

Flirtatious Husband: Why He Wants To Marry Me?

FLIRTATIOUS HUSBAND - 36 THE CULPRIT 2

"A-And where did you get that story?!" Madame Gezel tried to deny the truth.'

"I have my ways of knowing what is happening around me

auntie. Don't try to deny it because I am not an idiot!" Tim replied with his gritted teeth.'

'His every word makes Madame Gezel and Gaile's knees shook!'

"S-She was the one who started it!" Madame Gezel tried to change the story.'

"Oh

really?!" Tim narrowed his eyes.'

"Then

why you don't have a burn like hers?" He asked sarcastically.'

"Of course I have!"

"She splashed hot tea in my body!" Madame Gezel said.'

'Kira is out of patience

'This is enough!'

"This old woman is trying to blame her and she can't let that happen!"

"Don't try to change the story

auntie

we both knew what happened that day!" Kira defended herself.'

"Stop it

Kira!"

"You are just trying to brainwash Tim!" Gezel said.'

"She is telling the truth Gezel!" Helena joined the argument and defended Kira.'

"I was there

and I saw how you splashed the hot tea to Kira!" She added.'

'Gezel looked at Helena with her sharp gaze

"Of course you will take side to your orphan

your goal is to make me leave this house

isn't it?!" Gezel said and then she turns her head to Tim

"You see Tim?"

"These women are trying to brainwash you to make me leave this house!"

"Do you think I am the person who can be manipulated by someone
auntie?"

'Madame Gezel went silent.'

"How could she forget that Tim isn't a child anymore
who would believe everything she says?"

"And also

Kira is my wife

what's mine is hers. It doesn't matter even if she stole from anyone of you here
because she is also the owner of this house!" Tim said.'

'This time

Madame Gezel held her head up high

" Fine! If you're choosing this woman over your auntie

then I won't insist on staying here!" Madame Gezel said and then she walks away.'

'Gaile's gaze followed Madame Gezel

" Auntie!" She called and followed her to her room.'

"No! Auntie can't leave this place!"

"If she leaves

I have no reason to come here anymore and do my plans!' Gaile thought.'

'-----'

'The investigators took a fingerprint each of the people lives in the Villa.'

'After the investigators are done

they instantly leave the Villa and went straight to the laboratory.'

'Tim picked up the phones at the top of the table.'

'He looked at the servants and spoke

" Clean up the mess inside the master's bedroom. " He ordered.'

"Yes

Young Master!" The servants replied and then they headed upstairs.'

'Tim looked at Kira

" We need to talk." He said plainly.'

'Kira gulped!'

'She doesn't know why

but Tim's attitude towards her is a bit strange!'

"To the study room

" Tim said and then he took steps upstairs and headed to his study room.'

'Kira looked at Helena and say

" Please

go to your room

auntie and take some rest."

"How about you?" Helena asked worriedly.'

"Don't worry about me

I just need to talk to Tim

" Kira replied.'

'Helena nodded her head.'

'Kira followed Tim to his study room.'

'She entered the room and found Tim sitting in the swivel chair in front of his table with his legs crossed and his expression is blank.'

'Kira stopped in front of the table

"W-Why?" She asked.'

'Tim looked at her

and his expression did not change.'

"Why did you not tell me?" Tim asked in a serious expression.'

"T-Tell you

what?" Kira acted as if she didn't know what Tim meant to say.'

"Don't act like you don't know what I mean to say

" Tim said coldly.'

'Kira went silent

she lowered her head and bit her lower lip.'

'Tim saw when Kira bit her lips and it made him distracted.'

"Stop biting your lip

" He said with his deep gaze.'

"Huh?!" Kira looked up as she blurted out.'

"Explain it to me

" Tim demanded.'

"I..." Kira started to speak.'

"I did not tell you about it

b-because I don't want to cause trouble between you and Madame Gezel." Kira reasoned.'

'Tim's expression went even colder.'

"That's why you let her hurt you?!" Tim's voice turned deep.'

"T-Tim

I did not expect that she would do this to me

" Kira explained.'

