'They did it again for the second time!'

'It's already 3:30 in the afternoon when Tim and Kira decided to go downstairs.'

'Tim took the dress for Kira in the closet.'

"Wear this

" He said as he gave the dress to Kira who is still lying on the bed.'

'Kira raised her body and supported her self with her arm.'

"I thought you want me to stay naked until my dress dried up

" Kira started to tease Tim.'

'Tim walks closer to the bed. He lowered his body and kissed Kira's forehead. " It's alright for me if you stay naked

but only if we are inside the room

we have to go downstairs

remember?" Tim reminded Kira.'

"Alright!" Kira gets up from the bed

she then took the dress and started to wear it.'

'-----'

'Dana stopped in front of the Villa's gate

she honks her car to let the securities open the gate. One of the securities got out of the gate to check who has just arrived.

'Kira sat on the couch while waiting for Tim to come back. Just then

her phone rang.'

'Kira straightened her body

she reached her shoulder bag at the top of the table. She shoves her hand inside and took her phone.'

'Kira looked at the caller's ID

it was Lea calling her.'

'Kira swiped her phone screen and answers the call

"Hello?"

"Hey

babe

where are you now?" Lea asked from the other line.'

"I'm at the Villa right now

" Kire replied.'

"Villa?" Lea asked suspiciously.'

"Ennn..." Kira nodded.'

"With whom?" Lea asked again.'

"With Tim

" Kira replied honestly

she has nothing to hide though.'

"Ah

" Lea nods her head

there are things that are playing on her in her mind!

"So

you and Mr. Tan are in the Villa

alone?" Lea asked and Kira can sense what Lea might be thinking!'

"Yes

" Kira replied.'

"Oh

alright!"

"So

the two of you talked?" Lea continued to ask.'

"C'mon Lea

why won't you ask me straight to the point?"

"Hehehe

" Lea laughed

"You really know me

babe!" she said.'

'Aileen heard voices in the living room. She is in the kitchen and making Yana's milk.'

'Aileen put down the spoon that she used to stir the milk. She then picks up the glass and brought it to the living room

but her footsteps came to a stop when she saw a man in the living room. The man is embracing Yana

but he doesn't look like Drake!

'Aileen continued to walk. This time

she tried to peek to the man's face who is embracing Yana. She can only see half of the man's face but she can still recognize him!

'Aileen's body trembled just thinking that this man looked like her son!'

'Aileen tensed up and she unintentionally dropped the glass of milk that she was holding!'

'-----'

'Kira and Tim were startled when they hear a shattering sound of glass

they automatically turned behind them.'

"Auntie!" Kira blurted out when she saw Aileen. But then

she knitted her brows when she notices her pale face.'

"Auntie

are you alright?" Kira asked as she took a step towards Aileen.'

'Kira approaches Aileen and helped her to get up from being slumped on the floor.'

"Auntie

" Kira called in a faint voice.'

'Yana silently watched Aileen with her innocent eyes. She then approaches her grandmother on the sofa and wiped her tears with her little hand.

"Granny is crying?" Yana asked innocently.'

'Aileen looked at Yana

she embraced her so tightly as her shoulders shook due to crying. No wonder why she felt so close to this kid since she was born

she is her grandchild!'

"Oh

how did I not know that you are my grandchild?" Aileen mumbled with her teary eyes.'

'Aileen looked up to Kira

"No wonder I feel so close to the both of you

" She said meaningfully.'

'Kira pressed lips and embraced Aileen.'

"I just don't know what to do to get his forgiveness

" Aileen said after a while.'

'Kira doesn't know what to say

she just stroked Aileen's back

hoping to make her feel a little better.'

'-----

'Tim agreed to meet his mother.'

'In the VIP room in a restaurant

,

'Tim and Aileen are sitting face to face. Tim is sitting there like no one is around him while Aileen is anxious.'

'Aileen rubbed her palms with her head lowered

she felt nervous. She was thankful that Tim agreed to meet her

but now

she doesn't know where to start.'

"Are we just going to sit here all day?" Tim asked emotionless which made Aileen froze.'

"I-I'm sorry

" Aileen said.'

'Tim just looked at his mother in a blank expression.'

"I-I know

what I did was wrong and I regretted it

" Tears started to fill Aileen's eyes. "But I am asking you for a second chance

":'

"If you regretted what you did

why you did not come back?" Tim asked

still in his cold expression.'

'Aileen lifted her gaze and stared at her son

"Because I was so ashamed of what I did

I don't have enough courage to come back

" She said.'

"Your apology is too late

" Tim said

"Dad is already gone

"

'Aileen lowered her head again

,

'Ella's gaze followed Drake and before she knows it

she is already staring at him.'

