Chapter 1271: Who Else Are You Remaining Your Chastity For?

Who would have thought that before Zhao Meixin could finish, Su Yimo flew into a terrible rage?

“Zhao Meixin! What do you mean?! Are you treating me like those women who sell themselves in the entertainment industry?!”

As soon as Su Yimo finished, Liang Biqin instantly looked upset.

What did she mean by “women who sell themselves”? Before this, she had slept with the director and investors many times to maintain her relationship with them. Was she just a woman who sold herself in her eyes while Su Yimo remained pure herself?

Zhao Meixin was upset but she suppressed her emotions and continued, “Yimo, look at you. Hasn’t the entertainment industry always been like this? You’ve been in it for so long. Don’t you understand? I’ve just gotten news that the commercial has gone to Ning Xi. Even the endorsement might be taken away by her. Guo Qisheng’s latest production has also booked her to be the female lead. If you still don’t open up, you’ll soon be stepped on by her, then you’d really be done for!”

Su Yimo bit her lip as her expression darkened. “No, I will not entertain that disgusting old man!”

From Lu Tingxiao to Sun Zhanpeng, that 50-odd-year-old man with a huge belly and perverted appetite...she could not take it!

Liang Biqin could not help but mutter, “Cousin, Lu Tingxiao’s already dissociated himself from you publicly. Who else are you remaining your chastity for?”

“You! How dare you!?” Su Yimo slapped her.

Now, even Liang Biqin dared to speak to her like that.

Liang Biqin looked miserable as she held her face in shame. She roared back, “Am I wrong? That’s what happened! Why can I do it but you can’t!? Do you think you’re still that high-up lady boss of the Lu Corporation!? Lu Tingxiao doesn’t even fancy you, yet you still pretend to be all virtuous. Do you expect all of us to die with you?”

She had previously been treating her cousin like the queen, being her little minion, but now she did not even dare to leave her house. All of the fantasized glory and wealth were all gone!

“Stop fighting!” Zhao Meixin frowned. “Yimo, Biqin’s words don’t sound pleasant, but she’s just telling the truth. CEO Sun obviously can’t compare to Lu Tingxiao, but how many in the circle can get to such a high position at a young age like Lu Tingxiao did?”

Su Yimo felt her body tremble as her eyes were bloodshot. She said coldly, “Who said that I must personally sleep with him to get on Sun Zhanpeng’s good side?”

“You’re saying...” Zhao Meixin was muttering to herself.

“Didn’t we hear that Sun Zhanpeng was interested in Ning Xi too?” Su Yimo said with a sinister tone.

“I heard about that too. At a charity banquet, Sun Zhanpeng had gone up against another tycoon for Ning Xi!” When she said this, she thought about the rich fan that had spent \$ 100 million to curry her favor and Zhao Meixin was a little envious.

If Su Yimo had Ning Xi’s looks, it was possible to get close to any bigwigs! Even seducing Lu Tingxiao would be very likely.

Unfortunately...

Liang Biqin was attracted by this idea as well. “Cousin, you’re saying...send Ning Xi to Sun Zhanpeng? But Ning Xi is very cunning. I’ve never heard her have any relationships with any tycoons despite being in the industry for a while now. She’s probably waiting on a good offer for solid support. It’s not that easy...”

Zhao Meixin shook her head while something flashed in her eyes. “Not necessarily!”

Now that Su Yimo’s popularity had hit rock bottom, even if they looked for Sun Zhanpeng now, he might not buy the deal, and might even take them lightly. If they could figure a way to help Sun Zhanpeng get Ning Xi, it would double the effect...

Zhao Meixin’s head started to be full of ideas. Coincidentally, there was a great opportunity happening soon! This would determine whether they could make a comeback or not!

In Su Yimo’s current situation, she needed to get stable backup as soon as possible.

