

## FMH Marriage 1331

### Chapter 1331: He Didn't Have The Capability

With phrases like “a life is at stake” and “grandchild”, how dare the Mo family delay any further?

Mo Jianzhang and Kang Shuhui immediately rushed home.

Just the word “grandchild” would be enough for them to rush home, even if they were in the North Pole.

“Wanru, what grandchild are you talking about?! You even said a life is at stake!” Kang Shuhui quickly asked.

Mo Jianzhang looked over confused as well. He looked at his watch and said, “Wanru, quickly go ahead if you have anything to say. I still have to rush back to the unit later.”

Kang Wanru drank half a cup of her tea before saying, “Today, I was just in the clinic. There was a young girl this morning who came for a checkup with her sister, and the report showed that she was three months pregnant. She wanted to get an abortion...”

Kang Shuhui instantly echoed, “Sigh, youngsters these days are terrible. That’s a life right there. How could she just abort it? Why didn’t they take the necessary precautions at the start!? The worst is the man. He must be a good-for-nothing to not take responsibility after getting a girl pregnant, and even have the girl go to the hospital herself...”

“Exactly!”

Mo Jianzhang cleared his throat as he watched the two women started to nag together. “Wanru, you’ve called us back just to tell us this?”

Kang Shuhui realized it as well. “Um, right, Wanru. What did you want to tell us?”

Kang Wanru looked at her sister and her brother-in-law, then frankly said, “Sis, that good-for-nothing man you just cursed earlier is your Lingtian.”

The moment she said that, Kang Shuhui and Mo Jianzhang looked like they had been struck by lightning.

“Wanru, what did you just say?” Kang Shuhui was stunned for a long while before she found her voice, then said regretfully, “How could our punk have such capabilities!?”

If he could get a girl pregnant, she would immediately get her to be her daughter-in-law. That way, their family would have descendants, and she would not be fretting as she did now.

Mo Jianzhang frowned too. “Wanru, I don’t know about other people doing this kind of thing, but it’s impossible for our Lingtian to do so! Otherwise, would you see his mother and I be this worried? That punk has remained chaste for that Guan girl. He even told us that if he doesn’t get to marry Guan Ziyao in this lifetime, he would never get married, and definitely wouldn’t have a child with another woman!”

When he said this, Mo Jianzhang was filled with fury!

Kang Wanru knew they would not believe her, so she explained the entire situation to them, “I heard the girl’s sister say that Lingtian had forced the girl to sleep with him after getting drunk, and that girl had liked Lingtian for many years. After she realized she was pregnant, she was determined to get an abortion because she knew he liked the Guan family’s daughter and did not want to trouble him. It’s all because you two have been praying sincerely to the Buddha for many years that this girl coincidentally came to me, and I spent quite an effort in advising her to go home and think it through first!”

Mo Jianzhang and Kang Shuhui exchanged looks. Both of them were dumbfounded by Kang Wanru’s words.

Chapter 1332: Bring Me Back My Grandchild!

“I know it sounds unbelievable. I was dumbfounded as well. I almost killed my own grand-niece or nephew. What we have to do now is to call Lingtian back and ask him about it! Have you called him?” Kang Wanru asked.

Kang Shuhui suddenly remembered. “I called him just now but it didn’t get through. I’ll call again!”

Kang Shuhui quickly dialed the number again and someone picked up.

...

At the same time, in a high-class restaurant in Imperial, Mo Lingtian pulled Guan Ziyao’s plate of steak over and carefully sliced it up for her before returning it to her. “Don’t always look so down and lose focus. You even fell off from a horse! You really scared me!”

“I’m sorry,” Guan Ziyao apologized with a bitter face.

“You don’t worry too much, alright? Tingxiao might be a little harsh with his words, but we’ve known each other since we were little. Our friendship won’t be affected by a woman. He should’ve cooled down by now. We’ll find a chance and ask him out to talk, alright?” Mo Lingtian was trying really hard to comfort this beauty in front of him.

Guan Ziyao’s expression softened. “Lingtian, thank you... Thank you for always being by my side...”

Mo Lingtian beamed. “Don’t mention it, we’re friends after all.”

