

Flirtatious Husband: Why He Wants To Marry Me?

Chapter 26 - The Auntie 3

Tim started the engine and drives away.

Helena told him that his auntie is in the villa.

He has bad feelings about this.

He knew his auntie's attitude!

She might have learned about his marriage to Kira!

"Auntie, why you didn't tell me that you worked for the Tan family before?" Kira asked as she helped Helena sit on her bed.

Helena froze, it took a while before she spoke, "L-Let us not talk about it, dear, it was a long time ago, after all!" Helena said.

She's anxious, but she tried her best not to show it to Kira.

Kira did not notice Helena's anxiousness.

She thought that Helena just doesn't want to talk about it, so, she did not insist on talking about it.

Tim hurriedly run inside the house and called Kira's name.

"Kira?!" He called out as he took a step upstairs.

He headed to their room but Kira wasn't there!

Tim got out of the room again, and coincidentally, Jane the younger servant came out of the guest room.

"Where is the Missus?" Tim asked Jane.

"The Missus is in the kitchen, Young Master," Jane replied.

"Is she eating?" Tim asked.

"No, Young Master. She is preparing food for lunch." Jane replied again.

"What?".

"Madame Gezel ordered her to cook for lunch."

Tim sigh as he heard Jane.

And then he runs downstairs and headed to the kitchen.

He saw Kira near the sink, she is cutting the vegetables while Madame Gezel is standing beside her, with her arms crossed in her .

Madame Gezel seems like she is observing Kira's every move.

"Ah!" Kira cried and held her hand when she accidentally cut her finger!

She was so tense with Madam Gezel's presence and can't concentrate on what she's doing.

"It's just a simple task, yet you can't do it correctly!" Madame Gezel said sternly.

Tim walks towards Kira with his dark expression," What do you think you're doing?" He asked sternly as he holds her wounded finger.

"T-Tim!" Kira blurted out!

She didn't expect him to be home before lunch!

"Hello there Tim!" Madame Gezel greeted her nephew but Tim seems to hear nothing!

He ignores his auntie, he brings Kira on the sink and washed her wound.

"You shouldn't be doing this. " Tim said to Kira as he wiped her hand to dry.

Madame Gezel was offended by Tim's behavior.

"So, you're just going to act like you never seen me here?!" Madame Gezel said in a sulky voice.

Kira turned her head to Madame Gezel and then to Tim, but Tim seemed like he heard nothing from Madame Gezel.

"You should have asked the servants to do the works in the kitchen," Tim said without turning his head to his auntie.

"I just want to know how much she knows the works in the kitchen." Madame Gezel was the who answered.

"Wives should at least know how to cook for their husbands." She added.

"I did not marry her to cook foods for me." This time Tim turned his head to his auntie and he throws her a cold gaze. " I did not marry her to be my cook," Tim added.

He turned his head back to Kira, grab her hand and they walk away from the kitchen.

"Let's go!" He said and then he guided Kira out of the kitchen.

'Ha!'

Madame Gezel let out a sarcastic laugh as she watch the couple walks away from the kitchen.

"He even ignored me because of that woman!" She mumbled with her unbelievable expression.

Master's bedroom...

Tim let Kira sit on the bed.

He took his first aid kit in a medicine cabinet and started to apply medicine to Kira's wound.

"Why did you do that?" Kira asked Tim who is putting a plaster on her finger.

"Did, what?" Tim asked back.

"Why did you treat your auntie rudely?"

Tim looked at Kira, "And why you keep on following her orders?" Tim asked back again.

His expression is as cold as ice.

"I am just being polite to her," Kira replied.

"Being polite?"

"Kira, can't you see it?"

"She's trying to intimidate you, she's bullying you!"

"There should be a limitations to everything, Kira. It's alright to be polite, but to let her bully you, is another story!"

Kira lowered her head, Tim might be mad, he even called her by her first name!