Chapter 1272: I’ll Go And Get You

A few days later, at a holiday resort in Imperial, the Vice President of Glory World Entertainment had organized a dinner. He invited numerous investors and partners to attend the function.

Of course, there were several famous artistes there, and Ning Xi was one of them.

Usually, important dinners like this would be a competition among the top artistes. Ning Xi would surely not be able to have this chance, but Xu Yidong had invited her specifically. Apparently, he wanted her to be more prominent now.

As for Su Yimo, the incident from the anniversary night had died down a little, so after some thought, Yi Xudong still invited her in the end. They had invested too many resources on her and could not just let it go to waste.

Throughout the night, the investors, who were usually focused on Su Yimo, had been putting their attention on the rising star, Ning Xi.

“I didn’t expect that Ms. Ning would look even more beautiful than she does in the movies!”

“I was wondering which artiste was so amazing to turn a few million dollar project into \$ 3 billion revenue! It's your artiste after all, Mr. Yi!”

“Hahaha...no wonder CEO Sun couldn't forget about her!”

...

“Haha, it's normal for a gentleman to like beautiful ladies!” Sun Zhanpeng touched his chin and looked at Ning Xi with a wicked gaze.

Usually, he would have laid his hands on his victim already, but he was oddly civil tonight although he could not hide the wild intentions in his eyes.

He had been hinting to Su Yimo that he wanted to have a taste of what Lu Tingxiao's woman felt like, but she had rejected him. Now that everyone realized she was totally unrelated to Lu Tingxiao, he had wasted all his resources spent on her earlier.

Oh, well, that woman promised him a big “gift” tonight!

Recently, Yi Xudong had been facing immense humiliation because of Su Yimo, but now that he saw that Ning Xi was being highly praised by his partners, he felt pleased. “Ning Xi sure has potential, but of course, it was all thanks to everyone's support! I hope that our relationship can still continue!”

When Ning Xi first returned, she was not really used to events like these, but now she was able to handle it perfectly. She shared a toast with Yi Xudong. The way she carried herself was great as well, so Yi Xudong was very contented.

Liang Biqin stared at Ning Xi while stabbing the piece of beef on the plate with her fork. Su Yimo remained silent with hatred in her eyes.

Wait until the whole world sees your nude pictures with that disgusting old man Sun Zhanpeng! I'll see what you will do then!

If this big news blew up, her embarrassing incident at the anniversary would soon be forgotten...

“I'll go to the washroom!” Ning Xi left her seat politely.

Liang Biqin then hinted to the waiter near her. The waiter nodded and he refilled the drinks in Ning Xi's glass. At the same time, he mixed in some powder from his palm without anyone noticing...

In the washroom, Ning Xi's phone rang. It was Lu Tingxiao.

Ning Xi's mask was removed instantly. “Hello...”

“Is it over?” The man asked.

“Nope, but it should be soon!”

“At Dragon Leap Club?”

“Yeap!”

“Let me know when you’re done. I’ll go and get you.”

“Okay!”

Chapter 1273: You Won’t Die If You Don’t Ask For It

Ning Xi returned to her seat pretty quickly.

As she sat down, Liang Biqin straightened her back and Su Yimo tensed up as well. They were secretly looking over at Ning Xi’s direction.

Ning Xi glanced at the filled up glass in front of her, then she held it up slowly and placed it on her palm.

But after some time, Ning Xi did not drink it. Liang Biqin and Su Yimo were starting to get impatient.

When Ning Xi was out of the country, she had been imitating how First Senior Brother did it. They just drank it all in one shot. When she came back, she could not really adapt to the culture in the entertainment industry and was drugged several times. She would never make that kind of mistake again...

It was an unspoken rule that one should never drink any alcoholic drink after you leave your seat unattended, especially in a club or a dinner like this as you would never know if it had been drugged.

Moreover, both Liang Biqin and Su Yimo were here...

She would be an idiot if she drank it!

