

Flirtatious Husband: Why He Wants To Marry Me?

Chapter 16 - Husband and Wife 7

"Why?"

"Are you tempted?" Kira asked back.

Tim smiled, he bent his knees and picks up the towel on the floor.

He walks closer to Kira and covered her body, " You don't have to seduce me, sweetheart." Tim said while putting the towel into Kira's body.

"Just tell me when you are ready and I would be willing to do it with you." He added.

The naughty smile on his face did not fade.

"Tsss..."

Kira twitched her mouth.

"Go on and take a bath before I lost my self-restraint and force you to do it with me," Tim said.

It was not a threat but a warning.

Kira did not speak a word and she just turns and enter the bathroom.

Tim took a deep breath as soon as the door shut!

"Oh!" Tim looked up and tried to calm himself.

He hurriedly walks out of the room and shut the door.

"She's crazy!" He mumbled as he leaned on the closed door and touched his . His heart is thumping so fast and his body temperature has risen up!

"I need an ice bath! It is hot here!" he mumbled, and hurriedly went to his study room.

He has his own bathroom in the study room, so, he decided to soak himself in the bathtub.

He closed his eyes, but then the image of Kira flashed into his mind!

"Aish!" Tim annoyingly opened his eyes again, "She's driving me crazy!"

Kira leaned on the bathroom's door..

She closes her eyes tightly, "My God Kira! What did you do just now?!"

'Are you out of your mind?!"

'Showing your body to a man?"

'You're shameless!' Kira scolded herself.

Kira slowly opened the bedroom door, she sneaks a peek outside, like a thief trying to break in someone's house.

Kira froze for a moment when she realizes what she's doing, "Wait, why am I doing this?" Kira mumbled to her self.

'Because you are afraid to show your self to Tim!' said the other side of Kira's mind.

'Why would be afraid to show my self to him?' the other side argued.

'Because you are ashamed of what you did earlier!'

"Aish!" Kira almost bumps her head into the wall when she remembers what she did earlier.

She closed the door again and took a deep breath, "You can't stay inside this room forever Kira!"

"Now, bear the consequences of your actions!" Kira said to her self before she opens the door and went to the kitchen to have breakfast.

Helena saw Kira headed to the kitchen, she followed her to get ready for her food.

"Let me do it, auntie," Kira said.

"Ssshhh!"

"I used to do this to you since you were a little kid, just let auntie do this, I may not have a chance to do this to you in the future," said Helena.

"Auntie, you're talking none sense again!" Kira doesn't like to hear words like this.

"Of course you can still do this in the future, and to your future grandchildren too!" Kira added.

"Auntie, I will transfer you to the best hospital, so that you recover fast!"

Helena just smiled at Kira, 'You don't know what I mean, dear.'

'I don't know if you can forgive me if you learn the truth!'

Helena secretly said.

"You've grown so fast, Kira. It's like yesterday, you are the child who cried every day while calling for her mom and dad."

"But look at you now!"

"You already got married and is planning for your future children." Helena stared at Kira.

"You've grown brave and beautiful!" she added.

"All thanks to you auntie," Kira replied.

"Go on and eat your breakfast before it turns cold."

Kira sit down and started to eat her breakfast.

After a while, Tim came into the dining room.

He looked like he had just come out from a bath!

"Just tell me when you're done eating your breakfast." He said to Kira.

Kira almost choked of her food when she heard Tim spoke behind her.

Kira picks up the glass of water and drinks the content before she spoke without turning her head to Tim, "Why?" she asked.

"We will buy your new clothes, remember?" Tim reminded her.

"Oh!" Kira blurted out. "Alright!"

"I'll be in my study room," Tim said.

Kira nodded her head as a response.

"Young Master!" Jane came into the dining area.

"Huh?" Tim looked at the servant.

"The lawyer is here," Jane said.

"Ennn..." Tim nodded his head, he walks out of the dining area and headed to the living room.

He saw Vince sitting on the couch.

Vince instantly gets up when he saw Tim.

"Vince!" Tim called Vince.

"Tim, I have brought the will."

"Let's go to my study room, we can't talk about this here," Tim suggested.

"Sure!" Vince did not object.

Inside the study room.

Vince gave the documents to Tim.

"Congratulations!" Vince said.

Tim took the documents and take a look at it.

And then the first conversation of him and Vince a month after his father died flashed into his mind.

(flashback)

"Your father gave you two options."

"First, he wants his wealth and properties to be divided into two," Vince said.

Tim knitted his brows.

"What?!"

"He wants to give the fifty percent to the girl named Kira Li."

"Kira Li?" Tim repeated, that name sounds a bit familiar to him!

"The second is, you can get all the inheritance but with a condition."

"Condition?"

"You have to marry the girl."

"What?!" Tim was shocked!

Did he hear it right?

His father wants him to marry a girl whom I didn't meet?

That's crazy!

Tim thinks for a moment, "I wonder who is this girl, named Kira Li?"

"Why my father seemed so attached to her?" he asked Vince.

Vince took something in his attached case.

"Your father told me to give it to you in case you ask questions about the girl," Vince said and put the thing on the table.

Tim stared at the thing.

It has the same size as a notebook, it's like a journal and it needs a passcode before he can open it!

"The passcode is your mother's birthday."

Tim thinks for a moment, his mother left them a long time ago but he did not forget her birthday!

"Tim!"

Tim's flashback memory was interrupted when he heard Vince's voice.

He snapped back to his senses and get back to the present.

"Huh?!" Tim blurted out.

"I have to go. I have a meeting with another client." Vince explained.

"Ennn..." Tim just nodded his head, but before Vince could get out of the room, he called him again.

"Vince!"

Vince turns his head and looked at Tim.

"Please, don't tell anyone about this."

"Sure!" Vince agreed and then he gets out of the room.

Tim pulled his draw and looked at the diary.

After a while, he closed his drawer again.
