

FMH Marriage 1241

Chapter 1241: It Belongs To The Devil!

Countless programs had invited Ning Xi to attend their show in a male outfit, but Ning Xi and Ling Zhizhi both thought it might affect her future career if she made too many appearances in a male outfit, so currently, she had only agreed to two shows.

With Ning Xi persistence, Ling Zhizhi thought it did not matter if there was just one more, so she listened to Ning Xi's request and contacted the person-in-charge of the program.

On the phone, when the director Wang Shaoyuan heard Ling Zhizhi say that she hoped for the male guest to be Ke Mingyu, he felt a little troubled.

He had a good time working with Ning Xi before, so he made an early arrangement for her to appear in the next show.

Now that Ning Xi had become famous, he was worried that she might not come, but she had approved pretty quickly. What surprised him even more was that Chen Hanchen had agreed to come as the male guest as well. He was overjoyed that he got to invite the most-discussed on-screen couple in town.

But now Ning Xi wanted Ke Mingyu to be the male guest. Compared to Chen Hanchen, Ke Mingyu's popularity was much lower...

"Can I speak to Ms. Ning directly?" Wang Shaoyuan asked.

Ling Zhizhi passed the phone to Ning Xi.

Ning Xi took the phone. "Hello, Director Wang!"

"Hello, hello, Ms. Ning. I heard that you want the male guest to be Ke Mingyu?"

"Yes." Ning Xi nodded. "I remember you promised me that if I were to join your show the second time, I could pick the male guest."

Wang Shaoyuan felt a little awkward. "Well, I did promise you, but Ms. Ning, if the male guest this time is Chen Hanchen, it's a win-win situation for us. I'm sure that the show ratings would skyrocket! So, how about we don't change the guest? I put in quite a lot of effort to invite him. I'm afraid that it's difficult for me to tell him about changing guests now..."

So, what Wang Shaoyuan meant was that he was going to break his promise to her...

Ning Xi was always a straightforward person. If someone respected her, she would respect them back. Even though she had become very famous now, she still took his show as a priority, and now Wang Shaoyuan wanted to break his promise just to get his high ratings...

Damn it! She had been preparing that spot for the devil!

Ning Xi did not sound mad. Instead, she just said casually, "I see, then, please look for another person to be your female guest."

Wang Shaoyuan thought she would surely agree and did not expect her to act this way. “Ms. Ning! Wait! Wait! We can discuss this slowly. Please don’t be angry. It’s my fault, it’s all my fault. I shouldn’t make the decision alone! I just thought that you would be happy with the male guest I selected this time...”

If Ning Xi was not coming, there was no point having Chen Hanchen!

Although they were both main characters in the movie, Ning Xi’s popularity was much higher than Chen Hanchen’s.

It would be great if they could both come.

What a waste!

Wang Shaoyuan could not help it. To avoid any further mistakes, he said, “Please don’t be angry, Ms. Ning. I promise you, I’ll take whoever you want! I’ll do anything to fulfill your needs!”

Chapter 1242: Blessing From The Heaven

Wang Shaoyuan really did not understand why Ning Xi insisted on having Ke Mingyu on the show instead. Maybe they were trying to bring Ke Mingyu up. That was quite possible...

After Wang Shaoyuan promised her, Ning Xi did not press on the matter further. “Thank you, Director Wang. As for your viewers, you don’t have to worry. I’ll be on your show in a male outfit.”

Wang Shaoyuan was shocked by this sudden blessing from heaven. “You... What did you say? Ms. Ning, are you saying that you’re willing to attend our show in a male outfit?”

Wang Shaoyuan could not believe his ears. So many popular programs had invited Ning Xi to go on air in a male outfit, and she had rejected most of them, so he had not even dared to think about it because he thought it was impossible.

In the end, Ning Xi suggested it herself. He was elated! He would agree to whatever requirements she had now, not just the male guest!

“Ms. Ning, please rest assured. I’ll make sure the show will be great. If there’s anything else you need, please let me know! I’ll explain the situation to Chen Hanchen’s side and make sure that there are no issues for you!” Wang Shaoyuan then ended the phone call and told the good news to his crew.

Ling Zhizhi looked at Ning Xi. She actually did not have to say that she would attend the show in a male outfit, but she still did.

She really was doing a lot for Ke Mingyu...