"Besides

she is still your auntie. I still have to respect her as an elder." Kira added.'

'Tim stared at Kira for a few seconds

he understands Kira.'

'She doesn't want to disrespect Madame Gezel even though she treated her cruelly.'

'With that thought

Tim's anger slowly faded

and he gets up from his seat and walks closer to Kira.'

"I don't want this to happen again

even if she is an elder

" He said.'

"I have already talked to her after the incident happened

" Kira replied.'

'Tim lifted his hands and cupped Kira's little face. " You know what made me frustrated?"'

'Kira looked back to Tim's eyes.'

" I feel so useless that I was not able to protect you

from the people who want to hurt you

" Tim said with worries in his eyes.'

"Tim

it was just a minor injury. It was not so serious." Kira tried to make Tim feel at ease.'

" Even if how small it is

I don't want you to get hurt. You are important to me and I want to protect you."

'Kira was touched by Tim's words.'

"Important?"

"Me?"

"Oh

why do I feel like someone tickled my heart and there are butterflies in my stomach?'

Kira secretly giggled.'

"Come here."

'Tim pulled Kira into his embrace.'

'He embraces her and stroked her hair.'

'Kira

on the other hand

felt like she is in a cloud nine but she seemed to remember something

"Tim?" she called.'

"Hmmm?" Tim replied without letting go of her.'

"Can I ask you something?"

"What is it?"

'Kira gulped before she spoke again

"W-Where is your mother?"

'Tim was silent for a moment

which made Kira change her mind.'

"I-It's alright if you don't---"

"She left me and my dad fifteen years ago." Tim suddenly said.'

'Kira froze...'

"She left them fifteen years ago?"

"It means

it was the same year she lost her parents!"

'-----'

'The next day afternoon

the investigators came back with the forensic fingerprint analysis' result.'

'Everybody gathered in the living room.'

'Kira and Tim are standing side by side

opposite to them are Gaile and Madame Gezel while the servants and Helena are between them.'

"We already have the result here." The investigator said as he lifted the envelope that contains the result.'

"If you don't mind

Kindly read it for us

officer

" Tim said.'

"Of course

Mr.Tan." The officer replied and he shoves his hand inside the envelope and pulled out a piece of paper.'

FLIRTATIOUS HUSBAND - 37 THE CULPRIT 3

'The officer takes out the piece of paper.'

"According to the result

we found traces of fingerprints on the necklace and it came from three people."

'Madame Gezel automatically smirked when she heard the officer's word.'

"See Kira?" She turns her head to Kira.'

"Only me and Gaile lay a hand on that necklace. I am pretty sure that the other fingerprint belongs to the culprit and it is you."

'Madame Gezel smirked as if she is sure that the third person is Kira.'

"Continue

officer." Kira ignored Madame Gezel.'

"Alright

ma'am!" The officer replied.'

" The fingerprints belong to Madame Gezel

Miss Gaile Fuente and the other one belongs to one of the servants."

'Madame Gezel's expression instantly changed as if she wants to say

' What the heck?"

"How come?"

'Gaile turned pale and she tightened her grip on her dress.'

'The servants were stunned too and they knitted their brows as they looked at each other.'

'Tim looked at Kira

he can't see any expression of his wife's face

but he still felt relieved now that Kira has proved her innocence.'

"Continue officer

and tell us who is this servant who betrays its master

" Kira said plainly.'

"Alright

Mrs. Tan." The officer replied and then he looked at the people in front her him before he continued

"The third fingerprint belongs to Linda." The officer continued.'

'Everybody in the room was stunned to hear the officer

(A/N: Except for Kira) and they turned their heads to Linda!

"Linda?" Madame Gezel blurted out with her unbelievable expression!

'Linda's face instantly turned pale!

'She looks like she has drained all her blood from her face and she started to tense up!

"I...M-Mr. O-Officer..." Linda stammered.'

"Linda

could you explain this?" Tim coldly said to Linda.'

"Y-Young Master!"

"I- I don't know what they are saying!" Linda said.'