Su Yimo could not wait any longer, so she stood up and made a toast. “I’m very thankful for everyone’s support towards Glory World and I. Here’s one for everybody!”

“Me too!” Liang Biqin stood up as well.

Several other artistes followed their example, including Ning Xi.

Yi Xudong felt relieved when he saw Su Yimo’s considerate behavior. Su Yimo finished her drink, then glanced at Ning Xi.

Finally, Ning Xi held up her glass and finished her drink as well. She then courteously used a white towel to wipe her mouth.

Su Yimo and Liang Biqin looked at each other in relief.

Actually, Ning Xi had not drunk the alcohol at all. She had spat it out into the white towel.

“I’m sorry, everyone. I think I’m a little drunk now. I’ll go back to my room first!” Sun Zhanpeng could not wait anymore, so he could not focus during the dinner. Instead, he went back to his room before 11 p.m.

After Sun Zhanpeng left, most people did not drink much and left soon after.

Dragon Leap was one of the top clubs in town and the location was very quiet, so Yi Xudong had booked rooms for everyone to stay there for the night.

After the dinner ended, Ning Xi sent Lu Tingxiao a message and she went back to her room.

In the dark, Ning Xi did not change her clothes. She lay down on her bed without any intentions to sleep, feeling a little excited.

Within a minute, she heard some sounds outside her door.

That was pretty quick.

The door was opened from outside, and a person came in with a very strong smell of alcohol.

“My beauty, you must’ve waited for a long time! Don’t be impatient, I’ll show you some love right now...” Sun Zhanpeng was giggling like a pervert as he leaped onto the bed towards the dark figure.

The next moment, he felt a sharp pain in his elbow.

“Ah!” Sun Zhanpeng screamed, but Ning Xi used a pillow to muffle his voice. The voice he made became more suggestive and ambiguous.

Outside the door, Liang Biqin heard the man’s panting voice and was really excited!

Ning Xi was done for!

Liang Biqin called Su Yimo, “Cousin, it’s done, we can call the media now!”

Chapter 1274: Karma

After she finished the call, Liang Biqin was really glad. She felt excited when she imagined Ning Xi on the bed with the disgusting Sun Zhanpeng, and as she thought about the pictures of her on the bed appearing on the headlines the next day, she felt extremely relieved!

Because of this witch, she had been criticized harshly. Even her ad was being snatched away!

Liang Biqin put her phone away. As she was about to leave, she heard the door behind her open. Someone was pulling on her arm, and before she realized what was happening, she was already inside the room...

Bang! The door closed.

Liang Biqin was confused. When she realized what was happening, it was already too late. A thick arm tossed her onto the bed roughly. There was the sound of garments ripping and she felt pain in her lower region...

Aside from Ning Xi’s drink, they had actually drugged Sun Zhanpeng’s drink as well. It was several doses stronger than usual. At this moment, Sun Zhanpeng had lost his mind and was crazily expending his energy on Liang Biqin.

What had gone wrong?

Liang Biqin could not even scream. As she was struggling, a slap rendered her unconscious...

Outside the door, Ning Xi heard the man howl with a satisfied grin.

Checking up on your bad deed? Time for your karma!

Ning Xi went to the reception and got herself a new room, then she sent the new room number to Lu Tingxiao.

At the lobby, the waiter who drugged Ning Xi drink saw her, his face full of shock.

Was that not...Ning Xi? She was supposed to be in the room with Sun Zhanpeng... Why was she here?

Su Yimo walked around her room with delight after she heard Liang Biqin's call. Finally! Finally, she could take her revenge!

"Have you called the media? Have them come tomorrow... No! No! Have them come now! I heard from Biqin that they're already doing it! Let the Vice President and the other partners see how promiscuous this woman is!" Su Yimo said.

Zhao Meixin was relieved and she smiled. "Rest assured, I've made arrangements. The media will be here in half an hour!"