" Tim, she is your auntie---"

"So what?" Tim interrupted Kira.

"Don't lower yourself just to please her."

"The more you lowered your self to her, the more she treats you rudely!"

"She's the kind of person who likes to manipulate someone's life. You should know how to fight back especially when they are taking advantage of you." Tim is enraged!

Her Auntie was one of the reasons why his Mom left him and his dad.

"Kira, that woman isn't here for nothing," Tim warned Kira.

"She has been eyeing for the family's business since my dad passed away."

Kira did not answer.

She doesn't know Madame Gezel's attitude, so, she should listen to Tim who knows more about his auntie.

Kira keep her head lowered, she did not dare to look at Tim, she's afraid to see his anger.

"Oh!"Tim looked up, trying to calm himself.

He took a deep breath before he looks down at Kira again,

" Now, I'm having second thoughts on whether to leave out of town or not. " Tim mumbled after a while.

Kira looks up to Tim, "Out of town?" she asked.

"Ennn..." Tim nodded.

" I have important things to do in C Province." He explained.

This time, his voice is calm.

"Oh! Is it that important?" Kira asked again.

"I have to talk to a family friend, he was the one who helped my father when he needs financial help," Tim explained.

"Then why are you having second thoughts?"

"I'm worried about you, especially now that auntie is here," Tim said in a worried voice.

"You're worried that your auntie might bully me?" Kira asked again.

"Ennn..." Tim replied.

Kira was touched by Tim's concern.

She felt like someone tickled her heart and she can't help but smile.

Flirtatious Husband: Why He Wants To Marry Me? Chapter 27 - The Auntie 4

Kira held Tim's face.

"Don't worry about me. I won't let her bully me again." Kira ured.
Tim closes his eyes as he feels the warmth of Kira's palm on his face.

He lifted his hand and held hers.

"Why won't you come with me?" He suggested.

Kira shook her head, "You know I can't." She refused.

"I have to work the next day, I can't leave my students," Kira explained.

"Oh!" Tim blurted out.

"I'm going to miss you." He said.

"Hey, are you not tired of seeing this face every day?" Kira joked.

"Nope!" Tim quickly replied.

"Never!" He added.

Tim looked at Kira in a serious expression.

"I'll be back in a few days, alright?"

Kira just nodded her head as a response.

She knew she's going to miss Tim too, even if it's just a few days!

She is used to his presence and this is the first time that he will be away from home.

The next day in the afternoon, Coby fetched Tim at the Villa and send him to the airport.

After Tim left, Gaile arrived to see Madame Gezel.

"Hello there, Gaile!".

"I've missed you!" Madame Gezel said to Gaile.

"Hello, Auntie!" Gaile approached Gezel and embraced her.

"How are you dear?"

"It's been a long time since we've seen each other!"

"Oh, I'm pretty good, auntie!" Gaile replied with a sweet smile on her face.

"You know what, it's better if we talk to the garden." Madame Gezel suggested.

"Oh, sure, auntie. I also have something to give you and I hope you'll like it!" Gaile said.

The two of them headed to the garden.

Kira got bored inside the master's bedroom and decided to go out of the room.

She wants to take some air, so she decided to go to the garden.

But unfortunately, Madame Gezel and Gaile are there on the garden's table set, talking while seeing their pieces of jewelry to each other.

"Oh! I like this design!"

Kira heard Madame Gezel said.

The woman lifted the ruby diamond necklace with her sparkling eyes!

"Really auntie?" Gaile got excited!

"I was about to give that necklace to you!" Gaile added.

Gaile secretly smirked inside!

I know how to get you, auntie!

"Really?!" Gezel asked in an unbelievable expression!

"Of course auntie!" Gaile said without having a second thought.

Kira changed her mind!

She doesn't want to stay in the garden anymore!

Kira was about to turn away but Gaile has noticed her before she could go!

"Hey, Kira!" Gaile called Kira.

Kira stopped on track.