"So

you're saying you didn't steal the necklace and put it inside my closet?" Kira asked coldly.'

"Missus

I couldn't do such a thing!" Linda said in a trembling voice and she seems like crying!

"Oh

really?"

"How could you explain the forensic result then?" Kira asked in a cold expression.'

'Linda was out of words!'

"How could you do this

Linda?" Tim confronted Linda.'

"I trusted you

but how could you betray the Missus?!"

"Y-Young Master!" It is the only words that Linda was able to say!

"I know Linda couldn't do it without someone backing her up

" Kira said.'

"Missus!" Linda blurted out.'

"Now

tell us who ask you to set me up

" Kira demanded

though she has an idea of the culprit

she still wants Linda to reveal it

on her own.'

'Linda looked at Kira

she started to tremble and beads of sweat started to pop out from her forehead!

"N-No!"

"I didn't set you up!" Linda still tried to deny.'

"Why you can't look me in the eyes

Linda?"

"M-Missus..." Linda's grip tightened.'

"Linda

tell us what you know or I will call the authority to lock you up to jail!" Tim said with authority.'

'This time

Linda suddenly kneels in front of Kira.'

"I'm sorry

Missus!" Linda said as she rubbed her hands and kowtowed to Kira while crying.'

"I am sorry!" She repeated and continued to kowtowed.'

"Why are you apologizing?" Kira asked coldly.'

'Linda looked up at Kira

" Missus

I didn't want to do it

but I am in so much need of money!" Linda doesn't think of the words she says.'

'Everybody in the living room gasped!

"Senior Linda!" Becca and Jane blurted out.'

"You're in so much need of money?" Kira repeated.'

"Yes!"

"Yes

Missus!" Linda replied as she keeps on rubbing her hands while crying.'

"Someone bribed you

" Tim said.'

"Yes

Young Master!"

"Please

forgive me!" Linda begged.'

"Then tell me

who?" Kira said.'

'Everybody in the living room is silent.'

'Gaile seemed anxious while Madame Gezel's expression darkened as she looked at Linda.'

"Yes

Missus!"

"I will tell you!" Linda said.'

"Who?" Kira asked again.'

'Linda slowly raised her head and her gaze fell to Gaile and Madame Gezel.'

'She slowly lifted her hand and pointed one of them.'

"It's her!" She said while aiming her finger to Gaile!

'Gaile's face went pale!'

'She was not able to respond immediately!'

"You?!" Madame Gezel blurted out in an unbelievable expression while Tim and Kira are not surprised anymore!'

"W-What are you talking about

you old witch?!" Gaile acted as if she doesn't know anything!'

"You knew that I needed a big amount of money for my husband's medical expenses!"

"You took advantage of me

you told me to put the necklace on the Missus' closet in exchange for money!" Linda said with details.'

"You liar---"

"Enough Gaile!" Tim yelled to Gaile which made her shut her mouth!'

"Now it made sense to me." Kira suddenly spoke again.'

'Everyone turned their gaze to Kira.'

"Searching for auntie's medicine was just your alibi."

"I didn't think too much when you let me check auntie's drawer that contains her jewelry!" Kira said as her gaze towards Gaile turned sharp!

"Very well Gaile! Very well!" Kira said sarcastically!

"Why Gaile?"

"Why would you do that to me?" Kira asked.'

'Gaile knows

she has no way to deny it!

'So

she just decided to fight back Kira's sarcasm.'

"Ha!" Gaile let out a short and sarcastic laugh.'

"Isn't it obvious?"

"I did that because I want to get rid of you

Kira!" She said honestly.'

"Why do you hate me?"

"Is it because I am Tim's wife?" Kira is aware that Gaile likes Tim

some people would do stupid things for love.'

"Yes!" Gaile replied straight forward.'

"You don't belong to Tim's world! You don't deserve Tim!" She added.'

"And who do you think deserves me?" Tim spoke.'

'Gaile's gaze averted to Tim and tears started to form in her eyes!'

"Tim..."

'Gaile walks closer to Tim and she embraces him!'