Only Ning Xi would receive the backlash in this matter. It would not affect Sun Zhanpeng at all. In fact, it would just be another notch on the bedpost for him.

Tonight, she not only done Sun Zhanpeng a favor, she had also destroyed Ning Xi and could make people forget about what had happened before. Killing three birds with one stone!

Zhao Meixin was really thrilled. She told Su Yimo, "Yimo, you're such a genius for thinking of this brilliant idea. Do you want to go and have a look later?"

Su Yimo sipped some red wine. "Sure, of course, we have to be there!"

...

At the same time, Ning Xi was already in another room. Lu Tingxiao would only arrive sometime later, so she took a shower first.

When she was done showering, the doorbell rang. Ning Xi put on her bathrobe, then she opened the door while drying her hair.

At the door, Lu Tingxiao felt a little nervous when he received Ning Xi's message about changing rooms. He straightened up when he saw Ning Xi in her bathrobe...

Chapter 1275: Utterly Shocked

When she saw Lu Tingxiao standing at the door in a daze, Ning Xi pulled him in.

"Did you have something to do nearby tonight?" Ning Xi asked.

“Mmm, I had a dinner.” The fresh fragrance of the girl’s post-shower aroma lingered in his nostrils. Lu Tingxiao had a straight expression that said, “It was for work and not for my wife that I had specially gone for the dinner”.

As Lu Tingxiao spoke, he took the towel from Ning Xi’s hands and started to help her dry her damp hair.

Ning Xi enjoyed the devil’s service like a little kitten.

“Why did you change your room number?”

Above her head, Lu Tingxiao’s question came.

Ning Xi smiled coldly. “Because it was too dirty!”

Then, Ning Xi explained succinctly the events of the night to Lu Tingxiao.

Lu Tingxiao’s face was as cold as the northern wind. Initially, he was ready to end the issue because that woman had saved Little Treasure once, but now, even if he had promised Ning Xi not to intervene in her problems, there was no way he could not do anything about this!

“Don’t be angry! When I left, Liang Biqin was coincidentally on the phone outside the door, so I just pushed her in!” Ning Xi had a cunning expression on her face.

“Sorry, I’m still angry,” Lu Tingxiao said with a stiff face, already deciding to do something about this.

At the same time, at the entrance of 801 Presidential Suite, when the reporters heard the news, all of them rushed over. More and more people were surrounding the door with excited expressions.

“Is it really Ning Xi inside?”

“Definitely! The person who leaked the info is someone on the inside!”

“Whoa! This is disillusioning! Bro Xi is my Prince Charming! I can’t believe she’d get together with that perverted Sun Zhanpeng!”

“That’s why they say we may know someone’s exterior but not their true nature! It’s best if you don’t believe the tricks of actors! Just look at Su Yimo!”

...

In the corner, when Su Yimo and Zhao Meixin saw that almost all the reporters had arrived, they exchanged a look before making a call to let the waiter open the door for the reporters.

“Where’s Biqin gone to?” Su Yimo had been so immersed in her excitement of Ning Xi’s misfortune that she just realized that Liang Biqin had disappeared after her first call and had not returned to the room to look for them either.

“Forget about her. She’s probably rolled into some investor’s room!” Zhao Meixin said nonchalantly, guessing that Liang Biqin had gone to look for her own patron tonight as well.

The waiter had rushed over after receiving the call. Because she had seen Ning Xi in the hall earlier, she kept thinking that something was odd, but she did not care. As long as she followed orders, she would do whatever the ones paying her told her to!

Thus, the waiter pretended to shoo the reporters, but she intentionally opened up the door amidst the chaos.

The instant the door opened, all of the media swarmed in and crazily squashed into the room...

The scene in the room did not disappoint them at all!

The room was filled with a sweet and unctuous scent mixed with a nauseating alcohol stench. There was even the metallic whiff of blood in the air...