As they were talking, Mo Lingtian’s phone rang. It was home.

Mo Lingtian did not want to pick it up, but there had been several calls already. He was worried that there might be something urgent, so he picked it up at last. “Hello, Mother? If it’s nothing important, can you call back later? I’m busy at the moment!”

“Busy, busy, busy! What are you so busy about?! Come home right this instant!” Mo Lingtian’s mother yelled loud enough that Guan Ziyao could hear her.

Mo Lingtian covered his phone. “Ziyao, let me take this call.”

“Okay.”

Outside the restaurant.

“Mother, I’m busy getting you a daughter-in-law!” Mo Lingtian explained himself.

Not only did his mother not soften her voice, she became even angrier. “Guan Ziyao again! You useless kid! The most important thing now is my grandchild. You come back right now, and bring me back my grandchild!”

“Grandchild? Mother, are you having delusions? You’re longing too much for a grandchild!” Mo Lingtian’s mouth twitched.

“I’m crazy? The girl went to the hospital and wanted to get an abortion today. If it wasn’t for your aunt, my grandchild would’ve been gone already! If my grandchild is gone, I don’t want to live either.”

“Wait, wait, Mother! Is there anyone else beside you? Is Father there? I think you’re acting abnormally.”

Mo Lingtian’s father voice came over through the phone. “You bastard, you’re the abnormal one! I don’t care where you are. Come back right this instant! We have questions for you!”

...

Mo Lingtian realized that something was not right. He had to go back right away, so he went home after sending Guan Ziyao back.

Chapter 1333: Genes

“I’m back.” Mo Lingtian walked into the living room unhappily.

It was still afternoon, yet both his parents and even his aunt were home, so he was a little taken aback. “Can you guys like...chill!? Did some random woman come and say that she has my child again?”

Mo Lingtian plopped down on the sofa. “I’m sorry, but my genes aren’t that easy to get!”

Mo Lingtian was the only descendant of the Mo family. Everyone in their circle knew his parents were longing for a grandchild, so a lot of women tried to con them, but in the end, all of them proved to be fake.

Mo Lingtian was really careful in this matter, and he was confident of himself.

Mo Jianzhang kicked him off the sofa. “You bastard, kneel down! Your aunt found out about it. The girl didn’t come to us!”

Mo Lingtian was used to this already, so he cooperatively knelt down. “Aunt, can you tell me who this woman is then? And can she meet me to talk?”

“I’ve already gone against my work ethics for you. Now, you want me to reveal the patient’s private information? You wish! She came to me for an abortion! Which girl would want to meet an irresponsible guy like you!? If it wasn’t for you, I would’ve helped with her the abortion and let her carry on with her life already!”

Kang Shuhui held onto Kang Wanru’s hand firmly. “No way! Wanru, please don’t be angry at him! I’m really thankful for you!”

Mo Lingtian pinched his glabella between his eyebrows. “I’m not sure what’s going on. You have to let me know what happened, alright? I haven’t been fooling around outside!”

His parents glared at him when he said he had not been fooling around outside. They then let Kang Wanru describe what had happened again.

Mo Lingtian’s lazy expression became more and more serious until both his hands were on his forehead as if he was thinking hard about something.

“Lingtian, do you remember anything now?” Kang Shuhui asked nervously.

Time passed by slowly...

There was just silence in the living room. No one said a word.

Mo Lingtian raised up his head. He had a serene calmness on his face as he tried to hide his great anxiety beneath. He looked at Kang Wanru. “Aunt, the girl’s name... Is there...”

Mo Lingtian took a deep breath. “Is there a character that’s similar to the one in my name?”

Kang Wanru thought about it, then she quickly nodded. “Yes, yes! There’s one that’s similar in both of your names! The character ‘Tian’!”

Mo Lingtian...Ning Tianxin...

Mo Lingtian’s calmness shattered.

Mo Jianzhang’s expression darkened. “What now? Did you remember? Is that child yours?”

Mo Lingtian swiftly got up and ran out.

“Lingtian! Lingtian! Where are you going?” Kang Shuhui went out and looked for him, yet Mo Lingtian had already vanished.

Kang Wanru then said, “By the looks of his reaction, it’s definitely his.”