"Tim

it's me!"

"It should be me!"

"Stop it Gaile!" Tim said as he pushed Gaile.'

'Gaile staggered and she looked up to Tim with her stunned expression!'

"Why?!" She asked resentfully.'

"Why does it have to be her?"

"Why didn't you choose me instead?"

"I am much way better than her and we knew each other since we were young!"

'Gaile approached Tim and tried to embrace him again.'

"Gaile stop this!" Tim rebuked her.'

'Tim tried to push Gaile away from him but Gaile just won't let go of him!'

"No!" I won't stop!" Gaile refused.'

"Just open your eyes

Tim! Open your eyes and try to look at me!"

"I can be more than just a friend

Tim!" Gaile insisted.'

'Kira narrowed her eyes and her face turned dark as she looked at the woman embracing her husband!'

'She hurriedly approaches Gaile

grabbed her away from Tim and slapped her face from left to right!'

FLIRTATIOUS HUSBAND - 38 THE CULPRIT 4

'Gaile's eyes went wide opened as she touched her reddened face due to Kira's slap!'

"How dare you slap me?!" Gaile seems so mad!'

'Kira's slap was so painful

she felt like her face turned numb!

'Everybody in the living room was shocked by Kira's action!

'They never saw the Missus acted this way!

'She used to be graceful and calm and this is the first time that she treated someone harshly!

'Tim was stunned too!

'Gaile's first reaction is to return the slap to Kira!

'She raised her hand and was about to slap Kira but Kira was quick to catch her hand before it could even land into her face.'

"Learn to know your place

Gaile!"

"You may be better than me

but..." Kira looked at Gaile from head to toe.'

" Do you have Tim's heart?"

"Certainly

not!" Kira answers her own question.'

"And also

don't dare to lay your hand on me!" Kira added with a fierce look in her eyes

she then throws Gaile's hand forcefully.'

'Gaile staggered back

but she is quick to regain her balance.'

'She glared at Kira and yelled at her

"How dare you hurt me?!"

"It is for you to wake up from reality that no matter what you do

my "HUSBAND" will never choose you!" Kira emphasized the word husband!

"I don't like sharing what is mine

Gaile!"

" Especially

my husband!" She added.'

'Madame Gezel doesn't want to just stand in the corner

she walks closer to Gaile.'

'Gaile thought that Madame Gezel would help her handle Kira

but to her surprise

it was the opposite of what she expected!

'Madame Gezel slapped her on the other side of her face!'

'Kira

Tim

and the others are startled!'

'Gaile's eyes went wide opened!'

"Auntie!" She blurted out and tears fell on her face.'

"You were just using me since from the start!" Madame Gezel said in anger!'

"Auntie!" It is the only word that Gaile was able to say!'

'Madame Gezel tilted her body to Kira and Tim's direction.'

"I didn't know what this woman did." She said.'

"I will leave this house this instance." She added and then she turns away without waiting for the couple's reply.'

"Wait!" Kira suddenly spoke which made Madame Gezel stopped in her track.'

'Kira turned to Gezel

"I am not done with you

auntie." She said plainly.'

'Madame Gezel turned and face Kira.'

"What do you mean?" She asked with a blank expression on her face.'

"Kneel in front of me and apologize

" Kira demanded.'

"What?!" Madame Gezel blurted out.'

"This was our agreement yesterday

remember?" Kira reminded Madame Gezel.'

"Ha!"

" Do you think I would really kneel in front of a mere person like you?!" Madame Gezel said sarcastically.'

"So

auntie doesn't stand for her words?!" Kira replied sarcastically.'

'Madame Gezel glared at Kira but Kira looked back to her fiercely.'

'Madame Gezel was the first one to take her gaze.'

"Do I have to ask the securities to make you kneel

auntie?"

'Madame Gezel lifted her chin

"No need!"

"I can manage!" She said coldly.'

'She then kneels in front of Kira but she felt enraged inside!'

" I-I'm..." Madame Gezel struggled to say the word 'I'm sorry.'

'This is her first time to apologize to someone!'