When he saw the reporters rush in, Sun Zhanpeng still went crazy on the woman and his face was filled with lust. The woman’s face was buried in the blankets and her body had been bitten bloody with signs of bruises. It was a ghastly sight.

All of the reporters’ eyes flew wide at this shocking sight, but soon they returned to their senses and then came the flashes and clicking of cameras.

“Save...save me...cousin, save me! Sis Xin, save me...help...” Liang Biqin had regained consciousness now, and she started to call out for help.

At this moment, one reporter started to realize, “This...this doesn’t seem like Ning Xi!”

“Huh? Not Ning Xi? Then, who is it?”

...

Right then, Sun Zhanpeng violently clutched Liang Biqin in a different position, instantly revealing her face before all the media...

All the media were utterly shocked.

“Liang...Liang Biqin! It’s not Ning Xi! It’s Liang Biqin!”

Chapter 1276: That Man In Ning Xi’s Room

When they noticed the situation in the room become increasingly odd and even heard some people indistinctly mention “Liang Biqin”, Su Yimo and Zhao Meixin suddenly had a bad feeling in the pits of their stomachs.

What happened? Why did they hear someone say that the person in the room was Liang Biqin?

While the media's attention was focused on what was going in the room, the two quickly closed in to check what had happened. At last, when they were clear about the situation inside, they were frozen with shock!

Why was the person inside not Ning Xi, but Liang Biqin!?

"How could it...how could it be Biqin?!" Su Yimo could not believe her eyes.

Zhao Meixin was going crazy too. "Where's Ning Xi?! Ning Xi, that witch!"

It did not matter how all of this happened but they were done for. This time, they were really done for!

The two could not understand how it could have turned out like this.

When they saw the waiter look around near the end of the corridor, Zhao Meixin immediately rushed angrily towards her and said through gritted teeth, "What happened!? Didn't I ask you to drug Ning Xi!?"

When she saw Zhao Meixin and Su Yimo's mean glare, the waiter said innocently, "I don't know either! I really did! You saw for yourself when I put the drugs in!"

"How did the person in there become Biqin?"

The waiter could only quickly blurt out how she had seen Ning Xi earlier. "I saw Ning Xi and CEO Sun enter the room before leaving but...later when I was in the hall, I think I saw Ning Xi! She stayed at the reception for a while. I didn't know what she was doing either!"

"Why didn't you tell us earlier!?" Zhao Meixin was exasperated. "Quickly find out what Ning Xi was doing there earlier!"

Zhao Meixin felt like this was the key to their problem.

The waiter quickly made a call to the reception, then her expression changed. She nervously replied the both of them, "Ning...Ning Xi didn't stay in the room she booked previously. We don't know why either. She booked another room for herself later on!"

Now, Su Yimo and Zhao Meixin were utterly dumbfounded!

No doubt Ning Xi had seen through their trick although they were not sure how...

When the waiter saw that they looked increasingly upset, she added, "But the reception just told me that after Ning Xi got into her room, a man entered not too long after!"

"What? Are you telling the truth?" Zhao Meixin's eyes lit up again while Su Yimo looked over anxiously.

"Shouldn't be wrong..." The waiter dared not guarantee either.

Zhao Meixin and Su Yimo exchanged a glance. At last, Zhao Meixin said, "No matter what, let's go check out the situation first! This time we'll go over ourselves!"

Su Yimo nodded, then asked, "Where's Ning Xi's room?"

“Right upstairs! Room 906!” The waiter answered.

The two had no time to think. They could not even care about Liang Biqin who had been crying for help as they rushed upstairs...

As they stood before Room 906, Zhao Meixin and Su Yimo took a deep breath.

If there really was a man in Ning Xi’s room, there would not be too huge of a loss tonight. The reporters were just downstairs anyway, so getting them upstairs would require one call. Even if that man ran, he would not make it...

Chapter 1277: Chance Encounter With Lu Tingxiao?

“You’re sure the person inside is Ning Xi?” This time, Zhao Meixin asked carefully.