"Why won't you join us here?" Gaile asked.

Kira turned back to them, she revealed a smile and say, "No, thanks! I have some important things to do." She said politely.

"Oh!" Gaile blurted out.

"We have a guest here, shouldn't you be serving tea for our guest?" Madame Gezel suddenly spoke.

Kira averted her gaze to Madame Gezel.

"Why are you just standing there?" Madame Gezel asked sternly.

"Go and make tea for us!"

Kira took a deep breath to calm her self.

'Relax Kira, this is not yet bullying, right?'

'Stay calm and be polite as long as she doesn't hurt you.' Kira secretly said to her self.

" Sure, Auntie!" Kira said in a calm voice.

Kira turned and headed inside the house.

Gaile's gaze followed Kira, and a smirk slowly formed on her lips.

In the kitchen...

Helena went to the kitchen to drink water, but she saw Kira near the stove.

Helena is now wearing a kerchief to cover her bald head.

"What are you doing, dear?" Helena asked.

Kira turned her head to her auntie's direction.

"I'm boiling water for the tea, auntie. " Kira said.

"Tea?"

"You should have told the servants if you want to drink a tea and let them do that," Helena said.

"It's..." Kira seems like she's having a second thought.

"It's not for me, auntie."

"Who would drink that, then?" Helena asked.

"It's Madame Gezel's order, auntie," Kira replied.

Helena sighs!

"That woman is treating you so rudely." She said.

Kira smiled, "I can still handle it, auntie."

Their conversation was interrupted by the kettle's whistle, indicating that the water is already boiling.

Kira turned off the gas range, took the kettle and transfer the hot water into the teapot.

Kira put the teapot in the food tray and she added two teacups before she lifted the food tray.

"I will bring this to them, auntie," Kira said and then she walks out of the kitchen with the food tray in her hand.

Kira went back to the garden, she stopped on the door, she took a deep breath before she approached the table where Gaile and Madame Gezel are sitting.

The two of them are laughing when Kira arrived on their table.

"Here is the tea that you requested, Auntie," Kira said as she put down the food tray on the table.

Madame Gezel looked at the teapot on the table.

Kira was about to leave but Madame Gezel suddenly spoke.

"Are you not going to serve us this tea that you've brought to us?" Madame Gezel asked sarcastically.

Kira stopped and pressed her lips, 'You're just going to serve them the tea, Kira. She's not hurting you.' She reminded her self again.

With that thought, Kira turned back to them, "Sure, I will!" she said with a smile on her face.

"Auntie, I think we should ask the servants to do this." Gaile pretended to be on Kira's side.

"Oh, let her do that! I am sure she won't mind serving her guests. That's the wives supposed to do, right Kira?" Madam Gezel throws Kira a meaningful look.

Kira still tried to be polite, she revealed a sweet smile as a response.

When she finished filling the teacups, Kira put down the teapot on the food tray and then she turned to leave.

Madame Gezel took a sip of the tea, but then she spits it out again as her mouth feels the hot tea!

Flirtatious Husband: Why He Wants To Marry Me? Chapter 28 - The Auntie 5

"Pfftt!" Madame Gezel spit out the tea.

She instantly turned furious!

She thought Kira did purposely!

Madame Gezel turned her head to Kira's direction and yell, "Didn't you check for the water's right temperature?!" She asked angrily!

She was so angry to the point that her face turned red.

Kira knitted her brows as she turns her head to Madame Gezel.

"Wha--"

Kira's word was stuck in her mouth when madame Gezel suddenly splashed her the teacup's contents!

Madame Gezel gets up from her seat, and throws the hot tea on Kira's feet!

"Auntie!" (Gaile)

"Aaah!" (Kira's scream)

Kira automatically raised her arm to protect her self.

As a result, the hot tea landed in her arm which created a burn!

"Ah!" Kira looked at the reddish part of her arm.

She can still feel the heat from the tea.