'Kira patiently waited for Madame Gezel to say the word sorry.'

"S-So..."

'Madame Gezel greeted her teeth!'

'She felt humiliated!'

'This woman made her kneel in front of many people just to apologize to her!'

"I can't hear you

auntie!" Kira said with a smirk on her face.'

'Madame Gezel doesn't want to look like a loser

so

she still held her head high

"I-I'm... S-So... S-So..."

'The servants opened their mouth as they waited for Madame Gezel to say the word 'I'm sorry...'

'Madame Gezel felt too little to her self!'

'The longer she kneels

the more she gets humiliated!'

"This is enough!' She thought.'

'She wants to leave this place in this instance!'

'With that thought

Madame Gezel took a deep breath

she gulped before she finally said the word

"I'm sorry!" with her head held high!'

'(It wasn't sincere though!}'

'Kira smiled

"Apology accepted!" she said

and then she turns her head to the securities

"Show her the way out." She ordered.'

'Two of the securities instantly approach Madame Gezel

they held her arm and helped her get up.'

"What do you think you're doing?!" Madame asked sternly.'

"Don't worry

auntie."

"They will just help you to find your way out of this house

" Kira replied.'

"Let go of me!"

"I can manage to walk out of this house!" Madame Gezel glared at the two securities.'

"Becca

Jane

get Auntie Gezel's things and bring them outside." She ordered.'

"Yes

Missus!" Jane and Becca instantly move.'

'Kira's gaze followed Madame Gezel before she turns back her gaze to Gaile.'

"You." Kira took a step closer to Gaile.'

'Gaile stepped back as Kira get closer and closer to her.'

"I will give you a chance

" Kira said while her gaze never left Gaile.'

"I will give you choices." She continued.'

"It's either

you get lost or you go to jail!"

"It is your choice!"

"Get lost and never show your face in front of us again! Don't you dare come near to my husband and I will let you go peacefully!"

'Gaile felt helpless!'

'All she could do is to glare at Kira!'

'Even if she wants to attack and fight her

she knew she'll be at a disadvantage!'

"I will count to ten for you to get lost

" Kira spoke again.'

'Tim silently stands there

and let Kira handle Gaile.'

"One!" Kira started to count but Gaile did not move.'

"Two!" Kira continued to count.'

"Three!" Gaile stays still on her track.'

"Four!"

'Kira turns her head to Tim. " Lend me your phone." She demanded.'

"Sure!" Tim took his phone and gave it to Kira.'

'Kira took the phone and she continued to count.'

"Five!"

"Six!" Kira started to dial a number.'

'She lifted the phone and show it to Gaile.'

"You are a famous model

right?" Kira asked with a smirk on her face

But Gaile just glared at her.'

"This is my friend's number." Kira paused for a moment.'

"And you know what is her work?" Kira asked with her raised brows.'

"She is a reporter. An entertainment reporter

her work is to gather all the rumors and gossips of all the famous actors and actresses

including famous models like you." Kira continued to plaster a sarcastic smirk on her face.'

"The news of you get arrested will surely become the number one news in the country! I wonder what would be your manager's reaction about this?"

"I wonder what would be your fans' reactions?'

"Wait

how about your product endorsements?"

"You!" Gaile wants to curse Kira!

"What if they boycott you..." Kira continued to threaten Gaile. " Especially

if they find out

that you tried to slander someone because of jealousy?!"

'Gaile's eyes went wide open when she heard Kira!'

"You!" Gaile pointed to Kira.'

"Seven!" Kira seemed unmoved from Gaile's reaction!

"The time is ticking

Gaile!"

"Eight!"

"I am not done with you

Kira!" Gaile threatened Kira before she stormed out of the house.'

'Kira sighs when Gaile finally left!'

'Tim turned to the investigator

" I'm sorry if you have to witness everything." Tim apologized.'

"No worries Mr. Tan!" The investigator replied.'

"I have to go now

sir!"

'Tim nodded his head

" Thank you."

'The investigator left and Tim turn to Linda who is still kneeling on the floor.'

