child mumbled.

The woman felt a little relieved when she heard the child spoke.

"Move." The woman said.

"You have to get out of the car!"

The woman opened the car's door, "She gathered her strength to push the child out of the car.

The child fell on the ground, but the car moved!

"Ahhh!" The woman cried!

Fortunately, the car has not fallen yet!

The woman's breathing increased!

She is panting due to the nervousness that she felt!

Beads of sweat pop out on her forehead.

She tried to calm her self before she slowly moves closer to her husband, who is still unconscious.

"Honey, wake up!" The woman begged to her husband in between her sobs.

"Honey!" She called again, but her husband is still unresponsive.

Meanwhile, outside the car.

The child tried to move her body, but she is too weak to do it.

"Help..." the child mumbled.

She wants to help her parents but she just couldn't do it.

She felt helpless, but the child had hope when she saw a man's silhouette coming to her!

The man walks closer to her and he stands near her.

It was dark, and the man stands against the light.

All the child could see, is his silhouette.

The child opens her mouth.

She tried to speak but there's no voice came out from her mouth but the movement of her mouth says, "Help..."

The child wants to reach her hand to the man, but she was weak to do it, all she could do is to move her fingers.

The child hoped that the man would help them, but the man did the opposite thing!

The man turned his back away from them, instead of helping them!

The child's mouth moved again.

"Help..."

Her mind is telling her to move but her body refuses, the child's eyes slowly closed until her world went dark. She doesn't even witness how the car fell into the bottom of the cliff with her parents inside it!