Chapter 1334: Too Small

“What is Lingtian going to do? Could he be forcing the girl to get an abortion?” Kang Shuhui was worried.

Mo Jianzhang unlocked his phone. “I’ll have someone stop him right now!”

Kang Wanru could not care about her work ethics too much at the moment. “That girl’s name is Ning Tianxin! Brother-in-law, check and see where she stays!”

“Okay!”

...

At the same time, at Ning Tianxin’s place, in the kitchen.

“Xiao Xi, how do you know Mo Lingtian?” Ning Tianxin asked.

“He’s a friend of my friend’s,” Ning Xi replied as she was looking through the shelves, then she slowly took out a sharp fruit knife.

Ning Tianxin looked at the knife. “Xiao Xi, you know, I never had any intentions of getting married anyway, so not being able to bear a baby wouldn’t really affect me.”

“Nope...too small...” Ning Xi probably did not hear Ning Tianxin. She looked through again and found a butcher’s knife that was twice as long as the fruit knife earlier. She mumbled to herself, “Still too small...”

Ning Tianxin was speechless.

Suddenly, there was a knock on the door.

“I’ll go and get the door,” Ning Tianxin told Ning Xi.

Who could it be?

Ning Tianxin’s expression changed when she saw who was outside. “Ling...Lingtian...why are you here?”

He looked like he had rushed over. Mo Lingtian was sweating all over and panting. He leaned one of his arms on the door frame, and his eyes were locked on the girl’s face.

Ning Tianxin frowned a little.

Could he know?

No way. It was impossible. She had just found out about it herself not too long ago. No one should know aside from her and Xiao Xi.

Ning Tianxin soon eliminated that possibility as she calmed herself down. “Lingtian, what’s the matter? I’m really sorry, I can’t ask you in because I have a guest over.”

Oh no! Xiao Xi is inside and she’s really angry. If she saw Mo Lingtian now, who knows what would happen?

Ning Tianxin wanted Mo Lingtian to leave. "If it's not something urgent, can we talk again someday?"

Mo Lingtian stared at the girl. He wanted to look for a sign in her expression, but she showed nothing.

She had his child. Now that he was in front of her, was there nothing she wanted to say? How could she be this calm? Could his aunt be wrong?

Mo Lingtian was nervous. If he could not clarify this today, he would never be at ease, so he asked, "Is there anything that you want to tell me?"

Ning Tianxin was sure that Mo Lingtian did not know about her being pregnant. She asked with a confused expression, "What?"

Mo Lingtian looked at her stomach pointedly and said, "Are you pregnant?"

Ning Tianxin was dumbfounded, then she reflexively replied, "How did you know?"

Chapter 1335: How Dare You Mess With My Woman?

How did Mo Lingtian find out about this?!

As Ning Tianxin uttered those words, Mo Lingtian was completely stunned as well. His eyes were filled with hopelessness and panic. "So, it's true! You're really pregnant! Was it from that time that I got drunk?"

When she saw Mo Lingtian's extremely miserable expression, Ning Tianxin's heart instantly constricted. Even though she knew very well that this would be his reaction, it still made her heart ache to the point that it was hard to breathe.

Ning Tianxin's body shivered. She did not know where she found the strength, but she forced herself to say calmly, "Lingtian, what are you talking about? How could it be? I don't know how you found out about this, but...the child's completely unrelated to you..."

"Unrelated to me?" Mo Lingtian spoke slowly, "Do you know who's the gynecologist that did the checkup for you today? That's my aunt! She heard your conversation with your sister herself..."

Now, Ning Tianxin was completely dumbfounded. She would never have thought that there could be such a coincidence.

That doctor was actually Mo Lingtian's aunt?

Now that she recalled that doctor's attitude from before and after her conversation with Ning Xi, it did seem a little out of the ordinary.

"What...what a coincidence!" Ning Tianxin bit her lip, then she continued, "Well, your aunt probably heard us wrong. I was fighting with my cousin a little then, my cousin misunderstood and thought the child was yours, so she wanted to look for you."

Mo Lingtian looked at her. "So you're saying that it's not mine."

"It's not," replied Ning Tianxin.