It was normal for Ning Xi to fall for a man at her age. As long as it was within boundaries, there was nothing wrong with it, but Ling Zhizhi was just curious. Why Ke Mingyu?

...

Soon, Chen Hanchen’s manager, Cheng Yanan, received a call from “Beauty’s Specialties”.

After the call ended, Cheng Yanan went to the theatre room and looked for Chen Hanchen.

On the screen, "Dream Chaser" was playing. He had watched it several hundred times already and he still had not gotten bored of it...

Cheng Yanan shook his head. "Hanchen, "Beauty's Specialties" just gave me a call. Because of some miscommunication, the male guest will be changed."

"Change? Who to?" Chen Hanchen looked away from the screen when Ning Xi appeared on-screen in a female outfit. He looked at his manager curiously.

"Ke Mingyu," Cheng Yanan replied.

Chen Hanchen's expression changed. "What? Why the sudden change?"

"According to them, Ning Xi will only attend the show if the male guest is Ke Mingyu. Glory World probably wants to promote Ke Mingyu more," Cheng Yanan explained.

Chen Hanchen's expression darkened and he kicked the seat in front of him roughly. "So, you're just going to let someone else snatch the show away from me?"

Cheng Yanan felt a little odd at Chen Hanchen's anger. "It's just a cooking show. There're so many more shows that are better than this. There's no point making a fuss about this and it's also not necessary to have a bad relationship with Glory World. Ning Xi even promised that if Ke Mingyu could go, she would attend the show in a male outfit. They would surely agree to whatever conditions she has!"

Chen Hanchen seemed even more upset and Cheng Yanan looked at his own artiste with a confused expression.

...

Chapter 1243: Sweetheart?

After Ning Xi left the company, she went straight to Platinum Palace.

"Boss, the male guest for "Beauty's Specialties" has been confirmed, we can go sign the contract tomorrow!" Ning Xi said happily.

On the sofa, Lu Tingxiao put down his book and welcomed the excited Ning Xi with a warm hug. "Mmm, Cheng Feng told me just now."

Lu Tingxiao had assigned his character Ke Mingyu under a normal manager in Glory World Entertainment, but his actual matters for Ke Mingyu were all dealt by Cheng Feng.

"That director was really bad. He almost wanted to break his promise and invite Chen Hanchen instead, but I made sure he kept his promise!" Ning Xi felt proud of what she did. "Hehe, sweetheart, what would you like to eat? I'll make it for you on the show!"

Lu Tingxiao's emotions were obviously influenced by the girl's happy mood as he caressed the girl's hair gently. "Anything."

Ning Xi gave it some thought. "Then, I'll decide and you just have to eat it then..."

"Okay."

...

"Ohh!"

As Ning Xi was talking sweetly with Lu Tingxiao, a howling sound was heard and a person came thundering in through the door swiftly.

It was Lu Jingli. He was looking at something on his phone and mumbling angrily, "Bro! How can you do this?! This is too much! You stopped me from being the male guest the last time, and now you're becoming the guest yourself! How unfair!"

Apparently, Lu Jingli was talking about Lu Tingxiao becoming the male guest on "Beauty's Specialties".

For promotional purposes, the guests for the next show had been released. The viewers were really looking forward to it, but some of them felt a little sad that the male guest was not Chen Hanchen.

Of course, some people who liked Ke Mingyu were really excited. It was his first time on a variety show after the movie "Dream Chaser" was released.

The production team did not release any news about Ning Xi's outfit that day but the netizens were already discussing it in the comments section.

Ning Xi frowned at Lu Jingli. "Stop fussing about it. Your brother didn't do anything. He got it with his own abilities, alright!?"

Lu Jingli did not believe her. "Impossible! Stop lying. I know that the male guest was supposed to be Chen Hanchen, but now it's my brother. I'm pretty sure he did something!"

Ning Xi rolled her eyes at him. "Nonsense, it was I who told the production team that I wouldn't go if the male guest isn't your brother!"

Lu Jingli was speechless.

"You...you're heartless! Do you call this by his own abilities?"

Ning Xi replied as-a-matter-of-factly, "Of course, I'm your brother's woman. My ability is his ability as well. Am I right, sweetheart?"

Lu Tingxiao gazed at her in the eyes. "Mmm."