"Get up and fix your things

" Tim said.'

"Y-Young Master!"

"Please don't fire me!" Linda begged.'

"I need to work to sustain my family's needs." She said.'

"You should have thought about it first before you betray your master

" Tim replied.'

'Linda has no choice but to do what Tim said.'

'Tim approach Kira when there are only two of hem left in the living room.'

"Do you have a reporter friend?" Tim asked curiously.'

'Kira looked up to Tim

"Of course not!" She replied.'

"I was just threatening Gaile." She added.'

"..."

'Tim was speechless!

'His wife is savage!'

FLIRTATIOUS HUSBAND - 39 JEALOUS WIFE

'Fuente Residence.'

"Why did you do that without thinking?!" Mr. Fuente was enraged when he heard Gaile's story.'

'Gaile is sitting on the couch while crying.'

"I'm sorry

dad. I was just too desperate to get rid of that woman!" she replied in between her sobs.'

"There!" Mr. Fuente pointed to his daughter

"That's the problem!"

"You let your emotion engulfed you and do stupid things without thinking of the consequences!" he yelled.'

"I'm sorry

dad." Gaile apologized again.'

"Sorry?!"

"Your sorry won't fix everything! You have ruined Tim's trust!"

"Do you know why I want you to get Tim?"

"Because he is rich and influential! It will be an advantage to us if our families will become one

we can benefit from it

but you missed your chance!"

"How can you be such a failure

huh?!"

"You're just like your mother!"

'Gaile looked up to her father.'

'She felt pained hearing again those words from her father!'

'Yes!'

'Her father has always been cruel to her since she was a child.'

'She never felt his love as a father.'

'She is aware that her father doesn't love her mother

and he always compares her to her mother whenever she made mistakes.'

'He is never proud of her

in all her achievements

for him

she is always a failure!

'She was happy when he went to L Country and tell her about Tim

she thought

her father had already changed!

'But now she realized something!

"Dad

are you just being nice to me lately because you thought I can marry Tim?" Gaile asked resentfully.'

"What else are you thinking?!" Mr. Fuente asked back sarcastically.'

'Gaile couldn't hold her tears.'

'It was the bitter truth!

'Her father was just treating her nicely because of Tim!

'This is also one of the reasons why she was too desperate to get Tim because Tim is one of the ways to get her father's love for her!

'The love of a father that she did not feel since she was a little child.'

"You go back to L Country

you have no use here." Mr. Fuente doesn't mind his words.'

'Gaile silently cry

for her father

she's just like a thing

she will take her if she's useful and get rid of her if she's not useful anymore!'

'-----'

'The next day

Lea decided to pay a visit to Kira

she and Kira haven't talked for a while

she was busy with her convenience store renovation

but after she heard the story about what happened between her friend and Tim's auntie

she did not hesitate to come and pay her a visit!'

'The taxi stopped in front of the gate of the Villa.'

'Lea gets down of the taxi.'

'She stands in front of the gate

she stretched her neck and tried to peek inside the gate.'

'She couldn't see the inside and she hasn't seen anyone who could open the gate for her.'

'Lea continued to peek inside but then...'

"Beeeppp!!!"

"Ah!" Lea was startled and she screamed as she heard the loud horn blowing behind her!

"Aish!" Lea almost curse as she turned her head to the car.'

'The driver's seat opened and a man in black gets down.'

'He is tall

he is good looking

broad shoulders and well

he looked stern!

'Lea knitted her brows

the man looked familiar to her but she couldn't remember where and when she saw him.'

'The man slowly approaches Lea.'

'Coby stopped the car when he saw a woman standing outside the gate

and he can't help but feel suspicious.'

'Coby gets down the car and approached the woman.'

"May I help you

Miss?" Coby asked with his serious expression.'

'Lea did not reply

she just knitted her brows as she stared at the man in front of her.'

'Coby notices the weird expression of the woman in front of him.'

"I saw you peeking inside the villa

" He said and then he stretched his hand to the woman.'

" May I see your identification card

please?" He asked.'