Mo Lingtian gritted his teeth. "Okay, it's not mine, then tell me whose is it?! The day that I was with you was your first time!"

"I..." Ning Tianxin had been pushed by Mo Lingtian to her breaking point.

Just as Mo Lingtian continued to interrogate, a gloomy voice came from behind Ning Tianxin. "The child in her belly is mine! Do you have any opinions about it?"

Then, Mo Lingtian saw a girl walk out from the shadows. She looked murderous and she even held a huge kitchen knife in her hand.

The thing that surprised him the most was...

This...this girl was...

"Little...little bunny?!"

At this moment, Ning Xi's wig and black-framed spectacles disguise had been taken off, so Mo Lingtian could immediately recognize the person before him as Lu Tingxiao's little bunny.

With the kitchen knife in her hand, the little bunny stared at him sinisterly. It was really frightening.

"Huh, you don't want to take the easy way and barged in the hard way, Mo Lingtian! Accept your death!" Ning Xi said as she raised the kitchen knife and charged towards Mo Lingtian.

"Ah, ah, ah!" Mo Lingtian shouted as he ran. "Hey! What's wrong?! Ning Xi, are you crazy?"

Why had Ning Xi appeared at Ning Tianxin's place?!

Wait, something was not right.

Ning Xi...Ning Tianxin... They both shared the surname.

My God! Crap! Could Ning Xi be Ning Tianxin's cousin?

He really did take the hard route instead of the easy one.

If he had known Ning Xi was here, he never would have come!

Those who did not know her would think she was a little bunny, but after witnessing her valiance many times, Mo Lingtian was about to go crazy at this point.

Now, he was grateful that it was just a kitchen knife and not a gun in her hand.

"Hey! Mo Lingtian! If you're still a man, stop right there!"

"Ning Xi, calm down, let's just talk calmly..."

"Talk, your ass! Go to hell, bastard! How dare you mess with my woman?!"

“Ah! Whoa! You’re for real!”

“I’ll give you three seconds. Bid farewell to your little brother!”

...

Chapter 1336: You Almost Hurt My Baby

She did not think that this would happen and Ning Tianxin was worried. “Xiao Xi, stop! Don’t chase him anymore! This is too dangerous! Xiao Xi!”

Unfortunately, Ning Xi could not hear her at this point.

Ning Tianxin was worried that they would get hurt if this continued. Anxiously, she rushed over to stop them from fighting any longer.

The two of them did not expect Ning Tianxin to suddenly come over. They could not avoid her in time and accidentally bumped into her. Ning Tianxin’s entire body fell backward.

Ning Xi felt her soul leave her body and Mo Lingtian was so frightened he almost peed his pants too. Thankfully, they managed to steady Ning Tianxin together.

Ning Xi looked at Ning Tianxin’s belly in alarm. “Bloody hell! You almost hurt my baby!”

Mo Lingtian was so done. “Isn’t it mine?”

Ning Xi instantly shot a sinister look at him. Hmm? What did you say?”

“Nothing, nothing... Right, it’s your baby...yours... You’re always right...”

Ning Xi scoffed, then she carefully brought Ning Tianxin into the living room.

Ning Xi sat cross-legged on the sofa, while Mo Lingtian shrunk to a corner on the sofa opposite.

Ning Tianxin brought two cups of scented tea for the both of them. She was relieved to see that Ning Xi had calmed down.

Mo Lingtian pinched his temples and looked at Ning Tianxin. “She...is really your cousin? Biological?”

Ning Tianxin nodded. “Yes.”

“What the hell? Why didn’t you tell me earlier?!” Mo Lingtian was having a meltdown.

Bam! With a loud crash, Ning Xi had slammed the coffee table hard opposite him. “Watch the way you speak to her!”

Mo Lingtian gulped. “No, what I’m saying is...if she had told me earlier, I would’ve mentally prepared myself. Now that I didn’t, I got a shock.”

Ning Tianxin did not say anything about this. She had actually mention Ning Xi before and had even said her name. However, he would neither remember nor take it to heart.

Ning Xi raised up the kitchen knife. “Bloody hell! How dare you still question my cousin? Who gave you the guts?! Was she the one who got drunk and forcefully tried to sleep with you? Did she want to get pregnant? If she had not stopped me, I would’ve chopped you up in the hospital!”