Lu Jingli felt hopeless. "I'm definitely not your biological brother, Tingxiao, or your brother-in-law, Xiao Xi..."

Chapter 1244: Be Gentler To My Girls

On the day of the show, a large crowd had gathered in front of the TV station building as they had gotten ahold of information that Ning Xi would be coming today.

A short while later, a black car stopped in front and Ning Xi walked out in a light grey trench coat.

The girls went crazy when they saw Ning Xi, some even passing out instantly...

“Ahh...Bro Xi! Bro Xi!”

“Bro Xi! Look here!”

“I love you! I want to make babies with you!”

...

Shi Xiao and Xiong Zhi were officially on the job now. They were dressed in black suits and dark sunglasses as they carefully guarded Ning Xi and opened up a path for her.

They were shuddering internally when they heard the girls screaming about wanting to make babies with their lady boss...

One of the girls was too excited and broke through the security line. Shi Xiao's expression darkened and blocked her with a solid arm.

The girl fell backward because of the inertia, so Ning Xi swiftly went up and held her shoulder firmly. She then looked at Shi Xiao unhappily, “Hey, be gentler to my girls!”

“Ahhhh!!!” A deafening scream from the crowd tore her attention away.

Facing the bunch of crazy fangirls, all the security guards including Shi Xiao and Xiong Zhi were crying deep inside. They just hoped that Ning Xi would stop adding on to their workload...

Shi Xiao and Xiong Zhi looked at each other, psyching themselves up.

They had actually looked down on celebrity's personal guards before as they felt it was too easy a job, but it seemed like they got the wrong impression...

They had to protect their lady boss and not hurt any fans most importantly. The reputation of their lady boss was terrifying. With all the fangirls screaming, it was crazy...

After some struggle, they finally reached the studio.

“Ah! Sis Xi is here!”

“Bro Xi looks so cool in a male outfit! Much more charming than in the movie! Gosh, I can't take it anymore! Too bad Bro Xi has already put on her makeup. I don't have the chance to do it!”

“The last time she came, she was still an exquisite beauty. It's amazing! I've always felt that Ning Xi would be popular one day. I just didn't expect it to be this soon!”

“She has both male and female fans on her side! We can really expect the TV ratings for this episode to soar!”

“Sadly, the male guest this time is Ke Mingyu... If it were Chen Hanchen, then it'd be perfect! I heard that Chen Hanchen would come today as well but for another programme...”

“Right, Ke Mingyu looks pretty charismatic in the movie, but in real life, he looks too normal. His existence is too weak!”

...

As she reached the studio, Director Wang Shaoyuan and a few others came over and greeted her. Ning Xi glanced around and saw that Lu Tingxiao had already arrived, so she went to the rest area to look for him after she had greeted everyone.

“Keke, you're here already!”

“Senior.” Lu Tingxiao greeted her. He was already in Ke Mingyu mode.

Ning Xi almost laughed when he called her “Senior”, but she still felt happy every time he addressed her that way.

Chapter 1245: Beloved One

Moments of preparation later, the show began rolling.

“Hello, fellow viewers before the screen. Everyone knows that ‘Beauty's Specialties’ always has someone beautiful as the female guest. This time is no exception, but the beauty we invited for today is slightly special. I'm sure many would already know her. She is Ning Xi!” The host, Zhu Shuan, announced excitedly as she invited Ning Xi up.

The moment she said that, the audience off-stage shrieked in excitement and held the lighted-up boards with Ning Xi's name.

“Hello, everyone, long time no see. I'm very happy to be here again today,” Ning Xi said as she took a bow like a gentleman in her light grey tuxedo.

The deafening screams were going shrilly non-stop...

Zhu Shuan's eyes lit up as she stared at Ning Xi, then she touched on her sleeve and said exaggeratedly, “My God, I can't believe my eyes. The last time you came, you were clearly a beautiful woman, but now you've turned into the nation's Prince Charming. All of the girl's dream lover, and of course, mine too...”

When they saw that the host was getting so close to Ning Xi and had touched her while flirting, all of the crowd screamed in a wave of excitement and envy again.

The host chatted with Ning Xi for a long time until the stage director had to remind her of the time, so she unwillingly said, “Now, we'll invite our male guest for the day, Ke Mingyu, who acted in ‘Dream Chaser’ as Ling Yu...”