'Lea looked at the man's reddish palm

"Identification card?" She repeated.'

"Yes

Miss

" Coby replied.'

"Why do you need my identification card?" Lea asked doubtfully.'

"I need to make sure that you're not a criminal

Miss

" Coby replied without holding back.'

"What?!" Lea blurted out in a loud voice!

"C-Criminal?!" She repeated with her unbelievable expression!

"What?!"

"Me?!"

"A criminal?!"

'Lea got offended with this arrogant man!

"Ha!" Lea let out a sarcastic laugh as she throws a side glance to the man.'

"Excuse me

Mister! I am a friend of the house's owner

and I am not a criminal!" She proudly said.'

"I'm sorry

but I have to make it sure

Miss

" Coby insisted.'

"Why?" Lea looked at the man from head to toe as if she is sizing him up.'

"Who are you?!" She questioned the man.'

"I don't introduce my self to anyone

Miss

" Coby replied plainly.'

'Lea was speechless with this man's behavior!'

'He wants to see my identification card but he doesn't want to introduce himself?!'

'Lea is starting to feel annoyed by this man's arrogance!'

" Alright!" She said as she crossed her arms on her chest

" I won't show you my identification card

then!" She added.'

'Coby frowned

this woman is being difficult!'

'But he has a way of handling this kind of situation!'

'Coby shoves his hand in his pocket and took his phone.'

'He swiped his phone a few times before he put it on his ear.'

'Lea observed the man in front of her.'

"What are you doing?!" She asked when she saw him calling someone.'

"Calling for the securities

" Coby replied plainly.'

"S-Securities?!" Lea's eyes went wide opened!

"Send two security guards at the gate

someone is spying on us

" Coby said as if he is talking to someone on the phone.'

'Coby ended the call after saying his word.'

"H-Hey!"

"Why did you call the securities?!"

"I am not spying on you!" Lea said in a loud voice.'

" I have already said that I am Kira's friend and I am here to visit her!" She explained.'

'Coby froze when he heard the woman.'

FLIRTATIOUS HUSBAND - 40 JEALOUS WIFE 2

'Coby stared at the woman in front of him and realized that she looked familiar!'

'Earlier

he thought that this woman is Gaile's minion!'

'The securities arrived which made Lea get panic!'

""Wait! Don't you dare to touch me!"" Lea warned them.'

'The two security guards looked at each other and then to Coby.'

""I'm going to call Kira!"" Lea took her phone and made a call to Kira.'

'Lea set the loudspeaker to let Coby and the securities hear Kira.'

""Hello?"" Kira answered.'

""Kira

it's me

Lea

" Lea said as she throws a glance at Coby.'

'Coby's expression did not change.'

"Someone who is dressed like a grim reaper and speaks like a robot is trying to prevent me from getting into your house

" Lea said'

'Coby frowned when he heard Lea while the two securities pursed their mouth and tried not to laugh.'

"Someone speaks like a robot and dressed like a grim reaper?" Kira repeated.'

'The other line went silent for a moment.'

"Oh! It must be Coby!" Kira said after a while.'

"Just give him the phone and let me talk to him

" Kira added.'

'Lea gives her phone to Coby.'

'Coby took the phone from Lea with his dark face

"Missus

" he called.'

"Coby

the lady outside is my friend

please let her in

" Kira said.'

'Coby glance at Lea.'

'Lea raised her brows and throw a sarcastic look to Coby.'

""Yes

Missus

" Coby replied to Kira before he gives back the phone to Lea.'

'Lea took her phone and spoke to Kira

" Thank you

babe!" She said to Kira before she ends the call.'

'Lea put back her phone to her bag and then she looked at Coby as she put her hand on her waist.'

""See?!""

""I told you!" she said with her raised brows.'

""Ehem!" Coby cleared his throat before he speaks

" I'm sorry

Miss.""

'Lea just sneered at him!'

'Coby did not mind Lea's attitude.'

'He turned his head to the securities and say

" Let her in."

'The two securities instantly move away from the gate and they let Lea get inside the gate.'