"What do you think you're doing?!" Helena was the one to react!

She secretly followed Kira earlier, so, she saw how Madame Gezel throws the hot tea to Kira and it made her got enraged!

Kira instantly turned her head to the door and saw Helena.

"Auntie..." She blurted out.

"This woman is trying to burn my mouth with the hot tea and now we're even!"
Madame Gezel did not feel guilty about what she did to Kira!

Helena walks closer to the table, " Come on Gezel!".

"You're not a kid who needs to be reminded of everything!"

"It was a newly boiled water, so, what would you expect?!" Helena has had enough!

"Look what you did to her?!"

"Ha!"

"She deserves it!" Madame Gezel said sarcastically.

Helena held Madame Gezel's arm with her tight grip.

Helena looked so furious!

"Why?"

"What are you gonna do to me?" Madame Gezel seemed unthreatened by Helena.

"You never changed, Gezel"

"You're as evil as before!" Helena said sarcastically.

"What did you say?!" Madame Gezel's arrogant expression changed and she seems like a dragon who would blaze fire at any moment!

She suddenly pushes Helena forcefully which made her slumped on the floor!

"Auntie!" Kira was shocked!

Gezel picks up the teapot with her other hand and was about to throw its content to Helena but Kira was quick enough to stop her!

Kira held Madame Gezel's hand and prevented her from splashing its content to Helena.

Kira's gaze suddenly turned sharp.

"I can tolerate if your insults towards me, but hurting my auntie is another story!!!" Kira said as she glares at Madame Gezel!

Madame Gezel gritted her teeth!

"How dare you touch me?!" Madame Gezel yelled as she tried to pull back her arm.

But Kira won't let her go just like that!

She tightened her grip even more!

"How dare you try to hurt my auntie?!" Kira yelled back!

She will never let anyone hurt her auntie!

"How dare you yell at me?"

"Is that how you treat your elders?!"

"My attitude depends on how you treat me!" Kira said coldly.

"Let go of my hand!" Madame Gezel tried to pull her hand again but she can't escape from Kira's grip!

"Are you deaf?! I said let go of me!" Madame Gezel yelled again and continued on her attempt to escape from Kira's grip!

"Alright!" Kira suddenly let go of Madame Gezel's hand which is holding the teapot and the remaining tea spill on her body!

"Aaahh!!" Madame Gezel scream as the hot tea spilled on her body!

"It's so hot!"

"It's so hot!"

Madame Gezel shouted.

Kira seemed unmoved!

"Auntie!" Gaile instantly run towards Madame Gezel to help her!

Kira stared at Gezel with her cold gaze before she helped Helena to get up and left without saying a word.

"Auntie, are you alright?" Kira asked Helena when they reached the living room.

"I should be the one asking you that," Helena replied, and then she looks down at Kira's reddened arm.

Helena makes her sit down on the couch and then she headed to the medicine cabinet.

This time, Gaile and madame Gezel passed by the living room as they head upstairs, but Kira just ignores them.

Helena gets back to the living room with the burn ointment in her hand.

"Come, let's put an ointment before it gets worst," Helena said.

She sits beside Kira and started to apply the burn ointment in Kira's arm but the redness is still there.

When Helena nearly finished applying for Kira's burn, Coby suddenly popped out on the front door.

He notices the two ladies in the living room.

"Is there any problem, Missus?" Coby asked.

Kira and Helena were startled!

Kira instantly gets up from her seat and answered, " No, Coby, there is nothing wrong."

Coby looked down on Kira's arm and notice the redness on it.

"What happened to your arm, Missus?" he asked.

"Ah," Kira tried to think for an alibi.

"I... I accidentally splashed it with hot water." Kira lied.

"Oh! You should be careful next time, Missus." Coby said.

"Ennn... I will." Kira said with a forced smile.

"Oh! Mr. Tan asked me to get something in his study room."

" I should go then," Coby said as he remembers his reason for coming in the Villa.