The moment Ke Mingyu stepped on stage, the host set aside the small talk she prepared and turned the topic to Ning Xi again. “Bro Xi, I wonder what delicious food you’re going to be preparing for us today!”

Ning Xi looked at Ke Mingyu and said, “Today, I’m going to prepare a pretty common dish, omelet wrap, but it’s very suitable for everyone to make it for their beloved!”

Oh! Beloved!

The few fans who shipped Ji Feixue and Lingyu hugged each other emotionally.

Zhu Shuan was still a little unhappy that the male guest had been changed from Chen Hanchen to Ke Mingyu, so she intentionally neglected Ke Mingyu on stage and did not let him speak. At this moment, she just casually looped him in. “How exciting! Looks like our male guest is in for a treat today!”

“Well, then, can we begin?” Ning Xi asked.

“Of course!” The host smiled back and asked shyly, “Bro Xi, is there anything you need my help with? Shall I help you cut the vegetables?”

Not only did she neglect the male guest, she even stole his dialogue...

Ning Xi understood Zhu Shuan’s meaning immediately, so she smiled plainly and then said, “Girls’ hands should not be used to do these things. Just let the men do it!”

When she heard this, Zhu Shuan was still fascinated even though she was rejected. All of the viewers were entirely charmed too.

After successfully covering up, Ning Xi walked to the stove.

To give the viewers the best viewing pleasure, Ning Xi had worn an English suit, looking very dapper. However, it was just not convenient to cook in.

She had just walked over to the stove and there was no need for her to say anything before Ke Mingyu, whose existence had been quite neglected, walked to her and helped her roll up her sleeves meticulously.

“Thank you.” Ning Xi met with the man’s eyes and smiled.

Chapter 1246: Attacked By PDA

This was clearly a common scene, yet for some reason, when it was done by the two of them, it gave one a sweet and romantic feeling of being wrapped in pink bubbles.

The fangirls off-stage felt their cheeks blush and their hearts beat fast at this sight.

“Oh, my maiden heart! Why do I feel like I’ve been attacked with PDA [1]?”

“Ah, ah, ah...I’m going crazy! There’s so much love! I love Ling Yu and Ji Feixue the most! Never would I have thought the two of them were these fitting in real life too! My little heart can’t take it anymore!”

“Mmm, even though I’ve always stood on the male and female lead’s side, but when the two of them are together, they feel oddly harmonious...”

“Don’t you guys think that Ke Mingyu’s presence is super strong? There is an aristocratic air in his gesture! In fact, such an aura definitely can’t be put on...I always feel my heart palpitating every time I see this!”

...

Even Zhu Shuan, who had neglected Ke Mingyu, could not help but admit that he did have a unique attractiveness to him.

After Ning Xi thanked him, she lowered her head and whispered reminders to Ke Mingyu about the things she needed help with.

Ke Mingyu nodded slightly before he left to prepare the ingredients.

Every word and every little interaction between the two of them was full of chemistry. The audience reacted as if they were watching a romantic comedy. Once in a while, they would burst out in excited shrieks.

The director, Wang Shaoyuan, did not think that having the two of them on his show would create such a great effect. At this moment, he was smiling from ear to ear. Initially, he was prepared to have Zhu Shuan create some jokes and fireworks between the two, yet he was surprised to find that their natural and harmonious romantic interactions created a better atmosphere, so he let them improvise freely...

The audience all indicated that they were satisfied.

“Oh...I feel like I’m not here to watch a cooking show, but “Dream Chaser”’s side story instead!”

“Exactly! Ji Feixue and Ling Yu’s intimate life post-marriage... It’s just too lovely!”

...

With the help of Ke Mingyu, Ning Xi’s omelet-wrapped rice was soon ready.

After she wrapped the rice with the egg, Ning Xi picked up the ketchup sauce on the side and contemplated before writing on the dish: ‘I (heart shape) U’.

When they saw Ning Xi’s love message on the dish, the shrieks almost blew through the roof as all of them screamed Ning Xi and Ke Mingyu’s names.

The director quickly reminded the cameraman to do a close-up shot on Ning Xi as he looked delighted with this progress.

This time, the episode could be promoted as a teasing joke about being “Dream Chaser”‘s side story to attract viewers!