The waiter was quite certain. “I’m sure! You need to register for room reservations. It’s definitely Ning Xi! In fact, I also saw her walk to the reception myself. I can’t be wrong...”

Outside the door, Su Yimo took a deep breath, then she shot her a look. “Open up.”

“Lightly, don’t surprise the people inside!” Zhao Meixin reminded. In fact, she had strategically turned on her camera on her phone to record just in case anything happened. It was best to have first-hand evidence.

The waiter found it difficult to reply. “Our room cards are only limited to rooms on the eighth floor and below. We can’t open this one!”

Zhao Meixin pinched her temples unhappily, then she said, “Ring the doorbell and say you’re room service!”

The waiter nodded, then rang the doorbell under the guise of being room service.

They waited for a while, then the door opened from the inside.

However, in the next second when they saw who it was at the door, Su Yimo and Zhao Meixin, who had been holding their breaths, were instantly aghast.

Zhao Meixin’s eyes widened and her expression became distorted. She looked quite ridiculous as she almost bit her tongue to say, “Lu...CEO Lu?!”

There was indeed a man in this room!

But the one opening this door was Lu Tingxiao!

He seemed to have just showered. With the white robe on and his slightly damp hair, the water droplets rolled down from his neck. The entire scene made one pretty thirsty.

In the midst of Su Yimo’s shock, infatuation set in. After she reacted to this scene, even her tone turned gentle, “Ting...Lu...Mr. Lu...”

Zhao Meixin shot a mean look at the waiter beside her. This incompetent bugger got it wrong again!

The one staying in this room was not even Ning Xi. It was Lu Tingxiao!

Still, this was considered an unexpected bonus.

For the past few days, she had been trying to get a chance for Su Yimo to apologize properly to Lu Tingxiao in order to salvage the situation, but for people like them to meet Lu Tingxiao was an impossible feat. However, who would have thought that they would have a chance encounter him in such a situation?

Zhao Meixin was quick-witted. She humbly said in a hasty manner, “CEO Lu, we’re really sorry to disturb your rest this late at night. We heard that you’d be staying here tonight and had come presumptuously. We hope to apologize for the complications from the issue before! Our Yimo really didn’t know about those rumors and we weren’t sure how it could have been misunderstood like that! Of course, we’re really very sorry to have not noticed it earlier and clarified it, bringing trouble to you and your girlfriend!”

These words rolled out uninterruptedly like a template, and Su Yimo, who had been rendered speechless by Lu Tingxiao’s presence, was satisfied with it.

This manager of hers was quite useful in times of need...

At this moment, when the waiter heard that this person was actually the CEO of the Lu Corporation, she froze. Oh...oh my God! She actually met that legendary figure in this lifetime! Indeed...he is so handsome, aaahh!

But how could the reception make such a mistake? Could she have remembered the room number wrongly earlier?

After Zhao Meixin finished, Su Yimo’s eyes immediately reddened. With tears welling up in her eyes, she bowed humbly to Lu Tingxiao and choked as she said, “CEO Lu, I would like to apologize to you and your girlfriend about the matter from before! If...if she still can’t accept it, I’m willing to explain and apologize to her personally!”

Chapter 1278: Aren’t You Going To Apologize To My Girlfriend?

Su Yimo’s shoulder was trembling and even the waitress beside her felt pained to see her like this.

Zhao Meixin nodded to herself. Yimo’s acting tonight was in top-notch!

Zhao Meixin and Su Yimo were not expecting Lu Tingxiao to listen to them, but he actually stood there patiently and listened to everything they had to say.

The man then looked at Su Yimo coldly. “So, you want to apologize to my girlfriend?”

Su Yimo raised her face hopefully. “Yes, as long as you can forgive me, I’ll do anything!”

Seeing what was unfolding, Zhao Meixin was overjoyed. Something was going to happen tonight!