Mo Lingtian knew he was wrong, so he quickly avoided the blade and said, “It’s my fault. I didn’t act properly earlier. I was just too anxious to clarify things.”

“Aren’t you sure of what you’ve done yourself?”

“Now, I am...”

Ning Xi put the kitchen knife down with a slam on the table. “Tell me, how are you going to resolve this?”

The atmosphere in the living room instantly turned to a chill.

At last, Ning Tianxin spoke first, “Xiao Xi, I want to speak to him alone.”

Ning Xi was worried about Ning Tianxin being alone, but Ning Tianxin was determined, so she could only shoot Mo Lingtian a murderous warning gaze. She unwillingly got up. “Call me if there’s anything.”

Ning Tianxin looked gratefully at her. “Mmm.”

After Ning Xi left, the living room returned to silence.

Moments later, Mo Lingtian asked with difficulty, “Why didn’t you tell me?”

Ning Tianxin did not say anything.

Some time passed, and Mo Lingtian finally took a deep breath. He looked to Ning Tianxin and said in a single breath, “Tianxin, about this, it’s my fault. I’m sorry, I’m really sorry! I know that it’s useless to say it a million times! I know that as a man, I should be responsible. I know that the words I’m about to say are shameless, but I’m very sorry. I can’t have this child...”

Chapter 1337: Come Out and Hang!

Ning Tianxin smiled calmly. “I didn’t tell you because I didn’t want to have to hear such things with my own ears!”

Mo Lingtian was stunned. He was suddenly speechless.

“Lingtian, you don’t have to say anymore. I know that you don’t like me, and I know you have someone else that you like. I was ready to abort the child. It was just an accident. There’s really no need to do so much, or were you worried that I’d use the child to force you into marrying me?”

“No! I didn’t mean that!”

If Ning Tianxin was going to cause a ruckus, if she really did, he might even feel slightly better.

Mo Lingtian buried his head in his hands and looked like he was in physical pain. "If this was another woman, I might give her a lump sum of money, but, Tianxin, I...I really don't know how to face you..."

Ning Tianxin smiled. "I'm really thankful that you didn't talk about giving me a sum of money. Lingtian, go home. It's really nothing."

"I..." Mo Lingtian wanted to say that he would accompany her to the abortion, yet he could not bring himself to. Saying that would sound like he was worried about her and wanted to force her to get the abortion. Even though the thing he had done at that moment was already cruel.

"Go home, I'll go to another hospital later on," sighed Ning Tianxin.

Finally, Mo Lingtian got up and quietly left.

Almost in the instant that Mo Lingtian left, Ning Tianxin's tears fell.

When she heard that there was suddenly no more sound of activity outside, Ning Xi walked out.

She had just stepped out when she saw Ning Tianxin's silent cries as she faced the door. She felt her heart ache so much that she was about to fling the kitchen knife in her hand right out the door.

She did not have to guess the result of their conversation.

"Sis Tianxin, are you really going to just let him off like that?"

"Xiao Xi, let's not talk about it anymore. I've already decided... I want to be alone..."

Ning Xi did not know what to say. She could only hug her, then leave her alone.

If it was those trash men in the past, Ning Xi naturally had a hundred ways to deal with them, yet now the situation involved Sis Tianxin's guy that she loved to his bones to the extent of not wanting to trouble him about things like this.

As an outsider, she could not intervene much in relationship problems. Besides, she was busy enough with her own things.

After she left Ning Tianxin's place, Ning Xi returned to Peachwood.

She sat there deep in her thoughts from noon till sunset.

It had been long since she felt like this. That incident she had intentionally forgotten about and buried in a deep, dark corner had now struggled out like a beast. It was as if a huge mountain was stalking her relentlessly and pressuring her, torturing her in a suffocating way...

The sky dimmed outside her window. Ning Xi got up and changed into a male outfit, then she called Tang Lang and said with a relaxed tone so that no one would pick up anything odd, "Second Senior Brother! Come out and hang!"