He had turned a cooking show into an idol drama. What a genius! This episode was definitely going to go even more viral than he had imagined. Now, he was incredibly grateful that he had agreed to let Ning Xi bring Ke Mingyu along.

At this moment, everyone’s gaze fell onto Ning Xi and Ke Mingyu on-stage. No one noticed that in a corner of the backstage, Chen Hanchen’s cool figure had appeared after he just finished another show’s shoot. It was not sure how long he had stood there for...

Chen Yanan looked at his artiste with confusion. Before this, he might not have been sure, but now with Chen Hanchen’s repeatedly odd reactions, one conclusion was clear. She was afraid, yet was sure that Chen Hanchen had fallen for Ning Xi...

Chapter 1247: How Does It Feel To Live Off A Woman?

After the show finished recording, Ning Xi had especially cooked a few dishes for the audience and her fans present as an Easter gift. This made all of the girls extremely excited and they offered themselves for marriage. At last, even a few shy boys had walked up to confess their love for her.

In the empty resting room backstage, the moment the door closed, Ning Xi was engulfed by a kiss...

When he saw the “I love you” on the dish, he had already wanted to do this...

“Mmm, angry?” Ning Xi thought Lu Tingxiao was jealous of the fans’ reactions.

“I’m not,” Lu Tingxiao replied.

Ning Xi raised her brows. “You sure?”

A sigh followed by a passionate kiss fell on her lips again. “Only I can do this to you.”

She was speechless. Okay, she could not argue with that...

...

In front of the TV station, it was not convenient for Ning Xi to leave with Ke Mingyu, so the two of them went home separately.

“Keke, I’m leaving now!”

“Mmm, stay safe.” Ke Mingyu watched the girl leave in her car.

After Ning Xi left, Ke Mingyu was about to leave too when suddenly someone walked over to him.

Chen Hanchen had stopped beside him as he lit up a cigarette, then smiled indistinctly at him with an insulting tone, “Ke Mingyu, how does it feel to live off a woman?”

Ke Mingyu looked at Chen Hanchen and was not as angry and annoyed as he expected. Instead, he replied expressionlessly, "Not bad."

After he said the two words, the man left in his car.

Chen Hanchen stood in his original spot and only returned to his senses moments later. Then, he threw the cigarette butt in his hand away and looked so furious that his handsome face was distorted.

To a man, being accused of living off a woman was definitely the worst insult, hence he had intentionally said this to embarrass him. Who would have thought that he would react like that instead?

After he got into his car, Chen Hanchen remained on the verge of exploding with fury.

Cheng Yanan quickly tried to console him, "Hanchen, why are you being petty with such people? He's already alright with living off a woman. Could he have any more shame?"

Chen Hanchen was young and fiery after all, so he immediately roared, "Which part of me is lesser than Ke Mingyu? Why would she be willing to spend the effort to help that weakling instead of giving me a second look?"

Cheng Yanan cleared her throat. could not be just explained in a few sentences. Besides, who asked him to keep going against her when the two of them were shooting the movie? He had just let someone else get the advantage over him...

However, she obviously would not just say that to provoke this prince's anger, so she soothed him instead, "Hanchen, I think you might be overthinking. Ke Mingyu is now signed with Glory World, so Ning Xi just wanted to help him. The last time, you asked me to get Ning Xi over to Fashion, didn't you? It's actually not possible..."

"What do you mean?" Chen Hanchen immediately asked.

Cheng Yanan continued, "Actually, I already heard that...Su Yimo will do something to go against Ning Xi soon. She probably won't stay at Glory World for long..."

"Ning Xi is so popular now. There's no way Glory World won't want to profit. Is Su Yimo really all that powerful to make Glory World give up on a popular A-lister?" Chen Hanchen asked uncertainly.

Cheng Yanan shook her head. "You don't know... Forget about a popular A-lister, even if it's a really experienced A-lister, if Su Yimo wanted you out, you're out..."

"What do you mean?"

"Do you know whose woman Su Yimo is?" Chen Yanan said with a sly expression.

"Who?"

Cheng Yanan showed one finger and pointed upwards. "Lu Corporation..."

Chen Hanchen frowned. "Lu Jingli?"

Cheng Yanan shook her head, then she continued with a tone that seemed to be terrified every time she mentioned his name, “Not Lu Jingli, it’s...Lu Tingxiao!”