Coby took the documents that Tim requested to him.

He did not stay for long, he gets back downstairs as soon as he got the documents.

But on his way out, he overheard the servants' conversation.

"Oh! Madame Gezel is such a rude woman!" It was Becca.

"Yeah, I saw how she throw the newly boiled water to the Missus earlier!" Jane answered.

"The Boss' is not paying you to gossip here!" Linda, the senior servant scolded the two servants.

Coby knitted his brows, and then Kira's reddened arm flashed into his mind.

After helping Madame Gezel, Gaile bided her goodbye to the old woman.

She heads downstairs and gets out of the front door, but her footsteps came to a stop when she heard someone is crying in behind the bush.

Gaile sneak a peek out of curiosity and she saw Linda she is talking to someone on the phone.

"Don't worry, I will find a way to get that amount of money." She said while tears continued to fall from her eyes.

Gaile lost her interest to listen to the old servant, so, she turns to leave.

Fuente Residence...

Gaile is in deep thoughts.

Mr. Fuente notices his daughter.

"Why are you in deep thought?" Mr. Fuente asked as he picks up a glass and pours a whiskey on it.

Gaile snapped back to her senses.

"I underestimated that woman," Gaile said while looking out of the glass window.

Mr. Fuente revealed a mysterious smile,

"You don't know her that much."

"She is just like her father." Mr. Fuente mumbled before he takes a sip of his whiskey.

Flirtatious Husband: Why He Wants To Marry Me? Chapter 29 - Accusation

Gaile turns her head to her father, " You know her father?" Gaile asked with her brows knitted.

Mr. Fuente revealed a faint yet sarcastic smile. " That was a long time ago." He said.

Mr. Fuente twirled his glass and his expression turned cold.

Gaile did not notice her father's change of expression.

"What are you planning to do now?" Mr. Fuente asked.

"I have to come up with an idea of how to get rid of her," Gaile replied.

"Do you need help?"

"No."

"This is for women's fight." Gaile refused.

"Take it slow, what is important is that you'll get rid of her."

"You don't know what danger she could bring to us."

Gaile smirked as she gave her father a side glance, " Are you threatened to her, dad?" Gaile asked as if she is mocking her father.

"With Tim beside her, yes! I am threatened." Mr. Fuente replied honestly.

"Ha!" Gaile let out a short laugh, " What's with that woman for you to get threatened?"

"There are things in this world that you have to know and not to know, it is better for you if you know less." Mr. Fuente replied.

Gaile felt strange for her father's answer but she did not mind it that much.

"Anyways, your birthday is next week, don't you have any plan?" Mr. Fuente asked her daughter.

Gaile took a deep breath before she spoke, " I want to celebrate it, dad. And I want to have a birthday banquet, it is also a welcome party for me.

"Alright, if that is what you want." Mr. Fuente agreed.

Tim is in the hotel room..

He is watching the lights outside the window.

He glanced at his watch to check the time and then he took his phone from his pocket and tapped it a few times before he brings it to his ear.

Kira is currently applying her night cream when she heard her phone ringing.

Kira turned her head to the bedside table, and then she gets up from being seated in front of the mirror.

She walks closer to the bedside table and picks up her phone.

She swipes it and answers it.

"Hello?"

"Hello, sweetheart!" Tim said in a flirty voice.

Kira can't help but roll her eyes.

"Oh, you're still flirting even if you're far!" She complained.

"I suppose you are rolling your eyes at this moment?" Tim said.

Kira froze for a moment.

"So?"

"What could you do then?" She said with a smirk on her face.

"Oh, I can book a flight and come home this instance, my love!" Tim said.

"Tsss..." Kira just scoffed and rolled her eyes.

'You roll your eyes again!' Tim umed.

"..."

Kira is now speechless!

'How did he know that?' She thought.

"You owe me two kisses, sweetheart!"