“Pfft, no! I wouldn’t hang out with you even if I was going to hang! Ever since you started dating, it’s not even fun to go out with you!” Tang Lang’s tone was filled with disdain from the other end of the phone.

“Come on, come on! I’m waiting for you, okay?”

...

At Bar No. 8, under Ning Xi’s persuasion, Tang Lang came in the end.

However, it was not long before Tang Lang had really regretted coming again.

Not because Ning Xi had just sat there without drinking much and being a total bore, this time...

What the hell? The girl was going overboard!

Chapter 1338: Is She Crazy?

“Hi! Second Senior Brother!” Ning Xi greeted, then started drinking.

Before Tang Lang realized, she had already finished three bottles of whiskey and was starting on her fourth.

Tang Lang’s eyes widened. “What the heck!? What’s happening?”

After finishing her fifth bottle, Ning Xi went right up on the stage took the mic away from the man who was singing.

The heated up crowd started booing. “Hey! What are you doing?”

“Where’re the security guards? Get him off the stage!”

“Dude! I’ve been waiting for Kevin to get on stage!”

...

Ning Xi kicked the singer named Kevin off the stage. She even kicked the security guards away, then she picked a song called “What Makes You Beautiful”.

The club was then filled with the upbeat music.

“Baby, you light up my world like nobody else.

The way that you flip your hair gets me overwhelmed

But when you smile at the ground it ain’t hard to tell.

You don’t know, oh-oh;

You don’t know you’re beautiful.

If only you saw what I can see,

You’ll understand why I want you so desperately.

Right now I'm looking at you and I can't believe"

Slowly, the crowd started to cheer for her, then people started screaming.

"Ahhhh! So cool!"

"Who's that guy?"

"I don't know, but why do I feel like he looks like Bro Xi!"

"How could Bro Xi be here?! But damn! He does look like Bro Xi! Oh, my heart!"

"Quickly, get the others here too!"

...

More and more people gathered in the club until there was no place left to stand. People started to stand on the tables and many people were rushing in from the outside as well.

Tang Lang was almost squashed. "Damn it! Is she crazy?"

Even if she was not afraid of Lu Tingxiao, was she not worried about people recognizing her?

Tang Lang felt things were really odd.

What had happened?

Could she have broken up?!

Otherwise, he really could not think of a reason for her to act this wild tonight.

"Baby, you light up my world like nobody else.

The way that you flip your hair gets me overwhelmed.

But when you smile at the ground it ain't hard to tell..."

No matter how hard Tang Lang tried to give her a sign, Ning Xi did not react at all. His voice was drowned in the shrieks and loud music.

Ning Xi was giving her all on stage as the girls were going crazy for her. Even the guys were raving hard.

Tang Lang had forgotten the last time he had seen Ning Xi like this, but it was pretty common for her to act like this five years ago...

The situation was getting out of control. Some reporters were even there. Tang Lang moved through the crowd, then finally got up on stage. He then dragged Ning Xi and ran away through the back exit.

Praise my skill!

Tang Lang spent every ounce of his strength and hauled Ning Xi out. He looked at her angrily.

"Damn it! Warn me before you go crazy, alright?"

Chapter 1339: Lu Tingxiao Come!

“Damn it! Warn me before you go crazy, alright?”

Ning Xi nodded and replied, “Oh...”

“Let’s go now! What are you looking about for?” Tang Lang realized that Ning Xi was not following him. He looked over at what Ning Xi was staring at. It was a bunch of guys with motorcycles surrounding a pretty girl.

“Hey, girl, hang out with me!”

“I...I can’t, my friends are inside waiting for me...”

“Just to look at that male singer? What’s so good about him?! Let’s go! I’ll make sure you’ll feel very good tonight...”

“Hey, let go of me!”

...

“Please, I’ll ask the guards to take care of this, alright? Can you not get involved again? I just only got you out! The reporters are going to be here anytime soon!” Tang Lang was really exhausted.

Ning Xi started counting, “Three...two...”

“Huh? What are you counting?” Tang Lang was confused.

“One!” Ning Xi suddenly sprinted forward and kicked the man who was on the motorcycle down. She then rode the bike and escaped.

Tang Lang was speechless.

Was that countdown meant to be a warning to him?