“What?!” Now, even Chen Hanchen’s expression changed.

Chapter 1248: He Can’t Kiss...

Ning Xi and Lu Tingxiao went back to Platinum Palace separately.

Because Lu Tingxiao was going out of the country the next day and they might not meet for a long time, Ning Xi stayed over for the night.

After the little bun went to sleep, Ning Xi closed the door quietly and crept to Lu Tingxiao’s bedroom. When she saw that he was not there, she found him in the study room.

The man was still working at his desk.

“Why aren’t you asleep yet? Rest earlier! You have a flight to catch tomorrow!” Ning Xi exclaimed unhappily when she saw Lu Tingxiao was still working.

“Mmm, just a little more,” Lu Tingxiao replied without looking at her. He was reading through a contract, then he naturally extended his arms and pulled the girl to sit on his thigh.

Ning Xi touched Lu Tingxiao’s face gently. “I shouldn’t have made you go on the show with me. You’re already so busy...”

Lu Tingxiao then held the girl’s hand and kissed it. He looked at her. “Nothing is more important than you are. Are you trying to take away the only fun part of my life?”

Ning Xi blushed. The moment she heard the exact same words she had once said coming out of the devil’s mouth, it was way too much for her to handle.

The devil was too good at applying things he had just learned!

“So, where are you going this time?” Ning Xi asked.

“Russia, Moscow.”

“When will you be back?”

“I’m not sure yet. I’ll be back when things are settled,” Lu Tingxiao replied.

Ning Xi frowned a little. She remembered some recent news mentioning that the Lu Corporation assets had been encountering continuous accidents abroad. Furthermore, recently, a wealthy investment company had taking over Lu Corporation’s market share in China.

It seemed like pretty normal news, but it was too much to be a coincidence, so Ning Xi felt uneasy.

Lu Tingxiao saw through the girl’s concerned face, and he murmured into her ear, “Are you missing me already?”

Ning Xi laughed, “Right, there are a lot of beautiful girls in Russia with big, blue eyes and blonde hair. What if you’re snatched away by them?”

“Other women are no different from dust to me,” Lu Tingxiao said with a serious expression, really feeling that way.

Ning Xi kissed him. “Me too!”

...

The next morning, Ning Xi sent Lu Tingxiao to the airport.

Although everyone could recognize Ning Xi now, her disguise skills were amazing. If she needed to go out for private matters, she just had to spend some time on more delicate makeup.

Today, Ning Xi had actually disguised herself as a high school girl, even wearing a school uniform. No matter how sharp the eyes of her fans were, they could never recognize that this high school girl was actually their idol.

Lu Jingli’s mouth twitched as he looked at his underaged sister-in-law. “Xiao Xi Xi, this is really superb. I’m impressed!”

He thought Xiao Xi Xi could never go too wild now that her fans were everywhere, but clearly, he was too naive to believe so.

“I’ll be going now.” Lu Tingxiao patted the girl’s head and leaned over to kiss her, but her outfit today made it difficult to do so...

Chapter 1249: It’s Not Over Yet

Ning Xi was waiting for her goodbye kiss, so she looked miserable. “My kiss!”

Lu Tingxiao pinched between his eyebrows and looked helpless.

Lu Jingli felt awkward. “Xiao Xi Xi, aren’t you afraid that my brother will be locked up after he kisses you?”

As Lu Jingli was silently thanking the heavens that he did not need to see them display their affection for each other again, Ning Xi shrugged off her school jacket and kissed the man’s lips intensely.

Lu Jingli stayed silent.

What a bold move!

It was not over yet.

After they were done, Lu Tingxiao turned over to him sternly. “Look after Ning Xi and the company.”

Ning Xi and the company... Of course, he would prioritize his wife first!

As for him...haha...

After he sent Xiao Xi Xi back, he went straight to the office to take care of business.

Glory World Entertainment was meant to be a training ground for Lu Jingli, and now that it had become more and more successful, most of the matters were handled by the Vice President, Yi Xudong. Nevertheless, Lu Jingli was now shifting his focus back to the main office.

...

At a ribbon-cutting ceremony of a high-end brand, Zhao Meixin had just ended a call. She walked in jauntily. “Yimo, Director Ye from the Lu Corporation’s Adverts Department just called me. He said there’s no issue at all, so we can go and sign the contract in a few days!”