'It was already night

but how did he manage to stay fresh?'

'Ella continued to stare at Drake.'

'Drake checked the car's engine. He took his tools and fixed the engine's minor problem and in just a few minutes

he looked up to Ella.'

"Miss. Ella

could you try to turn on the engine?" He said

but Ella seemed to hear nothing as she looked at him.'

'Drake knitted his brows

"Miss. Ella?" He called her again

but still

she did not respond.'

'Drake walks closer to Ella

he waved his hand in front of her to get her attention

just then

Ella blinks her eyes a few times

as if she had just woken up from her daydream.'

"Uh!" Ella blinked a few times

"W-What?" She asked with no idea.'

'Drake couldn't help but smile

" I was worried that something might be wrong

I was talking to you earlier but you did not respond

you just looked at me

" He said.'

'Ella's face heated up!'

"My God! He caught me staring at him!'

'Kira gets off the car

she took a deep breath as she looked at the house.'

'Tim approached Kira

he stood beside her and put his arm around her shoulders.'

""What's on your mind?" He asked with his gaze fixed on the house.'

'Kira tilted her head to Tim

"It was just like yesterday when I left

but here I am

moving back with our child." She said.'

'Tim frowned when he heard Kira

"It was just like yesterday?" He repeated.'

"Maybe for you

but for me

it was like four decades!" He added.'

"Ugh!" Kira rolled her eyes

"Okay

let's not bring this topic again

" She said as she walks away from Tim.'

"Hey

wait!" Tim followed Kira

"Where are you going?" He asked but Kira did not listen to him

she continued to walk to the house while Yana and Aileen are behind them.'

"Hey!" Tim called Kira again. He grabbed her wrist which made Kira stopped in her track

"You owe me something

" Tim said.'

'Kira knitted her brows as she turned her head to Tim and she throws him a puzzled look.

## **FLIRTATIOUS HUSBAND - 138 THE DANGER IS BACK 6**

'The next morning

Aileen woke up early to prepare the foods for breakfast. There are servants in the Villa

but Aileen still chose to do the cooking

she wants to cook food for her family

especially for her son.'

'Just as soon as she finished setting up the foods on the table

Kira and Tim

who is carrying Yana

get down for breakfast.'

"Wow! That smells good!" Kira exclaimed as soon as she entered the dining area and smells the foods.'

"It makes me feel starving!" Kira added as she looked at the foods on the table.'

'Kira turned her head to Tim

"Isn't it hubby?" She said.'

"Huh?! Tim was not able to answer Kira

,

'Aileen noticed her son's doubtful reaction

" Oh

why won't you guys have a seat so that you can start eating?" She changed the topic.'

'Aileen pulled out the chair in front of the table and she let Tim put down Yana on it.'

'Kira pulled a chair for her too

same as Tim.'

'Aileen turned to go back to the kitchen

but Tim suddenly spoke which made her stopped in her track.'

## **FLIRTATIOUS HUSBAND - 139 THE DANGER IS BACK 7**

'Aileen rushed towards Yana

she doesn't care what could happen to her

all she thinks is to get Yana before the car could hit her!'

'Kira stepped back with her eyes wide opened when she realized that the car is heading towards her!'

"Gasp!"

'Kira gasped as the car run past her

and it was just an inch away from her body! The wind that was created by the car made Kira's hair flipped.'

'The next thing Kira heard is a loud sound indicating that someone was hit by the car!'

"Yana!" Kira instantly turned her head ahead of her

but her eyes went wide opened when she saw the flying body of a woman!'

'It was her mother-in-law!'

'Kira's eyes went wide opened! She was shocked

she felt like her body was paralyzed which made her not able to move it!'

'Kira saw how Aileen's body slumped on the cement ground

and blood instantly flooded around her body!'

'Kira slumped on the ground

she felt like she had lost all her strength!'

'This event made her remember the traumatic incident of her younger life!'

"We notice something suspicious about this car

" The police officer said as he pointed the car on the screen.'

"He was running in a full-speed which is not allowed in that place because it was a school zone

" The officer added.'

"And we also notice that the driver was aiming his car to a particular person

"

"By any chance

do you know this person?" The officer asked as he pointed the woman in a teacher uniform on the screen.'

"She's my wife

" Tim replied.'

"Well

Mr. Tan

it seems like---"

"It wasn't an accident

" Tim interrupted the officer.'

"We think so too

Mr. Tan." The officer agreed. "We will be conducting a checkpoint in every part of the City

this can help us find the culprit

" The officer said.'

'Tim fell in deep thought

'Somebody is trying to harm Kira again!"

"But who would do that?"

"This is just like four years ago when Mr. Fuente tried to harm Kira!"