Thank you very much!

The man who was harassing the girl just a minute ago was enraged. “Damn it! That bastard! He dared to take my bike!”

“Get him!”

“Go!”

...

Ning Xi was really a skilled troublemaker. There were about a dozen of people chasing after her. They all looked ferocious and were chasing her on their expensive, heavy-duty bikes.

Tang Lang could only continue to follow them. He grabbed one of their bikes and rushed towards Ning Xi.

He was still taking the salary of a bodyguard after all!

What an inhumane job!

Soon, the group dispersed, and only the pretty girl was left there alone.

Was she mistaken? Why did the person just now look like Bro Xi?

...

Tang Lang's sixth sense told him that he would not be able to handle Ning Xi alone tonight, so he decisively made a call to Lu Tingxiao while chasing Ning Xi. "Hey! Boss, your Ning Xi has gone crazy! She's like a wild dog now! If you don't come and hold her back, I really can't take it anymore!"

"Where are you?" Lu Tingxiao did not say much, going straight to the point.

"I'm... I only know where I am now, but I can't be sure about later! I'm moving at a really high speed! I'm on the highway connecting Sky Dragon Bay and Death Valley... I'm losing her! Please come here quickly!" Tang Lang ended the call and quickly caught up.

As Tang Lang caught up with them, the dozen people were already beaten up by Ning Xi.

And she was not letting them go.

Ning Xi squatted down in front of them. "I'll ask you guys a question. The person who gets it right can leave..."

Chapter 1340: Do You Have A Girlfriend?

"What question? I'll answer it!" They realized they could not beat Ning Xi, so their attitudes changed.

Ning Xi pointed at a guy with yellow hair. "You, do you have a girlfriend?"

"N-No..." He shook his head reluctantly.

Ning Xi then beat him up. "You don't even have a girlfriend!"

The guy with yellow hair was speechless.

Ning Xi pointed at another guy with red hair. "You, do you have a girlfriend?"

"Yes, yes! I do!" He nodded.

Ning Xi squatted before him. "Let me ask you. If your girlfriend is hiding something from you, would you break up with her?"

The guy with red hair thought about it. "Well, I think honesty is important for two people to be together. If my girlfriend were to hide something from me, I might break up with her!"

And he got beaten up as well.

The guy with red hair was speechless.

“Who else has got a girlfriend? Raise your hand!” Ning Xi roared at them.

All of them kept quiet.

“I’m going to beat up everyone who doesn’t raise their hands!”

Suddenly, everyone raised their hands.

Ning Xi pointed at a bald guy. “You, if something unacceptable happened to your girlfriend, although she told you a little about it beforehand and you’ve also told her that you don’t mind her past, would you break up with her if she told you the truth about what actually happened?”

The bald guy had no idea what was Ning Xi talking about, but due to the two previous examples of his the fallen brothers, he quickly replied, “Of course not! For one to break up with the girlfriend over a small matter like this, is he still a man?”

Then, he was beaten up too. “Who did you say isn’t a man?!”

The bald guy was speechless.

Everyone was beaten up for some weird reason.

They finally understood that this person did not really want to ask questions. This person just wanted to beat people up!

“Bro, where are you from? What do you want? Tell us!” The bald guy was on the verge of crying.

Tang Lang saw what had happened, so he stepped in. “Hey, that’s enough! Let them go!”

All of them looked at Tang Lang gratefully, asking silently for help.

Then, Tang Lang was attacked.

Everyone did not know how to react when they saw Ning Xi attack her own person.

Just where did this demon come from?

“Are you really crazy?” Tang Lang grappled with Ning Xi.

Under his teaching, Ning Xi had had visible improvement from before, and some time passed as they fought.

For some reason, she still had a lot of strength in reserve despite drinking and singing so much. She was still so energetic!

Tang Lang could just only go along with her as he wondered just what had happened to her.

Some of the thugs wanted to escape, but they were beaten up once again.

It was chaos.

At this moment, a black Maybach stopped nearby quietly.

The car's headlight was lighting up the path ahead. The people in the car could see a young man stepping on a bald man's back, and several men with colored hair crying and begging for the young man to let them go. It was a pitiful sight...