Su Yimo’s contract with Lu Corporation had expired recently, and they were discussing the renewal of the contract.

Seeing how Ning Xi was so popular currently, Zhao Meixin could not just let Ling Zhizhi stay on top of her, so she had doubled the price for Su Yimo’s contract fees.

Su Yimo actually smiled genuinely for once. “What did they say specifically? They really have no issues with you doubling the price?”

Zhao Meixin looked cheekily at her. “What are you saying, Yimo? How dare they say anything about it!? If I gave them any lower, it would be destroying your reputation! CEO Lu would never turn down your request!”

Liang Biqing said in excitement, “Cousin, CEO Lu really pampers you!”

Su Yimo blushed, but soon she looked bothered. “But it’s been so long...and we’ve...never actually met each other alone...”

At first, she thought that Lu Tingxiao was being low-profile and as a way to protect her, she thought that this might be how he was conveying his feelings.

However, as a year passed, Lu Tingxiao had never requested to meet her, so she felt a little disappointed and insecure.

Liang Biqin comforted her, “Cousin, that’s Lu Tingxiao. Of course, he’d be different than other men. I believe he has his own concerns and is trying to find the best time to publicize the relationship between you two!”

Zhao Meixin was worried that it might be a misunderstanding.

Still, it was true that the Lu Corporation was treating her exceptionally well. Su Yimo came from a normal family, hence it was impossible for her to be related to anyone from the Lu family. The only explanation was that Lu Tingxiao was into her...

Zhao Meixin spoke up, “Biqin’s right! I heard the elders in the Lu family don’t really like people in the entertainment industry, but CEO Lu is probably trying to convince them.

Chapter 1250: Gathering The Seven Male Idols

Su Yimo felt better after listening to the both of them.

Liang Biqin massaged Su Yimo's shoulders. "Cousin, speaking of Lu Corporation, I heard some news about them preparing to invest a large amount of money and invite seven extremely popular male idols in the industry, including Jiang Muye, to make an epic ad. This ad will be used to promote all the products from the Lu Corporation."

Su Yimo replied, "I heard bits and pieces of this. What about it?"

Superstars like Jiang Muye would cost loads to hire, and Lu Corporation was going to hire seven of them!

The netizens went crazy when the news was released. They had already confirmed six of them and the last slot was still a mystery.

However, because they were all male stars, she was unrelated to it. Therefore, Su Yimo did not understand why Liang Biqin was mentioning this.

Liang Biqin sounded annoyed. "Hasn't Ning Xi's weird male alter ego become pretty popular lately? I heard some sources saying that they are trying to get Ning Xi into this ad!"

Su Yimo's expression changed instantly. "What?!"

She was trying to be considerate to Ning Xi, but now she was stepping into her territory...

Liang Biqin instantly knew Su Yimo understood what she was trying to imply, so she followed up, "Cousin, Ning Xi is really too much! Not only did she take away what was supposed to be mine, now she's overstepping her boundaries! How arrogant of her!"

If it had not been for Ning Xi, the overwhelming popularity and this epic ad from the Lu Corporation should have all been hers. Liang Biqin was practically boiling from anger!

Su Yimo sneered coldly as she flashed a look at Zhao Meixin, "Sis Xin, call Director Ye this moment and ask her if they are really hiring Ning Xi. You know what to do."

Su Yimo then went for the ribbon-cutting ceremony with Liang Biqin.

Of course, Zhao Meixin understood what Su Yimo meant, and she quickly called Director Ye of the Lu Corporation.

"Hi, Ms. Zhao, is there anything wrong with Yimo's contract?" Ye Ying asked helpfully.

Zhao Meixin replied, "Sorry to bother you again, Director Ye, but it's not about Yimo this time. I just want to know something..."

"Oh? What is it? Please tell me."

"I heard the Lu Corporation is going to make a big ad inviting seven male celebrities, and one of them...is Ning Xi?" Zhao Meixin asked.

Ye Ying turned pale after she heard Zhao Meixin's inquiry. She had decided on Ning Xi and this idea was supported by their whole department.

But her worst worry still surfaced...

In Glory World Entertainment, their rumored lady boss, Su Yimo, seemed to be on bad terms with Ning Xi. Now that Su Yimo knew about it, it might be impossible to hire Ning Xi for this project!