'Kira is already waiting for Lea at the front door.'

'She smiled when she saw her walking towards her.'

"Kira!" Lea hurriedly approached Kira.'

"Lea!" Kira embraced her friend.'

'The two of them embraced each other as if they have not seen each other for a long time!'

"I missed you so much!" Lea said happily.'

'She used to see Kira every day when they are still living in Helena's house.'

"I missed you too!" Kira embraced her friend tightly.'

'The two of them separated

and Lea looked around.'

"Whoa! Your house is too big!"

'Kira smiled

"This is not mine

this is my husband's house

" Kira replied.'

"Tsss... The two of you are already married

so

this house is already considered as yours."

'Kira just smiles at Lea

and then she notices Coby coming into the house.'

'Coby stopped when he saw Kira

he bowed his head and greeted her

" Good morning

Missus." he said before he straightened his body again.'

"Good morning

" Kira replied.'

"Tim is in his study room."

"I will go then

Missus. Thank you." Coby said politely.'

'Lea doesn't seem so happy with Coby around.'

'Coby left and Kira noticed Lea's sour expression.'

"Why you look upset?" Kira asked.'

"Who's that man?" Lea asked while pointing to Coby with her mouth.'

'Kira followed Lea's mouth.'

"Ah

he is Coby

Tim's assistant."

"He is so arrogant!" Lea complained.'

"He mistook me of being criminal!"

'Kira let out a short laugh

" I'm sorry

I did not inform anyone that you are coming." Kira apologized.'

"Hey

Does he had a facial paralysis?" Lea asked after a while.'

'Kira knitted her brows and looked at Lea with her puzzled expression.'

"Why?"

"Because I've never seen him change his expression when we were talking earlier. He always looked like this

" (-_-) Lea imitated Coby's blank expression.'

"Hahaha!"

'Kira can't help but laugh when she saw her friend imitating Coby.'

'her shoulders shook as she tried to hold her laughter.'

"Hey

Lea. Coby doesn't have facial paralysis

he just doesn't like to smile

alright?" Kira explained.'

"Ugh!" Lea rolled her eyes as if she is not interested to know about that "ROBOT MAN".'

"Whatever!" Lea mumbled.'

"Come

let's continue talking inside

" Kira suggested.'

'The two of them went to the living room

and Lea got even more impressed when she saw the spacious living room!'

"Wow! Kira

you're living in a comfortable place!" Lea exclaimed!'

"This house is much much much better than Auntie's house!" She added and then she froze and knitted her brows.'

"Speaking of auntie..." Lea turns to Kira.'

"Where is auntie

anyway?" She asked.'

"I'm here!"

'Lea's question was answered by the voice that came from the kitchen.'

'Lea quickly turns her gaze to the direction of the voice and she got even more happy to see Helena

walking towards the living room!'

"Auntie!" Lea took a big stride and embrace Helena.'

"Oh

I missed you so much

auntie!"

'Helena smiled

"It's good to see you here." Helena said when Lea let go of her.'

"Yes

I almost disown Kira as my friend

I thought she already forgets me

she did not visit me in my store!" Lea said in a sulky voice.'

"I'm sorry

I was busy the previous month

so

I didn't have time to visit you

" Kira explained

but Lea said something to Helena.'

"Yeah

they are busy making their first child." Lea's voice is a bit loud and Kira was able to hear it!

"Hey! What are you saying

huh?!"

'Helena smiled while listening to the two ladies.'

"Oh auntie

you looked much better than the last time we met. Kira made the right decision---"

'Lea froze when she realized what she almost said!'

'Lea almost bit her tongue when she saw Kira's meaningful look to her.'

'But she was quick to correct her mistake!'

"I mean..." Lea thinks of something to say.'

"I mean

Kira made the right decision to transfer you to another hospital!" She said.'

"Yes

I know." Helena smiled.'

"I'll head to the kitchen and make you a cup of tea." Helena excused her self.'

'She did not wait for Kira and Lea to response

she instantly turns away from them and a tinge of guilt flashed into her eyes.'