"I couldn't wait to go home!" Tim said excitedly.

"Anyways, is everything okay there?" Tim chnaged the topic.

It took Kira a few seconds before she was able to reply, "Y-Yes." she replied.

"Do you miss me then?" Tim asked again.

The other line went silent.

"Oh!" Tim's shoulder dropped.

"I should have not asked you," Tim said in a disappointed voice when he did not get a response from Kira.

Tim sat down on the couch.

"Tim..." Kira called Tim after a while.

"Hmmm..." Tim replied.

"Would you believe if I said I miss you?" Kira asked.

Tim's body turned stiff when he heard Kira's question.

"I miss you," Kira said.

Tim went silent, but he couldn't hide his smile.

"Really?"

"Do you want me to come home now?" He asked.

'Will you?' Kira secretly said.

But she did not dare to blurt it out.

She would be selfish if she says that, she knew Tim, he is the kind of person who would do whatever she say!

If she tells him to come home tonight, she knows, Tim would do that!

"There's no need,"

"Just hearing your voice is enough for me," Kira said.

'Oh, you're flattering me.' Tim mumbled in between his smile.

"Alright, just go to bed now but don't end the call, I'll be listening to you through the phone. I will wait until you fell asleep."

"Alright." Kira laid down in the bed without finishing on applying her night cream.

Kira pulled the blanket to tuck in herself self but her burned arm swiped on the blanket which made her cried! "Ah!"

Tim knitted his brows when he heard Kira's cry, she sounds like she was hurt!

" Why? What happened?!" He asked worriedly.

Kira froze...

She was not able to respond immediately.

"Kira?" Tim called her name.

"Are you alright?" Tim started to get anxious when he did not hear a response from Kira.

Kira bit her lower lip as she tried to think for an alibi.

"Y-Yes! I... I am alright." She replied.

"What happened?" Tim asked again.

"Ah, Uhm... I... I hit my head on the headboard!" Kira said.

"Oh!" Tim felt relieved.

"I thought something bad has happened to you."

"Oh, don't worry about me, nothing serious happened," Kira ured.

"That's a relief then."

"Don't worry, I will be home after I finished here."

Kira looked at her burned arm, " Oh, don't rush!" Kira blurted out without thinking that Tim might misunderstand her!

Tim went silent...

"I... I mean...you ...just enjoy your trip there." Kira tried to make it up.

"I thought you missed me, why you sound like you don't want me to go home then?"

"..."

Kira was speechless!

'It's not that!'

She's just afraid that Tim might see the burn on her arm.

He would surely ask how she gets it!

Kira heard Tim's deep breath on the other line.

"T-Tim..."

"That's not what I mean to say," Kira said.

"I mean, give your self some time to relax---"

'Oh! This is not convincing!'

Kira stopped talking before Tim notice that there is something wrong!

"Don't explain anymore, you're making me upset," Tim said.

Back to Fuente residence...

Mr. Fuente is holding a photo.

"You should have just rest in peace with your parents!" He mumbled with his sharp gaze!

Flirtatious Husband: Why He Wants To Marry Me? Chapter 30 - Accusation 2

C Province...

The next day...

Inside the VIP room in a restaurant, Two people are sitting face to face.

One is younger while the other one is an old man.

It was Tim and the LCX bus line's CEO, Randolph Villariez.

The man has gray hair, his face is wrinkled and he is thin and he looked unwell.

"I'm sorry if I am so demanding, Mr. Tan. As you can see, I am weak and can't travel far." Mr. Villariez apologized.

"No problem Mr. Villariez, you were the one who helped my father when he needs help," Tim replied.

Mr. Villariez lowered his head.

"What is it, anyway Mr. Villariez?" Tim asked.

"Mr. Tan," Mr. Villariez lifted his face and he looked at Tim.

"I know that you are aware of my company's current status." He said.

"I wonder if you are interested in buying the company?"

Tim was not surprised by the proposal.