No man could get past a girl who looked vulnerable and pitiful...

In the bedroom, Ning Xi was focused on reading her script for the new movie. It was already too late, so Ning Xi was going to stay there for the night with Lu Tingxiao.

She realized Lu Tingxiao had not come back for some time, so she turned her head and called out, “My dear?”

There was no reaction. Ning Xi scratched her head and walked towards the door.

At the door, Zhao Meixin and Su Yimo heard the voice of a woman from inside the room. Su Yimo’s face turned pale. Lu Tingxiao was with his girlfriend tonight?

She thought Lu Tingxiao would be the cold type and would be very restrictive in his love life as well. She envisioned the woman he liked to be similar. Such a sweet nickname was very unexpected...

Lu Tingxiao’s expression turned from a cold, ignoring face into a warm one like the ice had just melted right away.

For Lu Tingxiao to be so protective of her... Who was this woman?

Not just Su Yimo, even Zhao Meixin was really curious as well. The waitress wanted to take a peek but Zhao Meixin chased her away.

The soft patter of feet stepping on the carpet came closer. Su Yimo held her breath and controlled her mixed emotions as she gawked into the room...

It was just a few seconds, but it felt like an eternity to Su Yimo.

Finally, someone appeared from the corner of her eye.

The girl seemed to have just finished showering, so her face was still a little flushed. She wore a pink bathrobe and her hair fell on her shoulders. She was also holding a script marked with many colorful Post-Its while she walked towards the door.

When they saw who the woman inside was, Su Yimo felt like an aerolith had just crashed into her...

“Ning...Xi...” Su Yimo’s lips were trembling. She felt like she was going crazy.

Ning Xi was surprised to see the shocked Su Yimo and Zhao Meixin.

Nonetheless, since her cover was already blown, there was no helping it. Ning Xi was quickly attracted by something else. She went up to Lu Tingxiao and covered up his low-cut pajamas...

Lu Tingxiao smiled at the girl’s childish behavior as he held onto Ning Xi’s hands and turned to the two women outside the door. He returned to his usual cold tone, “Aren’t you going to apologize to my girlfriend?”

Chapter 1279: It’s All Over

“Your...your girlfriend...is Ning Xi? How’s that possible? How could it be Ning Xi? Impossible! This is impossible!” Su Yimo mumbled to herself as she shook her head in denial.

Zhao Meixin’s expression darkened and she fell to the floor.

Oh my God!

Everything had gone wrong! So wrong!

When she saw that the person who had opened the door was Lu Tingxiao, her first reaction was that she had gotten the room number wrong. She did not expect the waitress to tell the truth!

The room number was not wrong. It was Ning Xi's room number, but the man the waitress mentioned seeing was Lu Tingxiao!

The rumored girlfriend of Lu Tingxiao...was Ning Xi!

From what Lu Jingli revealed the other day, they had been together for a very long time.

No wonder Lu Jingli had recruited Ning Xi personally and got Ling Zhizhi to manage her.

No wonder Lu Tingxiao appeared at the anniversary celebration this year.

No wonder after Lu Tingxiao had rejected Su Yimo, the dance partner randomly picked had been Ning Xi.

Zhao Meixin felt that she was going insane. What made her fear the most was that since Ning Xi knew about their plans, then Lu Tingxiao must have known about them too!

Lu Tingxiao's sudden appearance here must be because of this!

They had actually tried to set up Lu Tingxiao's woman and intended to frame her with the pervert Sun Zhanpeng.

It was over...

This time, it was completely all over...

Zhao Meixin was quivering in extreme fear. She knelt down wobbily. "Ning Xi...Ms. Ning! I didn't do it on purpose! It's all Su Yimo's idea! She said to give you to Sun Zhanpeng. She called the media. I was just following her orders! Please forgive me, Ms. Ning!"

Zhao Meixin almost wanted to strangle herself right there and then. She had been blind! She had been helping the fake lady boss all along, and even helped her to frame the real one!

Lu Tingxiao was not an ordinary businessman. Five years ago, he had settled the chaos from within the Lu Corporation. He then pushed the Lu Corporation to the peak and made it into an international brand in just five years!

Eliminating a person like her was as easy as squashing an ant...

Su Yimo was dumbfounded. She did not expect Zhao Meixin to betray her and even pushed all the responsibilities onto her. She could not care any less about her image anymore, so she yelled at her, "Zhao Meixin! I'll break your mouth! You're the one who planned to use Mr. Lu. You planned everything tonight and now you're pushing the blame on me..."

She was exasperated! Why was she not Lu Tingxiao's woman? She might be able to accept it if it was someone else, but why Ning Xi!? Why was it always Ning Xi!?

Su Yimo regretted that she had tried to frame Ning Xi. If the incident tonight had not happened, she could still be a celebrity, but it was too late now...

As the both of them argued, Lu Tingxiao looked impatient.

Soon, several bodyguards in black suits appeared swiftly. They then quickly took the two women away...

Chapter 1280: One And Only Bed Scene

“Ugh...” Seeing Su Yimo and Zhao Meixin appear so suddenly and watch them get dragged away, Ning Xi could not say anything.

“It’s okay. They won’t tell anything about this to anyone.” Lu Tingxiao closed the door.

Ning Xi shrugged. “I’m not worried about that. They are the two people in the world that would never tell anyone about this!”

“Sorry, I promised to not get involved in your work, but not this time.” Lu Tingxiao was determined to deal with them.

Ning Xi scratched her head. “But...she saved Little Treasure...”

Su Yimo actually did not know that she had saved Little Treasure. She had drunk and crashed into the car that almost hit Little Treasure, but she had still saved him.

Lu Tingxiao looked serious. “She wanted to hurt you.”

He meant, “My wife, you’re more important. More important than my son, yep.”

Ning Xi tiptoed and kissed him. “Okay, I get it! I’ll leave this matter to you!”

“Mmm.” The man nodded. He was not ashamed to admit that he was helping his wife to remove competitors, speeding up their marriage...

Lu Tingxiao glanced at the script Ning Xi was holding, then he changed the topic. “New script?”

“Yep! Want to read it?” Ning Xi asked.

“Nope, things won’t go wrong with Guo Qisheng’s film. He’ll probably design the role just for you.”

Ning Xi blinked and asked with a surprised tone, “How do you know?”

“Just a guess.” Lu Tingxiao just assumed that his wife was so amazing that Guo Qisheng would do that for her.

“Okay, so you’re becoming a psychic!” Ning Xi leaned on Lu Tingxiao as they looked through the script together.

“Mr. Ke Mingyu, who only cares about the beauty, any character that you like?”
Ning Xi asked.

Lu Tingxiao scanned through the character list. After a while, he pointed at a name.

Ning Xi looked closer. “Liu Yan?”

“Mmm.”

Ning Xi’s mouth twitched. “That’s...a good choice!”

“Thank you for the praise, Ma’am.”

Ning Xi then looked at Liu Yan’s description. “Liu Yan, the female lead’s bodyguard. He doesn’t have many scenes. Most of the scenes are with me. Most importantly, the only bed scene in the series isn’t with the male lead, but with Liu Yan...”

Ning Xi then glanced at the man. “Which is the reason that you picked this character? The former or the latter?”

“Both,” Lu Tingxiao said with a straight face.

“Okay...”

...

As Lu Tingxiao and Ning Xi lay on the bed comfortably. Things were becoming chaotic downstairs as more and more reporters arrived.

It was not just because of Liang Biqin. People had also seen Su Yimo and Zhao Meixin being thrown out in big fabric bags by men in black suits...

The news broke out like wildfire within the industry.

The next day, every entertainment news website had nearly the same headlines and almost everyone was talking about it...