"I will give it to you at a lower price, but I want to ask for a favor." Mr. Villariez spoke again.

"What is it?" Tim asked.

"It's my daughter."

"I have a big amount of debts, to the loan sharks, they were harassing us almost every day. I can't pay all of it even if I sold the company."

"I am worried about my daughter, she has nowhere to go if I pass away."

"As you see?"

"I am weak and ill and my daughter is still young, who needs guidance.."

Mr. Villariez gulped before he spoke.

" Please let her stay in the company even if you take over it."

Tim took a deep breath.

Capital City...

It was afternoon, Kira got out of her room but then...

"Aahh!" Kira screamed shortly.

She almost jumps out of fright when Gaile suddenly popped out of nowhere!

"Oh! I'm sorry, I didn't mean to frighten you!" Gaile said.

"What are you doing here?" Kira asked.

"Uhm... I... Auntie Gezel asked me to get her medicine for headache, but I don't know where her room is." Gaile explained.

"Perhaps, you could tell where her room is?" Gaile added.

Kira lifted her hand and pointed the door against Tim's study room.

"There."

Gaile's gaze followed Kira's hand.

"Oh!" She blurted out.

Gaile took a step but then, she stopped as if she is having a second thought.

She turns back to Kira.

"Kira, would you mind if..." Gaile paused for a few seconds.

"If I ask for help?"

"I mean..."

"I mean, auntie needs the medicine urgently, and... could you help me find it?" Gaile is being polite to her today.

"Alright." Kira did not refuse.

"Thanks, Kira. And about what happened yesterday, I hope you understand that auntie is getting older already, and elders have a short temper." Gaile said as they headed to the guest room.

"But I will never let her hurt anyone in this house again," Kira said with authority.

The two of them get inside the guest room.

"Try to search in her drawer and I will search in there," Gaile said while pointing on the closet on the other side of the room.

Kira did not suspect anything, the only thing that is in her mind is to find the medicine.

She searched for the medicine in Gezel's drawer but she couldn't find it!

Gezel's drawer only contains pieces of jewelry.

Kira search for it thoroughly, but there is nothing in Gezel's drawer except the jewelry.

After a while, Gaile suddenly spoke.

"Here it is! I found it!" She said while showing the medicine's bottle.

Kira turned her head to Gaile, " Good then." she said as she straightened her body.

"Thank you for helping me, Kira," Gaile said with a smile on her face.

The two of them headed downstairs but Kira did not go to the garden, to avoid trouble.

Gaile is the only one who went to the garden, she approaches Madame Gezel who is sitting in front of the table while reading a magazine.

"Hey, auntie." Gaile greeted her.

Madame Gezel looked up to Gaile.

"Hi, there! What took you so long in the restroom?" Madame Gezel asked.

"Oh! I..."

Gaile tried to think for an alibi, " I just answered a phone call after coming out from the restroom." Gaile said and then she takes a deep breath.

C Province...

Tim came out of the restaurant and rode to the car that he rented.

He sits in the driver's seat, he took his phone from his pocket and call Kira.

Tim heard the ringing from the other line, he waited until Kira answered.

"Hello, sweetheart." Tim greeted.

"Hello. Are you at the airport now?" Kira asked.

"Umm... I called to tell that, I couldn't come home today." Tim replied.

"Oh!" Kira blurted out with disappointment.

"I'm sorry, I still have something to do here, " Tim explained.

"Okay, I understand," Kira said.

"Just take good care of your self, Tim," she added.

"Of course I do, so you should too," Tim replied.

"Hmmm..." Kira nodded her head.

"Bye, I have to hang up now." Tim ended the call as soon as he finished talking, he was not able to hear Kira's next word!

"I miss you---" Kira froze when she heard the beep sound from the other line.

She slowly put down her phone and looks at it.

'Oh! He must be busy.' Kira said to her self.

She already missed him, maybe because she is used to his presence?
